The District's Accomplishments and Challenges

Accomplishments: The district received 8 Standards of Excellence on the Kansas Assessment program last year. The average attendance rate for the district is 95.42%. Our tests scores continue to improve combined with more and more students participating in extra-curricular activities offered by the district. The district is very involved in supporting an extensive community program.

Challenges: The rising cost of health insurance is a major issue for the district. The district is also facing declining enrollment in our lower grades. Funding technology needs, meeting the mandates of NCLB, and keeping our facilities in good condition is a real challenge for our budget.
