## Introduction

Canton – Galva Schools are made up of: one Elementary School in Canton (K-3), one Middle School in Galva (4-8), and one High School in Canton (9-12). Our enrollment has held steady over the last couple years, and we look forward to growing in the future. Housing projects in both communities have helped with the increase in enrollment. Both are rural communities with a total population of approximately 1500 people.

## The District's Accomplishments and Challenges

**Accomplishments:** The most recent accomplishment of District 419 is to undergo a reorganization of buildings. Combining the buildings through reorganization will provide for more collaboration of the staff and students. We will offer benefits to students through similar grade size, similar gender ratio, and collaboration through the curriculum. Other accomplishments include meeting the Standard of Excellence in 5 curricular areas during the 2002-03-school term.

**Challenges:** Our challenges deal with self-improvement, student improvement, and accountability. We will continue to pursue excellence in all curriculums through hard work, providing highly qualified staff, reviewing test results and providing in-service for staff members.
