Private School Proportionate Share (PsPs) The Private School Proportionate Share is a prorated amount which is derived from dividing the 3-21 VI-B federal flow-through funds an LEA recieves by the most recent December 1st Students with Disabilities Child Count then multiplied by the total number of parentally placed private school children reported by the LEA in Part II in the previous year's LEA Application. PsPs funds must be tracked separately.
The PsPs funds may be expended any time during the grant period, but must be encumbered by Sept 30, 2012 and expended by December 30, 2012. Any PsPs funds that have not been encumbered and expended within the grant cycle must be returned to the U.S. Department of Education. More information regarding the Private School Proportionate Share is located in the Special Education Process Handbook, Chapter 14, pages 7-10. http://www.ksde.org/Default.aspx?tabid=3152
