2006-2007 Budget General Information
USD #275

Introduction

Our students are receiving an overall high-quality education and the results can be seen in their test scores, graduation rate and other areas. However, our district has continued to experience declining enrollment. This has resulted in some cuts in spending, but we have done everything possible to keep these cuts from affecting the classroom instruction.

The District's Accomplishments and Challenges

Accomplishments:
Our graduation rate for the last eight years has been an outstanding rate of 100%.

Challenges:
Working with decreasing numbers of students and concern of legislative decisions is a constant weight on the district. One area of expense that we need to focus on is updating the bus fleet. Recruiting of certified staff to our rural area presents problems also. Because of a limited staff, it is also difficult to provide as wide a curriculum offering as we would like.
