Suicide Prevention

Small Group Summary and Recommendations

 @kansasdoe  @ksdehq #KansansCan

Question #1

What recommendations does the council see a need to move forward to the Kansas State Board of Education in January?

#KansansCan

Common Themes

- Differentiated/tiered approach (3-tiered model)
- Offer protocols and PD options to districts (full set of protocols beyond the 1 hour training)
- Utilize community data and demographics
- Support use of KCTC survey
- Awareness for entire school community (staff, students and families)

Additional Recommendations

- District management system (SEG coordinator, HR management, etc.)
- Consider the capabilities of various sized districts
- Utilize SMH pilot evaluation data to inform recommendations

Question #2

What audience would these recommendation be for? (all, administrators, teachers, students)

Common Themes

- Staff, students and families
- Student-to-student (students learning how to support each other)
- Not suicide specific, incorporate trauma informed principals
- Identify “best practices”

Child Sexual Abuse Prevention

Small Group Summary and Recommendations

 @kansasdoe  @ksdehq #KansansCan

Question #1

What recommendations does the council see a need to move forward to the Kansas State Board of Education in January?

#KansansCan

Common Themes

- Require mandated reporter training
- Prepared professional development on signs of abuse and neglect (inclusive of all types of abuse, human trafficking, & grooming)
- Prevention founded in personal safety & trauma informed care practices
- Incorporate screeners (internalizing & externalizing behaviors)
- Develop response plans

Additional Recommendations

- Create or strengthen a resource center where districts can obtain information
- Coaching in how to support a colleague in making a report
- Trainings linked to website with multiple training options

Question #2

What audience would these recommendations be for? (all, administrators, teachers, students)

#KansansCan

Common Themes

- Training for staff and students
- Provide resources for families
- Staff training first, then focus on students
- Carefully differentiate student training based on age appropriateness
- General focus on mental health trainings, which would include abuse & neglect
- Resource center for training tools

Additional Recommendations

- Staff wellness (secondary trauma)
- Student training; opt in/opt out
- Encourage the KTCT survey
- Have a focus on resilience as well as awareness

DISCUSSION ON POSSIBLE RECOMMENDATIONS TO THE STATE BOARD

- Jason Flatt Act/Suicide prevention
 - Protocols
- Mandated reporting
- Child Sexual Abuse prevention
 - Should we consider a broader more inclusive term for abuse and neglect?
- Tiered trainings tied to re-licensure
- Adult training/student training
- Other items from survey data

JANUARY STATE BOARD MEETING AND LEGISLATIVE COMMUNICATION

- Presentation and interaction with the board
- Who and what methods are best for communicating with legislators?
