Budget Workshops 2020

New Normal = New Rules

- **Social distancing:**

In recognition of **CDC guidelines** that **may or may not be in place** in your county... to keep you safe, if people travel together in the same car, you will be seated together at a table, but **spaced six feet apart from your neighbor** (like the restaurants).

- **Two 3-hour workshops:** Two shorter sessions will be offered:

Morning 9 a.m. – noon

Afternoon 1 p.m. – 4 p.m.

This is due to **social distancing** and being unable to seat as many people per session.

Budget Workshops 2020

Morning session:

- **Social distancing** will be **encouraged to exit** the session and **pick up a box lunch and drink** (at **selected** sites).

Noontime Turnaround: When arriving for the afternoon session, the meeting room will open approximately **12:45 p.m.** This allows time to **thoroughly sanitize/disinfect tables, chairs and all surfaces throughout the meeting room** after the morning session concludes.

Afternoon session:

- The **box lunch and drink** (at **selected** sites) will be available at the **registration desk**.

Building Needs Assessment

K.S.A. 72-1163

Each year, the **board of education of a school district shall conduct an assessment of the educational needs of each** attendance center in the district.

Such assessment shall be **published** on the **school district's website**.

Information obtained from such needs assessment shall be used by the board when **approving the budget of the school district** to ensure improvement in student academic performance.

In the minutes of the meeting at which the board approves its annual budget, the board shall include that such needs assessment was provided to the board, the board evaluated such assessment, and how the board used such assessment in the approval of the school district's budget.

Building Needs Assessment

K.S.A. 72-1163

Each year, the board

of education of a

school district shall

review state

assessment results

and, as part of such

review, shall document

the following:

The **barriers** that must be overcome to have all students achieve proficiency above level 2 for grade level academic expectations on such assessments;

Any **budget actions**, including, but not limited to, recommendations on reallocation of resources that should be taken to address and remove such barriers; and

The **amount of time** the board estimates it will take for **all students to achieve proficiency above level 2** for grade level academic expectations on the state assessments if such budget actions are implemented.

Budget Planning Process

Kansas State Board of Education

Goal: To enhance each student for post-secondary opportunities and success.

Outcome: Align school district budgeting with improvement needs for each student, as identified by the building needs assessment.

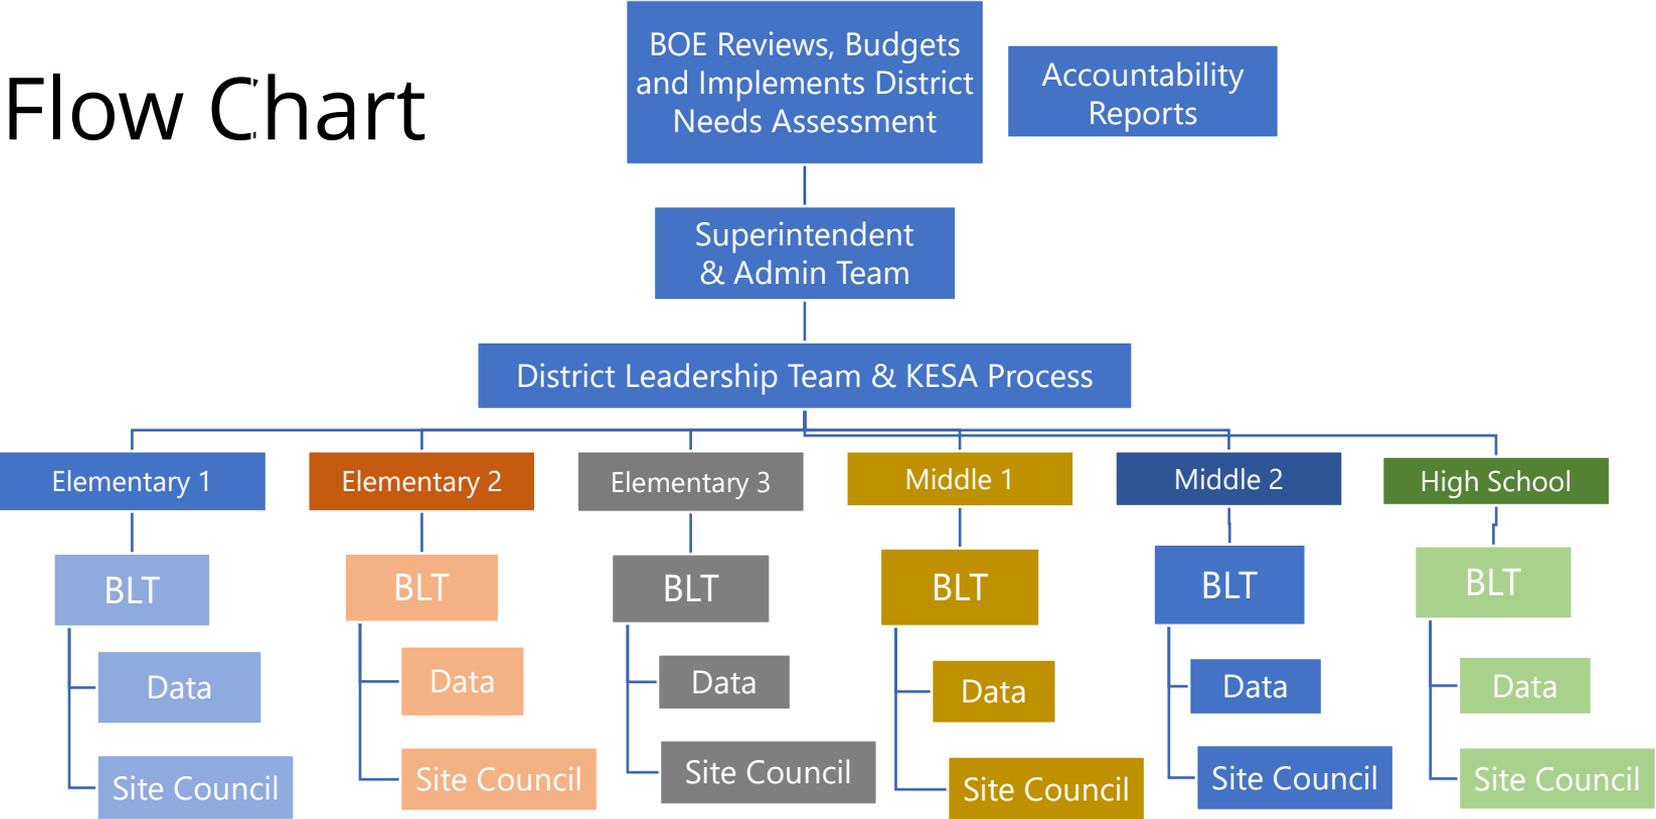

Statute: Review state assessments and document the following:

1. Barriers preventing students from achieving above Level 2.
2. Budget actions that should be taken to remove those barriers.
3. Amount of time estimated for all students to achieve above Level 2.

Post on the district website **annually**.
