

ASCENT YEAR: WHAT TO EXPECT

August-October
PHASE IV

August | September | October

Measures of program success:

- Reestablish progress monitoring routines.
- Monitor progress weekly.

Parent and community engagement:

- Plan consistent and coordinated communication and opportunities for engagement.
- Begin to implement communication plan.

Building culture:

- Complete Building Culture Survey.
- Review results with staff.

Collaboration:

- Participate in check-ins and peer networking opportunities.
- Host and participate in Learning Walks with other redesign schools.
- Consider how to “give back” to the Kansas redesign community.

Integration:

- Integrate redesign goals and measures of program success into Kansas Education Systems Accreditation (KESA).

November-January
PHASE V

November | December | January

Measures of program success:

- Measure progress and adapt.
- Monitor progress weekly.

Parent and community engagement:

- Continue consistent communication and opportunities for engagement.

Building culture:

- Continue strategies for innovative building culture.

Collaboration:

- Participate in check-ins and peer networking opportunities.
- Host and participate in Learning Walks with other redesign schools.
- Consider how to “give back” to the Kansas redesign community.

Integration:

- Continue integration into KESA to reduce duplication.

February-May
PHASE VI

February | March | April | May

Measures of program success:

- Measure progress and adapt.
- Monitor progress weekly.

Parent and community engagement:

- Continue consistent communication and opportunities for engagement.

Building culture:

- Continue strategies for innovative building culture.

Collaboration:

- Participate in check-ins and peer networking opportunities.
- Host and participate in Learning Walks with other redesign schools.
- Consider how to “give back” to the Kansas redesign community.

Integration:

- Continue integration into KESA to reduce duplication.
