

# Evidence-Based Programs & Practices

The KSDE has reviewed all programs and practices listed below from the 2022-2023 approved list. Those that are no longer approved for state at-risk funding for 2024-2025 school year are crossed out.

Districts using programs that are no longer approved can submit a provisional application using local data to show program effectiveness for at risk students. Programs that have expired are **not** eligible for provisional approval.

Questions can be submitted to [stateatrisk@ksde.org](mailto:stateatrisk@ksde.org)
