(The **last EXIT** record submitted for a student during his or her high school years is used when calculating the graduation rate.)

D27 EXIT/Withdrawal Type in KIDS	EXIT Code #	Adjusted Cohort Treatment	Impact on Graduation Formula	Mathematical Effect on Graduation Rate
Transfer to a public school in the same district	1	Transfer Out or Non-Graduate	Removed from denominator; included in denominator	Increases rate if student attends another public school; decreases rate if student does not
Transfer to a public school in a different district in the same state	2	Transfer Out or Non-Graduate	Removed from denominator; included in denominator	Increases rate if student attends another public school; decreases rate if student does not
