The District's Accomplishments and Challenges

Accomplishments:
Our District continues to improve on our tests scores and many of our students are very successful in post graduation pursuits. We have attained a ratio of 2 students to 1 wireless laptops in addition to our 2 to 1 ratio for students to desktops. Our staff utilizes the technology in their classrooms on a daily basis.

Challenges:
Rising cost of fuel, utilities, insurance, and textbooks continues to stretch our budget. Even though we had no turnover in staff this year, we know that a serious shortage of teachers will catch up with us in the very near future.
