

DRUG & ALCOHOL CLEARINGHOUSE

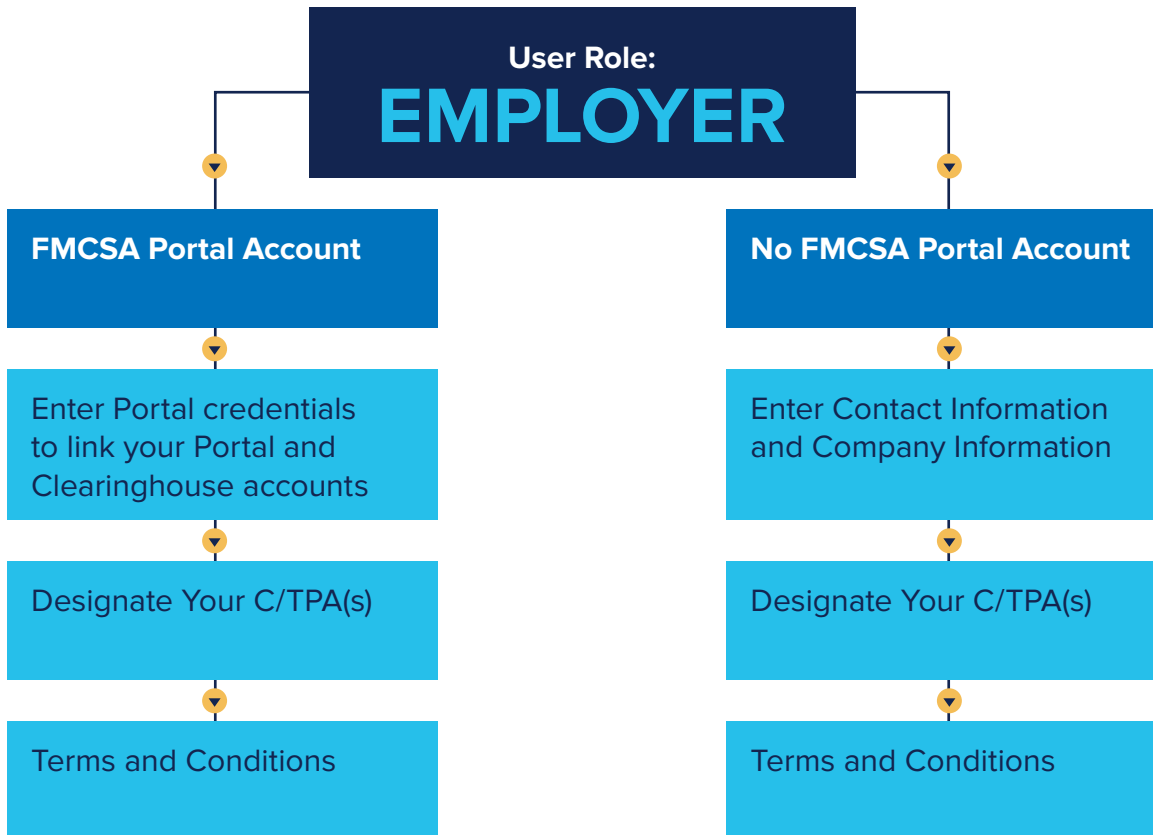

REGISTRATION: EMPLOYERS

Before you can conduct queries or report drug and alcohol program violations in the FMCSA Commercial Driver’s License Drug and Alcohol Clearinghouse, you must complete the registration process. Once registered, you can designate a consortium/third-party administrator (C/TPA) to access the Clearinghouse on your behalf.

Designating a C/TPA is a requirement for owner-operators (employers who employ themselves as CDL drivers, typically a single-driver operation). Owner-operators must designate a C/TPA before they can conduct queries or report violation information in the Clearinghouse.

The steps you will take to register as an employer in the Clearinghouse will depend on whether or not you have an FMCSA Portal account. The FMCSA Portal is a web system that allows employees of motor carriers to access FMCSA web systems. If your company has, or should have, a [USDOT Number](#), you should request an [FMCSA Portal Account](#) prior to registering for the Clearinghouse.

Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

1

Visit <https://clearinghouse.fmcsa.dot.gov/register> and click **Go to login.gov**.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

The screenshot shows the top navigation bar of the FMCSA website with the 'Go to login.gov' button highlighted. Below the navigation bar, the main heading reads 'Register for the Clearinghouse now and be ready for implementation'. A 'GOVERNMENT PERSONNEL' box contains a warning for enforcement personnel and state driver licensing agencies. A 'Why register now?' section lists three categories: DRIVERS, EMPLOYERS, and SAPS & MROS, each with a brief description of the registration process.

2

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your credentials on this screen, click **Sign In** and go to step 10.

The FMCSA Drug & Alcohol Clearinghouse is using login.gov to allow you to sign in to your account safely and securely.

Are you FMCSA or State Driver Licensing Agency personnel?
FMCSA enforcement and SDLA staff do not need to create a login.gov account to access the Clearinghouse. This includes staff from Departments of Motor Vehicles.

If you are working with a consortium/third-party administrator (C/TPA), you will need to designate your C/TPA in the Clearinghouse. This allows your C/TPA to access the Clearinghouse on your behalf. **This step is required of all owner-operators.**

Enter the name of your C/TPA in the field labeled **Who is your C/TPA?** and **click on the search icon**, or hit **Enter**.

The screenshot shows the registration process for employers. At the top, it says "United States Department of Transportation" and "FMCSA Federal Motor Carrier Safety Administration". There are "Register" and "Login" buttons. Below that, it says "DRUG & ALCOHOL CLEARINGHOUSE" with "FAQ", "About", and "Contact" links. A progress bar shows six steps: LOGIN.GOV, ROLE SELECTION, CONTACT INFORMATION, COMPANY INFORMATION, DESIGNATE C/TPA (highlighted with a blue circle and the number 5), and TERMS & CONDITIONS. A help icon and text say "Do you need help? Download step-by-step instructions for employer registration." Below the progress bar, the section is titled "5. Designate Your Consortium/Third-Party Administrator". The text explains that employers can use one or more C/TPAs to manage their drug and alcohol testing program. It states that you can designate your C/TPA(s) now or after registration. A blue box titled "DESIGNATE YOUR C/TPA(S)" contains instructions: "For each C/TPA you designate, you must indicate which actions the C/TPA may take your behalf. If you don't currently have a C/TPA, you may designate the C/TPA once you have acquired their services." Below this is a form with a label "Who is your C/TPA?" and a text input field with the placeholder "Enter the name of the C/TPA managing your drug and alcohol testing program". A search icon is in the bottom right of the input field. Below the input field, it says "C/TPA not listed: A C/TPA must be registered in the Clearinghouse before they can be designated by an employer. If your C/TPA is not listed, contact them to confirm they have completed their Clearinghouse registration." At the bottom, there are "Previous", "Next", and "Cancel" buttons.

This will generate a list of registered C/TPAs that match your search terms. Locate your C/TPA in the list and click **Designate** on the appropriate line.

A C/TPA must be registered in the Clearinghouse before you can designate them. If you do not see your C/TPA in your search results, contact them to confirm they have completed their Clearinghouse registration.

The text explains that employers can use one or more consortia/third-party administrators (C/TPAs) to manage their drug and alcohol testing program. A note states: 'Per § 382.711(b)(3), any changes to designated C/TPAs must be updated in the Clearinghouse within 10 days.' There is a search field labeled 'Who is your C/TPA?' with the text 'harlow' entered. Below the search field, it says 'C/TPA not listed? A C/TPA must be registered in the Clearinghouse before they can be designated by an employer. If your C/TPA is not listed, contact them to confirm they have completed their Clearinghouse registration.' It then states 'There are 1 C/TPAs which match the search "harlow"'. A table lists one entry: 'Harlow Consortium Inc.' with a 'Designate' button next to it. The 'Designate' button is highlighted with a red box. At the bottom of the page are 'Previous', 'Next', and 'Cancel' buttons.

18

For each C/TPA you designate, you will be prompted to authorize them to perform specific functions on your behalf. The functions available for selection are: **Report Violations**, **Report RTD Information**, and **Conduct Queries**. Once you have finished designating C/TPA(s) and authorizing them to perform these functions, click **Next**. This will send a request to the C/TPA(s) to confirm your designation.

Note to owner-operators: You must authorize at least one C/TPA to report violations and at least one C/TPA to report negative return-to-duty (RTD) information, including negative RTD test results and successful completion of RTD follow-up plans. You may authorize one C/TPA to fulfill both these functions. You may also authorize C/TPAs to conduct queries, however this action is not required to be performed by a C/TPA.

5. Designate Your Consortium/Third-Party Administrator

As an employer, you may use one or more consortia/third-party administrators (C/TPAs) to manage your drug and alcohol testing program. As a user of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse, I understand that I am personally responsible for the use and any misuse of my system account and password. I also understand that by accessing a U.S. Government Information system, I must comply with the following requirements:

2. The Drug and Alcohol Clearinghouse may not be used (i) for a purpose that violates any Federal law; (ii) for mass mailings of personal messages/statements; (iii) for commercial purposes, financial gain, or to support "for profit" non-Government activities; or (iv) to engage in any DOT or FMCSA-discrediting activities (e.g., gambling; viewing of adult content). FMCSA IT Rules of Behavior

As a user of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse, I understand that I am personally responsible for the use and any misuse of my system account and password. I also understand that by accessing a U.S. Government information system, I must comply with the following requirements:

1. The Drug and Alcohol Clearinghouse is authorized for official use only.
2. The Drug and Alcohol Clearinghouse may not be used (i) for a purpose that violates any Federal law; (ii) for mass mailings of personal messages/statements; (iii) for commercial purposes, financial gain, or to support "for profit" non-Government activities; or (iv) to engage in any DOT or FMCSA-discrediting activities (e.g., gambling; viewing of adult content). "FMCSA-discrediting activities" also include seeking, transmitting, collecting, or storing defamatory, discriminatory, obscene, harassing, or intimidating messages or materials.
3. FMCSA reserves the right to monitor the activity of any machine connected to its infrastructure.
4. Drug and Alcohol Clearinghouse is the property of the Federal Government and FMCSA owns the data stored in this system.
5. Non-public information that was obtained via the Drug and Alcohol Clearinghouse may not be divulged outside of authorized channels without the express permission of the owner of that information.
6. Any activity that violates Federal laws for information protection (e.g., hacking, spamming) is prohibited.
7. Users must lock the computer if they are away from the desk and use a password-protected screensaver to automatically lock the computer.

If stored **digitally**, a password must not be stored in a clear-text or a readable format. You may store your login.gov "just in case" information in printed or digital form.
9. The Drug and Alcohol Clearinghouse uses login.gov to authenticate you. Login.gov has password format requirements and a password expiration policy that must be followed. Login.gov passwords do not expire because login.gov uses multi-factor authentication. Multi-factor authentication expires every 30 days. See <https://www.login.gov/help/changing-settings/turn-off-two-factor-authentication/> for more information.
10. Any security problems or password compromises must be reported immediately to the FMCSA Information System Security Manager at FMCSASecurity@dot.gov.

14. I understand that Federal law provides for punishment under Title 18 of the U.S. Code, including a fine and up to 10 years in prison for the first offense for anyone who:
 1. Intentionally accesses a Government information system without authorization, or exceeds authorized access, and obtains information that requires protection against unauthorized disclosure.

(e.g., DoB, SSN, and Driver's License).
16. Users of FMCSA IT systems using non-FMCSA furnished equipment to access FMCSA IT systems must install and maintain antivirus and anti-spware tools on said equipment.
