A summary of the incentive bonus of \$1,000 for National Board Certified teachers under KSA 72-2166 is as follows:

National Board for Professional Teaching Standards Certification Initiative

A teacher employed by a Kansas school district who has attained National Board certification shall be paid an incentive bonus of \$1,000. The bonus is paid each school year as long as the teacher remains employed by a Kansas school district in an appropriate teaching assignment and retains a valid master teacher's certificate. The bonus is paid by the employing school district, but this year the school district is entitled to receive state aid under the National Board for Professional Teaching Standards Certification Incentive Program equal to the amount of any bonuses paid up to \$1,000. The state aid is deposited in the school district general fund and is treated as a state aid reimbursement (1985 revenue code).
