The District's Accomplishments and Challenges

Accomplishments:
Our test scores continue to improve combined with more and more students participating in extra-curricular activities offered by the district. The district is very involved in supporting an extensive community program.

Challenges:
The raising cost of health insurance and energy is a major issue for the district. The district is also facing declining enrollment in our lower grades. Funding technology needs, meeting the mandates of NCLB & State Board, and keeping our aging facilities in good condition is a real challenge for our budget.
