2006-2007 Budget General Information
USD #: 406

Introduction

The Wathena USD 406 is a 2A rural school in the northeast corner of Kansas. Many of our residents work in St. Joseph and Kansas City due to our proximity to these metropolitan areas. The district has seen a large number of new houses constructed over the last 3 years. There is a thriving Industrial Park east of town that has attracted 4 or 5 large businesses. We have increased enrollment the last 3 years and expect this trend to continue.

The District's Accomplishments and Challenges

Accomplishments: Our schools have consistently made AYP. Currently we have increasing Kansas Assessment scores. This is a result of targeting reading and math for improvement. The high school has implemented Summary Frames as an instructional strategy to improve student reading achievement. As a result reading scores have dramatically increased. Furthermore, the high school has targeted low math benchmarks to be taught across the curriculum. In addition, we have a high graduation rate and a low drop-out rate. High school students are encouraged to complete 10 hours or community service each year for a total of 40 hours by the time they graduate.

Challenges: The district is having difficulty in retaining and recruiting highly qualified teachers, especially in the critical needs areas of math, science, business, vocational, and guidance counselors. The district is in need of additional classroom space as enrollment continues to increase and the early childhood programs are expanded.
