New Collection

STCO (Student Course)—replaces SCRS

The Student Course (STCO) Data Collection focuses on gathering data on courses students take during the school year; including the educator teaching the course and the grade received by the student. This collection replaces the SCRS Collection and is mandatory for the 2012-2013 school year. The KIDS 2012-2013 Collection System File Specifications posted on the KIDS project website (www.ksde.org/kids) contains the file layout required for this collection.

- There will be **one** STCO record and no distinction will exist between records indicating a course outcome and those that do not.
    - Enrollment Status and Completion Status will be combined into one field, “Course Status.”
    - Course Status will have the value 00 or <null> =Enrolled.
- The following formally optional fields will now be required:
    - Student’s Legal Last Name
    - Student’s Legal First Name
    - Educator’s Last Name
    - Educator’s First Name
- KCC Identifier will be required
    - The unique identifier given to each course in the Kansas Course Code Management System (KCCMS).
    - This identifier includes all the course attributes indicated for the individual course.

- Student's AYP/QPA School Identifier will be required.
- STCO records are unique by the following fields:
    - State Student Identifier
    - School Year
    - Educator School Identifier
    - KCC Identifier
    - Course Section
    - Educator Identifier
- For the 2012-2013 school year, it is recommended that STCO data should be submitted with one grade per course. It is anticipated for the 2013-2014 school year that submitting one grade per course will become required.
- Reports:
    - Current STCO Records report
        - This report will display STCO records submitted by the school or district and will contain multiple filters.
    - Student Course Discrepancy Report
        - This report will display any student that had an STCO record submitted indicating a student's enrollment in a course but did not have a subsequent STCO record with 04=Withdrawn/Exited submitted in the Course Status field **or** had a subsequent STCO record with a course outcome submitted.
