Email address

Establish Purpose

What is your intent in establishing business/community partnerships?

Are you seeking:

- Resources
- Opportunities
- Both

Who do you anticipate will engage in the partnership?

- Elementary students
- Middle school students
- High school students

How does the intended audience impact your intention within the partnership?

Examples of real-world opportunities:

- Site tours
- Work Based-Learning (WBL) experiences
- Assistance in developing and evaluating project-based learning
- Career exploration

What must you contribute?

What are you prepared to offer?

Current State

EXISTING RELATIONSHIPS

What is your relationship with the chamber of commerce?

Economic development council?

TAKING INVENTORY

Who are your top industries? Companies?

What jobs are open in your area?

What skills are needed?

Do you connect with your local nonprofits?

Yes No

If yes, which ones?

Future State

If these partnerships were running at an optimal level, what two or three outcomes would be realized?

- 1.
- 2.
- 3.

Partnership Considerations

PARTNER 1- ___

CAPACITY

What is the capacity of each partner to help you?

INCENTIVE

What is the incentive for partnering for both you and for the business/community organization?

PARTNER 2- __ CAPACITY

What is the capacity of each partner to help you?

INCENTIVE

What is the incentive for partnering for both you and for the business/community organization?

*Create a new section for each essential partnership. *

Making the Connection

Who is your contact for each partnership in your district and in the business/community partnering organization?
