The District's Accomplishments and Challenges

Accomplishments: In March of 2002, USD opened a $7.5 million dollar high school for the students of Osage City. This fall grades 6-8 will begin a new middle level program in USD 420 as the renovation of the old high school will be complete. The elementary school will be able to expand with more classroom space and more support space during the 2003-04 school year. USD 420 will also introduce a new alternative program for students in year.

Challenges: Because of the economic condition in Kansas, USD 420 has experienced a decline in student enrollment and also a decline in school funding. USD 420 is only one of four districts in Kansas that has not used the Local Option Budget. USD 420 appreciates the citizens of our community that supported the Building for the Future Facility Project in 1999 that gave the students of USD a new high school and renovated middle school facilities.
