The District's Accomplishments and Challenges

Accomplishments: The district formed a committee to review the facilities and make recommendations on the future facilities of our school system. A Bond Election was held which successfully passed. Building started in October of 2004 and was completed in November of 2005. We are beginning our first full year in the new facility. This summer, we remodeled part of the Elementary school building and office area as replace the lighting in the cafeteria area.

Challenges: The rising cost of health insurance has continued to be a challenge. Building and property insurance have been a challenge also. Many of the rates have doubled and some companies have dropped schools from their insurance altogether. The rising cost of fuel has not only raised costs in the area of transportation but also in the lunchroom area and added costs to items being delivered to the school.
