The District's Accomplishments and Challenges

Accomplishments:
USD 299 test scores have been exceptional.. Students have scored well on assessments tests. Our graduation rate is 100% and our attendance rate is 98%. We have an after-school program for elementary students, which the teachers conduct. Our Industrial Arts classes will be remodeling a house during the upcoming school year, learning hands-on what is needed to refurbish an entire house. USD 299 students excel in extra-curricular activities, including athletics, music, and speech. Our Kays Club is involved with community projects such as city cleanup and helping at the rest homes. USD 299 school board members are concerned with the education of our young people and their motto is "Our Kids Come First in Every Board Decision."

Challenges:
Like most small school districts in Kansas, our biggest challenge is declining enrollment. Because of this, we are researching the best and most economical use of our facilities, getting the community involved in volunteering hours to cut cost, and forming committees to improve the town and community as a whole. Every district has challenges. They will make us stronger if we pull together and take on these challenges and develop solutions. USD 299 is committed to maintaining the Standard of Excellence.
