2005-2006 Budget General Information
USD #: _456

Students in USD 456 attend the Melvern (K-3 and 9-12) and the Quenemo (4-8) attendance centers where we strive for a quality education for all students. Our graduates are successful in post-secondary education, the military, and in the world of work in the area. We continue to face declining enrollment as our most immediate concern. We continue to make cuts and conserve whenever possible.

The District's Accomplishments and Challenges

Accomplishments: Our District tests scores continue to improve, with our high school math reaching the standard of excellence this past year. We continue to have a high graduation rate and a lot of community service hours from our students each year.

Challenges: Retaining quality teachers in a rural district with declining enrollment continues to be a huge challenge. Rising costs of utilities, insurance, and textbooks will be a challenge for several years to come.
