Kansas Evaluation Project Agenda
 February 10-11, 2011
 Wichita, Kansas

<p>Purpose of the Meeting: To finalize what Kansas educators believe most needs to be measured in a teacher evaluation system; to prioritize those measures; to pull in detail from three KS models any measures that could be utilized in a KS instrument; to begin examination of models from outside Kansas that are currently available to pull any appropriate measures; to reexamine the issue of value-added measures.</p> <p>Meeting Goals:</p> <ol style="list-style-type: none"> 1) Use work from last session to fine-tune our measurement outline and to prioritize measures. 2) Reexamine issues around value-added modeling. 3) Review existing evaluation models to determine if appropriate match to the suggested evidence collection.
