PRESENTER BIOS

MEL BLACKWELL

Vice President, Schools and Libraries Program
mblackwell@universalservice.org

Responsible for all aspects of the Schools and Libraries Program at USAC.

CATRIONA AYER

Senior Director of Program Management
cayer@usac.org

Responsible for the review of applications for funding, including all heightened scrutiny reviews. She also works with a wide variety of stakeholders on specific and general Schools and Libraries Program issues.

ERIC FLOCK

Senior Manager of Program Management
eflock@usac.org

Manages the Program Integrity Assurance (PIA) application review process and procedures, Children's Internet Protection Act (CIPA) review, and the evaluation of products and services to determine eligibility based on the FCC's Eligible Services List (ESL).

JOE FREDDOSO

Responsible for advising USAC regarding topics and issues related to the introduction of self construction as an eligible service. Responsible for providing technical advice to USAC during the review of the FY2016 self construction applications.

JOHN NORAN

Senior Manager of Program Management
jnoran@universalservice.org

Oversees the customer service function of the Schools and Libraries Program, form development, outreach and training, website content, and the News Brief.

MICK KRAFT

Senior Manager of Program Management
mkraft@universalservice.org

Responsible for all Schools and Libraries Program invoice functions, such as invoice forms, review, and payments. He also oversees the Dunning and Good Samaritan groups, as well as the Deadline Extension Group.
