

Self-Assessment Checklist For: \_\_\_\_\_

**Novice Mid**

Person's Name

Use this checklist to record what you think you can do. In the blank rows you can add to the list. In the columns to the right indicate your proficiency by marking what you can do easily and well in column 1. You can use column 2 to indicate your goals.

You will determine your proficiency level for each skill. If you have over 80% of the items checked for a particular skill, you have probably achieved the Novice Mid level for that skill. Each skill should be assessed separately to identify level of proficiency.
