 - Recommendation to feature on the new QPA web page; upload date 1/1/2014
 - **Addressing the Concerns Raised at 8/3/2013 Meeting**
- 12:15 p.m. Lunch**

The remainder of our meeting time will be spent in work sessions designed to help us move forward with the new accreditation process. With each question there will be an organizer or a document for you to consider with a small group. Please record as much of your group's thinking as possible to assist us with our work. Your rich discussions will help us with this process, but we need to have your thoughts recorded in as much detail as possible.

- 12:30 a.m. How should the accreditation process be unfolded to 286 Kansas districts and private schools? Consider three possible scenarios.**
- 1:00 p.m. What other terms need to be addressed in the Accreditation Handbook Glossary?**
- 1:30 p.m. How do we define change? What does it mean for a district to engage in a meaningful change process?**
- 2:00 p.m. How can challenges for private schools be addressed? Consider three different ways we might address these challenges.**
- 2:30 p.m. Sign up for addressing the QPA Regulations at the Spring QPA Advisory Council Meeting**
- 3:00 p.m. Dismissal**
