

Kansas HOSA 2013 Career Fair and Partnership Information

Kansas HOSA Respectfully Requests Your Participation in the Kansas HOSA Career Fair or as a partner as a part of the 2013 Spring Leadership Conference:

As a **HOSA Career Fair Participant** at the 2013 Spring Leadership Conference, opportunities will be provided to network with future health care leaders who will experience competition, leadership development, health industry sponsored and conducted workshops, and general sessions. These secondary students have made the first step into their careers by enrolling in a Health Science program and joining HOSA. HOSA is all about developing our Future Health Professionals! By participating in this fair, you will have the opportunity to network with these students, share your experiences in the health care industry, and promote your business, school, or organization to our next generation of health care professionals.

As a **partner** for the Spring Leadership Conference, your donation will be used to offset the cost of conference activities. Don't miss the opportunity to make a difference in the lives of young people who strive to become our future health professionals. HOSA has been doing so since 1976.

The 2013 Spring Leadership Conference will be held at the Hutchinson Career and Technical Education Academy in Hutchinson, Kansas on March 25th and 26th. The Career Fair will run on March 25th from 12:30 until 3:00 p.m.
