

Comprehensive Support and Improvement

How are Comprehensive Support and Improvement (CSI) Schools Identified in Kansas?

During the transition to implement Every Student Succeeds Act, Kansas schools that are eligible for comprehensive support and improvement (CSI) are identified using the Academic + (A+) formula. This formula uses SY 2015 and SY 2016 Academic Performance Index (API) data weighted at 60% and a combination of risk factors weighted at 40%. The risk factors included in the calculation are:

- chronic absenteeism,
- cumulative poverty,
- percentage of English Learners,
- student mobility, and
- suspension and expulsion rates.

What does it mean to be a Comprehensive Support and Improvement (CSI) School in Kansas?

Schools identified as eligible for comprehensive support and improvement, and the districts in which these schools are located, receive technical assistance and support from the Kansas Learning Network. These schools receive federal title 1003a school improvement funds to be used to implement evidenced based interventions that address needs identified by data analysis within a district and school needs assessment process.
