1. All school districts have conducted at least one emergency evacuation drill per semester for all students riding a route bus.

KAR 91-38-9. EMERGENCY PROCEDURES

(a) Each governing body shall adopt procedures to be followed by school transportation providers if confronted with an emergency situation when on the road.

(b) Each governing body shall ensure that students who are regularly transported to and from school in a school bus receive instruction, at least once each semester, about practices and procedures to follow if an emergency occurs while being transported.

(c) Each governing body shall ensure that emergency evacuation drills are conducted at least once each semester. Each emergency evacuation drill shall be supervised by the transportation supervisor or the supervisor's designee.

(d) The transportation supervisor shall prepare documentation of each emergency evacuation drill, including the date of the drill, number of student participants, and the names of the supervising personnel. This documentation shall be kept on file for at least two years from the date of the drill.

Auditor Guidance

Documentation of each emergency evacuation drill performed by the school shall be kept. The documentation shall include:

- Auditors will be reviewing records for the 2016-2017 school year
- Date of the drill
- Number of student participants
- Names of the supervising personnel
- Documentation required to be kept on file for at least two years from the date of the drill.
- Some school will do a school wide drill and some do it by the route, either way is acceptable.
- Must perform actual drills
- Can be counted as a safety meeting if a safety pre-briefing or safety post-briefing is done in conjunction with the evacuation drill.

Note: On activity trips the driver is required to provide an explanation of the location and operation of the emergency exits on the bus before starting the trip.

There is not any specific form the schools are required to use to document. The auditor can use discretion in this determination. KSDE School Bus Safety Unit does have a form on their website which schools can use, or modify and use at the following link:

<http://www.ksde.org/Portals/0/School%20Bus/Forms/Evacuation%20Drill%20Script%20and%20Record.pdf>

2. All drivers have appropriate driver licenses on file.

4. Drivers have attended at least 10 safety meetings during past school year.

Note: Number of meetings is pro-rated for staff hired during the school year.

KAR 91-38-3. SCHOOL TRANSPORTATION SUPERVISOR: DUTIES AND RESPONSIBILITIES.

(c) Driver training meetings.

(1) Each transportation supervisor shall conduct at least 10 safety meetings per year for all school transportation providers employed by the school district.

(2) Attendance at each meeting shall be documented with a sign-in sheet or similar document. The record of attendance and the agenda shall be retained by the supervisor for at least two years.

(3) Safety meeting topics shall include school transportation safety concerns from drivers regarding route safety, changes in laws or regulations, and other safety issues as determined appropriate by the transportation supervisor.

(4) Safety meetings may be videotaped so that drivers who are unable to attend a particular meeting may view the program at another time.

(5) Newly hired drivers shall be required to attend only those meetings held following their employment.

Auditor Guidance

- Auditors will be reviewing records for the 2016-2017 school year
- School District should have some type of documentation showing their drivers attending safety meetings.
- Specific type of form is not required.
- Ten safety meetings per school year, no specific number per month, may do more than 10 a year to accommodate all drivers but driver is only required to attend appropriate number.
- May do multiple meetings on one meeting a day.
- May prorate drivers who did not work full year which would include drivers on FMLA or other leave for more than 30 days. (one meeting for each 30 days)
- KSDE sample form below (on our website) which has documentation for makeup meeting.
- School Passenger Vehicle Exception – Not required unless driver primarily hired to provide transportation.
i.e. A debate teacher transporting debate students to a debate tournament in a suburban would not be required to attend safety meetings.
- Teacher/Coach or other employee who drives an activity/school bus shall attend safety meetings.
- If driver is listed as an Emergency Driver (can drive no more than 5x per year) attendance not required.
- Can count mandated school training for safety meetings (with proper documentation) such as: first aid/cpr, accident prevention course, blood borne pathogen training, emergency safety intervention training and evacuation drills provided a safety pre-briefing or safety post-briefing is done in conjunction with the evacuation drill.

Sample roster is attached to this document and is also available on website.

5. Pre-trip inspections, available for one year on each vehicle used to transport students.

91-38-7. DRIVER'S DUTIES AND RESPONSIBILITIES

- (a) Each school transportation provider shall inspect a school vehicle before its use to ascertain that the vehicle is in a safe condition and equipped as required by law, and that all required equipment is in working order. The school transportation provider shall document each inspection.
- (b) If any defect is discovered, students shall not be transported in the vehicle until the defect is corrected.
- (c) Documentation of the inspections of each school vehicle shall be kept on file for a minimum of one year following the vehicle inspection.

Auditor Guidance

- Auditors will be reviewing records for the 2016-2017 school year
- School District should have some type of documentation showing their drivers inspected the school vehicle before driving it. Sample document for school bus below. Other samples available on website.
- Specific type of form is not required most school develop their own (sample ones are on school bus safety website).
- Regulation requires one year of documentation.
- Applies to both school passenger vehicles and school/activity buses.
- School passenger vehicles only required when transporting students.
- School passenger vehicles pre trips can be as simple as a check box on a form saying the vehicle was inspected before driving. If pre-trip sentence is not plural accept and recommend adding an "s" to pre-trip verbiage. List of items is not required for school passenger vehicle. An activity/school bus should be more detailed.
- Sample school passenger vehicle pre-trip form is attached and is also available on website.
- EXCEL Forms available for school buses on our website. (Samples attached)
