2012-13 Budget General Information
USD #: 479

Introduction

We have committed our efforts to developing a school improvement plan that will result in student achievement. We have experienced declining enrollment the past several years which has caused us to be very selective in the electives areas of our curriculum. The entire school community is committed to making the NCLB and QPA process an integral part of our mission.

The District's Accomplishments and Challenges

Accomplishments:

Our assessments have continued to improve with several classes meeting the Standard of Excellence. We have a high percentage of students that participate in numerous extra-curricular activities. We have spent a lot of time, effort and money in upgrading our facilities and campus to develop pride in our school and create a positive and safe environment for our students.

Our technology improvement has been outstanding. We have installed Smart Boards in most of our classrooms. We continue to make technology a strong component of our educational process.

Challenges:

Declining enrollment
State Funding
Rising Health Cost
Property Tax Delinquency
Maintaining strong curricular offerings particularly at the high school level
