BEFORE THE KANSAS STATE BOARD OF EDUCATION  
PROFESSIONAL PRACTICES COMMISSION

In the Matter of  
the License of  
Jerry Hodson

22-PPC-02

**INITIAL ORDER**

The above-captioned case comes on for hearing before the Professional Practices Commissioner (Commission) of the Kansas State Board of Education (State Board) upon the Complaint filed by the Kansas State Department of Education seeking revocation of Jerry Hodson's [Licensee] professional teaching license.

The hearing on this matter was held on July 20, 2022. The KSDE appeared by and through General Counsel, R. Scott Gordon. Licensee did not appear.

**FINDINGS OF FACT**

1. Licensee holds a professional teaching license issued by the Kansas State Board of Education. Licensee has been licensed since 1993.
2. Between 2017 and September 2021, Licensee engaged in professional misconduct by breaching his fiduciary duty to USD 473 in the following ways:
  - a. Licensee utilized school district accounts to make purchases of property for his personal use and to avoid sales tax;
  - b. Licensee utilized school district credit accounts to purchase property for personal use at the district's expense;
  - c. Licensee kept rebates earned from school district purchases rather than providing those rebates back to the district.
3. The Complaint was mailed to Applicant's last known address by standard and by certified mail. The certified mail receipt indicates it was delivered and signed for. Applicant did not submit either a request for hearing or an Answer.

**CONCLUSIONS OF LAW**

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

2. One of the obvious goals of education is to “instill respect for the law.” Hainline v. Bond, 250 Kan. 217 (1992). An educator is a role model. Hainline at 224.
3. Teaching and school administration are professions with all the similar rights, responsibilities and privileges accorded other legally recognized professions. K.S.A. 72-2308.
4. Licensee’s conduct is inconsistent with the commonly-held perceptions and expectations of a member of the teaching profession. Such conduct violates the public trust and confidence placed in members of the profession. Licensee’s conduct demonstrates a lack of fitness to perform the duties and responsibilities of a member of the teaching and school administration professions and is sufficient and just cause to revoke license.
5. If a party fails to participate in the adjudicative process, the party may be found to have conceded to the outcome requested by the filed complaint.

THEREFORE the Professional Practices Commission recommends to the State Board, by a vote of 7-0, that the professional teaching license of the Licensee be revoked based on his professional misconduct and failure to participate in the PPC proceedings.

This Initial Order is made and entered this August, 2022.
