

NEWTON PUBLIC SCHOOL DISTRICT USD 373

SANTA FE ⁵/₆ CENTER

Launch Date:

August 2019

Number of Students Enrolled:

506

Vision:

"Our community will inspire each other to build knowledge, skills and values to thrive in a world we create." – SF Vision

Goal Areas:

- *Personalized Learning
- *Relationships
- *Social/Emotional Responsiveness
- *Citizenship
- *Personal Accountability

What to Look for During Your Visit:

- * Interest-Based Enrichment Groups - early career exploration & community service projects.
- * Social/emotional check-ins daily as well as weekly class meetings with an emphasis on restorative justice practices and focus on trauma sensitive techniques.
- * Personalized Learning instruction. More opportunities for explicit, small group instruction. Students afforded opportunities to receive content in a variety of ways in order to meet the various learning styles. Emphasis on project-based learning.
- * Emphasis on personal accountability. Students will create their own weekly goals and will meet once a week with staff to review and set new goals.
- * Community citizenship - understand how we make an impact in and on our community and the world.
