Alicia Thompson, Superintendent USD 259 Wichita 903 S Edgemoor St Wichita, KS 67218 FINAL AUDITED LEGAL MAX

Dear Dr. Thompson,

For the 2020-2021 school year, the legal general fund is \$382,999,515 and the legal local option budget (LOB) is \$126,625,710. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Sincerely,

Craig Neuenswander, Deputy Commissioner Division of Fiscal & Administrative Services

Dear Mr. Cooper,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$8,524,866 and the legal local option budget (LOB) is \$2,575,681. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Larry Lysell, Superintendent USD 269 Palco PO Box 38 Damar, KS 67632 FINAL AUDITED LEGAL MAX REPUBLISHED BUDGET

Dear Mr. Lysell,

For the 2020-2021 school year, the legal general fund is \$1,104,254 and the legal local option budget (LOB) is \$405,618. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Dear Mr. Bockwinkel,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$3,650,174 and the legal local option budget (LOB) is \$1,243,094. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Glenna Grinsted, Superintendent USD 284 Chase County PO Box 569 Cottonwood Falls, KS 66845-0569 FINAL AUDITED LEGAL MAX REPUBLISHED BUDGET

Dear Miss Grinstead,

For the 2020-2021 school year, the legal general fund is \$3,305,215 and the legal local option budget (LOB) is \$1,003,415. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Ryan Bradbury, Superintendent USD 289 Wellsville 602 Walnut Wellsville, KS 66092

Dear Mr. Bradbury,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$6,219,780 and the legal local option budget (LOB) is \$1,879,684. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Dear Dr. Applegate,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$3,130,222 and the legal local option budget (LOB) is \$946,072. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Derek Reinhardt, Superintendent USD 303 Ness City 414 E Chestnut Ness City, KS 67560

Dear Mr. Reinhardt,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$2,571,890 and the legal local option budget (LOB) is \$777,679. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Penny Stoss, Interim Superintendent USD 309 Nickerson 4501 West Fourth Hutchinson, KS 67501-9131 FINAL AUDITED LEGAL MAX

Dear Ms. Stoss,

For the 2020-2021 school year, the legal general fund is \$9,185,036 and the legal local option budget (LOB) is \$2,676,477. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Shelly Angelos, Superintendent USD 314 Brewster PO Box 220 Brewster, KS 67732-0220

Dear Mrs. Angelos,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$1,494,666 and the legal local option budget (LOB) is \$476,974. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Dan Polk, Superintendent USD 322 Onaga-Havensville-Wheaton 500 High Onaga, KS 66521 FINAL AUDITED LEGAL MAX

Dear Mr. Polk,

For the 2020-2021 school year, the legal general fund is \$2,650,474 and the legal local option budget (LOB) is \$828,262. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Brad Starnes, Superintendent USD 329 Wabaunsee PO Box 157 Alma, KS 66401-0157

Dear Mr. Starnes,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$3,906,796 and the legal local option budget (LOB) is \$1,338,966. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Dear Mr. Perkins,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$1,861,097 and the legal local option budget (LOB) is \$628,851. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

Sincerely,

Aaric Davis, Superintendent USD 337 Royal Valley Box 219 Mayetta, KS 66509-0219

Dear Mr. Davis,

FINAL AUDITED LEGAL MAX

For the 2020-2021 school year, the legal general fund is \$7,185,666 and the legal local option budget (LOB) is \$2,215,070. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

Under KSA 72-5148 (b) (3), the portion of the school district's state Foundation aid attributable to the transportation weighting shall not be in excess of 110% of the school district's total expenditures for regular route transportation from all funds for the immediately preceding school year. The current year general fund budget will be reduced by any amount in excess of 110% cap. These expenditures are reflected on the "Overall Audit Summary" for the 2019-20 school year recently completed by KSDE.

In addition, school districts expending money in excess of the prior year legal maximum general fund budget are in violation of Kansas statute. After review of the local CPA audit for the prior year, the current year general fund budget will be reduced by any over expenditure.

If there are any discrepancies or questions regarding this letter, please contact School Finance as soon as possible.

The final legal maximum general fund is based upon actual Special Education state aid and Virtual Credits (20 and over) reported on the local effort. All special education state aid must be deposited in the general fund and transferred to the special education fund.

Under KSA 72-5148 (b) (3), the portion of the school district's state Foundation aid attributable to the transportation weighting shall not be in excess of 110% of the school district's total expenditures for regular route transportation from all funds for the immediately preceding school year. The current year general fund budget will be reduced by any amount in excess of 110% cap. These expenditures are reflected on the "Overall Audit Summary" for the 2019-20 school year recently completed by KSDE.

In addition, school districts expending money in excess of the prior year legal maximum general fund budget are in violation of Kansas statute. After review of the local CPA audit for the prior year, the current year general fund budget will be reduced by any over expenditure.

Denise Jennings, Superintendent USD 339 Jefferson County North 310 5th Street Winchester, KS 66097-4902 FINAL AUDITED LEGAL MAX

Dear Mrs. Jennings,

For the 2020-2021 school year, the legal general fund is \$4,156,419 and the legal local option budget (LOB) is \$1,255,780. Under KSA 72-5131, the general fund budget is computed using preceding years' enrollment plus current year weightings multiplied times the BASE of \$4,569, plus virtual state aid. The LOB base general fund calculation starts with the total weighted enrollment, excluding special education, KAMS and virtual state aid. This total is multiplied by the LOB BASE of \$4,608, the higher of the 2008-2009 or current year special education state aid is added, and the sum is multiplied by the authorized district LOB percentage to obtain the maximum LOB budget.

Enclosed is a printout showing data used to compute the general fund and LOB: a) preceding years' enrollment; b) current year total WTD FTE and c) virtual state aid. This information is based upon audited enrollment. To view the complete data used to calculate the individual weightings, download the "FY 2021 Legal Max Final" from the school finance website: https://www.ksde.org/Agency/Fiscal-and-Administrative-Services/School-Finance/Legal-Max-General-Fund-School-Finance-Studies
