

SCHOOL DISTRICT USD 418

MCPHERSON MIDDLE SCHOOL

Launch Date:

August 8, 2018

Number of Students Enrolled:

545 Students in Grades 6-8

Vision:

Future Ready Through Balanced Personal Learning

Goal Areas:

Social Emotional Learning: Students will demonstrate stronger 21st Century learning skills, specifically in the areas of grit, teamwork, curiosity, resilience, and leadership.

Academics: Students will become stronger and more independent learners through a wide variety of learning activities and experiences.

Civic Engagement: Students will become more engaged in the civic processes, serving others, and community involvement.

Redesign Strategies implemented or planning to implement:

Social Emotional Learning: Pack Time, ACT Tessera, Tessera Seminars, Implementation of Capturing Kids Hearts

Academics: Implementation of Summit Learning, Project Based Learning, Grade Level Teaming, Individual Plans of Study in Grades 6-8

Civic Engagement: Classroom and Student community service projects, 15 hours Community Service in Middle School
