CALL TO ORDER
Chairman Jim Porter called the monthly meeting of the Kansas State Board of Education to order at 10:00 a.m. Tuesday, December 13, 2022, in the Board Room of the Landon State Office Building, 900 SW Jackson St., Topeka, Kansas.

ROLL CALL
All Board members were present:
Betty Arnold    Ben Jones
Jean Clifford  Ann Mah
Michelle Dombrosky  Jim McNiece
Melanie Haas   Jim Porter
Deena Horst  Janet Waugh

STATE BOARD MISSION STATEMENT, MOMENT OF SILENCE AND PLEDGE OF ALLEGIANCE
Chairman Porter read both the Board's Mission Statement and Kansans Can Vision Statement. He then asked for a moment of silence after which the Pledge of Allegiance was recited.

APPROVAL OF AGENDA
Chairman Porter asked to vote on consent agenda items d, f and j separately per Mrs. Dombrosky's request. Additionally, he stated there was a typo on Consent Agenda item “d” as it should reference HB 2466 and not 2266. Under the Chair Report, there will need to be a correcting motion to the graduation requirements that were approved in November. Mrs. Clifford moved to approve the day's agenda as amended. Dr. Horst seconded. Motion carried 10-0.

APPROVAL OF THE NOVEMBER 9 AND 10 MEETING MINUTES
Dr. Horst moved to approve the minutes of the November 9 and 10 regular Board meeting. Mrs. Waugh seconded. Motion carried 10-0.

COMMISSIONER'S REPORT
Commissioner Randy Watson's began his monthly report sharing what the top ten largest and the top ten smallest districts currently are. However, regardless of the size of district, there are gains that need to happen. There are 100 Kansas districts with 40% or more of their students scoring in Level 1 on the science state assessment, Watson said. There are 53 districts with 40% or more of their students scoring in Level 1 on the English language arts assessment, and there are 53 districts with Kansas leads the world in the success of each student.
December 13, 2022

Minutes

40% or more of their students scoring in Level 1 on the math state assessment. Actions the State Board can take in future include establishing clear goals for local school boards to discuss monthly, and establishing clear, measurable goals to monitor at the state level monthly and yearly to advance movement in academic achievement, chronic absenteeism and perseverance.

CITIZENS’ OPEN FORUM
Chairman Porter declared the Citizens’ Forum open at 10:32 a.m. There was only one speaker this month, Sherri Schwanz with the topic of the Interstate Teaching Mobility Pact. Chairman Porter declared the Citizens’ Forum closed at 10:36 a.m.

CONTINUED DISCUSSION ON ACADEMIC SUCCESS
Deputy Commissioner Dr. Ben Proctor began the discussion with the performance level descriptors for the state assessments: Level 1 – Limited, Level 2 – Basic, Level 3 – Effective, and Level 4 – Excellent. He reiterated Dr. Watson's previous comments about the importance of moving students out of Level 1 and shared that one of the things necessary to do so is to have a balanced assessment system that includes formative tools, interim assessments and summative assessments.

SUNFLOWER SUMMER 2023/2024
Janine Hron, associate director for KU's Center for Public Partnerships & Research, and Michael Koonce, director, administrative services at Greenbush, told Board members that the 2023 summer will be the last for the Sunflower Summer Program. The 2023 Sunflower Summer Program will include more venues, special events and day camps. The program will begin on Memorial Day 2023 and go through Aug. 6. There is about $3.5 million remaining for the program. The total cost for the program for the first year was about $1 million. The second-year cost about $2.8 million. The program is being funded by federal COVID-19 money to offer summer enrichment activities for Kansas students.

ACTION ON 2023 LEGISLATIVE PRIORITIES
Board members and legislative liaisons Deena Horst and Ben Jones led the final discussion on the 2023 legislative priorities that were proposed in November. The discussion will continue during the second day of the meeting (December 14, 2022) with action.

PUBLIC HEARING ON LICENSURE REGULATIONS K.A.R. 91-1-200, 91-1-201, 91-1-202, 91-1-203, 91-1-204, and 91-1-209
Mr. Porter opened the public hearing at 1:35 p.m. He noted that there will not be a vote tomorrow as originally planned but instead will happen on the second day of the Board meeting in January. Shane Carter, Director of Licensure, opened the hearing by giving a summary of the changes to the regulations that are up for approval. Board Member-Elect Danny Zeck presented written testimony as did Virginia Macha. The hearing was declared closed at 2:40 p.m.
**ACTION ON ACCREDITATION REVIEW COUNCIL RECOMMENDATIONS FOR KANSAS EDUCATION SYSTEM ACCREDITATION (KESA)**

During the State Board meeting in November, Jay Scott, Director of Accreditation and Design, presented information on one system that was ready for review of an accredited status recommendation. The system that was received by the Board in November is USD 377 Atchison County. Jay Scott brought this one system back to the Board for action. Dr. Horst made a motion to accept the recommendations of the Accreditation Review Council and award the status of accredited to the system presented. Mr. McNiece seconded. Motion carried 10-0.

**RECEIPT OF ACCREDITATION REVIEW COUNCIL RECOMMENDATIONS FOR KANSAS EDUCATION SYSTEM ACCREDITATION (KESA)**

The Accreditation Review Council (ARC) has recommended an accredited status for the next three systems awaiting recommendation. Executive summaries, accountability reports and other narratives were provided to Board members for the three public systems and one private system. The ARC considers compliance and foundational structures to support a five-year process of continuous improvement. Board members will act on the ARC recommendations in January 2023. The systems that were received by the Board in December are USD 308 Hutchinson, USD 343 Perry and USD 463 Udall.

**STUDENT SHOWCASE – BLUE VALLEY CAPS**

The Director of the Blue Valley Center for Advanced Professional Studies (CAPS) program, Chad Ralston and three CAPS students presented to the Board information on the program and the students’ individual projects. Blue Valley was the initiator of nationally recognized, innovative high school programs that have grown into the CAPS Network of schools. CAPS is an example of how business, community and public education can partner to produce personalized learning experiences that educate the workforce of tomorrow, especially in high skill, high demand jobs.

**CHRONIC ABSENTEEISM UP-CLOSE**

Kansas Department of Education's Dr. Robyn Kelso and the Kansas Parent Information Resource Center's Dr. Jane Groff and Tamara Huff presented detailed information on the problem of chronic absenteeism. Kelso defined chronic absenteeism as missing 10% or more of school days for any reason – both excused and unexcused – and discussed the ripple effect of these absences. She also suggested items that districts can influence and strategies they can implement to help curb this growing problem. Groff and Huffman believe the many reasons students are absent can be grouped into four broad categories: barriers, negative school experiences, lack of engagement and misconceptions. They gave examples of each category with examples of strategies for overcoming them.

**LEGISLATIVE MATTERS: INTERIM COMMITTEES REPORT**

Deputy Commissioner Dr. Craig Neuenswander gave a legislative update to the Board. He discussed recommendations from the interim committee concerning special education funding options.
INTRODUCTION TO THE INTERSTATE TEACHING MOBILITY COMPACT
The Interstate Teaching Mobility Compact (ITMC) is a legally binding agreement among member states to create an agreed-upon regulatory framework for teacher reciprocity. The goal of the Compact is to speed up the application process for licensees moving across state lines and to reduce the time and resources spent by licensing agencies in processing certain applications.

ACTION ON ESSER EXPENDITURE PLANS FOR USE OF FEDERAL COVID-19 RELIEF FUNDS
Assistant Director Doug Bodine reported on the most recent ESSER Task Force recommendations, which included 6 ESSER II change requests totaling $3.8 M. As for ESSER III, USD 111 Doniphan was previously conditionally approved by the State Board has now been fully approved after meeting stakeholder consultation requirements. 13 new districts have submitted ESSER III plans with a total value of $19M. There are 8 ESSER III change requests this month totaling $24.6M.

Mrs. Arnold moved to accept the recommendations of the Commissioner’s Task Force on ESSER and EANS Distribution of Money and approve the public school district ESSER II change requests as presented for use of federal COVID-19 relief funds. Mrs. Waugh seconded. Motion carried 9-0-1 with Mrs. Dombrosky abstaining.

Dr. Horst moved to accept the recommendations of the Commissioner’s Task Force on ESSER and EANS Distribution of Money and approve the public school district ESSER III expenditure plans as presented for use of federal COVID-19 relief funds. Mrs. Arnold seconded. Motion carried 9-0-1 with Mrs. Dombrosky abstaining.

ACTION ON CONSENT AGENDA
Dr. Horst moved to approve Consent Agenda items 19 a, b, c, e, g, h, i, k, and l. Mr. McNiece seconded. Motion carried 10-0. In this action, the Board:
- Receive monthly personnel report.
- Act on personnel appointments to unclassified position(s).
- Authorize out-of-state tuition contracts for students attending the Kansas School for the Deaf.
- Act to approve proposed amendment to the Holton Special Education Cooperative Agreement.
- Act on recommendations of the Evaluation Review Committee for higher education program approval.
- Act on recommendations for licensure waivers.
- Act on appointments of new members to the Special Education Advisory Council.
- Act on request from USD 216, Deerfield, for capital improvement (bond and interest) state aid.
- Act on request from USD 216, Deerfield, to hold a bond election.
SEPARATE ACTION ON CONSENT AGENDA

At the beginning of the meeting, Chairman Porter asked to vote consent items 19 d, f and j as one group, but separate from the other submissions. Dr. Horst moved to approve consent agenda items 19 d, f and j. Mr. Jones seconded. Motion carried 9-0-1 with Mrs. Dombrosky abstaining. In this action, the Board:

- Act on request to initiate contract bid process for the computer science professional development as required by HB 2246.
- Act to approve proposed renewal of the Southeast Kansas Education Service Center (Greenbush) Agreement.
- Act to enter process for procuring services needed to implement the IDEA State Personnel Development Grant award for School Mental Health.

RECESS

The meeting recessed at 5:42 p.m. until 9 a.m. Thursday.

__________________________   _________________________
Jim Porter, Chair     Barbara Hughes, Board Secretary
CALL TO ORDER
Chairman Jim Porter called the Wednesday meeting of the Kansas State Board of Education to order at 9:00 a.m. Wednesday, December 14, 2022, in the Board Room of the Landon State Office Building, 900 SW Jackson St., Topeka, Kansas.

ROLL CALL
The following Board Members were present:
Betty Arnold    Ben Jones
Jean Clifford  Ann Mah
Michelle Dombrosky    Jim McNiece
Melanie Haas   Jim Porter
Deena Horst  Janet Waugh

APPROVAL OF AGENDA
Chairman Porter requested that the action on licensure regulations item be removed from the day's agenda and be postponed until the January meeting. He also requested that there be time to discuss and have action on legislative priorities added to today's agenda. Mr. Jones moved to approve the day's agenda as amended. Mrs. Arnold seconded. Motion carried 10-0.

RECOGNITION OF BEN CUTLER AND THE NEODESHA PROMISE SCHOLARSHIP PROGRAM
The Board recognized Mr. Ben Cutler who through a generous gift to Neodesha USD #461 created the Neodesha Promise Scholarship Program. In addition to recognizing Mr. Cutler for his contribution to the Neodesha community, Juanita Erickson, Superintendent of Neodesha USD #461, and Rebekah Peitz, Neodesha Promise Administrator and USD #461 College Academic Coach provided information on the program.

DISTRICT SHOWCASE – CHENEY USD #268
David Grover, superintendent of Cheney USD 268, Greg Rosenhagen, principal of Cheney High School, and Nichole Hendrickson, college and career director for Cheney High School, gave a presentation to State Board members about how the district has increased its postsecondary effectiveness rate and how they're working to sustain that growth.

RECEIPT OF KANSAS BOARD OF REGENTS STATEWIDE DUAL CREDIT AGREEMENT
Daniel Archer, Vice-President of Academic Affairs for the Kansas Board of Regents (KBOR), attended the meeting to discuss a statewide dual credit agreement. The goal of the agreement is to implement
a uniform statewide agreement on how some college credits are applied to high school graduation requirements. Systemwide transfer courses have equivalent outcomes and transfer to all public postsecondary institutions offering those courses. A standard application of systemwide transfer courses toward high school graduation requirements, regardless of where students live or which district they attend, affirms equitable results for all. The State Board and KBOR will continue to work together on the agreement.

CONTINUED DISCUSSION ON 2023 LEGISLATIVE PRIORITIES WITH ACTION
Discussion led by Board members Dr. Deena Horst and Mr. Ben Jones continued and Chairman Porter moved to accept the priorities as follows:

Academic support efforts
The State Board of Education supports the goal of moving toward providing the first 12 postsecondary credit hours, tuition-free, during high school.

Health and safety issues
The State Board also supports the following:
The ongoing work and recommendations of the School Mental Health Advisory Council, including, but not limited to, bullying prevention; efforts for suicide prevention and awareness; and child abuse and neglect program.
Support for expanded funding for Safe and Secure Schools grant to meet demand.
The legislative recommendations of the School Bus Stop Arm Violation Committee.
The efforts to reduce human trafficking in Kansas.
All efforts to reduce the opioid epidemic in Kansas, including making fentanyl test strips legal.
The ongoing work of the Juvenile Justice Oversight Committee.

Funding issues
The State Board supports the following:
The recommended funding levels approved by the Kansas Supreme Court.
Education public funds being provided to only public schools.
Following state statute and moving toward funding 92% of the excess cost of special education.
Continued coordination and investment in career and technical education programs that are aligned to workforce needs.
Of opportunities to expand early childhood and kindergarten readiness.
Of funding transportation of students in all unsafe situations, regardless of mileage.

Meeting student needs
The State Board supports the following:
The concept of public-private partnerships with business and industry to allow for internships, mentoring, etc.
Legislation that requires that the State Board of Education and the legislature work together to monitor the success of the Foster Child Report Card.
Education policy governance
The State Board supports recognition of the following:
The constitutional authority given to the State Board of Education, the Kansas Legislature and the governor.
The governance responsibilities assigned to the Kansas State High School Activities Association (KSHSAA).
The authority of local boards of education.

The Kansas State Board of Education looks forward to working with the Legislature on initiatives proven to mold a successful Kansas high school graduate including academic preparation, kindergarten readiness, social-emotional learning, individualized plan of study and civic engagement,” the Board document states. “Working together, Kansans Can lead the world in the success of each student.

Mr. McNiece seconded and the motion carried 9-0-1.

CLOSING REMARKS BY DEPARTING BOARD MEMBERS
At the conclusion of the official Board business, Chairman Porter gave departing Board members Janet Waugh, Jean Clifford and Ben Jones the opportunity make a final statement. He then handed the gavel to Janet Waugh, who has been serving in the capacity of Vice-Chair and is the longest serving Kansas State Board of Education board member (24 years), so that she could adjourn her final meeting.

ADJOURNMENT
Vice-Chair Waugh adjourned the meeting at 11:35 a.m.

The next regular meeting for the State Board of Education is January 10 and 11, 2023.

COMMISSIONER'S REPORT
Commissioner Randy Watson' monthly report to the Board focused on recognizing the work accomplished by efforts that began with previous Board members and carried out with the current
Board that led to the rigorous standards that now exist for education in Kansas. After adoption of the vision and mission the Kansas State Board of Education charged KSDE with establishing higher standards and high cut scores. Additionally, the Board took action to establish a dyslexia position and spent over $16 mil to train teachers in Kansas in the science of reading and mathematics.

CITIZENS’ OPEN FORUM
Chairman Porter declared the Citizens’ Forum open at 1:52 p.m. The two speakers this month and their topics were as follows: Susan Halstrom, teacher shortage concerns and Michelle Olson, asking for response from the Board from her presentation last month on “consent” being included in sexual education. Chairman Porter declared the Citizens’ Forum closed at 2:01 p.m.

PARENT ENGAGEMENT IN SCHOOLS
Jane Groff and Tamara Huff (Kansas Parent Information Resource Center) along with Britton Hart (Kansas Association of School Boards and former Superintendent of Emporia USD #253) presented on the topic of family engagement in schools. Dr Groff and Ms. Huff focused on the need for a school to have a culture that engages every family, which includes having a welcoming environment, effective communication, support of student learning, and community involvement. Dr. Hart shared how he implemented student-led CAP (Career and Academic Planning) parent/teacher conferences at Emporia High School.

which included 7 ESSER II change requests totaling $10.7M. As for ESSER III, 16 new districts have submitted ESSER III plans with a total value of $20M. There are 6 ESSER III change requests this month totaling $98.2M.

- Dr. Horst moved to accept the recommendations of the Commissioner's Task Force on ESSER and EANS Distribution of Money and approve the public school district ESSER II change requests as presented for use of federal COVID-19 relief funds. Mrs. Arnold seconded. Motion carried 9-0-1 with Mrs. Dombrosky abstaining.
- Mrs. Arnold moved to accept the recommendations of the Commissioner's Task Force on ESSER and EANS Distribution of Money and approve the public school district ESSER III expenditure plans as presented for use of federal COVID-19 relief funds. Dr. Horst seconded. Motion carried 9-0-1 with Mrs. Dombrosky abstaining.

FURTHER ACTION ON PPC APPROVAL ITEM FROM NOVEMBER 9, 2022
Mrs. Arnold moved to allow the PPC the opportunity to use the existing list of qualified candidates presented to the board on November 9, 2022 to fill open positions as they become available. Dr. Horst seconded. Motion carried 9-1.

ACTION ON ACCREDITATION REVIEW COUNCIL RECOMMENDATIONS FOR KANSAS EDUCATION SYSTEM ACCREDITATION (KESA)
During the State Board meeting in October, Jay Scott, Director of Accreditation and Design, presented information on three systems that were ready for review of an accredited status recommendation. The systems that were received by the Board in October are USD 468 Healy, Lawrence Gardner High School, and Lakemary Center. Jay Scott brought these four systems back to the Board for action. Mrs. Mah made a motion to accept the recommendations of the Accreditation Review Council and award the status of accredited to the three systems as presented. Mr. McNiece seconded. Motion carried 10-0.

RECEIPT OF ACCREDITATION REVIEW COUNCIL RECOMMENDATIONS FOR KANSAS EDUCATION SYSTEM ACCREDITATION (KESA)
The Accreditation Review Council (ARC) originally was slated to recommend an accredited status for USD #377 Atchison and Z0060-0000 Accelerated Schools. However, there is a discrepancy in postsecondary data for Accelerated Schools so that is being pulled back for further review. Executive summaries, accountability reports and other narratives were provided to Board members for USD #377. The ARC considers compliance and foundational structures to support a five-year process of continuous improvement. Board members will act on the ARC recommendation in December.

WORK BASED LEARNING INTERMEDIARY PRESENTATION
Natalie Clark, Keith Lawing (Workforce Alliance of South Central Kansas, Inc.) and three other of the five KansasWorks Executive Directors provided an update on the Kansas WBL (Work Based Learning) project and shared an example from their local workforce boards on the WBL partnerships.
**ACT AND WORKKEYS PRESENTATION**
Kaliko Oligo from ACT provided an update on state ACT and WorkKeys participation and results.

**ACTION ON RECOMMENDATIONS OF THE PROFESSIONAL STANDARDS BOARD/TEACHER VACANCY AND SUPPLY COMMITTEE WORKING GROUP**
In October, Shane Carter, Director of Teacher Licensure, proposed extending the Expanded Emergency Substitute License through the end of the 2022-2023 school year (currently expires December 2022). Mr. Jones moved that the Kansas State Board of Education modify the qualifications of the emergency substitute license to include high school diploma, completion of an online substitute training component, verification of hire in a state accredited local education agency (LEA) and be limited to no more than 15 consecutive days in the same assignment. This provision expires June 30, 2023. Mrs. Arnold seconded. Motion carried 7-2-1 with Mrs. Dombrosky and Mrs. Haas opposing and Mr. Porter abstaining.

**SCHOOLS OF EXCELLENCE RECOGNITION**
Broken Arrow Elementary, Mill Creek Elementary and Shawnee Mission East High School (Shawnee Mission USD #512) were recognized by the Kansas PTA as Schools of Excellence for 2022.

**GRADUATION REQUIREMENTS CONTINUED DISCUSSION ACTION**
Discussion continued regarding the graduation requirements originally proposed in September with various alternatives discussed in October. Since the October meeting Dr. Watson discussed individually with Board members on the Graduation Task Force what they would like to see happen to move forward. After Dr. Watson shared the commonalities of those discussions, Dr. Horst moved to approve the graduation requirements as presented (see attached document). Mrs. Arnold seconded. Motion carried 8-1-1 with Mrs. Dombrosky in opposition and Mrs. Waugh abstaining.

**PRESENTATION BY JACKSON BEVAN, 4TH GRADER AT NORTHERN HILLS ELEMENTARY, SEAMAN USD #345**
Fourth grader Jackson Bevan (Northern Hills Elementary – Seaman USD #345) shared how he became a vacuum expert, established his own vacuum repair business and his future dreams in the vacuum industry.

**LEGISLATIVE LIASISON REORT/2023 LEGISLATIVE PRIORITIES DISCUSSION**
Mr. Jones and Dr. Horst discussed the draft of items for consideration as 2023 Legislative Priorities. The Board will take decide at the December meeting by vote which items they will proceed with as priorities for 2023.
ADJOURNMENT
Chairman Porter adjourned the meeting at 4:28 p.m.

The next regular meeting for the State Board of Education is December 13 and 14, 2022.

Other Focus Areas

FAFSA
Consider the Kansas Board of Regents recommendation for mandatory completion of the FAFSA prior to graduation. Any student, family or school can opt-out from a student completing the FAFSA.
Other Focus Areas

Review Committee
Set up a review committee to gather input and provide recommendations to the SBOE on potential changes in the future.
Subject:    Board Reorganization

Reorganization of the Kansas State Board of Education occurs every two years, which coincides with the election and / or re-election of Board members.

State Board members in odd-numbered districts take the Oath of Office during the year of a gubernatorial inauguration. Members in even-numbered districts are sworn in the first day of the January meeting after the election in odd years. For 2023, these elected officials are:

District 1    Danny Zeck
District 3    Michelle Dombrosky
District 5    Cathy Hopkins
District 7    Dennis Hershberger
District 9    Jim Porter

During reorganization, the following actions occur:

a. The immediate Chair or Vice Chair (in the absence of the Chair) calls the meeting to order and conducts the opening business.

b. Members elect a Board Chair to serve for two years.

c. New Chair assumes the duties of presiding over the meeting.

d. Members elect a Vice Chair.

e. Members elect two members to serve as Legislative Liaisons.

f. Members elect three members to serve on the State Board Policy Committee.
Item Title: Citizens' Open Forum

During the Citizens' Open Forum, the State Board of Education provides an opportunity for citizens to share views about topics of interest or issues currently being considered by the State Board.

Each speaker shall be allowed to speak for three minutes. Any person wishing to speak shall complete a presenter's card, giving his or her name and address, and the name of any group he or she is representing. (Ref. Board Policy 1012) The speaker’s card should be completed prior to 10:30 a.m.

If written material is submitted, 13 copies should be provided.
REQUEST AND RECOMMENDATIONS FOR BOARD ACTION

Item Title:
Act on Appointment of Board Attorney and Board Secretary

Recommended Motion:
It is moved that the Kansas State Board of Education approve the designation of Mark Ferguson of Gates Shields Ferguson Swall Hammond, P.A., Overland Park, as State Board Attorney, and approve the designation of Barbara Hughes as State Board Secretary.

Explanation of Situation Requiring Action:
Statute 72-254 -- The state board shall appoint an attorney to represent it or any of its members in all litigations. The attorney for the state board shall attend all meetings of the state board and render such legal services as are directed by the state board or the commissioner.

Statute 72-250 -- Annual election of officers; appointment of secretary; board minutes. At its initial meeting and at its first meeting after the second Monday in January of each odd-numbered year, the state board shall organize by election of a chairman, vice-chairman and such other officers as it may deem appropriate. The state board shall appoint a secretary not a member of the board. The secretary shall provide for a means of recording the actions of the state board and shall officially certify the minutes of each meeting of the state board.
Subject: Review of Appointments to be made by Chair, Vice Chair and Commissioner

State Board Policy 1009 addresses appointments to committees and commissions. The list of committees with State Board representation is provided.

Board members receive a description of the available assignments in advance so they may consider where they want to serve and indicate their interests. The Chair, Vice Chair and Commissioner of Education will review the responses and make selections. Assignments will be announced during Wednesday’s Board meeting.

Item Title: Continued Discussion on Academic Success

Deputy Commissioner Dr. Ben Proctor and Beth Fultz, Interim Director of Career Standards and Assessment Services, will continue the discussion on assessments as they relate to students achieving academic success.
Item Title: Public Hearing on Licensure Regulations K.A.R. 91-1-200, 91-1-201, 91-1-202, 91-1-203, 91-1-204, and 91-1-209

From: Scott Gordon

The Kansas State Board of Education will conduct a public hearing on proposed amendments to the Licensure Regulations. A copy of the regulations is attached. A copy of the Joint Committee on Administrative Rules and Regulations comments will be provided to members of the State Board. If no changes are needed, the State Board is asked to adopt the regulations on December 14, 2022.

Procedures for any public hearing of the State Board are as follows:

Any person having an interest in the subject of the hearing shall have a right to provide oral and written testimony to the State Board on the subject of the hearing.

Any person wishing to speak at the hearing shall sign in prior to the commencement of the hearing by providing his/her name and identifying whether he/she represents an opinion of a group or organization.

The presiding officer will conduct the hearing. Speakers shall be recognized in the order in which they signed in.

Each speaker will have 5 minutes to make his or her presentation.

If written testimony is submitted, 13 copies should be provided.
91-1-200. Definition of terms. Each of the following terms, as used in this article of the department's regulations, shall have the meaning specified in this regulation:

(a) "Accomplished teaching license" means a license issued to an individual who has successfully completed an advanced performance assessment designated by the state board for the purpose of identifying accomplished teaching; or who has achieved national board certification.

(b) "Accredited experience" means teaching experience gained, under contract, in a school accredited by the state board or a comparable agency in another state while the teacher holds an endorsement valid for the specific assignment. A minimum of at least 90 consecutive days of substitute teaching in the endorsement area of academic preparation and in the same teaching position shall constitute accredited experience. Other substitute teaching experiences shall not constitute accredited experience.

(c) "All levels" means early childhood through late adolescence and adulthood (prekindergarten through grade 12).

(d) "Alternative teacher education program" means a program to prepare persons to teach by a means other than the traditional, college-based, approved program.

(d) "Approved mentoring program" means a program based on state board-approved program guidelines that is established and maintained by an LEA for the purpose of providing educators employed under initial licenses with professional support and continuous assistance from a mentor.
(e) "Approved program" means a teacher education program approved by the state board for content and pedagogy.

(f) "Content area" means a defined domain of knowledge and skill in an academic program.

(g) "Content assessment" means an assessment designated by the state board to measure subject matter knowledge for an endorsement.

(h) "Deficiency plan" means a detailed schedule of instruction from an approved program that, if completed, will qualify an individual for full endorsement in a subject. The individual who is to receive the instruction and a representative of the institution at which the instruction is to be given shall sign each deficiency plan.

(i) "Early adolescence through late adolescence and adulthood" means grades six through 12.

(j) "Early childhood" means any level from birth through grade three.

(k) "Early childhood through late adolescence and adulthood" means any level from prekindergarten through grade 12.

(l) "Early childhood through late childhood" means any level from prekindergarten through grade six.
(m) "Early childhood unified" means an endorsement that provides access to teach in a general education classroom or to provide special education instruction and support services for any level from birth through grade three.

Act on ESSER II Change Requests and ESSER III Expenditure Plans for Use of Federal COVID-19 Relief Funds

**Recommended Motion:**
It is moved that the Kansas State Board of Education accept the recommendations of the Commissioner's Task Force on ESSER distribution of money and approve the public school district for ESSER III expenditure plans and the ESSER II change requests as presented for use of federal COVID-19 relief funds.

**Explanation of Situation Requiring Action:**
Federal assistance to schools has been made available through the Elementary and Secondary School Emergency Relief (ESSER) fund. The federal law outlines allowable expenditures directly related to the COVID-19 pandemic, and to support student learning and student needs associated with the pandemic. The Commissioner's Task Force on ESSER and EANS Distribution of Money has the responsibility to: provide guidance and oversight of school districts' plans (public and private) for expenditure of those federal funds. maximize the use of federal K-12 relief funds to meet the acute needs of Kansas students in line with federal regulations and Kansas K-12 priorities. The Task Force and KSDE staff will review the applications and expenditure plans to evaluate whether the requests are tied to a pandemic-related need, are reasonable and meet the allowable uses. The information will then be presented to the State Board of Education for approval.

Recommended Motion:
It is moved that the Kansas State Board of Education accept the recommendations of the Accreditation Review Council and award the status of accredited to 343 Perry-Lecompton, 308 Hutchinson, and 463 Udall.

Explanation of Situation Requiring Action:
In accordance with the Kansas Educational Systems Accreditation (KESA) process, systems reviewed by the Accreditation Review Council (ARC) for an accreditation status recommendation, are forwarded to the State Board of Education one month prior to the board acting. Last month, three (3) systems were forwarded to the State Board of Education for their review of an accredited status recommendation.

The following systems are once again being presented for action on an accreditation status:

343 Perry-Lecompton

308 Hutchinson

463 Udall

This school year (2022-2023) there are 179 public and private systems scheduled for review by the ARC to provide an accreditation status recommendation. Staff will be available for any questions
Item Title: Receive Accreditation Review Council's Recommendations for KESA

From: Jay Scott

This school year, 2022-2023, one hundred and seventy-nine (179) systems (157 public, 1 state, and 21 private) are scheduled for accreditation. Of these 179 systems, 174 entered the KESA process as year one and did pause. Five systems are going through their second cycle of accreditation and did not pause; these five systems are also utilizing Cognia.

Beginning this month and through the month of July, it is expected that the State Board will receive the Accreditation Review Council's (ARC) accreditation recommendation for all 179 systems. The State Board will have the opportunity to receive the ARC's recommendation (Executive Summary) a month prior to taking action on the accreditation recommendation.

In December, the ARC met and took its action on the accreditation recommendation for six (6) public systems. These six systems are:

250 Pittsburg
270 Plainville
460 Hesston
475 Geary County
507 Satanta
S0604-0000 School for the Blind

   ARC Comment
   Throughout this 5-year process, USD 250 has continued to refine and enhance its Tiered System/Framework of Supports to ensure student success. Three years ago, USD 250 moved to using FastBridge to benchmark all students three times per year. FastBridge data, along with classroom data, is utilized to determine student strengths and weaknesses.

   Tiered Framework of Support - There are multiple efforts in grade school through high school. Intervention plans were established at the grade school level. Remediation at the high school level occurs in the classroom or during the daily study hall/advisory group time. Last year, PHS also added an after-school academy for all students failing classes in the 9th and 10th grades. This after-school academy has been extremely successful in reducing the number of students failing classes.

   Family, Business, and Community Partnerships - In response to the community feedback provided in the strategic planning process involving the desire for more intentional community partnerships, the district hired a Director of Community Partnerships in 2020 for all of the PCMS and PHS career pathway programs.
   Each building has multiple Building Leadership Teams called Solutions Teams that help to guide conversation and action plans for school improvement. These teams include a Parent and Family Engagement and Community Connections team that meets regularly to discuss needs and plan family and community events.

   Diversity, Equity, and Access - Throughout this 5-year cycle, the ESOL population has continued to grow by leaps and bounds. As the district has grown, they have added additional support along the way. These supports include additional ESOL teachers, support staff, and culture-specific professional development opportunities for staff.

   Communication and Basic Skills - The building of communication skills in elementary schools has evolved over the past 5 years. Each building has sent a group of teachers to multiple Kagan Cooperative Learning trainings to receive professional development to incorporate cooperative learning structures into daily instruction. These structures increase student collaboration, engagement, and participation.
   Youth Leadership taught in 6th grade, specifically addresses communication skills for the real world. This program is a collaborative effort with the area Chamber of Commerce.
Civic and Social Engagement - USD 250 has made a commitment over the past five years to identify means by which students can make an impact in the community. All student groups are encouraged to find ways to provide service to the community. HS students in the LAUNCH program were asked by the City of Pittsburg to create a vision for the future use of an abandoned warehouse in the downtown area. This project has gained a lot of traction and will likely become a reality in the very near future. The elementary schools collaborate with Pittsburg High School to provide Dragon Mentors for each building. Dragon Mentors work with elementary students and support them during reading and math in the classroom. They also work to build positive relationships with our students.

Physical and Mental Health - Student social-emotional health has been a major emphasis for USD 250 during this KESA continuous improvement cycle. The support of student SEL health was one of the five key areas of focus outlined by the community in the strategic planning process. The elementary schools have implemented the “Getting Along Together” curriculum through Success For All (2020). “Getting Along Together” is a program that implements social/emotional learning skills and integrates class councils, problem-solving, and goal setting. “Getting Along Together” has provided a more formal process for working on student SEL growth and concepts. Pittsburg Community Schools has adopted Behavior Intervention Support Teams (BIST) as a behavior intervention program at each elementary school. BIST empowers educators and parents with the resources and understanding they need to partner with these students to help them develop emotional awareness and positive coping skills so they can live safe, productive, and nonviolent lives both inside and outside of the classroom.

Arts and Cultural Appreciation - Pittsburg High School’s fine arts program was named the 2021-22 Kansas State HS Performing Arts School of Excellence by KSHSAA. This was awarded on the basis of strong programs in vocal and instrumental music, speech, debate, and theater. This type of recognition would not be possible without a quality feeder program and educational opportunities for students at the lower grade levels (elementary and MS). As part of the strategic planning process, the school district examined elective areas (including fine arts) to meet together to plan a structured curriculum K-12. This has helped to provide a proper sequence for each fine arts area in the K-12 experience.

Post-Secondary and Career Preparation - The district’s emphasis on continual improvement in the Individual Plan of Study area, the commitment to adding additional career-based learning opportunities for students in grades 6-12, and the commitment to provide human resources in the form of two college and career advocates and a Director of Community Partnerships (all done in the last five years) show a firm commitment to students’ post-secondary and career preparation. Goal 2 of the district plan does focus on Post-secondary and Career Preparation. Although USD 250 surpasses the predicted level for the Effective rate, they realize they have much work to do in this area. USD 250 believes the commitments made to improving the IPS process and exposing students to future careers earlier in their school experience will begin to pay dividends in the post-secondary success and effectiveness rate.

3. Evidence is **assuredly** documented that **Goal 1 (N/A)** activities and strategies were identified, implemented and produced reasonable results.

**ARC Comment**

Goal 1: USD 250 will increase the percentage of students within each grade-level cohort scoring at proficient levels and decrease the percentage of students scoring at the lowest levels as measured by the FastBridge and KAP assessments (ELA-Reading and Math) each year.

In USD 250’s accountability report for the 2020-21 year for academic success, the data indicates either flat or slightly declining percentages of students scoring at Levels 3 and 4 on state assessments. USD 250 shared with the OVT team that they do not believe this report shows the entire story of academic...
success at USD 250 and they shared multiple points of data over the past five years to illustrate academic growth in local FastBridge assessments, KAP assessments, and ACT and AP assessments. USD 250 shared data through a cohort lens to show growth from one grade level to the next in many of these assessments.

ELA State Assessment: When comparing cohort groups' growth from year to year (2022 to 2021) compared to the state averages, USD 250 displayed better growth than the state average in 6 of 7 cohorts in terms of percentages of students scoring in levels 3 and 4, with the classes of 2029 and 2028 leading the way by narrowing the gap compared to state average by 7%. In addition, USD 250 students performed better than the state average in reducing the percentage of students scoring in Level 1 in 4 of the 7 cohorts, with the Class of 2030 leading the way by narrowing the gap with the state average by 7%.

Math Assessment: When comparing cohort groups' growth from year to year (2022 to 2021) compared to the state averages, USD 250 displayed better growth than the state average in 7 of 7 cohorts in terms of percentages of students scoring in levels 3 and 4, with the class of 2028 leading the way by narrowing the gap compared to state average by 15% and the class of 2025 going from 2% below the state average to 15% above the state average. In addition, USD 250 students performed better than the state average in reducing the percentage of students scoring in Level 1 in 6 of the 7 cohorts, with the Class of 2026 and 2025 leading the way with 22% and 20% gains on the state average respectively.

4. Evidence is assuredly documented that Goal 2 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment

Goal 2 – USD 250 will increase the number of students completing a minimum of at least two courses (concentrators) in approved career-based pathways in middle and high school, as well as the number of students participating in community work-based learning experiences during the junior and senior years of high school.

The system developed career-based pathways in both the middle and high school levels. On the grade school levels, buildings incorporated career exploration. In the Junior/Senior years, partnerships were formed to assist students in work-based learning experiences.

5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

ARC Comment

The strategic plan demonstrates the commitment of the school district to provide the necessary resources needed to achieve the goals of the school improvement process.

6. The evidence submitted to the Accreditation Review Council indicates the system does generally demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

ARC Comment

The system developed a strategic plan that included sustainability in supporting students' learning as outlined in the Kansas Vision of Education by KSDE.

Board Outcomes
Social-Emotional Growth

In the strategic planning process, Pittsburg Community Schools partnered with Community Health Centers of Southeast Kansas to hire additional licensed social workers to work with students at all grade levels. The additional licensed social workers will provide individual counseling for students at high risk. The partnership between Pittsburg Community Schools and Community Health Centers of Southeast Kansas also provided an additional Community Health Worker designed to connect families to the various assistance programs within the community. At the elementary level (K-5) they are in year three of the SFA “Getting Along Together” curriculum. This curriculum component emphasizes SEL throughout the classroom on a weekly basis.

Kindergarten Readiness

USD 250’s challenge is that approximately 25%-30% of students entering kindergarten do not experience preschool prior to entering kindergarten. The district has partnered with the Family Resource Center (the community’s largest PK and childcare provider) to actively recruit new students into the PK program with little progress.

Individual Plans of Study

Over the past 5 years, USD 250 has worked to ensure that all students in grades 8-12 are involved in the IPS process. Several commitments over the years have helped to ensure continuous improvement in this area: USD 250 employs two college and career advocates. These advocates meet with all students and their parents in the 8th through the 12th grade to review the IPS and 4-year plan to assist with course selection and career preparation. 8th-grade students were added to this process in 2020-21. Over the past 5 years, USD 250 has worked to ensure that all students in grades 8-12 are involved in the IPS process. Several commitments over the years have helped to ensure continuous improvement in this area:

High School Graduation Rate

USD 250 has improved their graduation rate over the past five years, 76% in Year One (2015) to 84% in Year Five (2019); they realize they still have much work left to be done. In addition, the district has reported the 2020 graduation rate as 83.6%, the 2021 graduation rate as 82.3%, and the 2022 graduation rate as 88.4%. This data certainly shows a positive trend in USD 250’s graduation rate.

Postsecondary Success

USD 250 surpasses the predicted level for the Effective rate, they realize they have much work to do in this area. USD 250 believes the commitments made to improving the IPS process and exposing students to future careers earlier in their school experience will begin to pay dividends in the Post-secondary Success and Effectiveness rate.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

ARC Comment

As the new district-level administration started their work in 2018-19 (KESA Year 2), the BOE asked the
new administration to begin a strategic planning process designed to move USD 250 forward into the future.
The strategic planning work began in the fall of 2018 with USD 250 asking for feedback concerning the future direction of the school district from over 100 community stakeholders over the course of multiple sessions. This stakeholder group included parents, students, community members, and business owners throughout the community. This process resulted in five major areas of focus: Curriculum Social-Emotional-Academic Learning (SEAL) Community Partnerships Communication Resource Management

The Board of Education decided at that time to combine the results of the strategic planning process and the KESA continuous improvement cycle into one district improvement process.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

ARC Comment
There is evidence that during the KESA cycle, reports by the local board were completed in a timely manner. The system, including board members and stakeholders, were faithful in the KESA process.

9. The system has assuredly followed the KESA process with an expected level of fidelity.

ARC Comment
The system including the board and shareholders were faithful in the KESA process. Planning was strategic and prescriptive with clear goals and Outcomes.

ARC Recommendation
The Accreditation Review Council recommended a status of **Accredited** for this system based on the following justification.

**Justification**
USD 250 has engaged the stakeholders of the district in strategic planning. The strategic plan specifically addressed the needs of the community in terms of academic preparation. The district was asked to design an aligned and consistent academic curriculum throughout the K-12 structure. To accomplish this, they began the work in Year 2 of this KESA cycle to identify Essential Learning Outcomes (ELOs) in all curricular areas. USD 250 was purposeful in making sure ELOs aligned vertically within the system, as well. As a result, many of the outcomes and goals were met while other goals set a foundational structure for the future.

**Strengths**
There has been growth in students’ reading at grade level (K-5) with the implementation of SFA (40% to nearly 60%); Continued growth in student supports, especially for social-emotional support; The development of an intentional focused Individual Plan of Study system.

**Challenges**
Areas for Growth: Approximately 20-25% of students enter Kindergarten with no PK experience, placing these students behind their peers. USD 250 has attempted to identify ways to recruit these students in PK programs, but this still remains a huge limitation and barrier. The accommodations for at-risk students should be monitored. Increasing "at-risk" population numbers, especially ESOL population, have created many challenges for the district.

**ACT Performance (2021 School Year)**

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. This report provides the average Composite score for the 2021 graduating seniors who took the ACT as sophomores, juniors, or seniors.

Note: Not all eligible students completed an ACT.
Accreditation Summary

Date: 12/18/2022
System: D0270 Plainville (0000)
City: Plainville
Superintendent: Lisa Gehring
OVT Chair: David Kirkendall

Executive Summary/AFI

1. Compliance areas are **assuredly** addressed.

   **ARC Comment**
   Per KSDE, the system has fulfilled all applicable requirements and deadlines/timelines or is actively working to meet compliance.

2. Foundational areas are **assuredly** addressed.

   **ARC Comment**
   Overall, the system demonstrates evidence in all foundational structures that support students’ growth, curriculum alignment and involvement from stakeholders throughout. Plainville has implemented a tiered system of support for all students at all levels K-12. They conduct district wide meetings monthly with an early release so that staff can gather and look at data. They are making some gains in increasing student growth. Plainville has implemented a tiered system of support for all students at all levels K-12. They conduct district-wide meetings monthly with an early release so that staff can gather and look at data. The system has engaged stakeholders at all levels in their schools. They have a strong process in place for offering entrepreneur classes at the high school level. At the lower levels, they have engaged the community in a variety of ways through field trips, bringing community members into classes to share, as well as involving them in planning for community-wide events. The system has a cycle for reviewing the curriculum regularly. They have added some Project Based Learning as well as offer extracurricular activities to increase overall experiences for their students. The system has programs and opportunities for students to engage with their community. They expanded many of these over this KESA cycle with the addition of daycares with an emphasis on early childhood development.

   As well as continuing to offer Health and PE for students, Plainville has done some PD for staff on mental health issues. They also added a full-time Mental Health Liaison to meet students’ needs.

   The system continues to offer vocal, music, band, and art.

3. Evidence is **generally** documented that Goal 1 (N/A) activities and strategies were identified, implemented and produced reasonable results.

   **ARC Comment**
   Goal 1 - Our first goal that relates to our initial rigor focus involves our MTSS process and the goal of having 80% of our students in Tier 1, 15% of our students in Tier 2, and 5% of our students in Tier 3 in the areas of reading, math, and social-emotional.

   - The system has shown great progress over this cycle in giving teachers and staff a major role in leading and carrying out plans for improvement. They have devoted time in the schedule each day to really address the needs of tier 2 and tier 3 students at all levels. They have some data to support
growth in this area. Notably, they have increased students in level 1 on KAP in Math by 9% and in Science by 12%. While the system did not meet their goals set out with their local Fastbridge data, they did, however, make improvements in their math data. They showed a decrease in student achievement due to COVID 19 learning loss. They are aware of the need for continuing efforts to address academic progress.

4. Evidence is assuredly documented that Goal 2 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment
Our second goal has evolved from our relationship focus during the start of our KESA process and involves our Post-Secondary Success and Effectiveness.
With a 95% Confidence Interval for the Predicted Effectiveness Rate of 40.3%-48.2% for USD 270, we recognize that we have a challenge within our district to reach the 70% goal of Post-Secondary Effectiveness rate set by KSDE.

-While the system has not fully reached their goal in this area, it is evident that the plans they have in place are making an impact and showing growth. They have a high graduation rate. They are implementing new programs and pathways with job shadowing at the secondary level and this will help with continued growth.

5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

ARC Comment
The system has assuredly set and moved to attain the goals set out. While their Post Secondary Success is not at the level of their goal at this time, with the programs and systems they have made, they should see continued growth in this area. They have also been seeing the positive growth attributed to their work in their Tiered System of Support. Students have moved from tier to tier needing less support for success.

6. The evidence submitted to the Accreditation Review Council indicates the system does assuredly demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

ARC Comment
They have established Building Leadership Teams and a district leadership team that has been consistent throughout the cycle. These individuals are leaders in their respective buildings and provide consistency in maintaining sustainability. They have effectively used the district policies, as well as financial resources to help support the goals established

Board Outcomes
Social-Emotional Growth

The system uses several modes for data collection on SEL. They use SAEBRS in Fastbridge to collect data district wide. They created a Behavior protocol to collect and sort data about absenteeism, discipline referrals, and grade issues. They have worked with the data and it has driven change and goal setting for them as a district. They are seeing data trending up after the loss after COVID and they are seeing their efforts helping. They continue to use data from their stakeholders to effect positive change in this area through the use of surveys for the students and community as well as FastBridge. Additionally, they have seen the need for and worked to hire a full time Mental Health Liaison.

Kindergarten Readiness

The system has written some grants through the community to help with a community need for some additional day care spots. They are utilizing some staff who are pursuing Early Childhood degrees. They have seen an increase in students being ready for school after having been in these group day cares. They are using the ASQ for children. They are also using curriculum that focuses on the science of reading in the early grades.

Individual Plans of Study

They begin IPS in 6th grade. They utilize Xello. They do resume work as well as track community service hours. Students have access to Xello, post-graduation for up to 4 years. They complete a course planner for two years post-secondary. In addition, they have added all the pathways and have seen a sizable increase in utilization of those. They are also working on a coding pathway.

High School Graduation Rate

District data shows they have historically high graduation rates not falling below 95% in the last 5 years. “The district is using the state’s effectiveness rate to determine success. They have been able to maintain the effectiveness rate, but because of overall school size and how individual groups are represented; there have been some instances where results may be skewed based on the size of the represented groups.” They continue to improve by offering 11 pathways with 95% of students participating.

Postsecondary Success

The system has set goals to increase their students’ postsecondary success through several programs and systems. They have a high graduation rate as well as work diligently to expose kids to many pathways. They seem to maintain and are making gains in Post-Secondary success based on their available limited resources.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

ARC Comment

Plainville has utilized the KESA process to affect positive change in the district. Structures and processes are in place to continue to help the system to improve. They have set aside time regularly to meet and reflect on practices, processes, and data. All staff and stakeholders were involved in the processes. A strength of the school is its dedication to post-secondary success and its graduation rate.
8. System leadership was **assuredly** responsive to the Outside Visitation Team throughout the accreditation cycle.

**ARC Comment**
Plainville has utilized the process to establish processes for continued growth as a district. They have set goals for post-secondary success starting early. They have been diligent in adding Pathways for students’ success as well as looking for their future. They have also worked to set up their younger students for success by fine-tuning their tiered system of support for students in math, reading, and SEL. They have set goals and seen lots of growth.

9. The system has **assuredly** followed the KESA process with an expected level of fidelity.

**ARC Comment**
Plainville has utilized the process to establish processes for continued growth as a district. They have set goals for post-secondary success starting early. **ARC Recommendation**

The Accreditation Review Council recommended a status of **Accredited** for this system based on the following justification.

**Justification**
Plainville has utilized the KESA process to affect positive change in their district. Structures and processes are in place to continue to help the system to improve. Students are on an upward trend after a slump post-COVID. Students are successful in the classroom as well as being prepared for what is to come Post-secondary. They have set aside time regularly to meet and reflect on practices, processes, and data. All staff and stakeholders were involved in the processes. A strength for the school is its dedication to post-secondary success and their graduation rate. Their graduation rate is something to be noted even for a smaller district. The systems Math and Science scores decrease on state assessment. Reading has gone up. They are a little lower than the state average for post-secondary success for some subgroups. They have earned a bronze in High School Graduation rate as well as a silver in Post-Secondary Success.

**Strengths**
Strength Plainville has worked to implement IPS for students starting in 6th grade. They have built a large variety of CTE Pathways that will help their students focus for post-secondary. The processes they have put in place are helping their students to be successful through school and beyond. They are a small but mighty district using all the resources they can find to help their kids be successful.

**Challenges**
Plainville should continue to utilize their process for continued growth. The multi-tiered system of supports is showing some growth, but they are not where they want to be, yet. They should continue to work on these goals in the next cycle as well. The system is aware of the lack of student growth across the board. Some students are making progress. Some of the interrupted progress may be due to learning loss because of the COVID 19 Pandemic. But they should continue to work on academic progress goals to enhance student improvement in the next cycle.

**ACT Performance (2021 School Year)**

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. This report provides the average Composite score for the 2021 graduating seniors who took the ACT as sophomores, juniors, or seniors.

*Note: Not all eligible students completed an ACT.*

City: Hesston
Superintendent: Kevin Logan
OVT Chair: J.K. Campbell

Executive Summary/AFI

1. Compliance areas are assuredly addressed.

ARC Comment
Per KSDE the system has fulfilled all applicable requirements and deadlines/timelines or is actively working to meet compliance.

2. Foundational areas are assuredly addressed.

ARC Comment
All foundational structures are evident in the system and work is moving in a positive direction. Some concern was expressed due to Covid; however, progress is being made.

According to the OVT, the System has over the course of this KESA cycle taken steps to add diagnostic tools that provide necessary data and information when designing interventions for individuals or groups of learners. Professional days are designated to analyze and review data, often guided by the more recently established Reading Intervention Specialist. The system uses normed diagnostic assessment data and drives district processes that guide a tiered framework of support in both reading and math. District participants shared an explicit plan for tiered reading, describing scientifically based strategies and programs used for K-12 interventions for each tier.

As noted in the OVT report evidence indicates a strong and positive relationship with families, businesses, and the greater community. Throughout this cycle of school improvement, community participants and business partners have contributed to the development of a guiding framework and KESA goals. It is apparent stakeholders have been continually involved in ongoing discussions related to data and district improvements.

3. Evidence is assuredly documented that Goal 1 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment
The system’s goal of authentic literacy opportunities for each student has been ongoing and progressed each year to become an embedded part of daily instruction in all areas. They have developed walk-through tools, teacher evaluations, and principal evaluations around the components of authentic literacy. The implementation and delivery of authentic literacy are supported through ongoing professional development and a focus on cooperative learning. Using the new core curriculum, EL Education, they have developed grade-level Authentic Literacy units each semester and it is becoming a daily part of instruction.

4. Evidence is assuredly documented that Goal 2 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment
The system, despite difficulties related to Covid, continues to make progress toward reaching the goal of guaranteeing a standards-based instructional program that demands high-quality student work. Essential standards have been created for all grades, classes, and content areas. Professional development days have led to more recent collaboration across grade levels and content areas. The development of standards-based grading practices continues to be a work in progress, with a few middle-level teachers piloting a standards-based grading model. A system-wide team focused on alignment began meetings pre-covid and has since re-engaged to better define district-wide practice goals through the development of a grading guide. At the elementary level, the alignment focus has been on reading and math. Collaboration times are used to ensure teachers are following the defined curricular scope and sequence and reviewing data points.

5. Evidence is **assuredly** documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

**ARC Comment**

As stated in the OVT A System-wide team focused on alignment began meetings pre-covid and has since re-engaged to better define system-wide practice goals through the development of a grading guide. At the elementary level, the alignment focus has been on reading and math. Collaboration times are used to ensure teachers are following the defined curricular scope and sequence and reviewing data points. The system’s guiding framework provides an element of accountability as those involved refer to it to ensure the sustainability of the improvement process.

6. The evidence submitted to the Accreditation Review Council indicates the system does **assuredly** demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

**ARC Comment**

Data from the system showed State Board Outcomes are at or above expectations or showing a positive incline. According to the OVT report, this system's data substantiates the effectiveness of strategies in producing a high school graduation rate well above the State's 4-year adjusted cohort average rate. A variety of interrelated factors account for the system's graduation and post-secondary success rate including strong leadership, high-quality faculty, well-defined tiered interventions, and strong parent/community support. A long history of substantial school improvement processes, using data to drive decisions, and gaining stakeholder input from a variety of stakeholders is evident in this system with higher-than-average student outcomes.

**Board Outcomes**

**Social-Emotional Growth**

Over the course of this accreditation cycle, the OVT reported that the system has made significant improvements in identifying and developing strategies to support the social-emotional growth of students in the district. Data is gathered through surveys and from persons most directly connected with the individual student, the teachers, and counselors, to ensure social-emotional health and identify barriers that prevent students from learning.
**Kindergarten Readiness**

This system provided a variety of data to validate the system’s effectiveness of strategies related to kindergarten readiness, as noted by the OVT. In addition to ASQ assessments, the system also assesses each child using the DIAL 3 prior to entry into kindergarten. A very high percentage of students in this system have access to preschool and the system partners with providers outside the district to help establish those factors necessary for kindergarten readiness. The system also assesses each child in the district using AIMSweb within the first few weeks of school which provides further evidence to identify those early learners needing additional support to address skill deficits.

**Individual Plans of Study**

The individual plans of study system is well defined in Hesston at both the middle and high school levels. The system uses the IPS rubric to identify areas of strength and areas for improvement. Xello is used as a basis to drive IPS in the district where students have access to surveys and career related inventories, houses document specific to individual research about interests and careers and provides an extensive resource for students when considering interests and career options. Counselors and faculty have developed a 6-12 scope and sequence addressing topics of study throughout middle and high school.

**High School Graduation Rate**

A variety of interrelated factors account for the system’s graduation and post-secondary success rate including strong leadership, high-quality faculty, well defined tiered interventions, and strong parent/community support. A long history of substantial school improvement processes, using data to drive decisions, and gaining stakeholder input from a variety of stakeholders is evident in this system with above average student outcomes.

**Postsecondary Success**

The postsecondary success rate in Hesston is much higher when compared to the State’s average data. The district averages well above the State’s target rate of 70% and performs well above the Confidence interval as set by the State.

7. System stakeholders relevant to each part of the KESA process were **assuredly** involved during the accreditation cycle.

**ARC Comment**

This is an area of strength for the system according to the OVT. They are seeking feedback on all aspects of the district and throughout the continuous improvement cycle. Site council members, parents, teachers, community, and business leaders, all play a role in developing the system’s guiding framework and strategic initiatives. Quarterly meetings with advisory council members provide ongoing opportunities for stakeholders to provide feedback and improve the system. Quarterly meetings with advisory council members provide opportunities for the system to share data and assess and reassess strategies for continuous improvement. Whereas teachers and staff plan a monumental role in improving processes, specific days are set aside to review data, discuss continuous improvement efforts, and define strategies to meet outcomes in an ongoing manner.

8. System leadership was **assuredly** responsive to the Outside Visitation Team throughout the accreditation cycle.
System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

9. The system has assuredly followed the KESA process with an expected level of fidelity.

ARC Recommendation

The System has over the course of this KESA cycle taken steps to add diagnostic tools that provide necessary data and information when designing interventions for individuals or groups of learners. Professional days are designated to analyze and review data, often guided by the more recently established Reading Intervention Specialist.

Evidence in the OVT and system report showed they had spent extensive time developing an overarching framework to guide system improvements which included significant stakeholder involvement. This framework guides every decision made and it is evident those within the school community and outside the school community understand the value of the guiding framework. The OVT noted framework did not specifically align with KESA processes and timelines, however, system administration and teachers adjusted ensure fidelity of implementation. As with all systems, the pandemic hindered improvement efforts, but the system carried the process forward despite challenges. Data will continue to drive decisions for this system to determine future goals. As previously stated, the system is on a continual progress monitoring and data gathering process.
The Accreditation Review Council recommended a status of **Accredited** for this system based on the following justification.

**Justification**

The System has over the course of this KESA cycle taken steps to add diagnostic tools that provide necessary data and information when designing interventions for individuals or groups of learners. Professional days are designated to analyze and review data, often guided by the more recently established Reading Intervention Specialist. The system has a guiding framework and plans the implementation of their program.

**Strengths**

- Community and Stakeholder involvement in the process
- Strength of Leadership at all levels
- Use of data to drive instruction, set system goals, and support individual students
- Alignment of system policies and processes that support continuous improvement is apparent.

**Challenges**

- Write SMART goals for the next cycle
- Continue to focus on various data sets to establish areas of growth for the next cycle of school improvement
- Work on improvement of instructional intensity and finding tools to measure the system's expectations.

Accreditation Summary

Date: 12/13/2022
System: D0475 Geary County Schools (0000)
City: Junction City
Superintendent: Reginald Eggleston
OVT Chair: Shanna Dinkel

Executive Summary/AFI

1. Compliance areas are assuredly addressed.

   ARC Comment
   Fulfilled official applicable requirements and deadlines and/or timelines or, actively worked with State BOE to achieve compliance (Chair/OVT will list specifics addressed).

2. Foundational areas are assuredly addressed.

   ARC Comment
   All Foundational Structures are evident in the system and there is evidence that the work is moving in a positive direction. Work is part of the school culture and efforts are being made to maintain, embed, and improve quality.

3. Evidence is generally documented that Goal 1 (N/A) activities and strategies were identified, implemented and produced reasonable results.

   ARC Comment
   Generally, By the Year 5 (2022-2023) School Year, 40 percent of students will earn a 3 or 4 on the Kansas Assessment Program (KAP) in both Mathematics and English Language Arts.

   Summarize the system’s efforts and improvement in this goal during the cycle.
   ARC Comment: The system did not reach its goal of forty percent at level three or four, but their accountability report does show their trend line staying neutral or moving in a positive direction. Increase with students with disabilities was noted along with free and reduced lunch students. They will continue to strive towards that goal with the integration of meeting grade-level standards in their strategic plan with action steps of providing summer school and after-school tutoring. The system earned a copper STAR scoring above the state average on the KAP assessments. They also note an improved ACT composite from last year.
   Continued monitoring of FastBridge reports will be used to determine growth in math and reading. The district leadership team uses a data dashboard (PowerBi) to analyze district and building-level data to then support the needs of their buildings as outlined in the system's strategic plan.

   ARC Comment

5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or
updated.

ARC Comment
ARC Comment: Assuredly The system effectively works with its board on procedures and policies. This is demonstrated in the strategic plan which includes a six-year facilities plan with an annual review of expenses and alignment with the goals of the plan. Long-range PD planning is also being done, as is a collaboration among the multiple departments (Teaching and Learning, Personnel Services, Communication, Technology, Finance, and Operations). The system uses its needs assessment to shift and respond with BOE support to allocate necessary resources for supporting the KESA process.

6. The evidence submitted to the Accreditation Review Council indicates the system does generally demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

ARC Comment
ARC Comment: Generally, data for some State Board outcomes are at or above expectations or showing a positive incline and some are neutral, below expectations, or have a slight decline. The system understands and can explain its data results for some State Board outcomes. The system is beginning to collect evidence, data and is working on a plan to address all five (5) State Board outcomes to create change. ALL areas are being addressed by goals or district strategic plan.

Board Outcomes
Social-Emotional Growth
ARC Comment: The district has worked to increase their overall implementation, response, and support of Social Emotional Growth. They have adopted a Tier 1 SEL curriculum for Early Childhood-Eight Grade and Ninth-Twelfth Grade, with an implementation in the 2022-2023 school year. The data, they have implemented the use of SAEBRS/mySAEBERS screeners for students in grades Kindergarten-Twelfth. The technology department has developed a real-time data collection system that allows the system to track student attendance and discipline referrals. They have provided and implemented various approaches to discipline for all levels of staff, all buildings implement a Social Emotional goal in their individual strategic plan, various social emotional committees to become one Positive Behavioral Interventions and Support Team (PBIS). To increase student attendance USD 475 has been partnering with local city officials and the local judicial system to find ways to collaborate to tackle truancy concerns. Focuses will remain on decreasing discipline referrals, establishing strong Positive Behavior Systems and Supports (PBIS) at the core/Tier 1 level, and increasing student attendance at school.
**Kindergarten Readiness**

ARC Comment: The system had a vested interest in early learning experiences and prioritizes the need for early intervening services with Early Childhood. Throughout this KESA cycle, the district has seen improvements. As a district, they increased the percentage of ASQ completion as noted by Kansas Star Recognition. In 2021, they received a Copper Star and were recently informed that they would be earning a Bronze Star for 2022. This work is evidence of growth in student outcomes and processes. USD 475 has additionally expanded Early Childhood opportunities, serving over 50% more 3-4 year old students than five years ago. For the 2022-2023 school year, they implemented personal meeting appointments with parents/guardians prior to start of Kindergarten to complete screening, complete ASQ, establish strong relationships between schools, teachers, and families, provide classroom/school tours, and answer questions.

**Individual Plans of Study**

ARC Comment: Over the 5-year period, JCHS Academy Leaders have developed lessons and collected data to redefine the scope and sequence to best meet the needs of the students at JCHS. JCHS advisory has shifted to grade level advisories so that teachers can build relationships with students and guidance through each stage of the IPS process. A similar process has been enacted for the two middle schools with counselors in the buildings collaboratively working on vertical alignment.

**High School Graduation Rate**

ARC Comment: The systems 5-year process shows that prior to COVID, JCHS was trending up every year. During the 2019-2020 school year, there was a slight decline in the graduation rate, but the data is gradually increasing and is trending in the right direction to meet the states average. The district continues to provide multiple career/postsecondary opportunities for the successful graduate as they continue to see an increase in data. This area has also been included as a goal within the district’s strategic plan. The district will continue to include responsive measures for supporting strong core instruction for all students, but also providing targeted assistance and intervention for those at risk of not graduating. It should be noted that because of this being a military community there is a high level of student movement in and out of the district. Focus on keeping attendance high and Chronic Absenteeism is important.
Postsecondary Success

ARC Comment: The systems rate on postsecondary success is lower than the confidence interval, but they are noticing a trend leading up in this area. Factors that influence the percentage to stay at a lower rate include the following: a large number of graduates enlist in the military, and it is not tracked via the post-secondary credentials. When future options are available to record this information a significant increase will be noticed. Students whose families are very transient or due to military affiliations will move all over the world and their post-secondary school of choice may not meet the criteria from the state. The system has a strong partnerships we have with Cloud County Community College for concurrent and dual enrollment classes. They also have several partnerships with numerous county and community agencies, that provide internships to students in order to allow them to explore careers and have on the job, real life experiences.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

ARC Comment

ARC Comment: The system is transparent and consistent with feedback through Community & School Listening Sessions, Parent/Guardian Surveys, Staff Surveys, Comprehensive Building Needs Assessments, and Comprehensive State Assessment Results Review. The involvement of the Board of Education and Site Councils supports their work in this area. Numerous event opportunities were shared, such as Parent University, School/Parent Committees in Policy Development, Conferences, and Back to School Carnivals.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

ARC Comment

The system was responsive and worked well with the OVT throughout the process taking suggestions and implementing them.

9. The system has assuredly followed the KESA process with an expected level of fidelity.

ARC Comment

ARC Comment: The system shared that the continuous improvement work in KESA impacted their student, staff, schools, and community in the following ways. Their goal two of developing a communication plan with stakeholders led to community support of a bond. In addition, they attribute their work with KESA to equitable access to opportunities for all students in more purposeful ways. They have also improved their site council representation to include all backgrounds. The district acknowledged having high district office/leadership turnover during KESA cycle which led to an absence of reporting/system check-in for a couple of years within the cycle. The system has been transparent in its challenges with leadership turnover and being data-poor in the first couple of years of the cycle.

ARC Recommendation
The Accreditation Review Council recommended a status of **Accredited** for this system based on the following justification.

**Justification**

Rationale for Recommendation
The system is making gains and has implemented several programs to support areas of strength and future areas of growth. Please see below. Addressing the neutral movement of student data on the academic side will need to be watched. Significant gains with students with disabilities and students that are free and reduced have been noted. Areas that have limited control but will need to continually be reviewed and noted for the inability to control are the area of graduation rates as the transient population with the military population will dictate this. But the areas of attendance and absenteeism are being monitored by the system.

**Strengths**

Areas of Strength
Strengths noted by OVT members and ARC Review include but are not limited to the following:
A positive and improved approach to PD and prioritization of instructional time was addressed and new methods were implemented.

State BOE outcomes are integrated into the system's strategic plan which will be the driver of continuous improvement for the system through 2026.

The system identified CTE completers have a high graduation rate; therefore, they plan to focus on completers and improve their IPS process to impact graduation rate. Including free community college courses.

The system has developed and begun a process throughout the year (quarterly) to examine data and respond, including learning walks.

The OVT felt a strong level of intentionality for continuous improvement was demonstrated through the system's strategic planning and transparency. The system has identified the need for early childhood and has developed a plan for the allocation of resources for that. The system is advocating with stakeholders a study to look at all factors for the early childhood program. (ex placement of center)
As the OVT reviewed the ARC criteria rubric, there was no area in which the team felt the system did not meet the level of green, assuredly.

**Challenges**

Areas for Growth
Growth noted from OVT members and ARC Review includes but is not limited to the following:

The system identified a need for early childhood and has developed a plan for the allocation of resources for that. The system is advocating with stakeholders a study to look at all factors for the early childhood program. (ex placement of center).

Focus on improving the Graduation Rate by disaggregating data to gain a better understanding of subgroups data. The exit interviews being done by the system will be helpful with this.

An increase in Post-secondary progress is needed. The military factor plays a big part in both graduation rate and PostSecondary.

District Postsecondary Effectiveness

High School Graduation Rate | Success Rate | Effective Rate

Graduation Rate: The 4-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who entered high school as 9th graders four years earlier (adjusting for transfers in and out).

Success Rate: A student must meet one of the four following outcomes within two years of High School graduation:

1. Student earned an Industry Recognized Certification while in High School.
2. Student earned a Postsecondary Certificate.
3. Student earned a Postsecondary Degree.
4. Student enrolled in Postsecondary in both the first and second year following High School graduation.

Effective Rate: The calculated Graduation Rate multiplied by the calculated Success Rate.

ACT Performance (2021 School Year)

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. This report provides the average Composite score for the 2021 graduating seniors who took the ACT as sophomores, juniors, or seniors.

Note: Not all eligible students completed an ACT.

Executive Summary/AFI

1. Compliance areas are assuredly addressed.

   ARC Comment
   All compliance requirements were met as verified by KSDE.

2. Foundational areas are assuredly addressed.

   ARC Comment
   Based on the information provided in the System's Accreditation Engagement Review, the system does have in place and defined Foundational Structures. The system has developed a system-wide approach to civic engagement, and has fully implemented tiered supports in reading, mathematics, and behavior for all students.

   Tiered Framework of Support
   All buildings have fully implemented a tiered framework of support to support reading, mathematics, and behavior. The system uses Pathways to Reading, Math RTI, and iReady Personalized Learning for both mathematics and reading. Positive Behavioral Interventions and Supports (PBIS) is used to address behavior issues. Data show improvement at all levels.

   Family, Communities and Business Partnerships
   The system engages stakeholders on a regular basis as evidenced in the system goal results. The system engages local business and the community through arts, academic, and sports activities. According to the Annual Report Summary, school activities are the "lifeblood of the community." Communication and collaboration with families and the community is evidenced through the Summer Learning Program, Project Based Learning community events (taco truck, drive-in movies, and ice cream shop). The system has moved from the implementing level to transitioning/modeling levels in connecting families with the curriculum and standards, as well as assessments and screeners. Additionally, the system established a daycare in partnership with the local hospital. Furthermore, internships in the community are embedded in the Individual Plans of Study (IPS).

   Diversity, Equity and Inclusion
   The system addresses the needs of all student groups. The system is at the implementing level in social-emotional learning as evidenced in the adoption of PBIS, professional development in cultural responsiveness, and an increase in ESOL certified teachers. The system continues to focus on ESL certifications, bilingual staff, additional paraprofessionals, and an ASL interpreter in order to improve. Although the system and schools cultures are not currently reflected in the vision and improvement process, there are plans to address this as first steps in the next KESA cycle.

   Communication and Basic Skills
   Curriculum has been aligned both in the system as well as Kansas state standards. New curriculum in K-8 mathematics and 6-12 ELA support this alignment and professional learning ensures that all
materials are taught with consistency and fidelity. Additionally, K-2 teachers receive on-going training in phonics and phonemic awareness. At the junior/senior high levels, Imagine Learning has incorporated Social Emotional Learning (SEL) and public speaking.

Civic and Social Engagement
The system does not have a specific curriculum for civic and social engagement, although Social Studies and English Language Arts classes have embedded civic lessons. Additionally, Tier 1 groups are engaged in civic learning projects through the year. Activities support this area include EVerify, internships, volunteer activities, 6-12 activities, and a summer learning program. The role of Student Council, as well as professional development for teachers specifically regarding empowering students supports this foundational area.

Physical and Mental Health
Curricula that support the structures in Physical and Mental Health are evident through the inclusion of daily physical education, recess, and social emotional lessons. Wonders Learning, Imagine Learning, and group counseling lessons are in place. Additionally, Extension Agents partner with the system to explore nutritional and agricultural activities. The system feeds those students who are hungry and provide breakfast bars.

Arts and Cultural Appreciation
The arts and cultural appreciation are supported through the district, and fine arts are a priority. Daily music classes are integrated throughout the day in grades PK-12, and an Art Teacher in Residence provides art lessons and training for teachers. Spanish is offered at the high school.

Postsecondary and Career Preparation
The system continues to implement several career preparation programs. Students can complete an Associate's Degree at Seward County Community College. Evidence indicate that there was an increase in students in the Career Technical Education (CTE) pathways. Additionally, the system implemented a mentoring program with an emphasis on scholarship and career choices that includes all staff and community members. The system’s five-year graduation average is 87.3%.

3. Evidence is generally documented that Goal 1 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment
Goal 1: Relationships
The system has a goal statement to engage all students in making educational choices through the Individualized Plans of Study (IPS), student-led conferences, differentiated instruction, and personalized learning. This goal was met in spring 2022; 74% of all students scored in the yellow and green categories in reading, and 78% of all students scored in the yellow and green categories in mathematics.

4. Evidence is generally documented that Goal 2 (N/A) activities and strategies were identified, implemented and produced reasonable results.

ARC Comment
Goal 2: Relevance
The system has a goal statement to provide effective, differentiated standards-based instruction to improve student outcomes. This goal was met in 2019 when mathematics scores increased from 61% to 73%. In 2021, scores declined due to the global pandemic.

5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or
6. The evidence submitted to the Accreditation Review Council indicates the system does **assuredly** demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

**ARC Comment**

The OVT and System reported data for all State BOE goals. The system demonstrated evidence of a plan reflecting all State BOE goals that appears to result in systematic improvement.

**Board Outcomes**

**Social-Emotional Growth**

The system works toward the initiative of engaging students through SEL activities at every grade level. Data indicate that ISS decreased from 23 to 0 from 2018-2022; and OSS decreased from 9.6 to 0 from 2018-2022. Additionally, there is a reduction in students who are tardy and absent.

**Kindergarten Readiness**

The system has a process for the assessment of data. The evidence indicates that the completion rate of incoming kindergarteners increased from 26% in 2019 to 100% in 2022. Furthermore, 92% of incoming kindergarteners scored above benchmark on the ASQ-3 and 100% of incoming kindergarteners are below with no concerns on the ASQ2-SE.

**Individual Plans of Study**

The system currently uses a locally developed IPS system for all students in grades 8-12. Students updated their IPS weekly during class. Students participate in Career Expos, STEM Day, SWK CTE Showcase, internships, community mentorships, as well as completing college coursework through an agreement with Seward County Community College. The electronic portfolio is available to students to access after graduation.

**High School Graduation Rate**

The 2022 high school graduation rate is 100%. According to the 2020-2021 Accountability Report, the system’s five-year average graduation rate is 87.3%. In order to address the needs of all students, the system implemented a seven-period day.

**Postsecondary Success**

A mentorship program for seniors was implemented in which teachers have a maximum of two mentees. Students are also matched with a community member who works in each student’s career interest. The five-year effective rate has increased in this KESA cycle from 35% in 2018-2019 to 41.2% in 2020-2021.

7. System stakeholders relevant to each part of the KESA process were **assuredly** involved during the accreditation cycle.

**ARC Comment**

Stakeholder feedback is gathered and progress is shared on a regular basis. All stakeholder groups are represented, involved, and providing input regarding the system’s improvement process through parent-teacher conferences, PTO, parental outreach, surveys, adult ESL and GED courses, summer learning, Partnerships with Dudley Township Library, and Booster Club and Site Councils.
8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

ARC Comment
The team was welcomed in a professional and respective way. The district was cooperative in providing data and arranging interviews of stakeholders.

9. The system has assuredly followed the KESA process with an expected level of fidelity.

ARC Comment
The OVT reported the system has a strong sense of community and pride in their schools. The system has been committed to incorporating the KESA process.

ARC Recommendation
The Accreditation Review Council recommended a status of Accredited for this system based on the following justification.

Justification
The OVT and system documented that the system met the requirements of the KESA process, and the system has a continuous improvement process in place that involves all stakeholders. Level 1 showed an decrease in both mathematics and reading assessment results; Level 2 showed a slight decline in both mathematics and reading. The system’s five-year graduation average for postsecondary success is 87.3%.

Strengths
The OVT noted a major strength that this system is a model for other systems their size in how to engage and enhance their quality of living in the community. The Satanta Summer Reading Program has a positive effect on the community, and the PBL ice cream shop, taco truck, and drive-in movie is a strength of the system. The system is highlighted in the eMINTS training video as an example of technology integration.

Challenges
Chronic absenteeism at the high school remains a concern.

Executive Summary/AFI

1. Compliance areas are assuredly addressed.

ARC Comment
Per KSDE, the Kansas State School for the Blind [KSSB] system has fulfilled all applicable requirements and deadlines/timelines or is actively working to meet compliance.

2. Foundational areas are assuredly addressed.

ARC Comment
All Foundational Structures are evident in the system and there is evidence that the work is moving in a positive direction. Work is part of the school culture and efforts are being made to maintain, embed, and improve quality.

Tiered Framework of Support:
KSSB’s students are ‘Tier 3’ upon enrollment to the school; therefore, all student support is intensive and intentional by design as dictated by IEPs. Notwithstanding, KSSB has taken steps to meet individual student needs that seek to improve student experiences within and beyond their walls. By expanding their field services team in number (7 in Y1 and 16 in Y5) and breadth (ages 3-21 in Y1 and 0-21 in Y5) has mitigated the need for students to attend KSSB full-time. This promotes the likelihood of successful transitions & integration into the general education system. On campus, KSSB has adopted and adapted a resource for socio-emotional skills and expanded its in-person and online program offerings to provide additional support to students off campus.

Family, Business, and Community Partnerships:
In year 1 of the KESA cycle, KSSB’s partnerships were mostly local and state partners, such as KSDE, Kansas City Kansas Community College, and a few local businesses. In year 5, they now work with 15 organizations and over 25 local businesses to raise awareness, educate, and support their mission of serving Kansas’ students who are blind or visually impaired. An example of this can be seen with their annual 5k Run/Walk. In year 1, KSSB had approximately 30 participants, by year 5 the event exceeded 350 registrants and raised over $50,000.

Diversity, Equity, and Access:
All student group needs are represented in the improvement process at KSSB as working with, educating, and raising awareness surrounding the learning of students who are blind or visually impaired is KSSB’s foremost priority. Internally, KSSB staff have received consistent professional development and information about accessibility for students who are blind or have low vision in schools and in the community. Additionally, presentations on similar topics have been shared with external stakeholders, university students, and community groups among others.

KSSB has also adopted a curriculum resource to guide direct instruction in cultural, ethnic, and racial diversity and promote inclusion as they teach life skills, including learning how to live cooperatively
with others from different backgrounds, ethnicities, and cultures.

Finally, within this KESA cycle, KSSB has revamped their website to ensure accessibility, earning approval from the Office of Civil Rights. To maintain accessibility, KSSB instituted an "accessibility" committee that reviews materials and practices when publishing or sharing documents publicly.

Communication and Basic Skills:
Since year 1, KSSB emphasizes the Expanded Core Curriculum, a supplemental set of skills that are required to be successful adults, for all students. During this cycle, KSSB has instituted data collection and review processes that support them in determining whether skills are being taught directly with effective results. Knowing the close link between reading and communication, KSSB has adopted the Wilson reading resource and provided training and instructional support to support its implementation. Since year 1, it has also expanded its course & offerings to support students in public speaking, forensics, and via a student-led podcast that is now offered on a local radio station.

Civic and Social Engagement:
During this cycle, KSSB has worked to expand and improve community based instruction across their programs, especially at the bookends of their programming. Age 0-3 field services, enrichment preschool, and Project SEARCH are all new and growing programs that offer students the opportunity to learn from real world experiences and community engagement.

Between these bookends, the inclusion of social emotional learning and civic engagement within their Core Essentials curriculum has had positive results in fostering engagement and involvement with community businesses, culture(s), and education. These, in tandem with the functional and academic skills taught through the Project LIFE and the Deaf Blind programs, provide evidence of KSSB’s commitment to Civic and Social Engagement.

Physical and Mental Health:
KSSB has made strides to support students’ physical and mental health in several ways during this KESA cycle. They have an adopted resource that integrates social emotional learning into their everyday learning and have expanded upon it and support for physical health in ways that meet the unique needs of their student population. From the development of a swallowing and feeding team, self defense courses, community gardens and a blind soccer program to providing outreach professional development for adaptive PE programs, KSSB has developed structures to support the physical and mental health of the students it serves both within and beyond its walls.

Arts and Cultural Appreciation:
In conjunction with music therapy and adaptive PE classes, KSSB utilizes a nonprofit, adapted Makerspace, and Mobile STEM unit to provide the curricula and structures supporting Arts and Cultural Appreciation. In addition to this, they have and continue to seek out community partnerships with organizations such as the KC Art Institute and Government of Wyandotte County to support these efforts.

Postsecondary and Career Preparation:
One of KSSB’s major improvements in this KESA cycle has been the expansion of programs that provide opportunities for higher-level thinking and the development of a Project SEARCH. During this journey, KSSB has developed an online computer science course that is accessible to students who are blind and established an annual Family Forum to assist parent-school partnerships in supporting student skills and planning for success. There is also a KSSB social worker and Transition Specialist that meet with all families ages 14 and up to discuss programs and services available to them at school and in the community. KSSB also utilizes Xello and develops individual plans of study for every student. It also continues to offer college and technical education center options for students in the Transition Program, while providing independent living skills experience in the dormitory program.
3. Evidence is **assuredly** documented that **Goal 1 (N/A)** activities and strategies were identified, implemented and produced reasonable results.

**ARC Comment**

By expanding their outreach team and starting new initiatives, KSSB has expanded their services to students beyond their campus by over 200% from their year one baseline. Key actions that have supported this effort include, but are not limited to, their expanded Extended Year Program (ESY) and the opening of an ESY location at Ft. Hays State University. KSSB’s larger outreach team and ongoing professional development support the continued success of this goal.

4. Evidence is **assuredly** documented that **Goal 2 (N/A)** activities and strategies were identified, implemented and produced reasonable results.

**ARC Comment**

Since year 1 of this KESA cycle, KSSB has dramatically increased visibility through partnerships, strategic outreach, and website redesign. These partnerships and marketing efforts have aided KSSB in meeting their goal with a 60% increase in service requests.

These outreach and marketing efforts have resulted in increased funding, opportunities, and capacities to provide more student, family, and professional support statewide. KSSB’s expanded leadership profile and visibility working in partnership with the maintenance and continued growth of its outreach efforts support the continued implementation of this goal.

Goal 2 worked in tandem with a third goal of KSSB to improve and expand professional skills regarding blindness/low vision best practices to stakeholders across Kansas by providing 50% more PD events. Growth in the third goal, as noted below, will positively impact continued growth in goal 2.

KSSB is both a school system and the state’s flagship vision agency, serving not only students and their families, but school districts, certified staff, support specialists, and communities among others. During this KESA cycle KSSB’s efforts resulted in an approximately 700% increase in coaching and mentoring sessions and 240% increase in inservice training provided in Kansas. These increases do not include outreach efforts to families through over 200 ‘family activity boxes.’ KSSB’s larger outreach team and ongoing professional development support the continued success of this goal.

5. Evidence is **assuredly** documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

**ARC Comment**

KSSB has demonstrated effective sustainability in structures by expanding its leadership profile and intentionally aligning with professional organizations to support the continued success and growth of their efforts. Both field services and instructional staff have assumed leadership in Professional Development, Accessibility, Instructional Coaching, Use of Data for Instruction, Transition, Community Partnerships, Teacher Recruitment and Training, and Parent Engagement. KSSB leaders ensure compliance with federal laws and Individual Education Plans, as well as the coordination of signature events and initiatives.

6. The evidence submitted to the Accreditation Review Council indicates the system does **assuredly** demonstrate significant gains in meeting the expectations of the Kansas Vision for Education and State Board Outcomes.

**ARC Comment**

KSSB works to include all stakeholders from the beginning and has an open line of communication with
the Kansas State Board of Education and the Kansas Department of Education leadership. The OVT and KSSB reported data for all State BOE goals. KSSB has demonstrated evidence of a plan reflecting all State BOE goals that appear to result in systematic improvement.

**Board Outcomes**

**Social-Emotional Growth**
KSSB demonstrated improvement in social emotional growth during this KESA cycle. This is evidenced by the creation of a Social Emotional Learning [SEL] committee, hiring of an SEL coordinator, and professional development for the implementation of a preK-12 SEL curriculum. These structures resulted in the implementation of an SEL screener, BASC, as well as parent and staff surveys. Positive behavior support strategies and monthly character development lessons were also implemented. Among student data gathered during this cycle, there is evidence of a decrease in absenteeism from 19.5% in year 1 to 13.2% in year 5. Parent perception data showed that over 90% of parents did not have concerns regarding teachers, safety, and communication. Staff data gathered during this KESA cycle indicated increased staff satisfaction and care resulting in fewer days missed and that 100% of staff felt engaged and safe at work.

**Kindergarten Readiness**
KSSB does not have defined boundaries or open enrollment; however, they started a preschool enrichment program in Year 3 for students attending other districts. Data indicates that all students participating in this program have deficits compared to same-age, non-disabled peers. Disabilities include but are not limited to deficits are in social skills, mobility skills, and pre-literacy skills. The program is led by two vision professionals (TSVIs) that work with students on skills such as braille readiness, spatial awareness, concept development, and tactile awareness. The program has grown from 0 students in year 1 to 7 students in year 4 and is expected to continue growing as it is now offered daily.

**Individual Plans of Study**
All students over age 14 now discuss and articulate their post-secondary goals as well as how they can achieve these goals. This is the result of a year 1 to 5 effort by KSSB to expand their capacity and willingness to engage parents in difficult conversations regarding post-secondary goals, hopes, and dreams. Growth in this area has been shown as in year 1, not all students had an Individual Plan of Study [IPS]. In year 5, KSSB middle and high school students now have an IPS in addition to their Transition Plan and IEP. KSSB has developed an intentional process of reviewing student plans as they may require multiple financial support systems and applications, such as Vocational Rehabilitation and Medicaid Waivers.

**High School Graduation Rate**
KSSB has had a 100% graduation rate year 1 through 5. They work to ensure that all students have met graduation requirements and bank their diploma in order to remain on an IEP while at KSSB and complete their transition program. They maintain success by striving to provide the right services at the right time. Their efforts to continue this have been enhanced through their increased visibility and presence in the state.
**Postsecondary Success**

KSSB serves a unique population—one that is small, transient, and has significant disabilities. Therefore, it is challenging to see the success achieved using the Kansas Board of Education’s traditional measurements of success. Nonetheless, KSSB’s Five-Year Effective Average is within the state’s 95% confidence interval for predicted effectiveness.

KSSB has followed its graduates during this KESA cycle and documented their postsecondary pursuits in the areas of continued education and working full or part time. From this perspective, over the past 5 years (Classes 2018-2022), KSSB has had an adapted effective range of 75%, 40%, 88%, 75% and 75%. This indicates a steady rate of continued postsecondary pursuits in education or employment with an outlier of 40% in 2021 during the pandemic.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

**ARC Comment**

The KESA process has helped KSSB stay more connected with stakeholders. The Advisory Board includes parents, teachers, alumni and adults who are blind that provide bi-yearly feedback on our goals and progress. KSSB meets regularly with blind advocacy groups such as the National Federation of the Blind and Kansas Association of Blind and Visually Impaired. They are also an ex-officio member of the Kansas Special Education Advisory council.

The KESA process also assisted KSSB in recognizing the need to incorporate student stakeholders over the five year cycle. This resulted in student opportunities to build their own pathways of learning, based on their interests and experiences. The investment of these stakeholders, in conjunction with parent voice via the KSSB Family forum and the KSSB Advisory Board, has helped lay the groundwork for future strategic plans.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

**ARC Comment**

The KESA team consistency was consistently welcomed by KSSB and has observed continual improvement at KSSB during this KESA cycle. KSSB submitted yearly update reports in a timely manner prior to all OVT visits and provided KSDE with the required KESA reports.

9. The system has assuredly followed the KESA process with an expected level of fidelity.

**ARC Comment**

KSSB shares bi-yearly reports with their Advisory Board and has completed reports to their KESA team and OVT in a timely manner. Although the process was paused during the 2021 academic year, KSSB continued to move forward with established goals and incorporate social emotional learning with students and into staff professional development. Throughout the process, KSSB has been open and responsive to feedback from the OVT and Chair. The KESA team has observed continual improvement of processes over the past five years.

**ARC Recommendation**
The Accreditation Review Council recommended a status of **Accredited** for this system based on the following justification.

**Justification**

The OVT and KSSB documented that the system met the requirements of the KESA process and that KSSB has a continuous improvement process in place involving all stakeholders. While its population has unique needs that prohibit participation in traditional assessment processes, KSSB has shown recent academic growth in math, increasing the number of students in level 2 from 7.14% in 2021 to 15.38% in 2022. Furthermore, KSSB has worked to develop and improve their use of data, social emotional learning, and presence throughout Kansas.

**Strengths**

KSSB has shown consistent improvement during the KESA cycle. Their data collection during this process has improved each year and is becoming an established practice. KSSB has restructured to collect pertinent data to support their continuous improvement process. Data collected during this cycle will help inform future improvement.

KESA process reports indicate that KSSB leadership encourages open thinking, which has resulted in the establishment of new and creative programs for Kansas students that are blind or visually impaired. These combined efforts have contributed to the improved commitment of staff and focus on individual student support, rigor, and achievement. KSSB continues to improve the services provided to its wide variety of stakeholders in unprecedented ways. It is utilizing new partnerships made to advocate with stakeholders and the state legislature moving forward.

**Challenges**

Continued refinement and use of data driven practices for growth and improvement.

Postsecondary effectiveness rate, while in the predicted range is still overall low.

### ACT Performance (2021 School Year)

ACT is a national college admissions exam that includes subject level tests in English, Math, Reading and Science. Students receive scores that range from 1 to 36 on each subject and an overall Composite score. This report provides the average Composite score for the 2021 graduating seniors who took the ACT as sophomores, juniors, or seniors.

Note: Not all eligible students completed an ACT.

Meeting Date: 1/10/2023

Item Title:
Act on Recommendations of the Professional Practices Commission (deny)

Recommended Motion:
It is moved that the Kansas State Board of Education adopt the findings of fact and conclusions of law reached by the Professional Practices Commission and deny the applications in 22-PPC-20, 22-PPC-22, and 22-PPC-24

Explanation of Situation Requiring Action:
22 PPC 20 – A complaint was filed by the Kansas State Department of Education seeking denial of the application for a substitute teaching license. The complaint, which was delivered to the last known address of the applicant, alleges the applicant had pleaded guilty to and subsequently was convicted of 9 felony offenses including a crime of theft and crimes of forgery. The applicant did not request a hearing nor did she submit an answer denying the allegations. By default, the Commission recommends denial of her application.

22 PPC 22 – A complaint was filed by the Kansas State Department of Education seeking denial of the application for an emergency substitute teaching license. The complaint, which was delivered to the last known address of the applicant, alleges that on September 20, 2018, the applicant was convicted of one count of Furnishing Alcohol to a Minor. The complaint further alleges this applicant was previously denied by the Kansas State Board of Education for the same reason. The applicant did not request a hearing nor did she submit an answer denying the allegations. By default, the Commission recommends denial of her application.

22 PPC 24 – A complaint was filed by the Kansas State Department of Education seeking denial of the application for an initial teaching license. The complaint, which was served by mail to the applicant’s last known address, alleges that on November 17, 2019, the applicant unlawfully, feloniously, and knowingly possessed 122 grams of marijuana with the intent to distribute it as well as 89 grams of THX wax without a proper tax stamp. Subsequent to those unlawful acts, the applicant entered into a diversion agreement after having been charged with felonies. The applicant did not request a hearing nor did she submit an answer denying the allegations. By default, the Commission recommends denial of her application.
BEFORE THE KANSAS STATE BOARD OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

In the Matter of
the Application of

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices
Commission (Commission) of the Kansas State Board of Education (State Board) upon the
Complaint filed by the Kansas State Department of Education seeking denial of Applicant’s
[Applicant] application for a Substitute Teaching license.

The hearing on this matter was held on November 18, 2022. Appearing for the Commission
were chairperson, Jennifer Holt, and members, Aaron Edwards, Eric Filippi, Darrin San Romani,
Ricardo Sanchez, Caroline Spaulding, Jamie Wetig and Christy Ziegler. The KSDE appeared by and
through its attorney, R. Scott Gordon. Applicant did not appear.

FINDINGS OF FACT

1. On August 16, 2022, the Kansas State Department of Education filed a formal Complaint
   requesting the denial of Applicant’s application for a substitute license. The Complaint was
   mailed to Applicant’s last known address by standard and by certified mail. The certified mail
   receipt indicates it was delivered and signed for on August 22, 2022.

2. Applicant did not respond to the Complaint. She filed no answer and did not request a hearing.

3. The Complaint alleges that Applicant pled guilty to and was subsequently convicted of 9
   felonies, one of which was a crime of theft and 8 were for forgery.
CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

3. Teaching and school administration are professions with all the similar rights, responsibilities and privileges accorded other legally recognized professions. K.S.A. 72-2308.

4. Applicant did not deny any allegations of the Complaint, nor did she provide any evidence of remorse, rehabilitation, or recognition of the wrongfulness of her actions.

5. The Kansas State Board of Education may deny the license of any teacher for professional misconduct or other just cause including being convicted of any crime punishable as a felony. K.A.R. 91-22-1a.

6. If a party fails to participate in the adjudicative process, the party may be found to have conceded to the outcome requested by the filed complaint.

THEREFORE the Professional Practices Commission, by vote of 8-0, recommends the Kansas State Board of Education deny the application of a substitute license based on the uncontested allegations of misconduct and for not requesting a hearing or submitting an answer in response to the Complaint.

This Initial Order is made and entered this ________, 2022.

PROFESSIONAL PRACTICES COMMISSION

In the Matter of
the Application of

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices
Commissioner (Commission) of the Kansas State Board of Education (State Board) upon the
Complaint filed by the Kansas State Department of Education seeking denial of [Applicant]'s
[Applicant] application for an Emergency Substitute Teaching license.

The hearing on this matter was held on November 18, 2022. Appearing for the Commission
were chairperson, Jennifer Holt, and members, Aaron Edwards, Eric Filippi, Darrin San Romani,
Ricardo Sanchez, Caroline Spaulding, Jamie Wetig and Christy Ziegler. The KSDE appeared by and
through its attorney, R. Scott Gordon. Applicant did not appear.

FINDINGS OF FACT

1. On October 6, 2022, the Kansas State Department of Education filed a formal Complaint
   requesting the denial of Applicant's application for an emergency substitute license. The
   Complaint was mailed to Applicant's last known address by standard and certified mail. The
   certified mail receipt indicates it was delivered and signed for.

2. Applicant did not respond to the Complaint. She filed no answer and did not request a hearing.

3. The Complaint alleges that on September 20, 2018, Applicant plead no contest to and was
   convicted of one count Furnishing alcoholic liquor or cereal malt beverage to a minor, a class B
   person misdemeanor, in violation of K.S.A 21-5607(a)(1).

1
4. On July 24, 2019, the Kansas State Department of Education signed a Complaint requesting denial of Applicant's then-pending application for a teaching license. That Complaint was delivered to Applicant's last-known address, which is the same address written on the currently pending application. Applicant did not respond to that Complaint, and the Professional Practices Commission recommended denial of her application by default. On December 10th, 2019, the Kansas State Board of Education voted unanimously to deny the application.

CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

3. Teaching and school administration are professions with all the similar rights, responsibilities and privileges accorded other legally recognized professions. K.S.A. 72-2308.

4. Applicant did not deny any allegations of the Complaint, nor did she provide any evidence of remorse, rehabilitation, or recognition of the wrongfulness of her actions.

5. The State Board may deny a license for misconduct or other just cause including crimes involving a minor. K.A.R. 91-22-1a(a)(2). In 2019, the State Board denied Applicant a teaching license for that reason. A person who has been denied a license for conduct described in K.A.R. 91-22-1a shall not be eligible for a license until at least five years have elapsed from the date of conviction. Applicant is not eligible to be licensed by the Kansas State Board of Education until after September 20, 2023.

6. If a party fails to participate in the adjudicative process, the party may be found to have conceded to the outcome requested by the filed complaint.
THEREFORE the Professional Practices Commission, by vote of 8-0, recommends the Kansas State Board of Education deny the application of a substitute license based on the misconduct or other just cause including crimes involving a minor and for failure to participate in the administrative proceedings.

This Initial Order is made and entered this December, 2022.

PROFESSIONAL PRACTICES COMMISSION

In the Matter of the Application of

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices Commissioner (Commission) of the Kansas State Board of Education (State Board) upon the Complaint filed by the Kansas State Department of Education seeking denial of [Applicant]'s [Applicant] application for an Initial Teaching license.

The hearing on this matter was held on November 18, 2022. Appearing for the Commission were chairperson, Jennifer Holt, and members, Aaron Edwards, Eric Filippi, Darrin San Romani, Ricardo Sanchez, Caroline Spaulding, Jamie Wetig and Christy Ziegler. The KSDE appeared by and through its attorney, R. Scott Gordon. Applicant did not appear.

FINDINGS OF FACT

1. On October 6, 2022, the Kansas State Department of Education filed a formal Complaint requesting the denial of Applicant’s application for an initial teaching license. The Complaint was mailed to Applicant’s last known address by standard and by certified mail.

2. Applicant did not respond to the Complaint. She filed no answer and did not request a hearing.

3. The Complaint alleges that on or about the 17th day of November, 2019, the Applicant unlawfully, feloniously, and knowingly possessed with intent to distribute 122 grams of marijuana and 89 1-gram packages of THX wax without a proper tax stamp, both of which were felony offenses.

4. After being charged with those felony crimes involving drugs, Applicant entered into a criminal diversion agreement.
CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

3. Teaching and school administration are professions with all the similar rights, responsibilities and privileges accorded other legally recognized professions. K.S.A. 72-2308.

4. Applicant did not deny any allegations of the Complaint, nor did she provide any evidence of remorse, rehabilitation, or recognition of the wrongfulness of her actions.

5. The State Board may deny a license for misconduct or other just cause such as entering into a diversion agreement after having been charged with any crime punishable as a felony as well as any crime involving drug-related conduct. K.A.R. 91-22-1a.

6. If a party fails to participate in the adjudicative process, the party may be found to have conceded to the outcome requested by the filed complaint.

THEREFORE the Professional Practices Commission, by vote of 8-0, recommends the Kansas State Board of Education deny the application of an initial teaching license based on her underlying misconduct of committing felony offenses involving drugs, for entering into a diversion agreement after having been charged with any crime punishable as a felony as well as any crime involving drug-related conduct, and for failure to participate in the administrative proceedings.

This Initial Order is made and entered this December date, 2022.

Item Title:
Act on Recommendations of the Professional Practices Commission (suspension)

Recommended Motion:
It is moved that the Kansas State Board of Education suspend the license of 22-PPC-25 for the remainder of the current contract term which ends May 12, 2023.

Explanation of Situation Requiring Action:
22 PPC 25 – A complaint was filed by USD 509 Sumner County, seeking suspension of the licensee's teaching license for breach of contract. The complaint, which was signed by 7 members of USD 509’s school board and mailed to the licensee’s last known address, alleges that the licensee failed or refused to fulfill the provisions of her employment contract with the school district. The applicant did not request a hearing nor did she submit an answer denying the allegations. By default, the Commission voted 5-3 to recommend suspension of the licensee’s teaching license through May 12, 2023 as provided for in K.S.A. 72-2216.

(note) The Initial Order of the Professional Practices Commission references May 12, 2022. This is a typographical error which does not reflect the motion voted upon by the Commission. The recommended Motion and the forthcoming final order of the Kansas State Board of Education reflect the correct date.
BEFORE THE KANSAS STATE BOARD OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

In the Matter of
the License of

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices
Commission (Commission) of the Kansas State Board of Education (State Board) upon the
Complaint filed by Unified School District #509, Sumner County, Kansas, seeking suspension of

Licensee's professional teaching license.

The hearing on this matter was held on November 18, 2022. Appearing for the Commission
were chairperson, Jennifer Holt, and members, Aaron Edwards, Eric Filippi, Darrin San Romani,
Ricardo Sanchez, Caroline Spaulding, Jamie Wetig and Christy Ziegler, Loren F. Snell, Jr.,
Administrative Law Judge (ALJ) with the Office of Administrative Hearings (OAH), presiding
officer on behalf of the Commission. Neither party appeared. The Complaint and subsequent
failure to submit a response was summarized by the Kansas State Department of Education’s
General Counsel R. Scott Gordon.

FINDINGS OF FACT

1. On September 12, 2022, the Board of Education of Unified School District #509, Sumner
   County, Kansas filed a Complaint with the Commission alleging the Licensee breached her
   employment contract. The Complaint was signed by seven members of the USD 509 school
   board. According to the Complaint's certificate of service, it was mailed via certified mail to the
   Licensee on September 12, 2022. The Complaint included instructions on how and when to
   request a hearing with the Commission.
2. Licensee did not respond to the Complaint. She filed no answer and did not request a hearing.

CONCLUSIONS OF LAW AND DISCUSSION

1. K.S.A. 77-520(a) provides, in pertinent part:

   If a party fails to attend or participate in a prehearing conference, hearing or other stage of an adjudicative proceeding, the presiding officer may serve upon all parties written notice of a proposed default order, including a statement of the grounds.

2. While the Commission could make its recommendations based solely on the fact that the respondent did not appear at the hearing, the Commission will address the merits of the complaint.

3. K.S.A. 72-2155 provides:

   Any license issued by the state board of education or institutions under the state board of regents may be canceled by the state board of education in the manner provided by law, on the grounds of immorality, gross neglect of duty, annulling of written contracts with boards of education without the consent of the board which is a party to the contract, or for any cause that would have justified the withholding thereof when the same was granted.

4. K.S.A. 72-2216 provides:

   All contracts shall be binding on both the teacher and board of education of the school district until the teacher has been legally discharged from such teacher's teaching position or until released by the board of education from such contract. Until such teacher has been discharged or released, such teacher shall not have authority to enter into a contract with the board of education of any school district for any period of time covered in the original contract. If upon written complaint, signed by 2/3 of the members of the board of education of the school district, any teacher who is reported to have entered into a contract with another school or board of education without having been released from such former contract, or for other reasons fails to fulfill the provisions of such contract, such teacher, upon being found guilty of such charge at a hearing held before the state board of education, shall have such teacher's license suspended for the remainder of the term for which such contract was made.

5. The respondent has failed or refused to fulfill the provisions of her employment contract with USD 509. Therefore, the respondent is in breach of her contractual commitment to USD 509.
THEREFORE the Professional Practices Commission, by vote of 5-3, recommends the Kansas State Board of Education suspend the Licensee's professional teaching license until May 12, 2022.

This Initial Order is made and entered this December, 2022.

**Item Title:**
Act on Interstate Teaching Mobility Compact

**Recommended Motion:**
It is moved that the Kansas State Board of Education take all necessary steps within its authority to join the Interstate Teaching Mobility Compact.

**Explanation of Situation Requiring Action:**
During the December, 2022 meeting of the Kansas State Board of Education, KSDE staff members R. Scott Gordon and Shane Carter introduced the Interstate Teaching Mobility Compact as a means to reducing barriers to getting qualified teachers into the classroom that move to Kansas from other states in which they were already licensed. If so directed, staff will bring a proposal for amending the State Board's licensure regulations to bring them into compliance with the Compact. Staff will also engage with other adopting states for Kansas to become a charter member of the Interstate Compact Commission.

The ITMC is attached for reference.
INTERSTATE TEACHER MOBILITY COMPACT

ARTICLE I- PURPOSE

The purpose of this Compact is to facilitate the mobility of Teachers across the Member States, with the goal of supporting Teachers through a new pathway to licensure. Through this Compact, the Member States seek to establish a collective regulatory framework that expedites and enhances the ability of Teachers to move across State lines.

This Compact is intended to achieve the following objectives and should be interpreted accordingly. The Member States hereby ratify the same intentions by subscribing hereto.

A. Create a streamlined pathway to licensure mobility for Teachers;
B. Support the relocation of Eligible Military Spouses;
C. Facilitate and enhance the exchange of licensure, investigative, and disciplinary information between the Member States;
D. Enhance the power of State and district level education officials to hire qualified, competent Teachers by removing barriers to the employment of out-of-state Teachers;
E. Support the retention of Teachers in the profession by removing barriers to relicensure in a new State; and
F. Maintain State sovereignty in the regulation of the teaching profession.

ARTICLE II- DEFINITIONS

As used in this Compact, and except as otherwise provided, the following definitions shall govern the terms herein:

A. “Active Military Member” – means any person with full-time duty status in the uniformed service of the United States, including members of the National Guard and Reserve.
B. “Adverse Action” – means any limitation or restriction imposed by a Member State's Licensing Authority, such as revocation, suspension, reprimand, probation, or limitation on the licensee's ability to work as a Teacher.
C. “Bylaws” – means those bylaws established by the Commission.
D. “Career and Technical Education License” – means a current, valid authorization issued by a Member State’s Licensing Authority allowing an individual to serve as a Teacher in P-12 public educational settings in a specific career and technical education area.
E. “Charter Member States” – means a Member State that has enacted legislation to adopt this Compact where such legislation predates the initial meeting of the Commission after the effective date of the Compact.

F. “Commission” – means the interstate administrative body which membership consists of delegates of all States that have enacted this Compact, and which is known as the Interstate Teacher Mobility Compact Commission.

G. “Commissioner” – means the delegate of a Member State.

H. “Eligible License” – means a license to engage in the teaching profession which requires at least a bachelor’s degree and the completion of a state approved program for Teacher licensure.

I. “Eligible Military Spouse” – means the spouse of any individual in full-time duty status in the active uniformed service of the United States including members of the National Guard and Reserve on active duty moving as a result of a military mission or military career progression requirements or are on their terminal move as a result of separation or retirement (to include surviving spouses of deceased military members).

J. “Executive Committee” – means a group of Commissioners elected or appointed to act on behalf of, and within the powers granted to them by, the Commission as provided for herein.

K. “Licensing Authority” – means an official, agency, board, or other entity of a State that is responsible for the licensing and regulation of Teachers authorized to teach in P-12 public educational settings.

L. “Member State” – means any State that has adopted this Compact, including all agencies and officials of such a State.

M. “Receiving State” – means any State where a Teacher has applied for licensure under this Compact.

N. “Rule” – means any regulation promulgated by the Commission under this Compact, which shall have the force of law in each Member State.

O. “State” – means a state, territory, or possession of the United States, and the District of Columbia.

P. “State Practice Laws” – means a Member State’s laws, Rules, and regulations that govern the teaching profession, define the scope of such profession, and create the methods and grounds for imposing discipline.
Q. “State Specific Requirements” – means a requirement for licensure covered in coursework or examination that includes content of unique interest to the State.

R. “Teacher” – means an individual who currently holds an authorization from a Member State that forms the basis for employment in the P-12 public schools of the State to provide instruction in a specific subject area, grade level, or student population.

S. “Unencumbered License” – means a current, valid authorization issued by a Member State’s Licensing Authority allowing an individual to serve as a Teacher in P-12 public educational settings. A Unencumbered License is not a restricted, probationary, provisional, substitute or temporary credential.

ARTICLE III- LICENSURE UNDER THE COMPACT

A. Licensure under this Compact pertains only to the initial grant of a license by the Receiving State. Nothing herein applies to any subsequent or ongoing compliance requirements that a Receiving State might require for Teachers.

B. Each Member State shall, in accordance with the Rules of the Commission, define, compile, and update as necessary, a list of Eligible Licenses and Career and Technical Education Licenses that the Member State is willing to consider for equivalency under this Compact and provide the list to the Commission. The list shall include those licenses that a Receiving State is willing to grant to Teachers from other Member States, pending a determination of equivalency by the Receiving State’s Licensing Authority.

C. Upon the receipt of an application for licensure by a Teacher holding an Unencumbered Eligible License, the Receiving State shall determine which of the Receiving State’s Eligible Licenses the Teacher is qualified to hold and shall grant such a license or licenses to the applicant. Such a determination shall be made in the sole discretion of the Receiving State’s Licensing Authority and may include a determination that the applicant is not eligible for any of the Receiving State’s Eligible Licenses. For all Teachers who hold an Unencumbered License, the Receiving State shall grant one or more Unencumbered License(s) that, in the Receiving State’s sole discretion, are equivalent to the license(s) held by the Teacher in any other Member State.

D. For Active Military Members and Eligible Military Spouses who hold a license that is not Unencumbered, the Receiving State shall grant an equivalent license or licenses that, in the Receiving State’s sole discretion, is equivalent to the license or licenses held by the Teacher in any other Member State, except where the Receiving State does not have an equivalent license.
E. For a Teacher holding an Unencumbered Career and Technical Education License, the Receiving State shall grant an Unencumbered License equivalent to the Career and Technical Education License held by the applying Teacher and issued by another Member State, as determined by the Receiving State in its sole discretion, except where a Career and Technical Education Teacher does not hold a bachelor’s degree and the Receiving State requires a bachelor’s degree for licenses to teach Career and Technical Education. A Receiving State may require Career and Technical Education Teachers to meet State industry recognized requirements, if required by law in the Receiving State.

ARTICLE IV- LICENSURE NOT UNDER THE COMPACT

A. Except as provided in Article III above, nothing in this Compact shall be construed to limit or inhibit the power of a Member State to regulate licensure or endorsements overseen by the Member State’s Licensing Authority.

B. When a Teacher is required to renew a license received pursuant to this Compact, the State granting such a license may require the Teacher to complete State Specific Requirements as a condition of licensure renewal or advancement in that State.

C. For the purposes of determining compensation, a Receiving State may require additional information from Teachers receiving a license under the provisions of this Compact.

D. Nothing in this Compact shall be construed to limit the power of a Member State to control and maintain ownership of its information pertaining to Teachers, or limit the application of a Member State’s laws or regulations governing the ownership, use, or dissemination of information pertaining to Teachers.

E. Nothing in this Compact shall be construed to invalidate or alter any existing agreement or other cooperative arrangement which a Member State may already be a party to, or limit the ability of a Member State to participate in any future agreement or other cooperative arrangement to:

1. Award teaching licenses or other benefits based on additional professional credentials, including, but not limited to National Board Certification;

2. Participate in the exchange of names of Teachers whose license has been subject to an Adverse Action by a Member State; or

3. Participate in any agreement or cooperative arrangement with a non-Member State.
ARTICLE V- TEACHER QUALIFICATIONS AND REQUIREMENTS FOR LICENSURE UNDER THE COMPACT

A. Except as provided for Active Military Members or Eligible Military Spouses in Article III.D above, a Teacher may only be eligible to receive a license under this Compact where that Teacher holds an Unencumbered License in a Member State.

B. A Teacher eligible to receive a license under this Compact shall, unless otherwise provided for herein:

1. Upon their application to receive a license under this Compact, undergo a criminal background check in the Receiving State in accordance with the laws and regulations of the Receiving State; and
2. Provide the Receiving State with information in addition to the information required for licensure for the purposes of determining compensation, if applicable.

ARTICLE VI- DISCIPLINE / ADVERSE ACTIONS

A. Nothing in this Compact shall be deemed or construed to limit the authority of a Member State to investigate or impose disciplinary measures on Teachers according to the State Practice Laws thereof.

B. Member States shall be authorized to receive, and shall provide, files and information regarding the investigation and discipline, if any, of Teachers in other Member States upon request. Any Member State receiving such information or files shall protect and maintain the security and confidentiality thereof, in at least the same manner that it maintains its own investigatory or disciplinary files and information. Prior to disclosing any disciplinary or investigatory information received from another Member State, the disclosing state shall communicate its intention and purpose for such disclosure to the Member State which originally provided that information.

ARTICLE VII- ESTABLISHMENT OF THE INTERSTATE TEACHER MOBILITY COMPACT COMMISSION

A. The interstate compact Member States hereby create and establish a joint public agency known as the Interstate Teacher Mobility Compact Commission:

1. The Commission is a joint interstate governmental agency comprised of States that have enacted the Interstate Teacher Mobility Compact.
2. Nothing in this interstate compact shall be construed to be a waiver of sovereign immunity.

B. Membership, Voting, and Meetings

1. Each Member State shall have and be limited to one (1) delegate to the Commission, who shall be given the title of Commissioner.
2. The Commissioner shall be the primary administrative officer of the State Licensing Authority or their designee.
3. Any Commissioner may be removed or suspended from office as provided by the law of the state from which the Commissioner is appointed.
4. The Member State shall fill any vacancy occurring in the Commission within 90 days.
5. Each Commissioner shall be entitled to one (1) vote about the promulgation of Rules and creation of Bylaws and shall otherwise have an opportunity to participate in the business and affairs of the Commission. A Commissioner shall vote in person or by such other means as provided in the Bylaws. The Bylaws may provide for Commissioners’ participation in meetings by telephone or other means of communication.
6. The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the Bylaws.
7. The Commission shall establish by Rule a term of office for Commissioners.

C. The Commission shall have the following powers and duties:

1. Establish a Code of Ethics for the Commission.
2. Establish the fiscal year of the Commission.
3. Establish Bylaws for the Commission.
4. Maintain its financial records in accordance with the Bylaws of the Commission.
5. Meet and take such actions as are consistent with the provisions of this interstate compact, the Bylaws, and Rules of the Commission.
6. Promulgate uniform Rules to implement and administer this interstate compact. The Rules shall have the force and effect of law and shall be binding in all Member States. In the event the Commission exercises its Rulemaking authority in a manner that is beyond the scope of the purposes of the compact, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force and effect of law.
7. Bring and prosecute legal proceedings or actions in the name of the Commission, provided that the standing of any Member State Licensing Authority to sue or be sued under applicable law shall not be affected.
8. Purchase and maintain insurance and bonds.
9. Borrow, accept, or contract for services of personnel, including, but not limited to, employees of a Member State, or an associated non-governmental organization that is open to membership by all states.

10. Hire employees, elect, or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the compact, and establish the Commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters.

11. Lease, purchase, accept appropriate gifts or donations of, or otherwise own, hold, improve, or use, any property, real, personal or mixed, provided that at all times the Commission shall avoid any appearance of impropriety.

12. Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property real, personal, or mixed.

13. Establish a budget and make expenditures.

15. Appoint committees, including standing committees composed of members and such other interested persons as may be designated in this interstate compact, Rules, or Bylaws.

16. Provide and receive information from, and cooperate with, law enforcement agencies.

17. Establish and elect an Executive Committee.

18. Establish and develop a charter for an Executive Information Governance Committee to advise on facilitating exchange of information; use of information, data privacy, and technical support needs, and provide reports as needed.

19. Perform such other functions as may be necessary or appropriate to achieve the purposes of this interstate compact consistent with the State regulation of Teacher licensure.

20. Determine whether a State’s adopted language is materially different from the model compact language such that the State would not qualify for participation in the Compact.

D. The Executive Committee of the Interstate Teacher Mobility Compact Commission

1. The Executive Committee shall have the power to act on behalf of the Commission according to the terms of this interstate compact.

2. The Executive Committee shall be composed of eight voting members:
   a. The Commission chair, vice chair, and treasurer; and
   b. Five members who are elected by the Commission from the current membership:
i. Four voting members representing geographic regions in accordance with Commission Rules; and
ii. One at large voting member in accordance with Commission Rules.

3. The Commission may add or remove members of the Executive Committee as provided in Commission Rules.

4. The Executive Committee shall meet at least once annually.

5. The Executive Committee shall have the following duties and responsibilities:
   a. Recommend to the entire Commission changes to the Rules or Bylaws, changes to the compact legislation, fees paid by interstate compact Member States such as annual dues, and any compact fee charged by the Member States on behalf of the Commission.
   b. Ensure Commission administration services are appropriately provided, contractual or otherwise.
   c. Prepare and recommend the budget.
   d. Maintain financial records on behalf of the Commission.
   e. Monitor compliance of Member States and provide reports to the Commission.
   f. Perform other duties as provided in Rules or Bylaws.

6. Meetings of the Commission
   a. All meetings shall be open to the public, and public notice of meetings shall be given in accordance with Commission Bylaws.
   b. The Commission or the Executive Committee or other committees of the Commission may convene in a closed, non-public meeting if the Commission or Executive Committee or other committees of the Commission must discuss:
      i. Non-compliance of a Member State with its obligations under the compact.
      ii. The employment, compensation, discipline or other matters, practices or procedures related to specific employees or other matters related to the Commission’s internal personnel practices and procedures.
      iii. Current, threatened, or reasonably anticipated litigation.
      iv. Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate.
      v. Accusing any person of a crime or formally censuring any person.
      vi. Disclosure of trade secrets or commercial or financial information that is privileged or confidential.
vii. Disclosure of information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy.

viii. Disclosure of investigative records compiled for law enforcement purposes.

ix. Disclosure of information related to any investigative reports prepared by or on behalf of or for use of the Commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the compact.

x. Matters specifically exempted from disclosure by federal or Member State statute.

xi. Others matters as set forth by Commission Bylaws and Rules.

c. If a meeting, or portion of a meeting, is closed pursuant to this provision, the Commission’s legal counsel or designee shall certify that the meeting may be closed and shall reference each relevant exempting provision.

d. The Commission shall keep minutes of Commission meetings and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release by a majority vote of the Commission or order of a court of competent jurisdiction.

7. Financing of the Commission

a. The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.

b. The Commission may accept all appropriate donations and grants of money, equipment, supplies, materials, and services, and receive, utilize, and dispose of the same, provided that at all times the Commission shall avoid any appearance of impropriety or conflict of interest.

c. The Commission may levy on and collect an annual assessment from each Member State or impose fees on other parties to cover the cost of the operations and activities of the Commission, in accordance with the Commission Rules.

d. The Commission shall not incur obligations of any kind prior to
securing the funds adequate to meet the same; nor shall the
Commission pledge the credit of any of the Member States, except
by and with the authority of the Member State.

e. The Commission shall keep accurate accounts of all receipts and
disbursements. The receipts and disbursements of the Commission
shall be subject to accounting procedures established under
Commission Bylaws. All receipts and disbursements of funds of the
Commission shall be reviewed annually in accordance with
Commission Bylaws, and a report of the review shall be included in
and become part of the annual report of the Commission.

8. Qualified Immunity, Defense, and Indemnification

a. The members, officers, executive director, employees and
representatives of the Commission shall be immune from suit and
liability, either personally or in their official capacity, for any claim
for damage to or loss of property or personal injury or other civil
liability caused by or arising out of any actual or alleged act, error or
omission that occurred, or that the person against whom the claim
is made had a reasonable basis for believing occurred within the
scope of Commission employment, duties or responsibilities;
provided that nothing in this paragraph shall be construed to protect
any such person from suit or liability for any damage, loss, injury, or
liability caused by the intentional or willful or wanton misconduct of
that person.

b. The Commission shall defend any member, officer, executive
director, employee, or representative of the Commission in any civil
action seeking to impose liability arising out of any actual or alleged
act, error, or omission that occurred within the scope of
Commission employment, duties, or responsibilities, or that the
person against whom the claim is made had a reasonable basis for
believing occurred within the scope of Commission employment,
duties, or responsibilities; provided that nothing herein shall be
construed to prohibit that person from retaining his or her own
counsel; and provided further, that the actual or alleged act, error,
or omission did not result from that person’s intentional or willful or
wanton misconduct.

c. The Commission shall indemnify and hold harmless any member,
officer, executive director, employee, or representative of the
Commission for the amount of any settlement or judgment obtained
against that person arising out of any actual or alleged act, error or
omission that occurred within the scope of Commission
employment, duties, or responsibilities, or that such person had a
reasonable basis for believing occurred within the scope of
Commission employment, duties, or responsibilities, provided that
the actual or alleged act, error, or omission did not result from the
intentional or willful or wanton misconduct of that person.

ARTICLE VIII- RULEMAKING

A. The Commission shall exercise its Rulemaking powers pursuant to the criteria
set forth in this interstate compact and the Rules adopted thereunder. Rules and
amendments shall become binding as of the date specified in each Rule or
amendment.

B. The Commission shall promulgate reasonable Rules to achieve the intent and
purpose of this interstate compact. In the event the Commission exercises its
Rulemaking authority in a manner that is beyond purpose and intent of this
interstate compact, or the powers granted hereunder, then such an action by the
Commission shall be invalid and have no force and effect of law in the Member
States.

C. If a majority of the legislatures of the Member States rejects a Rule, by
enactment of a statute or resolution in the same manner used to adopt the
compact within four (4) years of the date of adoption of the Rule, then such Rule
shall have no further force and effect in any Member State.

D. Rules or amendments to the Rules shall be adopted or ratified at a regular or
special meeting of the Commission in accordance with Commission Rules and
Bylaws.

E. Upon determination that an emergency exists, the Commission may consider
and adopt an emergency Rule with 48 hours’ notice, with opportunity to
comment, provided that the usual Rulemaking procedures shall be retroactively
applied to the Rule as soon as reasonably possible, in no event later than ninety
(90) days after the effective date of the Rule. For the purposes of this provision,
an emergency Rule is one that must be adopted immediately in order to:

   a. Meet an imminent threat to public health, safety, or welfare.
      1. Prevent a loss of Commission or Member State funds.
      2. Meet a deadline for the promulgation of an administrative Rule that is
         established by federal law or Rule; or
      3. Protect public health and safety.

ARTICLE IX- FACILITATING INFORMATION EXCHANGE

A. The Commission shall provide for facilitating the exchange of information to
administer and implement the provisions of this compact in accordance with the
Rules of the Commission, consistent with generally accepted data protection
principles.

B. Nothing in this compact shall be deemed or construed to alter, limit, or inhibit the
power of a Member State to control and maintain ownership of its licensee
information or alter, limit, or inhibit the laws or regulations governing licensee
information in the Member State.

ARTICLE X- OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State
shall enforce this Compact and take all actions necessary and appropriate to
effectuate the Compact's purposes and intent. The provisions of this Compact
shall have standing as statutory law.

2. Venue is proper and judicial proceedings by or against the Commission shall be
brought solely and exclusively in a court of competent jurisdiction where the
principal office of the Commission is located. The Commission may waive venue
and jurisdictional defenses to the extent it adopts or consents to participate in
alternative dispute resolution proceedings. Nothing herein shall affect or limit the
selection or propriety of venue in any action against a licensee for professional
malpractice, misconduct or any such similar matter.

3. All courts and all administrative agencies shall take judicial notice of the
Compact, the Rules of the Commission, and any information provided to a
Member State pursuant thereto in any judicial or quasi-judicial proceeding in a
Member State pertaining to the subject matter of this Compact, or which may
affect the powers, responsibilities, or actions of the Commission.

4. The Commission shall be entitled to receive service of process in any proceeding
regarding the enforcement or interpretation of the Compact and shall have
standing to intervene in such a proceeding for all purposes. Failure to provide the
Commission service of process shall render a judgment or order void as to the
Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the
performance of its obligations or responsibilities under this Compact or the
promulgated Rules, the Commission shall:
   a. Provide written notice to the defaulting State and other Member States of the
      nature of the default, the proposed means of curing the default or any other
      action to be taken by the Commission; and
b. Provide remedial training and specific technical assistance regarding the default.

C. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the Commissioners of the Member States, and all rights, privileges and benefits conferred on that State by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

D. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State’s legislature, the State Licensing Authority and each of the Member States.

E. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

F. The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.

G. The defaulting State may appeal the action of the Commission by petitioning the U.S. District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney’s fees.

H. Dispute Resolution

1. Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

2. The Commission shall promulgate a Rule providing for both binding and non-binding alternative dispute resolution for disputes as appropriate.

I. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions and Rules of this Compact.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a Member State in default to enforce compliance with the provisions of the Compact and its promulgated Rules and Bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney’s fees. The remedies herein
shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or State law.

ARTICLE XI- EFFECTUATION, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth Member State.

1. On or after the effective date of the Compact, the Commission shall convene and review the enactment of each of the Charter Member States to determine if the statute enacted by each such Charter Member State is materially different from the model Compact statute.

2. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Article X.

3. Member States enacting the Compact subsequent to the Charter Member States shall be subject to the process set forth in Article VII.C.20 to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

B. If any Member State is later found to be in default, or is terminated or withdraws from the Compact, the Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than ten.

C. Any State that joins the Compact after the Commission’s initial adoption of the Rules and Bylaws shall be subject to the Rules and Bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State, as the Rules and Bylaws may be amended as provided in this Compact.

D. Any Member State may withdraw from this Compact by enacting a statute repealing the same.

1. A Member State’s withdrawal shall not take effect until six (6) months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State’s Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this act prior to the effective date of withdrawal.

E. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.
ARTICLE XII- CONSTRUCTION AND SEVERABILITY

This Compact shall be liberally construed to effectuate the purposes thereof. The provisions of this Compact shall be severable and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any Member State or a State seeking membership in the compact, or of the United States or the applicability thereof to any other government, agency, person or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

ARTICLE XIII- CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of any other law of a Member State that is not inconsistent with the Compact.

B. Any laws, statutes, regulations, or other legal requirements in a Member State in conflict with the Compact are superseded to the extent of the conflict.

C. All permissible agreements between the Commission and the Member States are binding in accordance with their terms.
The Special Education Advisory Council (SEAC) will present its annual report to the Kansas State Board of Education for activities occurring during the 2021-2022 year. Council leadership will share highlights of accomplishments as well as topics discussed.

The purpose of SEAC is to:
1) Advise the State Education Agency (SEA) of any unmet needs within the state in the education of children and youth with exceptionalities;
2) Comment publicly on any rules and regulations proposed by the state regarding the education of children and youth with exceptionalities;
3) Advise the SEA in developing evaluations and reporting on data to the Secretary under Section 618 of the Act (Individuals with Disabilities Education Act aka IDEA);
4) Advise the SEA in developing corrective action plans to address findings identified in federal monitoring reports under Part B of the IDEA;
5) Advise the SEA in developing and implementing policies relating to the coordination of services for children and youth with exceptionalities; and
6) Advise the SEA on the education of eligible students with disabilities who have been convicted as adults and incarcerated in adult prisons.
MISSION
To prepare Kansas students for lifelong success through rigorous, quality academic instruction, career training and character development according to each student's gifts and talents.

Secretary’s Report

The Special Education Advisory Council (SEAC) works to ensure that the state of Kansas is engaging stakeholders on topics related to serving students with exceptionalities. Kansas uses the term students with exceptionalities to include students with disabilities as well as students with Giftedness (Kansas requirement). It is the primary responsibility of SEAC to advise, consult and provide recommendations to the Kansas State Department of Education (KSDE), Special Education and Title Services team (SETS), and the Kansas State Board of Education (KSBE) regarding matters concerning serving students with exceptionalities in Kansas.

The primary motivation for individuals to be selected to serve on SEAC is a focus on quality improvement in the Kansas education system, particularly as it relates to serving students with exceptionalities. SEAC has been productively engaged in fulfilling its legal commitments and mission on behalf of students with disabilities including students with Giftedness. The SEAC members meet a minimum of four times each year, discuss and review issues of significance related to meeting the needs of students with disabilities and Giftedness, and advise the SETS team as well as the KSBE on matters regarding programs and services for students with exceptionalities.

SEAC meetings were held virtually during the 21-22 school year to limit the possible spread of COVID and to ensure the health and safety of SEAC members. SEAC continued to advocate for EACH student to receive appropriate special education services in lieu of each child’s circumstances. Topics reviewed by SEAC this year included: staff shortages in schools, setting targets for the 2020-2025 SPP/APR, teacher licensure initiatives, the Graduation Task Force recommendations that could impact students with disabilities, and an introduction of the Differentiated Monitoring System that the Office of Special Education Programs (OSEP) will use when monitoring Kansas as part of Cohort 2.

As the Secretary for SEAC, I am proud of the accomplishments made during the 2021-2022 school year. We continued to address key issues brought by the KSDE, KSBE, and SETS to keep the focus on the needs and post-secondary goals for EACH student. A list of accomplishments can be found in the Council Accomplishments section of this Annual Report. SEAC is now providing quarterly updates to the KSBE at regularly scheduled State Board meetings. This keeps the KSBE apprised of the issues SEAC has reviewed, as well as the ability to directly respond to questions.

Sincerely,

Bert Moore

Bert Moore, Secretary for the Kansas Special Education Advisory Council
State Director of Special Education and Title Services (SETS)
Kansas Special Education Advisory Council

The major responsibilities of the SEAC are to advise, consult and provide recommendations to the Kansas State Board of Education regarding matters concerning serving students with exceptionalities. The SEAC is composed of individuals in, or concerned with, the education of children with exceptionalities. The council performs such duties as specified by IDEA and as outlined in the Kansas SEAC Bylaws.

The primary role of the council is to advise and assist the KSDE to achieve excellence, equity, and lifelong learning opportunities for EACH student in Kansas. As such, it is committed to representing individuals with diverse and changing educational needs. This responsibility leads the SEAC to support the vision and mission of KSBE, the Division of Learning Services (DLS), and the Special Education, and Title Services team (SETS).

SEAC advises the Kansas State Board of Education in six key areas as required by the regulations of the Individuals with Disabilities Education Act (IDEA), and Kansas statutes. These areas include:

- Advise the State Education Agency (SEA) of unmet needs within the state in the education of children and youth with exceptionalities;
- Comment publicly on any rules and regulations proposed by the state regarding the education of children and youth with exceptionalities;
- Advise the SEA in developing evaluations and reporting on data to the Secretary under Section 618 of the Act;
- Advise the SEA in developing corrective action plans to address findings identified in federal monitoring reports under Part B of the Act;
- Advise the SEA in developing and implementing policies relating to the coordination of services for children and youth with exceptionalities; and
- Advise on the education of eligible students with disabilities who have been convicted as adults and incarcerated in adult prisons.

The Kansas Special Education Advisory Council (SEAC) held five meetings during the 2021-2022 school year. The January meeting was a two-day meeting and included members of the Kansas State Board of Education (KSBE).
Kansas State Board of Education

Vision

Kansas leads the world in the success of each student. Kansans Can!

Mission

To prepare Kansas students for lifelong success through rigorous, quality academic instruction, career training and character development according to each student's gifts and talents.

SEAC Goal

The Kansas Special Education Advisory Council will advocate for an educational system that achieves excellence, equity, and lifelong learning for EACH student with an exceptionality in Kansas.

SEAC Beliefs

The Kansas Special Education Advisory Council is committed to lifelong learning. The SEAC believes that:

- Partnerships increase collaboration for better services.
- Visionary leadership is essential for appropriate services to meet the needs of EACH student.
- Innovation is essential to the process of lifelong learning.
- All child service systems must be provided in an integrated and collaborative manner.
- Education is an evolving process that requires innovation, continuous growth, and evaluation.
- The needs of EACH student must be met.
Council Membership

The 2021-2022 SEAC membership included the twenty-one required members and four regularly attending non-voting ex-officio members, all of whom are concerned with the education of children and youth with exceptionalities. The majority of SEAC members includes individuals with disabilities and/or parents of children with exceptionalities between birth and age 26. The 2021-2022 membership included:

Secretary to SEAC: Bert Moore, Director of Special Education and Title Services, KSDE

* These representatives fulfill the majority requirement; persons who are individuals with a disability and/or parent of a child with a disability and who may represent another required area.

** Non-voting ex-officio member.
Council Leadership

The chair for the 2021-2022 year was Jennifer King. She was unanimously elected to fulfill the obligations of the chair-elect at the April 2020 council meeting. Trisha Backman was nominated and elected the chair-elect at the July 15, 2021, SEAC meeting.

Operational Standards

The SEAC's 2021-2022 meeting schedule was as follows:

<table>
<thead>
<tr>
<th>Meeting Date</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td>July 15, 2021</td>
<td>Virtual Meeting</td>
</tr>
<tr>
<td>September 16, 2021</td>

</tr>
<tr>
<td>January 12 and 13, 2022</td>
<td>Virtual Meetings</td>
</tr>
<tr>
<td>April 14, 2022</td>
<td>Virtual Meeting</td>
</tr>
</tbody>
</table>

The SEAC held five meetings, one of which was a two-day meeting. Official minutes of the meetings were kept, reviewed, approved, and posted on the KSDE Special Education and Title Services team website at [http://www.ksde.org/Default.aspx?tabid=561](http://www.ksde.org/Default.aspx?tabid=561). A public comment period was offered at each regular SEAC meeting.
Council Accomplishments

SEAC’s 2021-2022 accomplishments, under the leadership of SEAC chair, Jennifer King, are wide ranging and invaluable to KSDE in ensuring the education of EACH student. SEAC is especially proud to have been involved in the following work:

- Participated in target setting for all results indicators for the 2020-2025 State Performance Plan/Annual Performance Report (SPP/APR);
- Reviewed stakeholder feedback on each of the SPP/APR results indicators;
- Approved the targets for the 2020-2025 SPP/APR submitted to the Office of Special Education Programs (OSEP);
- Collaborated with the KSDE Teacher Licensure team to look for remedies in the shortage of special education teachers, substitute teachers, related service providers and administrators;
- Provided feedback to the KSDE Teacher Licensure team on the new substitute teacher license;
- Facilitated a joint meeting between SEAC and the State Interagency Coordinating Council (SICC); reviewed Indicator 6 Early Childhood Least Restrictive Environment (ECLRE) data trends; given access to the SICC Annual Report https://www.kansasicc.org/; discussed the Early Childhood/Special Education personnel vacancies;
- Discussed legislative bills under consideration related to special education funding; teacher shortages; costs to provide services going up; the Every Child Can Read Act; options for students to earn credits through “alternative educational opportunities; nonresident student options for open enrollment; virtual programs; school district needs assessments; and rules for administering “nonacademic tests, questionnaires, surveys or examinations”;
- Created a sub-committee chaired by the SEAC vice-chairperson to work on the Graduation Task Force which reviewed current graduation requirements and possible changes for consideration; the SEAC sub-committee focused on ensuring that any recommendations for changes considered the needs of EACH student.
- Provided feedback to the Kansas State Board of Education on legislative considerations; the first item shared was serving students that had turned age 22 that missed out on their transition services during school closures; and the second was encouraging our legislators to create programs that would recruit our youngest and brightest students to pursue an education career;
- Reviewed the work of the Mental Health Advisory Council;
Reviewed Emergency Safety Intervention (ESI) data and provided feedback on technical assistance to districts and possible ESI legislation;

Received information on the federal stimulus funds (ESSER I, II, and III);

Reviewed the TASN Administrator Survey regarding administrator perceptions of the TASN projects; and

Celebrated Kansas receiving a “Meets Requirements” for the 2019 SPP/APR.
Special Education Advisory Council Summary of Activities by Priority Area 2021-2022

The Kansas Special Education Advisory Council will advise the KSDE SETS team so Kansas has an educational system that achieves excellence, equity, and lifelong learning for students with exceptionalities by:

Total employees 263 as of pay period ending 12/10/2022. Count does not include Board members. It also excludes classified temporaries and agency reallocations, promotions, demotions and transfers. Includes employees terminating to go to a different state agency (which are **not** included in annual turnover rate calculations).
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Marisa Seele
Director: Wendy Fritz
Commissioner: Randy Watson
Meeting Date: 01/10/2023

Item Title:
Act on personnel appointments to unclassified positions.

Recommended Motion:
It is moved that the Kansas State Board of Education confirm the personnel appointments of individual(s) to unclassified positions at the Kansas State Department of Education as presented.

Explanation of Situation Requiring Action:
The following personnel appointments are presented this month:

Gabrielle Hull to the position Public Service Executive on the Special Education and Title Services team, effective Dec. 11, 2022, at an annual salary of $54,995.20. This position is funded by the ESSER Admin, EAWS Admin and IDEA Fund.

Haley Matherly to the position of Public Service Executive on the Career, Standards and Assessment Services team, effective Dec. 19, 2022, at an annual salary of $58,924.32. This position is funded by the Volunteer Generation Grant and the State General Fund.
 REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Shane Carter
Director: Leah Zeller
Commissioner: Randy Watson
Meeting Date: 1/10/2023

Item Title:
Act on recommendations for licensure waivers.

Recommended Motion:
It is moved that the Kansas State Board of Education accept the attached recommendations for licensure waivers.

Explanation of Situation Requiring Action:
SBR 91-31-42 allows any school district to request a waiver from one or more of their accreditation requirements imposed by the State Board. Requests by schools to waive school accreditation regulation SBR 91-31-34 (appropriate certification/licensure of staff) are reviewed by the staff of Teacher Licensure and Accreditation. The district(s) must submit an application verifying that the individual teacher for whom they are requesting the waiver is currently working toward achieving the appropriate endorsement on his/her license. A review of the waiver application is completed before the waiver is recommended for approval.

The attached requests have been reviewed by the Teacher Licensure and Accreditation staff and are being forwarded to the State Board of Education for action. If approved, school districts will be able to use the individuals in an area outside the endorsement on their license, and in the area for which they have submitted an approved plan of study. The waiver is valid for one school year.

**KANSAS STATE DEPARTMENT OF EDUCATION**
Item Title:
Act on new appointments to the Licensure Review Committee.

Recommended Motion:
It is moved that the Kansas State Board of Education act on the following recommended new appointments to the Licensure Review Committee, effective upon appointment through June 30, 2025:

Jessica Bird to her first partial term representing Higher Education.

Allen Gallaway to his first partial term representing Classroom Teacher, Elementary.

Explanation of Situation Requiring Action:
It is requested that the Kansas State Board of Education appoint members of the Professional Standards Board (PSB) as stipulated under the regulation, K.A.R 91-1-211, which states: The licensure review committee shall be composed of one chief school administrator, one chairperson of a department of education of a teacher education institution, one building administrator, and four classroom teachers. Each member shall be recommended by the teaching and school administration professional standards advisory board, and shall be appointed by the state board.

Recommended nominees to fill category vacancies are:

Jessica Bird, Interim Dean, School of Education and Social Work, Newman University (SBOE District 8)

Allen Gallaway, Elementary Teacher, Linwood Elementary School (SBOE District 8)

Nomination forms and candidate resumes are attached as well as the LRC roster.
I am an effective and innovative administrator for schools and am successful in leading others to achieve educational missions and goals. Not only am I a tireless, hands-on advocate for my students—from preschool to college, I am an advocate for those under my supervision. My experience, skills, empathy, and temperament have allowed me to create comfortable and effective learning environments for my staff and students. My career as an educator and school administrator has largely focused on students with diverse learning styles and backgrounds.

**PROFESSIONAL EXPERIENCE**

**2014-Present: Newman University**

**Interim Dean – School of Education and Social Work (2020-present)**
Serving as the interim dean, I am responsible for the oversight and operation of the School of Education and Social Work. I am responsible for undergraduate education, graduate education and oversee the outreach locations in Kansas as well as Colorado.

**Assistant Dean of Outreach (2014-present)**

**Director, Western Kansas Center**
Oversee the Western Kansas Center and all outreach sites in Kansas. Hire adjunct instructors, maintain course schedules, and recruit. Maintain and oversee the budget. I strive to build relationships with all stakeholders in Kansas and work with the Diocese of Dodge City.

**Associate Professor, School of Education**
Teach a variety of education courses. Supervise and advise student interns.
2011 – 2014: Community Daycare Center, Inc., Garden City, KS  
Executive Director
I administered a nonprofit organization that serves nearly 100 children (ages 2 weeks to 5 years) and their families with quality educational opportunities and daycare. My duties included supervising employees, grant writing, scheduling, budgeting, program planning, and community relations. I had numerous successes in my position and expanded the daycare to include a second facility. I have written and secured grants that total over $150,000. I brought dedicated and innovative direction to the Center’s program, whose goal was to assist families in developing well rounded children and to foster a lifelong love of learning. Essential educational skills were introduced using developmentally appropriate childcare curriculum, and social-emotional skills are developed using the 2nd Step Curriculum. I strengthened the professionalism and skills of the Center educators and staff. And I established an effective liaison with the governing board of directors and the administrators and staff to achieve and expand the goals and programs, in partnership with community and government entities.

2013 – 2014: Garden City Community College, Garden City, KS  
Adjunct Instructor
My duties included planning lessons, delivering instruction, and assessing/grading for two courses—Foundations of Education and College Reading.

1999–2011: Kenneth Henderson Middle School, USD 457, Garden City, KS, Grades 7-8  
Administrator, 2003-2011
Active in-service participation and community involvement. At Kenneth Henderson Middle School, a building that serves 600 seventh and eighth grade students, I performed a variety of work, much of it serving disadvantaged and at-risk students. Highlights of my KHMS tenure include:
- Continual advancement in school administration, from teacher to principal, employing my advanced education and training.
- Strong emphasis and rewarding results of the school’s reading program—earning twelve Standards of Excellence in Reading. As a building we had 88.5% of our student body of 600 scoring proficient or above on the Kansas Reading Assessment. Our subgroups showed consistent and steady growth including our ELL population.
- Writing and effectively implementing School Improvement Plans.
- Fully trained in Multi-Tiered Systems of Support; organized and led a building team for two years.
- Also served as the Principal of the Therapeutic Education Program, an alternative school designed to meet the mental health needs as well as the academic needs of students in Garden City. The TEP operates in conjunction with Area Mental Health.
- Director of an After-School program, for five years, which served at-risk students.
- As Athletic Director and Coach, reinforced the goals of our classroom activities, and encouraged involvement of students who were previously reluctant to participate.

**Reading Teacher, ESL Teacher, Coach, 1999-2003**

Reading strongly defines my life, first as a child who overcame dyslexia to become a strong, avid reader. I focused on reading instruction my entire career, beginning as an after-school aide for an at-risk elementary school while I was still in high school. My undergraduate and advanced education was specialized in reading, and I have applied that education to students from preschoolers to college students. Some of my specific achievements in this area include:

- Strong emphasis and rewarding results of a middle-school reading program—earning twelve Standards of Excellence in Reading over four years. As a building we had 88.5% of our student body of 600 scoring proficient or above on the Kansas Reading Assessment. Our subgroups showed consistent and steady growth including our ELL population.

- I was chosen to launch the pilot year of an alternative reading program that assists challenged readers. A combined group of 50 7th and 8th graders were selected to be on this team because of their low reading scores. Block-scheduled instruction utilizes various reading strategies and the Visual Works computer program. The program achieved demonstrated success in the students’ reading speed and comprehension, other subjects, and behavior.

- I designed and implemented reading-readiness programs for disadvantaged youth at preschool and elementary levels, including developmental reading assessments and ESL instruction.

Item Title:
Act on Resolution for 2023 Board Meeting Dates

Recommended Motion:
It is moved that the Kansas State Board of Education adopt the Resolution establishing the 2023 calendar of Board meeting dates, time and location.

Explanation of Situation Requiring Action:
The Kansas State Board of Education is required by Statute 72-249 to meet at least once a month. During the month of January of each year, the Board shall adopt a Resolution specifying a regular meeting time of the Board, including hour of commencement, day of the week and month. The 2023 schedule of meeting dates, which the Board agreed to in August 2021, is provided.

All official actions of the State Board shall be taken at official meetings open to the public.
RESOLUTION

Be It Resolved that:

The Kansas State Board of Education will conduct its regular meeting beginning at 10 a.m. on the second Tuesday and 9 a.m. on the second Wednesday of each month. The location is the Landon State Office Building (LSOB), 900 SW Jackson, Ste 102, Topeka, Kansas, unless otherwise noted. Therefore, unless modified as necessary by the Kansas State Board of Education, its regular meetings shall comply with the following schedule:

Item Title:  Career and Technical Student Organizations (CTSO) Report and Presentations

From:  Beth Fultz

CTSO Citizenship Day offers the Kansas State Board of Education a chance to meet the elected state leaders of the various Career and Technical Student Organizations. At the same time, these student officers are provided a unique opportunity to gain a better awareness of the individual roles, such as members of the State Board, have in Kansas public education. CTSO state leaders represent each organization and will make brief remarks during the presentation about their organizations and share how their organization plays a role in helping fellow students work towards postsecondary success through the Individual Plan of Study (IPS) process.
Item Title: Kansas Mathematics Proficiency Project Report – Kansas MTSS & Alignment

From:

Todd Wiedemann, Co-Director of Kansas MTSS & Alignment will provide an overview and progress report on the Kansas Mathematics Proficiency Project.

The Kansas Mathematics Proficiency Project is made possible through ESSER funds approved by the State Board of Education for learning loss. Kansas MTSS is funded through Part B funds administered by the Kansas State Department of Education's Special Education and Title Services.
Subject: Announcement of Board Member Committee Assignments

The State Board of Education’s newly elected Chair will announce the selection of Board members to serve on the various committees with State Board representation.
**REQUEST AND RECOMMENDATION FOR BOARD ACTION**

**Staff Initiating:** Scott Gordon  
**Director:** Scott Gordon  
**Commissioner:** Randy Watson  
**Meeting Date:** 1/11/2023

**Item Title:**
Act on Licensure Regulations

**Recommended Motion:**
It is moved that the Kansas State Board of Education adopt proposed amendments to its teacher licensure regulations, K.A.R. 91-1-200, 201, 202, 203, 204, and 209. (Roll call vote required)

**Explanation of Situation Requiring Action:**
A public hearing was held on Tuesday, December 13, 2022 and again on Tuesday, January 10, 2023. Scott Gordon and Shane Carter will provide the staff response to public hearing testimony.

If modifications are required as a result of comments received at the public hearing, staff will make the appropriate modifications. The modifications will be resubmitted to the Department of Administration and the Attorney General for approval before the final regulations can be adopted by the State Board of Education.
Item Title:
Act on Sunflower Summer 2023 Proposal

Recommended Motion:
It is moved that the Kansas State Board of Education approve the plans presented at the December 2022 Board meeting for expenditure of the remaining money allocated for the Sunflower Summer program in 2023.

Explanation of Situation Requiring Action:
Janine Hron, associate director for KU's Center for Public Partnerships & Research, and Michael Koonce, director, administrative services at Greenbush, told Board members at the December 2022 Board meeting that the 2023 summer will be the last for the Sunflower Summer Program. The 2023 Sunflower Summer Program will include more venues, special events and day camps. The program will begin on Memorial Day 2023 and go through Aug. 6. There is about $3.5 million remaining for the program. The total cost for the program for the first year was about $1 million. The second-year cost about $2.8 million. The program is being funded by federal COVID-19 money to offer summer enrichment activities for Kansas students.

Kansas leads the world in the success of each student.
Item Title: 2023 Kansas Superintendent of the Year

From: Denise Kahler

The Kansas State Board of Education will have the pleasure of hearing from Dr. Mike Argabright, Superintendent of Southern Lyon County USD 252, who was named 2023 Kansas Superintendent of the Year by the Kansas School Superintendents’ Association.

He will briefly share some of the things being done in Southern Lyon County USD 252 to meet the State Board of Education’s outcomes for measuring progress towards achieving the board’s vision of “Kansas leads the world in the success of each student.” He also will be available to respond to questions from Board members.
