

CTE/ Perkins Update: 1-27-21

Kansas State Department of Education
CTE Team

A NEW Vision for Kansas ...

Kansas leads the **world** in
the success of each student

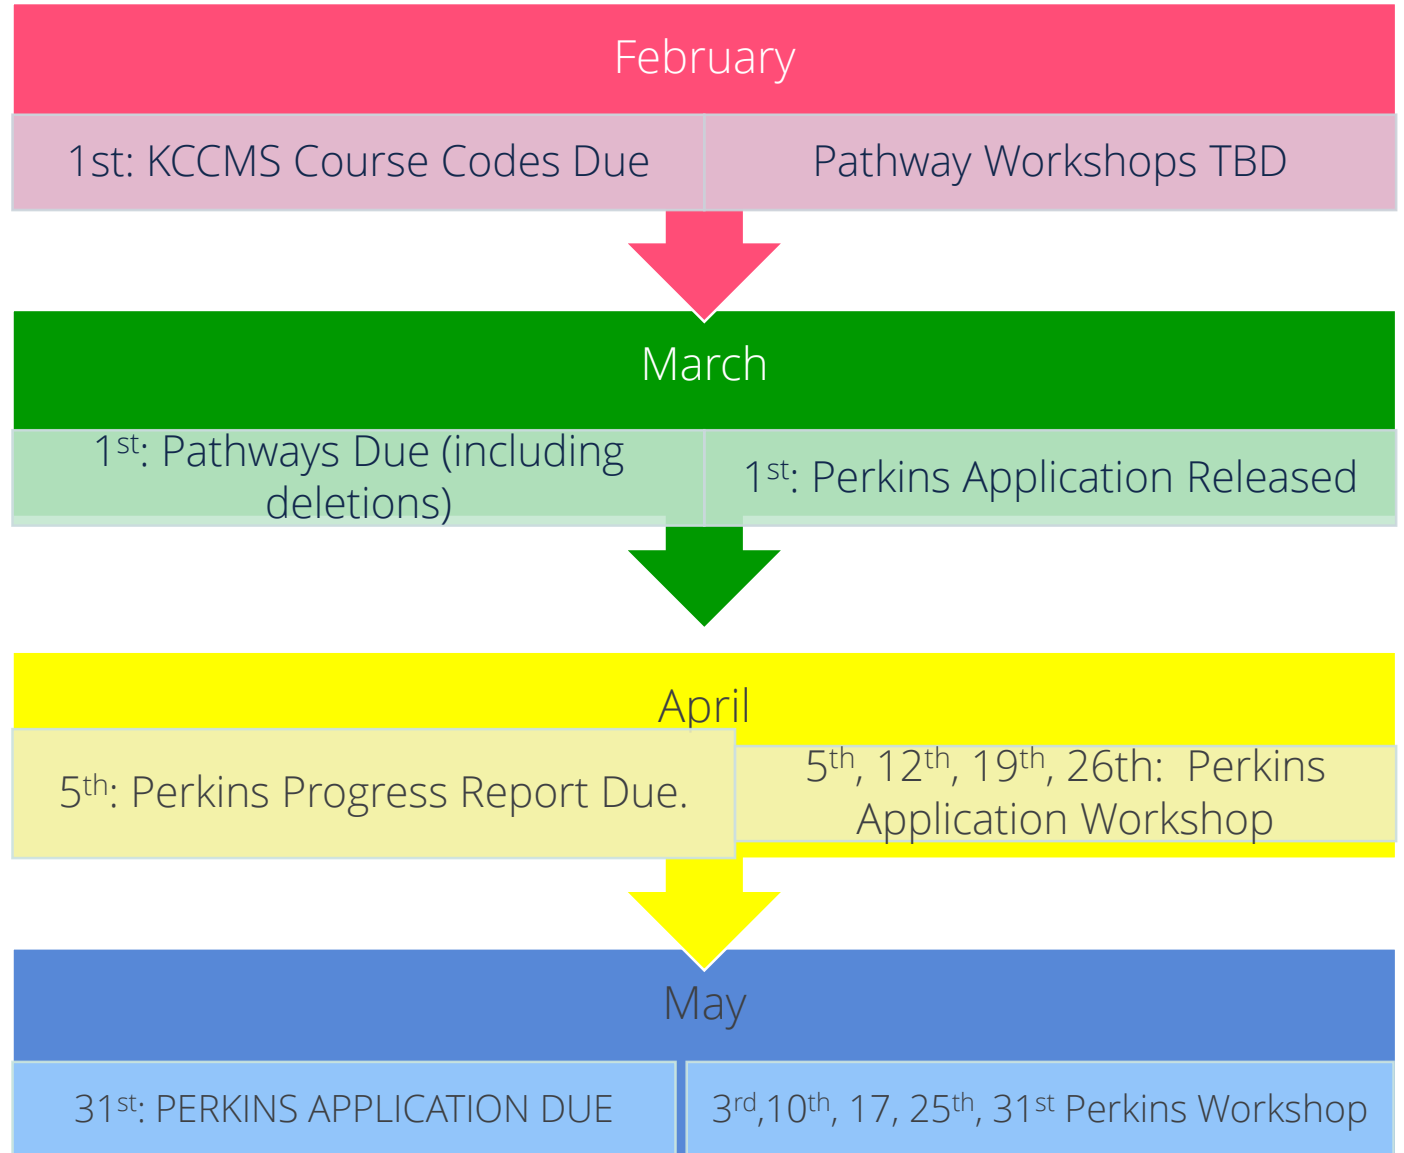

Anyone feeling like this?

Spring Timeline

Note: Updates to KCCMS and Pathways need to be done **ASAP!!**

- Kurt is leaving 1/30/2021
- Gayla's position posted
- Any CPPSA **without changes** should be submitted **ASAP** for approval
- 2/1/2021 KCCMS course updates
- 3/1/2021 CPPSA submissions for 21 - 22 pathways

Perkins Activities and KSDE Projects

Perkins Activities

1. **Career** Exploration and Academic Guidance
2. Aligning **Secondary** CTE Pathways and **Post Secondary** CTE Programs to **Labor Market Data**
3. **Size, Scope and Quality** of CTE Pathways and Programs
4. Aligning **Secondary** CTE Pathways and **Post Secondary** CTE Programs to create a **seamless transition**
5. **PD**: Support the recruitment, preparation, retention, & training of School staff
6. Support **integration of academic skills** into CTE Programs

Advisory Committee Meetings and LCNA

- As you hold your Advisory Committee meetings, please plan to review the **Local Comprehensive Needs Assessment** for your region with all stakeholders.
 - You can offer meetings remotely or in person, as your needs require!
- Please remember that if you were not able to have your Spring Advisory meeting due to COVID closure, you can enter date **3-19-20** as your first advisory meeting date
- That will indicate to the reviewers that you were unable to hold the spring meeting for this cycle.
 - KSDE does ask that you be certain to cover all items that needed to be covered at the spring meeting

Credentials

Angie Feyh

CTE Certifications/Credentials Earned

1. Certifications and Credentials have long been a part of a Pathways' Program of Study. At least one has to be included in section 4 of a CPPSA before KSDE approval will be given. The students must be given the opportunity to earn the indicated certification.
2. The Kansas Pathway Assessment and Credential (KPAC) list includes 3rd Party Certifications, Credentials, and Assessments for most pathways. We have been working to update the process of inclusion and business rules for the future.
3. All student certifications are to be submitted with the KCAN collection in KIDS. The current KPAC list is what make up Appendix E – CTE Certification Numbers. This list has been updated as needed in the past.
4. Certification reports in KIDS and Pathways

Data Central's Post-Secondary Success Measures

- Data Central's Post-Secondary under Data and Measures use this certification data as a part of the calculation for Postsecondary Progress Success Rate. See this section at the bottom of your district's Report Card.

Additional Information

Postsecondary Progress

Confidence Interval

Relative Performance

Risk Factors

Graduation Rate: The 4-year adjusted cohort graduation rate is the number of students who graduate in four years with a regular high school diploma divided by the number of students who entered high school as 9th graders four years earlier (adjusting for transfers in and out).

Success Rate: A student must meet one of the four following outcomes within two years of High School graduation.

1. Student earned an Industry Recognized Certification while in High School
2. Student earned a Postsecondary Certificate
3. Student earned a Postsecondary Degree
4. Student enrolled in Postsecondary in both the first and second year following High School graduation

Effective Rate: The calculated Graduation Rate multiplied by the calculated Success Rate.

WBL Pilot and Post Secondary Resources

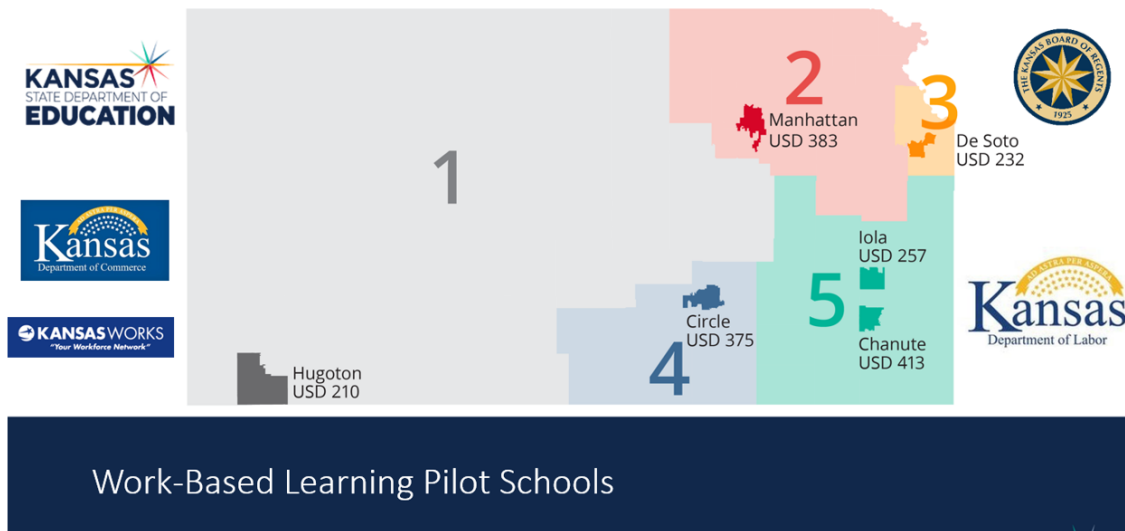

Work-Based Learning Pilot, DOLHigh Demand Occupations and Work Keys

Kansas is currently conducting a state cross-agency WBL regional pilot that will serve as a model to scale high-quality WBL across Kansas and develop a statewide system alignment.

Phase One WBL Pilot Districts: Within each of the five workforce regions, there is one regional WBL intermediary; community and/or technical college partners; and school districts or cohort of districts with an identified WBL coordinator and a Kansas State Department of Education (KSDE) regional consultant.

Figure 1: Phase One WBL Pilot Districts January 2020

Kansas Department of Commerce budgeted from January 2020 through June 30, 2021, to start regional WBL intermediaries. The Workforce Center or Workforce Board in each region serves as the regional WBL intermediary, connecting education, business and industry, and economic development in the region. The regional WBL intermediary coordinates work-based learning experiences for students in partnership with the district WBL coordinator.

- Kansas Department of Commerce budgeted from January 2020 through June 30, 2021, to start regional WBL intermediaries. The Workforce Center or Workforce Board in each region serves as the regional WBL intermediary, connecting education, business and industry, and economic development in the region. The regional WBL intermediary coordinates work-based learning experiences for students in partnership with the district WBL coordinator.
- Phase Two Regional Network WBL Districts: Fourteen additional school districts joined the WBL Regional Network Districts in the fall semester of 2020.
- KSDE facilitated WBL coordinator professional development in the spring and fall of 2020, and it was delivered by the KSDE, US Department of Labor, Kansas Department of Commerce, Kansas Department of Labor, Kansas Board of Regents, Kansas Department for Children and Families, and Kansas Association of School Boards. The information was compiled as follows in the [Kansas Work-Based Digital Reference Guide \(ksde.org\)](https://ksde.org).

Professional Learning Opportunities

Modeling the Future of CTE

Modeling the Future of CTE, KAESA's 2021 Virtual CTE conference, will occur throughout the month of February, offering high quality PD for all CTE stakeholders. Watch for **interactive virtual sessions** including **industry tours**, **classroom presentations**, **hands-on simulations**, **Pathway specific days**, and more!

- During the month of February 2021, all registered participants will have access to recordings of all conference sessions including the following:
 - Sessions by teachers showcasing projects and ideas
 - Collaborative sessions to share and ask questions
 - KSDE consultants on-hand to assist districts
 - Vendors demonstrating products

Modeling the Future of CTE

Pathway Specific Days

- Tuesday, Feb. 2 - Education and Training; Human Services; and Hospitality & Tourism
- Wednesday, Feb. 3 - Architecture & Construction; Manufacturing; Transportation; Law, Public Safety & Security; and Engineering
- Tuesday, Feb. 9 - Business Management & Administration; Finance; and Marketing
- Wednesday, Feb. 10 - Agriculture, Food and Natural Resources
- Tuesday, Feb. 16 - Arts, AV Technology and Communications; Information Technology
- Wednesday, Feb. 17 - Government & Public Administration
- Tuesday, Feb. 23 - Health & Bio Sciences

Modeling the Future of CTE

Registration Information

- District registration - \$500 for an unlimited number of participants from a district.
 - A district CTE Conference Coordinator (administrator, CTE Coordinator, or district designee) will use this link to provide his or her own registration information, even if they aren't attending the conference.
 - Following this step, the Coordinator will receive a spreadsheet where they will list all district conference participants.
 - Upon submission of this spreadsheet, each district participant will receive an invitation from Whova, which will provide them access to all conference materials.
- Individual registration - \$150 per individual
 - Following registration, individuals will receive an invitation from Whova, providing access to all conference materials.
- **Perkins funds** can be used for registration fees.

Resources for States- COVID-19

Advance CTE will share resources and updates to aid in the delivery of high-quality CTE virtually.

Advance CTE Resources

COVID-19's Impact on CTE: Defining the Challenge and the Opportunity

What makes Career Technical Education (CTE) unique, like the ability to participate in hands-on, work-based learning experiences, earn meaningful industry- recognized credentials and connect directly with employers, present specific and complex challenges when being delivered virtually. Within these challenges lies opportunity, and the pandemic can and should serve as a catalyst for change in the way states consider offering CTE programs to ensure that each learner - no matter their race, ethnicity, age, gender or zip code - is afforded access to and equitable delivery of high-quality CTE in their communities.

Advance CTE new resource, *COVID-19's Impact on CTE: Defining the Challenge and the Opportunity*, identifies the challenges that impact the design, delivery and assessment of CTE programs across the country during COVID-19 (coronavirus) and beyond. Our work continues to provide members and the entire CTE community with the tools, resources and supports needed during this time.

PLANNING FOR A COVID-19-IMPACTED SCHOOL YEAR

ACTE:
Planning
for a
COVID-19
Impacted
School
Year

Advance CTE Resource

COVID-19 (the coronavirus) has caused a significant disruption in our education system. Career Technical Education (CTE) has been particularly affected due to the nature of instruction and required laboratory- and work-based learning components. As state agencies are focused intently on their reopening plans — many of which do touch upon CTE — this tool aims to support state CTE leaders as they consider the wide array of challenges unique to supporting CTE learners and programs through this transition and beyond.
