

COFFEYVILLE USD 445

COMMUNITY ELEMENTARY

Launch Date:

August 2018

Number of Students Enrolled:

970 Kindergarten-6th

Vision:

Community Elementary School will empower students socially, emotionally, physically and academically, one life at a time in order to be prepared for real-world experiences.

Goal Areas:

Goal 1: Academics/Cognitive – By the time students leave CES, they will meet or exceed the national average by showing continued improvement through building-wide nationally normed benchmark testing. We will utilize data from Aimsweb and Literacy First to provide differentiated, tiered instruction; incorporate Orton-Gillingham for our Tier 3 students as well as our highest Tier 1 students. We are being intentional with our efforts to Increase attendance rates and reduce tardies through the use of a school bucks program in order to shop at our school mercantile.

Goal 2: Social/Emotional – Students will demonstrate resiliency concepts resulting in fewer referrals to the office or the counselor. We will accomplish this goals by Incorporating Second Steps, Mindfulness, and Zones of Regulation building-wide. These measures will allow students learn ways to regulate their own emotions and give staff tools for effectively working with students of trauma.

Goal 3: Health/Wellness – Increase health awareness for students and staff. Knowing that one can't pour from an empty cup, we will be intentional in our efforts to develop a plan to promote self-care for all school stakeholders.

What to Look for During Your Visit:

There are so many things to look for during a visit to CES:

- Pilot SEL classrooms (Zones of Regulation, Mindfulness, Second Steps, Peace Corners/Chill Zones)
- Orton-Gillingham (whether it be for Tier 1 or Tier 3)
- Literacy Flex Groups
- Monday Morning Twister Day (Family Talk Time, Twister Pathways, Service Learning)
- Student of Concern Meetings (a discussion of the process of creating a network of support for students with various emotional and environmental concerns)
