

CPPSA *Season*

Tips from the Pathways Help Desk

Kansas leads the world in the success of each student.

July	August	September	October	November	December	January	February	March	April	May	June
				November 15 - March 1 Pathways application open for new pathway applications or CPPSA maintenance for upcoming school year.							
		Sept. 1 - Oct. 31 Pathways System Updates. Note: May be subject to change.		November 15 - March 1 Career Pathway Program of Study Application (CPPSA) Submission and KSDE Processing				March 1 - June 15 KSDE Processing Window (after due date)			
				November 15 - June 15 Revisions to declined pathways made by districts (initially submitted by 3/1 but not yet approved by KSDE)							
May 15 - Aug. 15 Assign & Update students after passing KCAN records are submitted in KIDS							February 1 - April 15 Concentrator Follow-up Data Entry for Concentrators Who Exited Last Year		May 15 - Aug. 15 Assign & Update students after passing KCAN records are submitted in KIDS		
Pathways Help Desk available for assistance: PathwaysHelpdesk@ksde.org											

CPPSA Season

The Career Cluster Guidance Handbook

- Guide with links to all necessary resources
- Review the handbook or the Summary of Pathway Changes document when preparing to update for the next year.
- Design Sheets for each pathway include inventory of courses, with the required competencies, that can be offered in each pathway
- Pathway content is reviewed by Business/Industry/Postsecondary every 5 years, so the content of the pathway is up to date.

Each course selected in an approved pathway should be offered at least once every three years.

Cluster Handbook FY 2022-2023

CPPSA Season

- Email helpdesk@ksde.org to get a district list if needed
- Any staff to delete from Pathways access – email helpdesk@KSDE.org
- Any NEW staff – Register at [Authenticated Applications](#)
 - School Level – School Update or School Approve
 - Switch between the two using Manage My Account
 - District Level – Select “All Buildings” for the Building field
 - Access to CPPSA update screens and Student Data screens without switching

CPPSA Season

- Pathways Application Checklist
- Review Pathway Content – View/Print document
- Review Course Records within Pathway
 - Again, each course selected in an approved pathway should be offered at least once every three years.
 - New KCCMS Course Records by Feb. 1st
- Review Advisory Committee's Improvement Plan & Assurances
 - Schedule Meetings if needed (Virtual or Email)
 - 2020 Advisory Committee Guidance Handbook
 - Keep documentation on file locally
 - Quality Pathway Rubric – Resource to “audit” your pathways

Section IIb: Improvement Plan

Pathway (CIP Code): 2014 Architecture Core (46.0201) Cluster Area: AAA Testing on 5/22/2012

District: D0259 (Wichita) Building: 1837 (Metro Blvd Alt High)

Status: In Progress Status Date: 11/26/2014 2:29:30 PM

Please correct the following errors:

- At least one SMART goal is required for the Partnership component of the 3-Year Pathway Improvement Plan.
- At least one SMART goal is required for the Physical Environment component of the 3-Year Pathway Improvement Plan.
- At least one SMART goal is required for the Professional Development component of the 3-Year Pathway Improvement Plan.
- At least one SMART goal is required for the Instructional Strategies component of the 3-Year Pathway Improvement Plan.
- The Advisory Committee must meet at least twice a year.
- A quorum must be present in at least two Advisory Committee Meetings.
- All Improvement Plan components must be discussed and created/updated at each meeting.
- Advisory Committee Meeting minutes must be kept locally for 5 years.

3-Year Pathway Improvement Plan:
Assess the pathway with your Advisory Committee using the Creating a Quality Pathway Rubric. After reviewing the identified components, list a minimum of one SMART goal (which includes specifics, measurement, attainability, realistic each component. Each goal's timeline may span up to 3 years. For assistance, please see the [Advisory Committee Handbook](#).

COMPONENT	SMART GOALS <i>List a minimum of one SMART goal for each component. Goals should cover the required three years of the Improvement Plan. (2015-16, 2016-17, 2017-18)</i>
Partnerships – the cornerstone of a CTE program for student involvement in the community and workplace with local and regional businesses. Partnerships are also connections with all <i>educational partners</i> , who include other teachers, parents, the community, organizations, post-secondary institutions/faculty, and industry.	<div><div>Format Font family Font size</div><div></div></div>
Physical Environment – the CTE classroom, shop or lab setting where the instruction takes place. It should reflect the needs of the discipline, industry alignment, instructional methods and student needs.	<div><div>Format Font family Font size</div><div></div></div>

Section IIb – Meeting Minutes should be kept locally.

<p>Professional Development – the continual, pathway-focused training and education required to keep (a) teacher(s) highly qualified. Teacher(s) are ultimately the individual(s) who ensure the other components of a quality pathway are in place consistent with the needs of the educational partners and continually improving.</p>	 Improvement
<p>Instructional Strategies – the practices used to reach all students in a CTE pathway experience. These strategies enhance the learning experience through the implementation of research-based concepts and innovation.</p>	 Improvement

The following conditions must be met regarding the Advisory Committee Meetings and any falsified information will result in a loss of Perkins' funds (New applications must have initial goals for each component and at least one meeting with an advisory committee.):

- ☒ I agree the Advisory Committee met a minimum of twice between March 16th of last year and March 15th of the current year. 07/22/2015 01/22/2016
- ☒ I agree a quorum (1 member more than half of the voting committee members) was present at each meeting.
- ☒ I agree at each Advisory Committee Meeting the current status of the pathway was discussed, and the meeting centered on creating/updating the 3-year improvement plan to include the following: Partnerships, Physical Environment, Professional Development, Instructional Practices, and Student Outcomes.
- ☒ I understand Advisory Committee Meeting minutes are required to be kept locally for 5 years.

☐ I agree that this section has not been changed for this year's pathway submission.

CPPSA Section III- Pathway Courses

- The courses listed in the cluster handbook design sheet are a part of the Pathway's opportunities for the student. The local courses offered must first be mapped and approved in KCCMS. Please plan to do this before **February 1st** for your Pathway. This will allow time for KCCMS approval before the Pathway due date.
- If courses are not showing in section 3, please contact local KCCMS person or pathway consultant.
- The course code that is used in Pathways must be tied to the course code at the local level (PowerSchool etc.) for auditing and KSDE system reports (KCAN).
- When a course is selected in pathways, you are agreeing to teach the state approved competencies for the course.
- **All .5 funding eligible courses in a KSDE approved Pathway must not also receive Excel in CTE funding.**
- **Pathway Courses Report in Pathways & KCCMS to verify course numbers every Fall.**

* indicates required information

Please correct the following errors:

- The sum of the credits of the selected courses must be at least 3.00 secondary-level credits. The current sum is 0.00.
- There needs to be an 'Introductory Level' course selected.
- There needs to be a 'Technical Level' course selected.
- There needs to be an 'Application Level' course selected.
- A local course selection is required for [18001] Introduction to Agriculture and Natural Resources.

Select	Description	Credits	Grade	Kansas Course Code Sequence [?]	Pathway Funding Status
<input type="checkbox"/>	Introduction to Agriculture courses survey a wide array of topics within the agricultural industry, exposing students to the many and varied types of agriculture and livestock career opportunities and to those in related fields (such as natural resources). These courses serve to introduce students to the agricultural field, providing them an opportunity to identify an area for continued study or to determine that their interest lies elsewhere. They often focus on developing communication skills, business principles, and leadership skills.	3.00	9	18001G3.001114GGF	non-Funded

CPPSA Section IV –

- Pathway Program of Study creates an Individual Program of Study document with suggested academic, CTE, and post-secondary courses. Share with students, parents, and/or school staff.
- Grade 13 and 14 should be a list of all CTE courses the student must complete, at the articulated school, during their freshman year. Not the “free” course data from the Articulation Agreement.
- Certifications must be listed and **offered to students**. List as many as are applicable. There is a drop down menu! All options are listed on the KPAC list as well.
- Assessments must be selected for end-of-pathway **if there are any available**. Otherwise the course competency review sheets or average grade of Pathway courses completed must be used for each student for Student Data Management.
- **Academic courses may be copied using the Copy Courses from Existing Program of Study function then any updates should be made if needed!**

Career Clusters & Pathways

A Career Cluster is a grouping of occupations and broad industries based on commonalities. The 16 Career Clusters organize academic and occupational knowledge and skills into a coherent course sequence and identify pathways from secondary schools to two- and four-year colleges, graduate schools, and the workplace. Students learn in school about what they can do in the future. This connection to future goals motivates students to work harder and enroll in more rigorous courses.

Career Cluster Pathway Program of Study Application (CPPSA)

Title	Category	Description
Career Pathway Program of Study Application Training	PPT	New to Pathways? This power point provides training on how to create a new pathway application and/or provide new information to maintain an older one.
Pathway Deletion Form	DOC	The Pathway Deletion Form should be filled out and submitted to the Pathways Help Desk if your district no longer wants to maintain a pathway or receive the funding associated with this pathway.
Pathways Application Checklist	PDF	New to Pathways? This checklist will help everyone with how to create new pathways or submit maintenance information on old pathway applications. It is a step by step guide.
Pathways Student Data Management Checklist	PDF	Pathways Student Data Management Checklist provides a step by step procedure guide for assigning and updating students to Pathways.
Pathways Student Data Management Training	PPT	Pathways Student Data Management Training provides instruction on how to assign and update students in Pathways, which is a required process when receiving Perkins' funds.
Pathways User's Guide	PDF	Includes instructions and examples on how to do all the necessary functions of creating a pathway application and maintaining a pathway for the district. Required Student Data Mgmt. collection procedures are included.
Section II.A - Occupation List	PDF
