

Counting Kids Workshops – 2022

Counting KIDS workshops are presented by KSDE Fiscal Auditing to discuss counting students on count day and the information to enter into KIDS (Kansas Individual Data on Students) for funding purposes. **NEW this year: How to ensure that student data is secure.** KSDE Information Technology staff will discuss the steps needed to keep personally identifiable student information secure.

Register for the session of your choice on the KSDE Training Portal: <https://learning.ksde.org/>
