Introduction

Note: Any changes to this document for the 2019-20 school year are shown in yellow.

A couple weeks before your annual KSDE Audit, Fiscal Auditing staff will send an audit engagement letter detailing when the audit will be conducted and whom is the auditor assigned.

How to prepare for KSDE audit: In the next section of this document, we include each item that will be listed in the Audit Engagement Letter, along with some tips for how to prepare the documentation needed for the annual KSDE Audit.

How to Prepare for Current Year Enrollment (2019-20) and Attendance records to be audited:

Student Count Day is Friday, September 20, 2019. We will audit the current year's weighted enrollment generated on September 20 from data submitted to the Kansas Individual Data on Students (KIDS) system.

Items to be audited for current year enrollment include:

1. **Enrollment and attendance records of all students counted by your district on September 20. Auditors will verify your headcount and your student FTE. Please provide the following:**
 - a. **Daily attendance records from the beginning of school through October 4.** This is a list of all students and their attendance through October 4. Each school district has different student information systems, and each system produces different reports. Please see the table below, showing reports for the five most commonly used student information systems, to help you identify and prepare attendance reports that are helpful to the auditor. Again, KSDE Fiscal Auditing will work with the information your student information system provides.

To confirm your reported FTE, or to aid in the calculations of student minutes, see the electronic calculator – **Bell Schedule Calculator**, on the KSDE Fiscal Auditing webpage under the section “Calculators” at: <http://ksde.org/Default.aspx?tabid=319>.

In considering which report(s) to provide, remember that for middle schools and high schools, period attendance is needed by the auditors.

Table 1: These reports can be provided in either Excel or PDF format. Providing the preferred report will assist the KSDE auditor in conducting the audit more efficiently.

- b. **Entry/Withdrawal list through October 4.** Provide a list of students who have entered the district or have withdrawn from the district (including the date), from the beginning of the school year through October 4.
- c. **September 20 class schedules for high school and middle school students.** This is a copy of the class schedule for high schools and middle schools (or junior highs).

If you provide the data electronically, please provide copies of attendance records and other relevant data in support of the claim.
