Policy Type: Governance Process

The Board may establish temporary committees to help carry out its responsibilities. However, the Board normally will operate as a committee of the whole and will rely sparingly on committees.

1. Any temporary committee of the State Board shall be created by vote of the State Board and shall not include more than five Board members.

2. Board committees may not speak or act for the Board except when formally given such authority for specific and time-limited purposes.

3. Board committees are to help the Board do its job, not to help the Commissioner do his/her work. Committees will assist the Board chiefly by preparing policy alternatives, including their implications, for Board deliberation. Committees are not to be created by the Board to advise the Commissioner.

4. Board committees cannot exercise authority over department staff except by working through the Commissioner and Board Chair.

5. This policy does not apply to committees established by the Commissioner. It does apply to committees that are formed by the Board, whether or not the committees include non-Board members.

      (b) Any member of the State Board may request that an item related to State Board goals be placed on the agenda by submitting a request to the chair in advance of the agenda preparation. Any such item shall be considered for the State Board agenda.

      (c) In addition, a member of the State Board may request that any matter be placed on a future agenda of the State Board at a regular meeting. The request shall be discussed at a meeting of the State Board.

However, the Board, upon motion duly made and seconded, and upon an affirmative vote of seven members of the Board, may take action on any matter on the Board’s agenda, whether such matter is designated as an action item, receive item, discussion item or information item.

The Citizens’ Open Forum is an opportunity for the general public to provide input on educational issues in the state of Kansas which are germane to the business of the board. Addressing the Board is a privilege and not a right. The Citizens’ Open Forum may be held shortly after the meeting is called to order on the first day of each two-day meeting of the State Board of Education. Procedures for the Citizens’ Open Forum are as follows:

1. Each speaker shall be allowed to speak for three minutes.

2. State Board of Education members may ask clarifying questions of the person making the presentation. The speaker will have up to one minute to respond. The presiding officer may grant additional time at his/her discretion.

3. By consent of the Board, the agenda time may be extended. While offering a limited public forum is important to the Board, it is also necessary to ensure that the Board allows enough time to conduct its regular business.

4. Information may be submitted to the Board in written form. Thirteen (13) copies should be provided.

5. At the discretion of the chair and with regards to the timeliness of the agenda, the Citizens’ Open Forum may be closed and reopened at a later time or date to be announced.

6. Any person wishing to speak shall sign in prior to the commencement of the Citizens’ Open Forum and shall complete a presenter's card, giving his or her name and address, the subject of the comments (which must be confined to topics which are germane to the business of the board), and the name of any group he or she is representing. Speakers shall be recognized according to the order in which they signed in.

7. Presentations containing information or comments related to KSDE personnel may be referred for review in executive session.
(8) Following the Citizens’ Open Forum, the Chair will acknowledge the participants and announce that the State Board will determine if any of the issues will be addressed at a future meeting.

Procedures for any Public Hearing of the State Board are as follows:

1. Any person having an interest in the subject of the hearing shall have a right to provide oral and written testimony to the State Board on the subject of the hearing.

2. Any person wishing to speak at the hearing shall sign in prior to the commencement of the hearing by providing his/her name, address and identifying whether he/she represents an opinion of a group.

3. The presiding officer will conduct the hearing. Speakers shall be recognized according to the order in which they signed in. Statements should be limited to five minutes to encourage speakers to be focused and direct, and to permit more people to testify.

4. If written testimony is submitted, 13 copies should be provided.

5. State Board of Education members may ask clarifying questions of the person making the presentation. The speaker will have up to one minute to respond. The presiding officer may grant additional time at his/her discretion.

6. The Public Hearing is not a debate, but an orderly gathering of facts on a particular subject matter. The presiding officer shall rule on comments that are too lengthy. Irrelevant or repetitious testimony is discouraged.

7. These Public Hearing procedures shall be printed and be made available upon request.
Continued

(8) The chair shall advise persons in attendance of these Public Hearing procedures.

BOARD-STAFF LINKAGE
Policie: Delegation to the Commissioner

Policy Type: Board-Staff Linkage

The responsibility of the Board is to establish policies, leaving implementation to the Commissioner. Board policies relating to the work of the staff on behalf of the State Board direct the Commissioner to achieve certain results or limit the Commissioner to act within acceptable boundaries. All Board authority delegated to staff is delegated through the Commissioner, so that all authority and accountability of staff can be phrased--insofar as the Board is concerned--as authority and accountability of the Commissioner.

1. The Commissioner is authorized to make all decisions, take all actions and develop all activities which are consistent with the Board's policies. The Board, by amending its policies, may expand or constrict the areas of the Commissioner's delegated authority. However, the Board will respect the Commissioner's choices so long as the delegation continues. This does not prevent the Board from obtaining information about activities in the delegated areas.

2. The Commissioner serves the State Board. Therefore, no Board member, officer or committee shall exercise authority over the Commissioner. Board members should make requests to the Commissioner through the Board Chair.

3. The Commissioner shall not perform, allow or cause to be performed any act which is unlawful, insufficient to meet commonly accepted business and professional ethics or the "prudent person" test or is contrary to explicit Board constraints on executive authority. The Commissioner may refuse requests requiring material resources.

4. The Commissioner may employ persons in agency positions subject to confirmation by the State Board.

5. Assistant commissioners (deputy commissioners) will be appointed by the State Board as required by K.S.A. 72-373.

1. A formal, cumulative evaluation of the Commissioner shall be performed not more than six months after the Commissioner is appointed by the State Board of Education. Thereafter, a formal, cumulative evaluation of the Commissioner shall be performed annually by the State Board. Monitoring of the Commissioner’s performance will focus on areas of job responsibilities, department performance in response to Board initiatives and policies, and leadership competencies as compared to Board goals and objectives and as stated in the position description for the Commissioner of Education. The purpose of monitoring is to determine the degree to which the Commissioner’s performance fulfills the responsibilities for which the Commissioner is accountable. The position description for the Commissioner shall be presented biennially as part of new Board member orientation.

2. The Commissioner’s performance may be monitored by the following:
   A. Monthly observations of, and communications with, the Commissioner.
   B. Executive reports from the Commissioner.
   C. Board member report where a Board member, a committee of the Board or the Board as a whole reviews information, activities or circumstances to determine accomplishment of responsibilities.

3. The Board, at any time, may request a monitoring report or external audit of the Commissioner’s performance.

4. To assist the State Board in performing its evaluation, the Commissioner shall:
   A. Submit to the Board a list of performance objectives to be considered and approved by the State Board in January of each calendar year.
   B. In October, the Commissioner shall provide to the Board a summary of progress on the Board goals. The Commissioner may also obtain feedback from KSDE staff and provide the compiled results to the State Board.
