A successful Kansas high school graduate has the
• Academic preparation,
• Cognitive preparation,
• Technical skills,
• Employability skills and
• Civic engagement
to be successful in postsecondary education, in the attainment of an industry recognized certification or in the workforce, without the need for remediation.

OUTCOMES FOR MEASURING PROGRESS
• Social/emotional growth measured locally
• Kindergarten readiness
• Individual Plan of Study focused on career interest
• High school graduation rates
• Postsecondary completion/attendance
CALL TO ORDER
Chairman Jim Porter called the monthly meeting of the Kansas State Board of Education to order at 10 a.m. Tuesday, Sept. 11, 2018, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas. He welcomed those in attendance, including student teachers from Baker University accompanied by Dr. Merrie Skaggs and several participants of the Professional Education Leadership Academy in Geary County.

ROLL CALL
The following nine Board members were present:

Kathy Busch        Ann Mah        Steve Roberts
Sally Cauble       Jim McNiece    Janet Waugh
Deena Horst        Jim Porter     Ken Willard

Member John Bacon was absent.

MISSION AND VISION STATEMENTS, MOMENT OF SILENCE AND PLEDGE OF ALLEGIANCE
Chairman Porter read the Board’s Mission Statement as well as the Kansans Can Vision, which is to lead the world in the success of each student. He then asked for a moment of silence after which the Pledge of Allegiance was recited.

APPROVAL OF AMENDED AGENDA
Mr. McNiece moved to approve the Sept. 11 agenda. Mrs. Busch seconded. Mr. Roberts asked to pull Item 17 j. (contract with Education Elements) from the consent agenda for discussion and separate action. The vote to accept the amended agenda was 9-0.

APPROVAL OF THE AUGUST MEETING MINUTES
Mrs. Cauble moved to approve the minutes of the August Board meeting. Mr. Roberts seconded. Motion carried 9-0.

COMMISSIONER’S REPORT
Commissioner Randy Watson commented on the uniqueness of the Kansans Can vision, particularly the attention given to postsecondary progress and five-year effective rates that consider such factors as poverty and student mobility. Dr. Watson acknowledged the 2019 Kansas Teacher of the Year regional finalists, encouraging communities to continue recognizing the great teachers in their classrooms. He also provided a “think differently” challenge concerning education policy, teacher recruitment and career pathway opportunities. For example, he compared the state’s top five regional workforce needs for occupations earning a middle class wage with the career and technical education pathways currently offered in school districts.

CITIZENS’ OPEN FORUM
Chairman Porter declared the Citizens’ Forum open at 10:36 a.m. There was one speaker — John Richard Schrock, Emporia, addressing the topic of biliteracy and world language options. Chairman Porter declared the Citizens’ Forum closed at 10:43 a.m.
ACTION ON KANSAS STANDARDS FOR ENGLISH LEARNERS

The Kansas Standards for English Learners are intended to serve as a guide and provide direction for schools in developing effective English Learner programs. Last month, Assistant Director Beth Fultz reviewed the main revisions to the standards. Mrs. Cauble moved to adopt the Kansas Standards for English Learners. Mrs. Busch seconded. Motion carried 9-0.

UPDATE ON KANSAS READING SUCCESS PROGRAM FROM ISTATION

Istation was approved in 2015 as the Kansas Reading Success program vendor. Ossa Fisher, Chief Operating Officer with Istation, provided a contract summary report spanning data from the past three academic years. Istation provides a digital curriculum and real time data to support students’ literacy instruction in grades PreK-8. The overview included information on enrollment, usage and performance metrics that monitor student growth. Representatives from three schools utilizing Istation’s curriculum and assessment programs shared testimonials about their experiences. The three schools were Lincoln Elementary in Parsons; Meadowlark Elementary in Liberal; and Waverly Elementary School in Waverly. Ms. Fisher answered questions throughout the presentation.

LUNCH

At 11:55 a.m., Chairman Porter recessed the meeting for lunch until 1:30 p.m.

KANSAS SEAL OF BILITERACY UPDATE

Chairman Porter reconvened the meeting at 1:30 p.m. and welcomed Regina Peszat, world language consultant for the Kansas State Department of Education. She shared statistics about the Kansas Seal of Biliteracy, which the State Board adopted in 2016 for the purpose of awarding a meaningful credential to any graduating student who demonstrates proficiency in English and another world language. She listed the participating districts, the world languages represented, and described the criteria for each of the Seal’s proficiency levels. Two students who have obtained the Seal of Biliteracy commented via video about the impact the credential has made in their postsecondary endeavors.

RECEIVE KANSAS STANDARDS FOR HEALTH EDUCATION AND PHYSICAL EDUCATION

The Kansas model standards for Health Education and Physical Education recently underwent updates in accordance with the legislative review mandate. Representatives from the respective committees were present to explain the changes. Committee co-chairs Dr. Sunnin Keosybounheuang from Emporia State University and Amy McClure from USD 232 DeSoto reviewed proposed revisions to the health education standards. The standards reflect grade-level outcomes, divided as K-2, 3-5, 6-8 and 9-12, and indicate what students should know or be able to do by the end of each level. Next, Dr. Susan King from the University of Kansas and Jill Larson-Bradney from USD 343 Perry-Lecompton gave an overview of recommendations for the PreK-12 physical education standards. Revisions reflect current knowledge and professional trends. Discussion occurred regarding the instruction of CPR being included in the health benchmarks and plans for training teachers about the revised standards. The State Board is expected to take action on both sets of model standards in October.

RECEIVE EVIDENCE-BASED BEST PRACTICES FOR AT-RISK SERVICES

Assistant Director Tate Toedman and Director Colleen Riley explained efforts to identify and share evidence-based best practices for at-risk programs and instruction for students receiving at-risk program services. This is in response to state legislation passed in 2017 and a requirement that the State Board approve such evidence-based practices. Presenters demonstrated where to view the resources on the agency website, noting that the information continues to evolve. The best-practice topics complement the Kansans Can vision outcomes and encompass the following areas: civic engagement, early learning, math, science, social-emotional development, social studies, reading/literacy and trauma informed care. The presentation also addressed monitoring and federal requirements.
ACTION ON NEW APPOINTMENT TO THE PROFESSIONAL STANDARDS BOARD
Mrs. Cauble moved to appoint James Tod Johnson to complete a partial term on the Professional Standards Board effective July 1, 2018 through June 30, 2019, representing Teachers of Career and Technical Education. Mr. McNiece seconded. Motion carried 9-0. Mr. Johnson is a teacher at El Dorado High School, USD 490.

ACTION ON NEW APPOINTMENT TO THE LICENSURE REVIEW COMMITTEE
Mrs. Waugh moved to appoint Daniel Brungardt to his first partial three-year term on the Licensure Review Committee effective July 1, 2018 through June 30, 2020, fulfilling a vacancy for a district level administrator. Mrs. Busch seconded. Motion carried 9-0. Mr. Brungardt is superintendent of Bonner Springs USD 204.

PREVIEW OF THE 2018 KSDE ANNUAL CONFERENCE
Director Scott Smith previewed highlights of the 2018 KSDE Annual Conference to be held Oct. 15-17 in Wichita. The theme of this year’s conference is Kansans Can: Discover. The first day’s sessions will be devoted to the school redesign movement. The main conference features practitioners talking about implementation components of the vision. Keynote speakers are Thomas Murray, Director of Innovation for Future Ready Schools, and Dr. Buddy Berry, Superintendent of Eminence Independent Schools in Kentucky, known for its framework of innovation.

Board members took a break until 3:05 p.m.

ACTION ON RECOMMENDATIONS OF THE PROFESSIONAL PRACTICES COMMISSION
Linda Sieck, Chair of the Professional Practices Commission, participated remotely to present recommendations of the Commission on one licensure case this month. KSDE General Counsel Scott Gordon was present to answer questions and provide new information received since the PPC hearing. Board Attorney Mark Ferguson aided in the discussion. Mr. Willard moved for revocation of the professional teaching license of Cheryl McDonald based on findings of the Professional Practices Commission and new findings. Mrs. Busch seconded. Board members discussed facts of the case and instructions within the initial order. Additional questions were asked to clarify disciplinary actions imposed for professional misconduct. Motion carried 6-3, with Mr. McNiece, Mrs. Mah and Mrs. Waugh in opposition.

CONSENT AGENDA
Mr. Roberts requested to pull item 17 j. (Education Elements contract) for a separate vote. Mrs. Cauble moved to approve the Consent Agenda as presented, with the exception of 17 j. Mrs. Busch seconded. Motion carried 9-0. In the Consent Agenda, the Board:

- received the monthly Personnel Report for August.
- confirmed the unclassified personnel appointments of Lori Thompson as Education Program Consultant on the Teacher Licensure and Accreditation team, effective Aug. 26, 2018, at an annual salary of $56,118.40; Maureen Ruhlman as Education Program Consultant on the Special Education and Title Programs team, effective Aug. 26, 2018, at an annual salary of $56,118.40; Zachary Smith as Applications Developer on the Information Technology team, effective Aug. 27, 2018, at an annual salary of $46,113.60.

• accepted the recommendations of the Licensure Review Committee as follows: 
  Denied Case — 3208 Lee Fryer.

• authorized amendment of a subgrant award in the revised amount of $447,037 for the Kansas State School for the Blind to conduct a Technical Assistance System Network project.

• authorized the following districts to hold elections on the question of issuing bonds in excess of the district’s general bond debt limitation: USD 202 Turner and USD 206 Remington.

• authorized the following districts to receive capital improvement (bond and interest) state aid as authorized by law: USD 202 Turner and USD 206 Remington.

authorized the Commissioner of Education to negotiate and

• enter into a contract with the legal firm of Brustein and Manasevit PLLC in an amount not to exceed $16,000 to provide training for KSDE staff and sub-recipients of the Perkins Grant award.

ACTION ON INDIVIDUAL CONSENT AGENDA ITEM

Mr. Roberts questioned the objectives outlined in the purpose of the contract with Education Elements for implementing the second phase of a School Redesign Leadership platform. Mrs. Busch moved to authorize the Commissioner of Education to negotiate and enter into a contract with Education Elements in an amount not to exceed $169,500 for implementing the second phase of a School Redesign Leadership platform during the period Nov. 1, 2018 through April 30, 2019. Mrs. Horst seconded. Motion carried 9-0.

CHAIRMAN’S REPORT AND REQUESTS FOR FUTURE AGENDA ITEMS

Consideration of NASBE Bylaw changes and recommendations to delegate assembly —

At this time, Mr. Porter invited Mrs. Horst to outline proposed changes to the bylaws of the National Association of State Boards of Education, of which the State Board is a member. Mrs. Horst serves as the Kansas delegate to the association. Voting on bylaw revisions and selected leadership positions will take place during the association’s annual conference in October. Mrs. Horst was directed with the following motions. Mr. McNiece moved to recommend Victor Lenz Jr. of Missouri for a second term as a Central Area Director for NASBE. Mr. Willard seconded. Motion carried 9-0. Mr. McNiece moved to support Brooke Axiotis of Iowa for the position of NASBE Chair-elect. Mr. Willard seconded. Motion carried 9-0.

Committee Reports — Mrs. Waugh reported on work of the Opioid/Drug Prevention Committee, which continues to monitor and review recommendations. Mrs. Cauble, who participates on the Teacher Vacancy and Supply Committee, shared a video from Dodge City USD 443 in her district featuring an individual who transitioned careers to become a teacher. Mrs. Mah talked about the Kansas Learning First Alliance meeting and Mr. Roberts talked about the Kansas Volunteer Commission.

Those wishing to provide individual Board reports did so in writing this month.

Requests for Future Agenda Items:

• Family and Consumer Sciences Education as it relates to social emotional learning (Mrs. Waugh)
• Investigating grade manipulation (Mr. Willard)
• Discuss increasing pay scale of good teachers (Mr. Roberts)
• Alternatives for replicating the Blue Valley-Children’s Mercy Hospital partnership for social worker services in schools
• School Mental Health Advisory Committee recommendations for suicide prevention and child sexual abuse prevention (Mrs. Busch)
• Discuss school mental health initiatives every five to six months

Chairman Porter discussed visiting with U.S. Department of Education officials when they toured education facilities in Hutchinson and Wichita. He also reported on the Dyslexia Task Force and transition work group.

BOARD MEMBER TRAVEL
Additions to the travel requests were: Mr. Porter, Mr. McNiece, Mrs. Horst, Mrs. Mah and Mrs. Busch — Nov. 19 Dialogue Summit on Retention in Manhattan; Mrs. Busch, Mr. Willard, Mr. Roberts, Mr. McNiece and Mrs. Cauble — Oct. 15-16 KSDE Annual Conference in Wichita; Mrs. Busch and Mr. Porter — Sept. 18 Meeting with Commissioner and Wink Hartman in Wichita; Mrs. Mah — Sept. 26 AdvanceEd conference in Wichita, Sept. 28 Regional redesign training in Lawrence, and Oct. 8 McLouth school board meeting; Mr. Willard — Sept. 17 Civic Advocacy Network award ceremony in Topeka, and Sept. 18 Kansas Foundation for Excellence in Education Board meeting in Topeka; Mrs. Cauble — Sept. 17 CAN ceremony, Sept. 27 Liberal school visit. Mrs. Busch moved to approve the travel requests and additions. Mr. McNiece seconded. Motion carried 9-0.

Chairman Porter recessed the meeting at 4:45 p.m. until 9 a.m. Wednesday in the Board Room.

CALL TO ORDER
Chairman Jim Porter called the Wednesday meeting of the State Board of Education to order at 9 a.m. on Sept. 12, 2018, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas. He welcomed guests from the Professional Education Leadership Academy in Geary County.

ROLL CALL
The following nine Board members were present:
Kathy Busch         Ann Mah         Steve Roberts
Sally Cauble       Jim McNiece    Janet Waugh
Deena Horst        Jim Porter     Ken Willard

Member John Bacon was absent.

APPROVAL OF AGENDA
Mrs. Cauble moved to approve the day’s agenda. Mrs. Horst seconded. Motion carried 9-0.

ACTION ON GEMINI I SCHOOLS’ REDESIGN PLANS: DIGHTON, NORTH OTTAWA COUNTY AND NEWTON’S SANTA FE 5/6 CENTER
Schools in three of the districts approved as Gemini I participants in the Kansans Can School Redesign Project presented their plans to the State Board of Education for acceptance. Dighton, North Ottawa County (Minneapolis) and the Santa Fe 5/6 Center in Newton were prepared to launch during the 2018-19 school year. School Redesign Specialist Tammy Mitchell made introductions. The selected elementary and secondary schools focus on the five outcomes established by the Kansas State Board of Education, the five elements identified as defining a successful Kansas high school graduate, and what Kansans said they want their schools to provide and look like in the future.

Each school highlighted areas of concentration, many of which have been piloted during the past year. Some common themes were promoting skills for self-advocacy and self-regulation, involving businesses and school communities, and project-based learning.

Dighton USD 482 — Members of the USD 482 redesign team described their plans by presenting a specific problem and the corresponding solution. The process involved students’ critical thinking skills and real-world application. Personalized learning is targeted at ability level and not grade level. Work study programs are emphasized for juniors and seniors, along with building time-management skills. Mrs. Cauble moved to accept the redesign plans of Dighton USD 482 for Dighton Elementary and Dighton Junior / Senior High to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mr. Willard seconded. Motion carried 9-0.

North Ottawa County USD 239 — The districtwide plan involves grade looping and co-teaching in the grade school, as well as developing community partners. The Junior / Senior High has added a requirement of community service and is directing attention to project-based learning. Mrs. Horst moved to accept the redesign plans of North Ottawa County USD 239 for Minneapolis Grade School and Minneapolis Junior/Senior High to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mr. McNiece seconded. Motion carried 9-0.
Newton USD 373 — Through redesign, USD 373 is targeting the social-emotional needs of students. The school has hired an additional social worker, is addressing healthy relationships, and implemented school-to-home connections. The school is also helping coordinate interest-based enrichment learning groups as well as provide one-to-one mentoring. Mr. Willard moved to accept the redesign plans of Newton USD 273 for the Santa Fe 5 / 6 Center to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mrs. Busch seconded. Motion carried 9-0.

Photos and presentation of Gemini I banners occurred after each district presentation.

Chairman Porter adjourned the meeting at 11:40 a.m.

The next State Board meeting is Oct. 9 and 10, 2018. The meeting on the first day will be in Topeka and the second day’s session will be a tour of Mercury 7 schools in McPherson USD 418, Tescott and Bennington in Twin Valley USD 240.

Jim Porter, Chairman
Peggy Hill, Secretary

POST-MEETING ACTIVITY:
PROFESSIONAL DEVELOPMENT ON KANSAS SCHOOL MENTAL HEALTH
A professional development session was offered for Board members on the topic of Kansas School Mental Health. This was an optional activity. Social-emotional growth is one of the state-level outcomes of the Kansans Can vision to lead the world in the success of each student. Board members attending were Mr. Porter, Mrs. Busch, Mrs. Waugh, Mrs. Mah, Mrs. Cauble, Mrs. Horst and Mr. McNiece.

There was a year-one review of the partnership between Blue Valley USD 229 and Children’s Mercy Hospital that enables additional social work services in the school district. Representatives from both entities reflected on the positive impact, including proactive efforts to identify needs and suicide risk assessments. They also noted an increased knowledge of mental health issues within the schools. Options for replicating the partnership in other areas of the state are being considered. Other initiatives discussed were the Mental Health Intervention Team Pilot created through Senate Bill 423, work of the School Mental Health Advisory Committee, and a grant-funded pilot intended to provide professional development and coaching with a focus on prevention and intervention. The session concluded at approximately 1:45 p.m.
KANSAS STATE BOARD OF EDUCATION
Meeting Minutes
August 14, 2018

CALL TO ORDER
Chairman Jim Porter called the monthly meeting of the Kansas State Board of Education to order at 10 a.m. Tuesday, Aug. 14, 2018, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas. He commented on the excitement of beginning a new school year.

ROLL CALL
All Board members were present:
John Bacon
Kathy Busch
Sally Cauble
Deena Horst
Ann Mah
Jim McNiece
Jim Porter
Steve Roberts
Janet Waugh
Ken Willard

MISSION AND VISION STATEMENTS, MOMENT OF SILENCE AND PLEDGE OF ALLEGIANCE
Chairman Porter read the Board’s Mission Statement as well as the Kansans Can Vision, which is to lead the world in the success of each student. He then asked for a moment of silence after which the Pledge of Allegiance was recited.

APPROVAL OF AMENDED AGENDA
Chairman Porter announced that Item 18 (Act on new appointments to the Professional Standards Board) would be postponed and resubmitted in the future. Nominations were received for administrators rather than teachers for the open positions. Mrs. Horst moved to approve the amended agenda for Tuesday. Mrs. Busch seconded. Motion carried 9-1 with Mr. Roberts in opposition.

APPROVAL OF THE JULY MEETING MINUTES
Mr. McNiece moved to approve the minutes of the July Board meeting. Mrs. Horst seconded. Motion carried 10-0.

COMMISSIONER’S REPORT—CIVIC ADVOCACY NETWORK AWARD WINNERS
Commissioner Randy Watson announced the first recipients of the Civic Advocacy Network awards, noting that civic engagement is one element used to define a successful Kansas high school graduate. Schools applying for the CAN awards demonstrated the six proven practices for effective civic learning. Applications were evaluated and scored. The eight inaugural winners — determined as exemplary in all six areas — are Complete High School, Maize USD 266; Derby Hills Elementary and Park Hill Elementary, both in Derby USD 260; Enders Community Service Magnet, Wichita USD 259; Garden City High School, Garden City USD 257; McPherson Middle School, McPherson USD 418; StarSide Elementary, DeSoto USD 232; and Susan B. Anthony Middle School, Manhattan USD 383. CAN Promising Practice awards go to the following schools for excelling in at least one of the six proven practices: Florence Wilson Elementary, Garden City USD 457; Merriam Park Elementary, Shawnee Mission USD 512; Seaman High School, Topeka USD 457; and Valley Heights High School, Blue Rapids USD 498. A recognition ceremony will be on Constitution Day, Sept. 17, in Topeka. During his report, Commissioner Watson also introduced Amanda Petersen as the new director of Early Childhood for the Department of Education. Early Childhood is now separated within KSDE from the previous team of Early Childhood, Special Education and Title Services. Dr. Watson then answered questions about current education topics.
CITIZENS' OPEN FORUM
Chairman Porter declared the Citizens’ Forum open at 10:40 a.m. There were no guest speakers.

ACTION ON KANSAS EDUCATION SYSTEMS ACCREDITATION (KESA) FOR SEVEN SYSTEMS
The Kansas Education Systems Accreditation (KESA) is the new model to accredit schools in Kansas. KESA shifts accreditation from schools to the district/system level as well as moves accreditation from a yearly event to a five-year improvement approach. The State Board of Education received recommendations of the Accreditation Review Council and decided on the accreditation status for the first systems to be considered. Mrs. Cauble moved to accept the recommendations of the Accreditation Review Council and award the status of Accredited to USD 416 Louisburg, USD 288 Central Heights, St. Michael the Archangel School (Overland Park), Maur Hill-Mount Academy (Atchison), Most Pure Heart of Mary School (Topeka), Good Shepherd School (Shawnee) and Christ the King School (Kansas City). Mrs. Horst seconded. During discussion, there were comments about accountability for safe buildings and more public involvement in the evaluation process. Motion carried 10-0.

ACTION ON CHANGES TO COALITION OF INNOVATIVE SCHOOL DISTRICTS BYLAWS
The Coalition of Innovative Districts was created by the Legislature and became law in July 2013. The Act allows up to 10 percent of the state’s school districts to opt out of most state laws, rules and regulations in exchange for setting higher student achievement goals. At the June State Board meeting, Commissioner Watson presented proposed changes to the Coalition’s Bylaws pertaining to the State Board’s involvement. These centered on Bylaw stipulations not in statute. Changes included not specifying the number of times each year the Coalition reports to the State Board, not requiring State Board appointments to the Coalition Board, and seeking agenda consultation with the Commissioner as needed. The Coalition Board approved these amendments in July. Mrs. Horst moved to approve amendments to the Coalition of Innovative School Districts Bylaws as recommended by Commissioner Watson. Mr. McNiece seconded. Board members discussed the present purpose of the Coalition and its innovative intentions. Motion carried 9-1 with Mrs. Cauble in opposition.

ACTION ON REQUEST FROM COALITION OF INNOVATIVE SCHOOL DISTRICTS AND USD 500 FOR ISSUING A 2018-19 SPECIALIZED TEACHING CERTIFICATE
USD 500 Kansas City Kansas Public Schools is a member of the Coalition of Innovative School Districts. USD 500 requested use of the Coalition’s Specialized Teaching Certificate to fill an open position for social studies instruction. Shelly Beech represented USD 500 to answer questions about the request and other district vacancies. She acknowledged that the applicant is a participant in the Teach for America program, but plans to transition to the district’s Teaching Fellows program. Mrs. Waugh moved to approve the Specialized Teaching Certificate application of Jerrime Fobbs for use in USD 500 Kansas City Kansas Public Schools. Mrs. Busch seconded. Motion carried 10-0. The certificate is effective for one-year and is non-transferrable to any other Kansas school district.

BREAK
Board members took a break from 11:10 to 11:20 a.m.

ACTION ON TEACH FOR AMERICA PROGRAM PROPOSAL
The Kansas Legislature appropriated funding for the Teach for America Program for Fiscal Year 2019. The program recruits and trains individuals with a bachelor’s degree to teach in a public or public charter K-12 school in one of the communities the organization serves. Chris Rosson, TFA Executive Director in the Kansas City region, presented a proposal for use of the legislative funding to support seven teachers in the Kansas City area, for recruiter services and professional development. Mrs. Cauble expressed concern about TFA concentration in one district and not addressing teacher vacancy needs across the state. Mr. Willard moved to accept the Teach for America proposal for a pilot program in Kansas, with the hope and understanding that it’s a pilot with plans for expansion. Mr.
McNiece seconded. Discussion topics included whether corps members take the Praxis test, program retention rates, serving other areas, and retaining high quality teachers. Motion carried 10-0.

UPDATE ON CAREER AND TECHNICAL EDUCATION PATHWAY DEVELOPMENT
Education Program Consultant Stacy Smith shared statistics about CTE offerings, including that there are currently 2,746 pathway programs across the state. His team of CTE consultants provided updates about modifications to selected career pathways and the development of other new ones, such as aviation and fashion/apparel/interior design. Wichita USD 259, in conjunction with WSU Tech and the local aviation industry, is piloting the aviation pathway with strands in both design and production. Updates were given on revisions to energy and engineering pathways prior to the break for lunch at 12:17 p.m.

Chairman Porter recessed the meeting until 1:30 p.m. with plans to continue the CTE presentation after the break.

CONTINUATION OF CTE PATHWAY DEVELOPMENT UPDATE
The meeting reconvened at 1:30 p.m. KSDE staff members gave revision updates concerning other selected career and technical education pathways. These included agriculture, digital media and an entrepreneurial focus for fashion/apparel/interior design. The Kansas Advisory Committee for Career and Technical Education examines pathway modifications.

RECOGNITION OF NATIONAL TEACHERS HALL OF FAME INDUCTEE FROM KANSAS
Deputy Commissioner Dale Dennis introduced Jeff Baxter, an English language arts teacher at Blue Valley West High School, who was inducted into the National Teachers Hall of Fame in June. Mr. Baxter shared remarks about education trends and experiencing the age of acceleration. He stressed the importance of developing character and preparing students to be life-long learners. Chairman Porter presented Mr. Baxter a recognition certificate on behalf of the Board.

INFORMATION ON KANSAS READING ROADMAP
Kansas Reading Roadmap (KRR) is a model designed to leverage out-of-school time to support school efforts in early reading. It is coordinated with a school’s current intervention system and curriculum, with the goal of increasing reading proficiency. Andrew Hysell, KRR Director, spoke about the partnership with elementary schools and Boys and Girls Clubs, working together through after-school and summer tutoring. Another component of the model involves parent participation and is called LIFE (Literacy Integrated Family Engagement). Dan Klucas with the Kansas Department for Children and Families (DCF) assisted with the presentation by describing the partnership between KRR and DCF.

REPORT ON SCHOOL BREAKFAST LEADERSHIP INSTITUTE AND IMPLEMENTATION PLAN
Kansas was one of six states nationwide to receive a School Breakfast Leadership Grant from Share Our Strength to help ensure more students are able to start the day with a healthy breakfast and be ready to learn. Child Nutrition and Wellness Director Cheryl Johnson outlined the goal of the action plan to increase statewide breakfast average daily participation by 5 percent by June 30, 2019. She provided statistics indicating where the biggest gaps in school breakfast consumption exist. Members of the School Breakfast Leadership Team shared strategies for implementing innovative breakfast delivery models, such as Grab-and-Go and Second Chance Breakfast. Chairman Porter serves on the School Breakfast Leadership Team. Mrs. Johnson encouraged all Board members to help create awareness for breakfast programs. There was discussion about the state law allowing school districts that meet certain criteria to seek school breakfast program waivers.
PRESENTATION OF KANSANS CAN AWARDS TO CHILD NUTRITION PROGRAM RECIPIENTS

KSDE’s Child Nutrition and Wellness division created Kansans Can Best Practice Awards to recognize outstanding practices in programs that support the Kansans Can vision. CNW Director Cheryl Johnson described the rationale for the awards. She then introduced the 2017-18 recipients, briefly sharing about their specific honors. Framed awards were presented. Recipients and the categories of merit are: USD 260 Derby (managing finances), USD 312 Haven (program initiation/leadership), Quality Care Services Inc. and USD 411 Goessel (nutrition and wellness special events), USD 383 Manhattan (impacting wellness), and First Choice Support Services Inc., (innovative meal patterns).

BREAK

Board members took a break until 3:35 p.m.

ACTION ON RECOMMENDATIONS OF THE PROFESSIONAL PRACTICES COMMISSION

Linda Sieck, Chair of the Professional Practices Commission, participated remotely to present recommendations of the Commission on licensure cases this month. Mrs. Cauble moved to adopt the findings of fact and conclusions of law of the PPC and issue the requested license for Alyssa Bauer. Mr. Roberts seconded. Motion carried 10-0. Ms. Sieck then presented the next set of cases. Mr. Willard moved to adopt the findings of fact and conclusions of law of the PPC and deny the applications of Devin Gillette and Holly Brown as well as revoke the licenses of Joseph Tokarz, Blylee Courkamp and Tyson McGuire. Mr. Roberts seconded. Motion carried 10-0.

This item was postponed in August.

ACTION ON NEGOTIATED AGREEMENT WITH KANSAS SCHOOL FOR THE DEAF NEA

Board Attorney Mark Ferguson and Ann Mah represented the State Board during the negotiations bargaining process. Mrs. Mah moved to adopt the Professional Agreement between the Kansas School for the Deaf NEA and the Kansas State Board of Education for the term Aug. 1, 2018 to July 31, 2020. Mrs. Horst seconded. Motion carried 10-0.

RECEIVE KANSAS STANDARDS FOR ENGLISH LEARNERS

The standards for English language learners have been revised and are now referred to as the Kansas Standards for English Learners. Assistant Director Beth Fultz explained the standards reflect changes resulting from reauthorization of the federal Elementary and Secondary Education Act (ESEA). She presented an overview of the review process and feedback from public hearings. She also shared a video of comments from revision committee co-chairs. The standards will provide expectations for proficiency on the new 2020 KELPA2 assessment. English learners are assessed in four domains: reading, writing, speaking and listening. The State Board is expected to act on these standards in September.

**ACTION ON NASBE MEMBERSHIP DUES**

During the Chairman’s Report, Mr. Porter led two action items regarding the National Association of State Boards of Education. The NASBE Annual Conference is Oct. 17-20 in Denver. Jim McNiece will receive the organization’s Distinguished Service Award on the 18th. Chairman Porter then called for a motion authorizing payment of the membership dues for 2019. Mrs. Horst moved to approve payment of calendar year 2019 dues and retain membership in the National Association of State Boards of Education and the National Council of State Education Attorneys. Mr. Willard seconded. Motion carried 10-0.

**ACTION ON REPRESENTATION FOR NASBE DELEGATE ASSEMBLY**

Mr. McNiece moved to nominate Deena Horst as the voting delegate to represent Kansas at the NASBE Annual Conference in October. Mr. Willard seconded. Motion carried 10-0. Mr. Porter nominated Ann Mah as the alternate delegate. Mrs. Horst seconded. Motion carried 10-0.
Committee Reports — Mr. McNiece attended the orientation and meeting for members of the Special Education Advisory Council. Mrs. Waugh reported on work of the Kansas Opioid/Drug Prevention Committee including plans for a Nov. 15 conference in Topeka. Mrs. Busch commented on the School Mental Health Advisory Committee which is looking at suicide prevention data. Mrs. Mah attended a recent meeting of the ESSA/ESEA committee.

Board Attorney Mark Ferguson commented on legal cases in the news that might impact education policy. One case proceeding through the courts involved schools and sex/gender harassment.

Individual Board member reports are to be submitted in writing for the next few months.

**Requests for Future Agenda Items:**
- Share results, when available, from School Breakfast Leadership sub-grantees working to reduce gaps in breakfast consumption
- Emergency Safety Interventions update and review of data since policies have been implemented (Mr. McNiece)
- Bus transportation safety, travel time limitations for kindergartners (Mrs. Waugh)
- Schedule opportunity to make requests for Future Agenda Items to earlier in the meeting (Mr. Roberts)

**CHAIRMAN’S REPORT**
Chairman Porter discussed work of the Dyslexia Task Force, which has established four sub groups. The committee will make a recommendation to the legislature in January. He also reported on the Governor’s Education Council subcommittees and a transition work group addressing an underserved population of adults.

ROLL CALL
All Board members were present:
John Bacon Jim McNiece
Kathy Busch Jim Porter
Sally Cauble Steve Roberts
Deena Horst Janet Waugh
Ann Mah Ken Willard

APPROVAL OF AGENDA
Mrs. Busch moved to approve the day’s agenda. Mr. Roberts seconded. Motion carried 10-0.

ACTION ON GEMINI I SCHOOLS’ REDESIGN PLANS: BELOIT, SKYLINE, ASHLAND
Schools in three of the districts approved as Gemini I participants in the Kansans Can School Rede
sign Project presented their redesign plans to the State Board of Education for acceptance. Beloit, Skyline (Pratt) and Ashland will be launching their plans during the 2018-19 school year. School Redesign Specialists Jay Scott and Tammy Mitchell made introductions. The selected elementary and secondary schools focus on the five outcomes established by the Kansas State Board of Education, the five elements identified as defining a successful Kansas high school graduate, and what Kansans said they want their schools to provide and look like in the future.

Each school highlighted areas of focus, many of which have been piloted during the past year. Some common themes were: project-based learning, self-paced learning, student-led conferences, flexible school-day schedules and school to community connections.

Beloit USD 273 — The USD 273 redesign team participated remotely through ZOOM. Superintendent Jeff Travis and Director of Special Education Karen Niemczyk were in attendance at the Board meeting. Specific elements of their plan were utilization of the Boys Town model for social/emotional learning, pilot program serving multiple districts for alternative learning center focusing on transition back to home districts, partnership with local businesses for entrepreneurship opportunities. Mrs. Horst moved to accept the redesign plans of Beloit USD 273 for Beloit Elementary and Beloit Junior-Senior High to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mr. Roberts seconded. Motion carried 10-0.

Skyline USD 438 — The districtwide plan is built upon three themes: positive team culture, meaningful learning, and real-world experiences. Special elements of redesign include a high school leadership class also open to staff, a commitment-based culture, increased parent engagement, flexible module schedule, in-house preschool, and all students PreK-6 participate in art. Mrs. Cauble moved to accept the redesign plans of Skyline Pratt USD 438 for Skyline Elementary and Skyline High School to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mr. Willard seconded. Motion carried 10-0.
Ashland USD 220 — Through redesign, USD 220 is focusing more on career and technical education as well as increased family engagement, particularly through the PTO and Booster Club. Ashland High School is also adding an agriculture program and FFA chapter. Other specific elements of redesign are expanded time for student-led conferences, a Life 101 course, and promotion of Ashland Works with local businesses. Mrs. Cauble moved to accept the redesign plans of Ashland USD 220 for Ashland Elementary and Ashland Junior-Senior High to be implemented during the 2018-19 school year as a participant in the Gemini I Project. Mrs. Horst seconded. Motion carried 10-0.

Photos and presentation of Gemini I banners occurred after each district presentation.

Chairman Porter recessed the meeting at 11:40 a.m. for an invitation to tour Cedar Crest Governor’s Residence. This was an optional activity. Board members attending were Mr. Porter, Mrs. Busch, Mrs. Waugh, Mr. Roberts, Mrs. Mah, Mrs. Cauble, Mrs. Horst, Mr. McNiece. The tour concluded at approximately 1 p.m.

The next State Board meeting is Sept. 11 and 12, 2018 in Topeka.

ACTION TO AMEND JULY MINUTES

The July 10, 2018 minutes of the Kansas State Board of Education meeting included the Board’s budget recommendations for Fiscal Years 2020 and 2021. In a motion made by Jim McNiece, and approved on a 6-1-1 vote, the term BASE should be stricken and changed to State Foundation Aid to coincide with terminology in the current law. (See attached chart). The paragraph’s introductory sentence will be stricken.

Excerpt from July 10, 2018 Minutes, page 7, with amendments noted:

Discussion returned to the recommendation for Base State Aid Per Pupil. Mr. McNiece moved to recommend a 1.44 percent increase for BASE State Foundation Aid as recommended by the Court on what has already been approved by the Legislature. Mrs. Horst seconded. Motion carried 6-1-1, with Mrs. Busch in opposition and Mr. Willard abstaining. Mr. Bacon and Mr. Roberts were absent for the vote.

Act on Kansas Model Standards for Physical Education  

Recommended Motion:  
It is moved that the Kansas State Board of Education approve the Kansas Model Standards for Physical Education as recommended by the Kansas Physical Education Model Standards review team.  

Explanation of Situation Requiring Action:  
The Kansas Model Standards for Physical Education recently underwent a review in accordance with the legislative review mandate. Representatives from the standards review committee presented the proposed updates at the September Board meeting and recommend approval of the standards as presented.
2018 KANSAS MODEL GRADE-LEVEL OUTCOMES FOR PHYSICAL EDUCATION

By Standard
2018 KANSAS MODEL GRADE-LEVEL OUTCOMES FOR PHYSICAL EDUCATION

Background

In 2005, a committee of Kansas physical educators authored the Kansas Model Curriculum Standards for Physical Education to assist professionals statewide in their efforts to design meaningful and effective PE programs. The Kansas standards were based upon the 2004 National Standards for K-12 Physical Education from the National Association for Sport and Physical Education (NASPE). NASPE was one of five associations within the American Alliance for Health, Physical Education, Recreation, and Dance (AAHPERD).

The NASPE National Standards were revised in April 2013. Later that year, the five associations of AAHPERD were unified under the new name SHAPE America—Society of Health and Physical Educators. To reflect current professional research and trends, the 2005 Kansas Model Curriculum Standards have been rewritten to align with the 2013 SHAPE America National Standards. The 2018 Kansas PE Standards Revision Committee members were as follows:

Chairperson: Susan E. King, University of Kansas
Members: Derek Berns, USD 435
         Ben Bond, USD 229
         Karl Ely, USD 262
         Glenda Jones, USD 385
         Brad King, Mid-America Nazarene University
         Kathy Kochersperger, USD 512
         Jill Larson-Bradney, USD 343
         Mackayla Martin, USD 365
         Mary McGroarty, USD 443
         Derek Scott, USD 475
         Amy Sommers, USD 259
         Becky Winter, USD 259
         Branden Johnson, Kansas State Department of Education

The goal of an effective physical education teacher is to produce physically literate individuals. Physical literacy is generated through innovative, standards-based curricula delivered with excellence by qualified professionals and monitored by consistent and comprehensive assessment. To that end, the Committee endeavored to create a series of grade-level outcomes that would clearly define developmentally-appropriate knowledge and skills, thereby enabling physical educators to assess and monitor their students’ progress toward physical literacy.
2018 KANSAS MODEL GRADE-LEVEL OUTCOMES FOR PHYSICAL EDUCATION

How to use this document

The 2018 Kansas Model Grade-Level Outcomes for Physical Education are organized in accordance with the five National Standards for K-12 Physical Education by SHAPE America (2014). Under each standard are listed two or more concepts that further define the meaning and intent of the standard. The grade levels were aligned with those found on the Kansas State Department of Education’s PE Kansas Lesson Plans website (http://www.pe-kansas.com). Each grade-level outcome statement was written to indicate what the physically literate individual should know or be able to do by the end of each level, i.e. by the end of grade 2, grade 5, grade 8, and high school.

The K-2 level was expanded to PK-2 to reflect the current PK-12 licensure endorsement for physical education in the state of Kansas. For Standards 1 and 2, this level was further divided into PK-K and Grades 1-2, enabling the statements to clearly express the progressive nature of learning during this developmental phase. The high school level is divided into Level 1 which represents appropriate outcomes for students completing the required PE program, and Level 2 for those who complete elective PE programming.

Grade levels are labeled as follows:  E=Early Primary (PK-K); P=Primary (Grs. 1-2); EP=Early Primary/Primary (Grs. PK-2); IM=Intermediate (Grs. 3-5); MS=Middle School (Grs. 6-8); HS=High School (Grs. 9+)—L1=Level 1 (required PE), L2=Level 2 (elective PE). Each grade-level outcome is identified by a code signifying its connection to a standard, concept, and level. For example, the code 3A.HS2.L2 represents:

- Standard 3
- Concept A
- Grade Level: High School
- Outcome #2
- HS Level 2

| 1C. Manipulatives | PK-K | ThROWS UNDERHAND while stepping forward with opposite foot. (1C.E1)  
Catches a large ball before it bounces twice. (1C.E2)  
Dribbles a ball at least two times with one hand. (1C.E3)  
Dribbles a ball forward with the inside of the dominant foot. (1C.E4)  
Kicks a ball with the top of the foot. (1C.E5)  
Volleys upward a large, slow-moving object. (1C.E6)  
Strikes a slow-moving object using a short implement. (1C.E7)  
Jumps a self-turned rope at least once. (1C.E8)  
Performs the following skills with 2-3 critical elements* of a mature pattern: throwing (overhand and underhand), catching, dribbling with hands, kicking, volleying (underhand and overhead), striking (short and long implements). (1C.P1)  
Dribbles with either foot and maintains control of the ball for a short distance. (1C.P2)  
Strikes a slow-moving object upward repeatedly using a short implement. (1C.P3)  
Strikes a stationary object with a long implement. (1C.P4)  
Jumps a self-turned rope repeatedly and a long rope at least five times. (1C.P5)  
Performs manipulative skills consistently with a mature pattern. (1C.MS1)  
Executes manipulative skills with dominant and nondominant hand or foot. (1C.MS2) |

- Trunk leans slightly forward.

JUMPING AND LANDING FOR DISTANCE (Horizontal plane)
- Arms back and knees bend in preparation for jumping action.
- Arms extend forward as body propels forward.
- Body extends and stretches slightly upward while in flight.
- Hips, knees and ankles bend on landing.
- Shoulders, knees and ankles align for balance after landing.

JUMPING AND LANDING FOR HEIGHT (Vertical plane)
- Hips, knees and ankles bend in preparation for jumping action.
- Arms extend upward as body propels upward.
- Body extends and stretches upward while in flight.
- Hips, knees and ankles bend on landing.
- Shoulders, knees and ankles align for balance after landing.

THROWING (Underhand pattern)
- Face target in preparation for throwing action.
- Arm back in preparation for action.
- Step with opposite foot as throwing arm moves forward.
- Release ball between knee and waist level.
- Follow through to target.
THROWING (Overhand pattern)
- Side to target in preparation for throwing action.
- Arm back and extended, and elbow at shoulder height or slightly above in preparation for action; elbow leads.
- Step with opposite foot as throwing arm moves forward.
- Hip and spine rotate as throwing action is executed.
- Follow through toward target and across body.

CATCHING
- Extend arms outward to reach for ball.
  - Thumbs in for catch above the waist.
  - Thumbs out for catch at or below the waist.
- Watch the ball all the way into the hands.
- Catch with hands only; no cradling against the body.
- Pull the ball into the body as the catch is made.
- Curl the body slightly around the ball.

DRIBBLING
- Knees slightly bent.
- Opposite foot forward when dribbling in self-space.
- Contact ball with finger pads.
- Firm contact with top of ball.
  - Contact slightly behind ball for travel.
  - Ball to side and in front of body for travel.
- Eyes looking “over,” not down at, the ball.

KICKING
- Arms extend forward in preparation for kicking action.
- Contact with the ball is made directly below center of ball (travel in the air); contact with ball is made directly behind center of ball (travel on the ground).
- Contact the ball with shoelaces or top of foot for kicking action.
- Trunk leans back slightly in preparation for kicking action.
- Follow through with kicking leg extending forward and upward toward target.
VOLLEYING (Underhand)
- Face the target in preparation for the volley.
- Opposite foot forward.
- Flat surface with hand for contact of the ball or volleybird.
- Contact with ball or volleybird between knee and waist level.
- Follow through upward and to the target.

VOLLEYING (Overhead)
- Body aligned and positioned under the ball.
- Knees, arms and ankles bent in preparation for the volley.
- Hands rounded; thumbs and first fingers make triangle (without touching) in preparation.
- Ball contacts only the finger pads; wrists stay firm.
- Arms extended upward on contact; follow through slightly toward target.

STRIKING WITH SHORT IMPLEMENT
- Racket back in preparation for striking.
- Step on opposite foot as contact is made.
- Swing racket or paddle low to high.
- Coil and uncoil the trunk for preparation and execution of striking action.
- Follow through for completion of the striking action.

STRIKING WITH LONG IMPLEMENT (Side-arm pattern)
- Bat up and back in preparation for the striking action.
- Step forward on opposite foot as contact is made.
- Coil and uncoil the trunk for preparation and execution of the striking action.
- Swing the bat on a horizontal plane.
- Wrist uncocks on follow-through for completion of the striking action.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:

Act on Kansas Model Standards for Health

Recommended Motion:

It is moved that the Kansas State Board of Education approve the Kansas Model Standards for Health as recommended by the Kansas Health Model Standards review team.

Explanation of Situation Requiring Action:

The Kansas Model Standards for Health recently underwent a review in accordance with the legislative review mandate. Representatives from the standards review committee presented the proposed updates at the September Board meeting and recommend approval of the standards as presented.

Introduction to the Kansas K-12 Health Education Standards

Background

Kansas schools have a long history of providing health education to students. While some schools offer more health curricula than others, most offer some type of health education during grades K-12, most notably puberty education for grades 4-6, and a required health class, usually in grades 7, 8, 9, or 10.

Research studies show that healthy kids do better in school and score higher on achievement tests. In the 1990s, educators nationwide realized the need for a set of national health education standards that states could use as a template. In 1995, the National Committee for Health Education Standards created seven national health education standards with K-12 benchmarks that covered the ten content areas of health and the Centers for Disease Control's (CDC) six risk behaviors for adolescents.

In 2004, the Kansas State Department of Education (KSDE) recognized the need for Kansas to have its own set of health education standards. The standards were then approved by the Kansas State Board of Education in 2006.

In January of 2018, a committee of K-12 health and physical educators and higher education health professionals convened to revise the current health education standards. In September of 2018, the proposed revisions were presented to the State Board of Education and were then approved in November of 2019.
How to Use the Standards

The Kansas Health Education Standards are to be used to plan and implement K-12 health education in Kansas schools. Although health education is non-assessed in the Kansas Education Systems Accreditation (KESA) guidelines, it is an important content area. This document provides an outline of recommendations for quality health education instruction for Kansas students.

The Health Education Standards Committee believes that parents should be involved with the health education of their children. Parents are encouraged to visit with their schools’ health teachers about the health topics that will be covered in class and to talk with their children about these health issues.

The Kansas Health Education Standards are divided into four sections: K-2, 3-5, 6-8, 9-12. They were created using the national standards as a template (available at www.shapeamerica.org), but the benchmarks were edited to make the standards more user-friendly for Kansas teachers. Research shows that elementary students who are given nutrition, physical activity, and substance abuse resistance skills education, eat a healthier diet, exercise more, and resist substance abuse. Students in grades 5-12 who receive health education focused on the CDC’s adolescent risk behaviors also eat healthier, exercise more, resist substance abuse, avoid intentional and unintentional injury, and also delay sexual activity.

The Kansas Health Education Standards Revision Committee feels strongly that health education for Kansas students should be implemented throughout grades K-12 and we encourage teachers to dialogue with their administration regarding ways to strengthen health education in Kansas schools. While the Kansas State Department of Education does not endorse any particular curricula, there are a number of affordable, researched based, K-12 health education curricula currently available to school districts at reasonable costs.
Conclusion

The Health Education Standards Revision Committee hopes these standards will be helpful to you and we applaud your commitment to providing quality health education for Kansas children and teens. If you have questions regarding these standards, please contact: Branden Johnson, Assistant Director of Graduation, Kansas State Department of Education, 120 SE 10th Avenue, Topeka, Kansas 66612 (785) 296-8447

PARENT/GUARDIAN CONSENT FORM
HUMAN SEXUALITY EDUCATION

Course:_________________________________________________________ Teacher(s):_________________________________________________________

School:_________________________________________________________ Phone:__________________________________________________________

Dear Parent/Guardian:

As a part of your child's education, he/she is enrolled in a course that includes information on puberty and human sexuality education. If you would like to review the curriculum and talk with the teacher before signing this form, call or email the teacher immediately to set up a conference time.

NOTE: Opt-in letters work differently than opt-out letters you may have worked with before, in this or other school districts. The school must have a signed form from every student's parent/guardian indicating that the student has permission to participate in the human sexuality curriculum. Failure of a parent/guardian to return a signed form means the student will attend study hall and will not attend class sessions which are identified as addressing puberty or human sexuality.

If your preference is for your child to "opt-in" the puberty and human sexuality education, please indicate so by providing your child's name, placing a check in the space provided, and signing and dating the form. By so doing, you are giving permission for your child to receive information on puberty and human sexuality.

Student's Name:________________________________________________________

_______ I GRANT permission for my child to participate in the puberty and human sexuality education.

Parent/Guardian Signature:__________________________________________ Date:________________________________________________________

Please sign and return this form to the school on or before (date set by school).

Subject: Update on Teacher Vacancy and Supply, Professional Standards Board and highlights of Licensed Personnel Report

The Kansas State Board of Education created the Teacher Vacancy and Supply Committee (TVSC) as a standing subcommittee of the Professional Standards Board (PSB) to continue the work of the Blue Ribbon Task Force (BRTF). The State Board also tasked the PSB with addressing recommendations in the BRTF report.

The TVSC meets regularly to work on specific issues, originally the licensing issues identified by the State Board as the most immediate priority outcome for the group. Staff will provide an update on the progress and recommendations by the TVSC and State Board action. Data on the two pilot license programs approved by the State Board and implemented for the current school year will be included.

The PSB continues to discuss, evaluate and address BRTF recommendations. Accomplishments in recruitment (Educate Kansas marketing campaign) and retention (Educate Kansas Dialogue Summit: Retention) will be highlighted.

The Teacher Licensure and Accreditation team collects vacancy data each fall and spring from school districts. In addition, districts complete a Licensed Personnel data submission each spring on their licensed personnel. The collected data plays an important role in helping determine future needs and recommendations for licensing and recruitment / retention efforts. The presentation will include selected data from the vacancy and Licensed Personnel submissions relative to supply and demand and the recommendations being addressed by the TVSC, PSB and State Board.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Scott Gordon
Director: Scott Gordon
Commissioner: Randy Watson
Meeting Date: 10/9/2018
Agenda Number: 15 a.

Item Title:
Act on recommendations of the Professional Practices Commission (Grant)

Recommended Motion:
It is moved that the Kansas State Board of Education grant the license requested by Michael Slayton and any other license for which he may apply and be qualified to receive.

Explanation of Situation Requiring Action:
Michael Slayton 18-PPC-26

Mr. Slayton was previously licensed by the Kansas State Board of Education, but was revoked in 2009 due to a conviction for felony tax evasion and willful failure to pay taxes. Since that time, he has worked toward paying off court-ordered restitution and worked as a paraprofessional in schools for a number of years. Due to the length of time since his last criminal actions, the changes he made in his life since that time, and the letters of recommendation provided by Mr. Slayton, the Professional Practices Commission recommends that Mr. Slayton’s license be granted as well as any other license for which he may apply and be otherwise qualified to receive.
BEFORE THE KANSAS STATE BOARD OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

In the Matter of
the Application of
Michael Slayton

18-PPC-26

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices
Commission (Commission) of the Kansas State Board of Education (State Board) upon Michael
Slayton’s application for a Limited Apprentice License.

The hearing on this matter was held on August 10, 2018. Appearing for the Commission
were chairperson, Linda Sieck, and members, Nathan Reed, Laura Batson, William Anderson, Eric
Filippi, Jennifer Holt and Aaron Edwards. The KSDE appeared by and through its attorney,
General Counsel, R. Scott Gordon. Mr. Slayton appeared pro se and testified on his own behalf.

FINDINGS OF FACT

2. On October 19, 2008, Slayton was convicted of felony tax evasion and willful failure to account
   for and pay tax in the United States District Court, District of Kansas.

3. On October 21, 2008, Slayton was sentenced to be imprisoned for 12 months. Upon release
   from imprisonment, Slayton served 3 years of supervised release.

4. On January 13, 2009, the Kansas State Board of Education revoked his teaching license as a
   consequence of felonious conduct in committing the crimes of tax evasion and willful failure to
   account for and pay tax.

5. With his recent application for relicensure, Mr. Slayton disclosed his offense and provided
   appropriate documentation.
6. It has been over five years since the termination of Mr. Slayton's criminal offenses. He has not been arrested for any criminal activity since 2008.

7. Mr. Slayton has taken full responsibility and has shown remorse for his actions.

8. Mr. Slayton provided several letters of reference in support of his application, many of which specifically addressed his prior criminal conduct.

CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI. and K.S.A. 72-255.

3. The Commission investigates and conduct hearings pertaining to allegations of educator misconduct. K.S.A. 72-2314; K.A.R. 91-22-1a et seq.

4. The State Board may deny the application of an individual who has been convicted of any felony or any crime involving theft. K.A.R. 91-22-1a(a)(1)(3).

5. The Commission, in determining whether to recommend to the State Board that applicant shall receive his license, determines the extent of the person's efforts at rehabilitation as well as the person's fitness to be a member of the teaching profession. K.A.R. 91-22-1a(g).

6. The Commission finds Slayton was credible and has demonstrated a present recognition of the wrongfulness of his past actions. Specifically, the Commission found that enough time had passed since his wrongdoing, and that he had worked productively within a school environment for many years without any reflection of recidivism or posing a risk to students or to himself.
THEREFORE the Professional Practices Commission, by vote of 6-1, recommends to the State Board that Michael Slayton receive a Limited Apprentice License and another other license for which he may apply assuming he meets all other requirements.

This Initial Order is made and entered this August 10, 2018.

PROFESSIONAL PRACTICES COMMISSION

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Agenda Number: 15 b.

Staff Initiating: Scott Gordon
Director: Scott Gordon
Commissioner: Randy Watson
Meeting Date: 10/9/2018

Item Title:
Act on the recommendations of the Professional Practices Commission (Revocation)

Recommended Motion:
It is moved that the Kansas State Board of Education revoke the licenses of Jordan Ottley, Kyle Miller, Michael Knake and Timothy Weis.

Explanation of Situation Requiring Action:

1. Jordan Ottley 18-PPC-18

Jordan Ottley currently holds a professional teaching license. Mr. Ottley was convicted of Aggravated Endangering a Child, Sexual Battery and two counts of Battery. Mr. Ottley is currently serving a term of probation and is required to register as a sex offender for 15 years. KSDE filed a Complaint to which Mr. Ottley did not respond. The Professional Practices Commission voted 7-0 to recommend the State Board revoke Mr. Ottley’s license.

2. Kyle Miller 18-PPC-23

Kyle Miller currently holds a teaching license. Mr. Miller voluntarily surrendered his teaching license as a result of inappropriate supervision of students and inappropriate communication with a student via text messaging. The Professional Practices Commission voted 7-0 to recommend the State Board accept Mr. Miller’s surrender and revoke his license.

3. Michael Knake 18-PPC-17

Michael Knake currently holds a substitute teaching license. In October, 2017 Mr. Knake was convicted of theft and placed on one year of probation. KSDE filed a Complaint requesting revocation of Mr. Knake’s license to which Mr. Knake did not respond. The Professional Practices Commission voted 7-0 to recommend the State Board revoke Mr. Knake’s license.

4. Timothy Weis 18-PPC-16

Timothy Weis currently holds a professional teaching license. On January 31, 2018, Mr. Weis was convicted for Failing to Report Abuse. He is currently serving a 12-month term of probation. KSDE filed a Complaint requesting revocation of Mr. Weis’ license to which he did not respond. The Professional Practices Commission voted 6-0 (with one abstention) to recommend the State Board revoke Mr. Weis’ license.
BEFORE THE KANSAS STATE BOARD OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

In the Matter of 18-PPC-18
the License of
Jordan Ottley

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices
Commissioner (Commission) of the Kansas State Board of Education (State Board) upon the
Complaint filed by the Kansas State Department of Education seeking revocation of Jordan Ottley’s
professional license.

The hearing on this matter was held on August 10, 2018. Appearing for the Commission
were chairperson, Linda Sieck, and members, Nathan Reed, Laura Batson, William Anderson, Eric
Filippi, Jennifer Holt and Aaron Edwards. The KSDE appeared by and through its attorney,
General Counsel, R. Scott Gordon. Jordan Ottley did not appear.

FINDINGS OF FACT

1. Jordan Ottley holds a professional teaching license.

2. On March 19, 2018, and after entering a plea agreement, Ottley was convicted of one count of
felony aggravated endangering a child in violation of K.S.A. 21-5601 (b )1) and (c)(2), one count
of misdemeanor sexual battery in violation of K.S.A. 21-5505(a) and (c)(1), and two counts of
misdemeanor battery. He received a probation term of 36 months and is required to register as a
sex offender for 15 years

3. The Kansas State Department of Education mailed a copy of the Complaint via certified mail to
Mr. Ottley’s last known address. That letter was signed for by Mr. Ottley. Mr. Ottley did not
submit a written Answer or request a hearing.
CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

2. The State Board may revoke a license for misconduct or other just cause. K.A.R. 91-22-1a(a)(b)

3. The State Board may also revoke the license of an individual who has been convicted of any crime punishable as a felony. K.A.R. 91-22-1a(a)(1); See K.S.A. 72-2155; Hainline v. Bond, 250 Kan. 217,224 (1992).

4. The State Board may revoke the license of an individual who has been convicted of any crime involving a minor. K.A.R. 91-22-1a(a)(2).

5. The State Board may revoke the license of an individual convicted of aggravated endangering a child. K.A.R. 91-22-1a(a)(5).

6. The State Board may cancel, i.e., revoke, a teaching license on the grounds of immorality. K.S.A. 72-2155; Hainline v. Bond, 250 Kan. 217 (1992). One of the obvious goals of education is to "instill respect for the law." An educator is a role model. Hainline at 224.

7. In the future, the State Board will be prohibited from renewing or issuing a new license to Ottley because of his convictions. K.S.A. 72-2165(a)(10)(18).

8. Teaching and school administration are professions with all the similar rights, responsibilities and privileges accorded other legally recognized professions. K.S.A. 72-2308.

4. Ottley's conduct is inconsistent with the commonly held perceptions and expectations of a member of the teaching profession. Such conduct violates the public trust and confidence placed in members of the profession. Ottley's conduct demonstrates a lack of fitness to perform the duties and responsibilities of a member of the teaching and school administration professions and is sufficient and just cause to revoke his license.
THEREFORE the Professional Practices Commission, by vote of 7-0, recommends the Kansas State Board of Education revoke the professional license of Jordan Ottley based on his felony conviction, and for not requesting a hearing or submitting an answer in response to the Complaint.

This Initial Order is made and entered this August 10, 2018.

In the Matter of
the License of
Kyle Miller

18-PPC-23

INITIAL ORDER

The above-captioned case comes before the Professional Practices Commission (Commission) of the Kansas State Board of Education (State Board) upon Kyle Miller’s submission of a voluntary surrender of his teaching license for revocation.

The hearing was held on August 10, 2018. Appearing for the Commission were chairperson, Linda Sieck, and members, Nathan Reed, Laura Batson, William Anderson, Eric Filippi, Jennifer Holt and Aaron Edwards. The KSDE appeared by and through its attorney, General Counsel, R. Scott Gordon. Kyle Miller did not appear.

FINDINGS OF FACT

1. Kyle Miller holds a Kansas teaching license.

2. Miller voluntarily surrendered his teaching license for revocation as a consequence of his misconduct involving inappropriate supervision of students and inappropriate communication with a student via text messages.

CONCLUSIONS OF LAW

1. A member of the teaching or school administration profession may voluntarily surrender his license to the Commission. The Commission shall investigate the surrender and make a recommendation to the Kansas State Board of Education (State Board) for disposition of the license. K.A.R. 91-22-5a(c).

2. Under these circumstances, notice of the possible revocation of Miller’s license and the opportunity for him to have a hearing are not required to revoke his license. See K.A.R. 91-22-1a(h) (Before a license is revoked for any act described in K.A.R. 91-22-1a(a), the person shall be given...

FINDINGS OF FACT

1. Michael Knake holds a Substitute Teaching License.

2. On October 11, 2017, Knake was charged with misdemeanor theft, in case #2017CRM001263 in the Municipal Court of Salina, Kansas. October 24, 2017, Knake pled guilty to theft and received probation for one year.

3. The Kansas State Department of Education mailed a copy of the Complaint via certified mail to Mr. Knake’s last known address. It was received on April 30, 2018. Mr. Knake did not submit a written Answer or request a hearing.
CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. Kan. Const., Art. VI and K.S.A. 72-255.

2. The State Board may revoke a license for misconduct or other just cause. K.A.R. 91-22-1a(b).

3. Additionally, the State Board may revoke the license of an individual who has been convicted of misdemeanor theft. K.A.R. 91-22-1a(a)(3).

4. The State Board may cancel, i.e., revoke, a teaching license on the grounds of immorality. K.S.A. 72-1383; Hainline v. Bond, 250 Kan. 217 (1992). One of the obvious goals of education is to "instill respect for the law." An educator is a role model. Hainline at 224.

5. In Kansas, teaching and school administration are professions with all the similar rights, responsibilities, and privileges accorded other legally recognized professions. K.S.A. 72-2308.

6. Knake's conduct is inconsistent with the commonly held perceptions and expectations of a member of the teaching profession. Such conduct violates the public trust and confidence placed in the profession and demonstrates a lack of fitness to perform the duties and responsibilities of a member of the teaching and school administration professions. Such conduct is sufficient and just cause to revoke Knake's license.

    THEREFORE the Professional Practices Commission, by vote of 7-0, recommends the Kansas State Board of Education revoke the Substitute license of Michael Knake based on his theft conviction, and for not requesting a hearing or submitting an answer in response to the Complaint.

BEFORE THE KANSAS STATE BOARD OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

In the Matter of the License of Timothy Weis

18-PPC-16

INITIAL ORDER

The above-captioned case comes on for hearing before the Professional Practices Commissioner (Commission) of the Kansas State Board of Education (State Board) upon the Complaint filed by the Kansas State Department of Education seeking revocation Timothy Weis’ professional license.

The hearing on this matter was held on August 10, 2018. Appearing for the Commission were chairperson, Linda Sieck, and members, Nathan Reed, Laura Batson, William Anderson, Eric Filippi, Jennifer Holt and Aaron Edwards. The KSDE appeared by and through its attorney, General Counsel, R. Scott Gordon. Timothy Weis did not appear.

FINDINGS OF FACT

1. Timothy Weis holds a professional teaching license.
2. During the 2014-2015 and 2015-2016 school years, Weis was the principal at Prairie View High School, USD 362 Prairie View.
3. On February 21, 2017, Weis was charged with misdemeanor failing to report abuse as required in violation of K.S.A. 38-2223(a1)(C)(e1) in the District Court of Linn County, Kansas.
4. On January 31, 2018, Weis pled no contest to and was found guilty of the above charge. He was placed on supervised probation for twelve months.
5. The Kansas State Department of Education mailed a copy of the Complaint via certified mail to Timothy Weis’ last known address. That letter was signed for by Mr. Weis. Mr. Weis did not submit a written Answer or request a hearing.

CONCLUSIONS OF LAW

1. The Kansas State Board of Education (State Board) is responsible for the general supervision of Kansas education, including the certification and licensure of teachers. KAS. Const., Art. VI and K.S.A. 72-255.
2. The State Board may revoke a license for misconduct or other just cause. K.A.R. 91-22-1a(a)(b).
3. The State Board may revoke the license of an individual who has been convicted of any crime involving a minor. K.A.R. 91-22-1a(a)(2).
4. The State Board may cancel, i.e., revoke, a teaching license on the grounds of immorality. K.S.A. 72-1383; Hainline v. Bond, 250 Kan. 217 (1992). One of the obvious goals of education is to "instill respect for the law." An educator is a role model. Hainline at 224.

5. In Kansas, teaching and school administration are professions with all the similar rights, responsibilities, and privileges accorded other legally recognized professions. K.S.A. 72-2308.

6. Weis’ conduct is inconsistent with the commonly held perceptions and expectations of a member of the teaching profession. Such conduct violates the public trust and confidence placed in members of the profession. Weis’ conduct demonstrates a lack of fitness to perform the duties and responsibilities of a member of the teaching and school administration professions and is sufficient and just cause to revoke his license.

THEREFORE the Professional Practices Commission, by vote of 6-0, recommends the Kansas State Board of Education revoke the professional license of Timothy Weis based on his failure to report abuse and for not requesting a hearing or submitting an answer in response to the Complaint.

This Initial Order is made and entered this August 10, 2018.

Executive session for the purpose of consultation with attorney

Recommended Motion:

It is moved that the Kansas State Board of Education recess into Executive Session to discuss the subject of legal matters with legal counsel, which is justified pursuant to the exception for matters which would be deemed privileged in the Attorney-Client relationship under KOMA, in order to protect the privilege and the Board’s communications with an attorney on legal matters.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Agenda Number: 17 b.

Staff Initiating: Director: Commissioner:
Candi Brown Wendy Fritz Randy Watson

Meeting Date: 10/9/2018

Item Title:

Act on personnel appointments to unclassified positions

Recommended Motion:

It is moved that the Kansas State Board of Education confirm the personnel appointments of individuals to unclassified positions at the Kansas State Department of Education as presented.

Explanation of Situation Requiring Action:

Personnel appointments presented this month are:

- Amy Martin to the position of Senior Administrative Assistant on the Special Education and Title Programs team, effective Sept. 23, 2018, at an annual salary of $28,308.80. This position is funded by Title VI – B IDEA Administration Fund and Consolidated Administration Pool Fund.

- Sharon Bloom to the position of Quality Assurance Technician on the Information Technology team, effective Sept. 23, 2018, at an annual salary of $47,236.80. This position is funded by State General Fund.

- Susan McMahan to the position of Safety Specialist on the School Finance team, effective Sept. 23, 2018, at an annual salary of $65,000. This position is funded by State General Fund.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:

Act on recommendation for renewal of a Visiting Scholar license

Recommended Motion:

It is moved that the Kansas State Board of Education accept the recommendation of Randy Watson, Commissioner of Education, regarding renewal of a Visiting Scholar license.

Explanation of Situation Requiring Action:

Thomas More Prep – Marian High School and Keri Caudle Maricle

Thomas More Prep-Marian High School requests that Keri Maricle be granted renewal of a Visiting Scholar license valid for the 2018-19 school year. Ms. Maricle will continue to be assigned to teach Biology, AP Biology, and Anatomy and Physiology. She will teach three sections of full-year Biology, two sections of semester-long Anatomy and one section of semester-long AP Biology.

Keri Maricle’s educational background in science, including her graduate degree, as well as her experiences in the classroom as a graduate teaching assistant, in the laboratory, in extensive research, and in her scientific writings and presentations continue to allow her to provide a unique educational experience to her students at Thomas More Prep-Marian High School. Through her experiences and studies, she meets the criteria for significant experiences and an advanced degree in the subject. Her numerous publications, research grant awards and fellowships also indicate an exceptional talent or distinction in the field of biology/botany for a young scientist. I recommend that the request for renewal of a Visiting Scholar license valid for the 2018-19 school year for Keri Maricle be approved, based on continuing to meet all three of the established criteria and appropriate professional learning experiences.

Criteria for a Visiting Scholar license:

1. Advanced course of study or extensive training in the area of licensure requested
2. Outstanding distinction or exceptional talent in the field
3. Significant recent occupational experience which is related to the field
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:

Act on recommendations for Licensure Waivers

Recommended Motion:

It is moved that the Kansas State Board of Education accept the recommendations for licensure waivers as presented.

Explanation of Situation Requiring Action:

SBR 91-31-42 allows any school district to request a waiver from one or more of their accreditation requirements imposed by the State Board. Requests by schools to waive school accreditation regulation SBR 91-31-34 (appropriate certification/licensure of staff) are reviewed by the staff of Teacher Licensure and Accreditation. The district(s) must submit an application verifying that the individual teacher for whom they are requesting the waiver is currently working toward achieving the appropriate endorsement on his/her license. A review of the waiver application is completed before the waiver is recommended for approval.

The attached requests have been reviewed by the Teacher Licensure and Accreditation staff and are being forwarded to the State Board of Education for action. If approved, school districts will be able to use the individuals in an area outside the endorsement on their license, and in the area for which they have submitted an approved plan of study. The waiver is valid for one school year.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Agenda Number: 17 e.

Meeting Date: 10/9/2018

Staff Initiating: Doug Boline
Director: Colleen Riley
Commissioner: Randy Watson

Item Title:
Act on Education Flexibility Partnership (Ed-Flex) Waiver

Recommended Motion:
It is moved that the Kansas State Board of Education approve the Education Flexibility Partnership (Ed-Flex) waiver request for USD 387 Altoona-Midway and USD 400 Smoky Valley.

Explanation of Situation Requiring Action:
The districts listed below are seeking an Ed-Flex waiver of Title I Part A Section 1127(b) of ESEA which prevents them from exceeding the 15 percent Title I carryover of funds limitation more than once every three years.

These districts are seeking a waiver in order to carryover more than 15 percent of the 2017-2018 Title I allocation into 2018-2019: USD 387 Altoona-Midway and USD 400 Smoky Valley.

The Kansas State Department of Education staff recommends these Ed-Flex waivers be granted.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Agenda Number: 17 f

Meeting Date: 10/9/2018

Staff Initiating: Catherine Chmidling
Director: Mischel Miller
Commissioner: Randy Watson

Item Title:
Act on recommendations of the Evaluation Review Committee for higher education accreditations and program reviews

Recommended Motion:

It is moved that the Kansas State Board of Education accept the following recommendations of the Evaluation Review Committee for “Accreditation” for Barclay College, Pittsburg State University and Wichita State University, and “Program Approval” for Emporia State University, Kansas State University, MidAmerica Nazarene University, University of Saint Mary and Washburn University.

Explanation of Situation Requiring Action:

Following the institutional application and receipt of a complete institutional report, a review team of trained evaluators was appointed to review the education preparation provider or teacher education programs (as appropriate) for the above institutions based on adopted State Board policies, procedures and regulations. These are available for review by any member or members of the State Board. Each review team's report and each institution's response to the report, along with the institutional reports, were submitted to the Evaluation Review Committee (ERC) of the Teaching and School Administration Professional Standards Advisory Board. The ERC, in accordance with procedures adopted by the State Board, prepared written initial recommendations regarding the appropriate status to be assigned to each education preparation provider or teacher education program.

The initial recommendation was submitted to the teacher education institution and the institution was given 30 days to request a hearing to appeal the initial recommendation. If requested, the ERC conducted a hearing and prepared a written final recommendation regarding the appropriate status to be assigned to the teacher education program. If a request for a hearing was not submitted, the initial recommendation became the final recommendation. These final recommendations have been submitted to appropriate representatives of the teacher education institutions and are now submitted to the State Board, as attached, for consideration and approval of the ERC recommendations for accreditation and program approval status.

A copy of the regulations covering this process is also attached. Staff will be on hand to answer any questions.

*If approved, new programs are always assigned the status of "new program approved with stipulation."

ACCREDITATION AND PROGRAM REVIEW PROCESS

The responsibilities of the Commissioner and State Board regarding unit accreditation under regulations 91-1-231(d), 91-1-232b and 91-1-70a are as follows:

KSDE’s Evaluation Review Committee (ERC) renders accreditation and program approval recommendations for the initial teacher preparation and advanced program levels of the unit.

When Kansas has an institution that wishes to initiate a teacher preparation program for the first time, the State Board begins the accreditation process by authorizing a review of documents during a visit to that unit to determine the capacity of that unit to deliver quality preparation programs. After the initial visit, ERC will recommend one of the following accreditation decisions:

**Limited Accreditation.** This accreditation decision indicates that the unit has the ability to meet the requirements of an educator preparation education institution and the capacity to develop programs for the preparation of educators and has three years before a full accreditation visit is conducted.

**Denial of Accreditation.** This accreditation decision indicates that the unit has pervasive problems that limit its ability to offer quality programs that adequately prepare quality candidates.

In addition, the Evaluation Review Committee of KSDE and the Accreditation Council of CAEP render separate recommendations/decisions for institutions undergoing their first joint accreditation visit and a continuing accreditation visit. The following accreditation decisions apply to all institutions seeking accreditation.

ACCREDITATION DECISIONS AFTER THE FIRST VISIT

After an institution’s first accreditation visit, the ERC will render one of the following accreditation decisions:

**Accreditation.** This accreditation decision indicates that the unit meets each of the five KSDE standards for unit accreditation. Areas for improvement may be cited, indicating problems warranting the institution’s attention. In its subsequent annual reports, the unit may describe progress made in addressing the areas for improvement cited in KSDE’s and CAEP’s action letters in preparation for its next visit. The next on-site visit is scheduled for five years following the semester of the accreditation visit.

**Provisional Accreditation.** This accreditation decision indicates that the unit has not met one or more of the standards. When the ERC renders this decision, the unit has accredited status,
but must satisfy provisions by meeting previously unmet standard(s) within an established time period.

If provisional accreditation is granted, the ERC will require (1) submission of documentation that addresses the unmet standard(s) within six months of the accreditation decision or (2) a focused visit on the unmet standard(s) within two years of the semester of the accreditation decision. When a decision is made by the ERC to require submission of documentation, the institution may choose to waive that option in favor of the focused visit within two years.

1 "First accreditation" refers to institutions not accredited by KSDE at the time of their visit.

If documentation is submitted under the terms specified in the above paragraph, the ERC may (1) grant accreditation or (2) require a focused visit within one year of the semester in which the documentation was reviewed by the ERC. After a focused visit, the ERC will (1) grant accreditation or (2) revoke accreditation. If accreditation is granted, the next on-site visit is scheduled for five years following the semester in which the accreditation visit occurred. This scheduling establishes and maintains the unit’s five-year accreditation cycle.

If accreditation is granted, the next on-site visit is scheduled for five years following the semester in which the first accreditation visit occurred.

Denial of Accreditation. This accreditation decision indicates that the unit does not meet one or more of the KSDE standards, and has pervasive problems that limit its capacity to offer quality programs that adequately prepare candidates.

Revocation of Accreditation. Following a focused visit that occurs as a result of a provisional accreditation decision, this accreditation decision indicates that the unit has not sufficiently addressed the unmet standard(s).

2 Accreditation can also be revoked by action of the ERC/Accreditation Council under the following circumstances: (1) following an on-site visit by a BOE team initiated by the Complaint Review Committee acting on behalf of the Executive Board; (2) following an on-site visit by a BOE team initiated by the Accreditation Council at the recommendation of its Annual Report and Preconditions Audit Committee; (3) following a motion from the President of CAEP to revoke accreditation on grounds that an accredited unit (a) no longer meets preconditions to accreditation, including but not limited to loss of state approval and/or regional accreditation; (b) refuses to pay the fees that it has been assessed; (c) misrepresents its accreditation status to the public; (d) has falsely reported data and/or plagiarized information submitted for accreditation purposes; or (e) fails to submit annual reports or other documents required for accreditation.
ACCREDITATION DECISIONS AFTER A CONTINUING ACCREDITATION VISIT

After a continuing accreditation visit, the ERC will render one of the following decisions:

Accreditation. This accreditation decision indicates that the unit meets each of the five KSDE standards for unit accreditation. Areas for improvement may be cited, indicating problems warranting the institution’s attention. In its subsequent annual reports, the unit may describe progress made in addressing the areas for improvement cited in KSDE’s and/or CAEP’s action letters in preparation for its next visit. The next on-site visit is scheduled for seven years following the semester of the continuing accreditation visit.

When one level of the unit receives continuing accreditation and a new level is accredited for the first time, the next accreditation visit will be in seven years if the state agency has agreed to a seven-year cycle of reviews.

Accreditation with Conditions. This accreditation decision indicates that the unit has not met one or more of the KSDE standards. When the ERC renders this decision, the unit maintains its accredited status, but must satisfy conditions by meeting the previously unmet standard(s) within an established time period.

If accreditation with conditions is granted, the ERC will require (1) submission of documentation that addresses the unmet standard(s) within six months of the accreditation decision or (2) a focused visit on the unmet standard(s) within two years of the accreditation decision. When a decision is made by the ERC to require submission of documentation, the institution may choose to waive that option in favor of the focused visit within two years.

If documentation is submitted under the terms specified in the above paragraph, the ERC may (1) continue accreditation or (2) require a focused visit within one year of the semester in which the documentation was reviewed by the ERC. After a focused visit, the ERC will (1) continue accreditation or (2) revoke accreditation. If accreditation is granted, the next on-site visit is scheduled for seven years following the semester in which the continuing accreditation visit occurred. This scheduling maintains the unit’s original accreditation cycle.

Accreditation with Probation. This accreditation decision indicates that the unit does not meet one or more of the KSDE standards, and has pervasive problems that limit its capacity to offer quality programs that adequately prepare candidates.

If accreditation with probation is granted, the unit must schedule an on-site visit within two years of the semester in which the probationary decision was rendered. The unit must address all KSDE standards in effect at the time of the probationary review. Following the on-site review, the ERC will (1) continue accreditation or (2) revoke accreditation. If accreditation is continued, the next on-site visit is scheduled for five years after the semester of the probationary visit.
**Revocation of Accreditation.** Following a comprehensive site visit that occurs as a result of a ERC to accredit with probation or to accredit with conditions, this accreditation decision indicates that the unit does not meet one or more of the KSDE standards, and has pervasive problems that limit its capacity to offer quality programs that adequately prepare candidates.

Accreditation can also be revoked by action of the ERC/Accreditation Council under the following circumstances: (1) following an on-site visit by a BOE team initiated by the Complaint Review Committee acting on behalf of the Executive Board; (2) following an on-site visit by a BOE team initiated by the Accreditation Council at the recommendation of its Annual Report and Preconditions Audit Committee; (3) following a motion from the President of CAEP to revoke accreditation on grounds that an accredited unit (a) no longer meets preconditions to accreditation, including but not limited to loss of state approval and/or regional accreditation; (b) refuses to pay the fees that it has been assessed; (c) misrepresents its accreditation status to the public; (d) has falsely reported data and/or plagiarized information submitted for accreditation purposes; or (e) fails to submit annual reports or other documents required for accreditation.

Standard 6 (Met)

AFI 6.1: The descriptor for Assessment 6, item 1 “Meets Standard” lacks specificity.

Rationale 6.1: Although the descriptor is aligned to the standard, words like “demonstrates how” do not provide specific observable behaviors that would more clearly determine the true abilities of the candidate. Candidates or evaluators would not have clear target performance indicators to inform their evaluation of the teaching practice.

New programs may be given the status of ‘New program approved with stipulation,’ or ‘Not approved.’ New programs may be approved-with-stipulation for 2 years during which they are operationalized and submit a Progress report to address the new program stipulation.

PROGRAM REVIEW PROCESS

The responsibilities of the Commissioner and State Board regarding unit accreditation under regulations 91-1-231(d), 91-1-232b and 91-1-70a are as follows:

KSDE’s Evaluation Review Committee (ERC) renders program approval recommendations for the initial teacher preparation and advanced program levels of the unit.

PROGRAM DECISIONS

New program approval decisions are:
• New Program Approved with Stipulation
• Not Approved.

Renewal program decisions are:
• Approved
• Approved with Stipulation
• Not Approved.
The responsibilities of the Commissioner and State Board regarding program approval are under regulations 91-1-235 and 91-1-236.

91-1-235. Procedures for initial approval of teacher education programs.

(a) Application.

(1) Each teacher education institution that desires to have any new program approved by the state board shall submit an application for program approval to the commissioner. The application shall be submitted at least 12 months before the date of implementation.

(2) Each institution shall submit with its application a program report containing a detailed description of each proposed program, including program coursework based on standards approved by the state board, and the performance-based assessment system that will be utilized to collect performance data on candidates’ knowledge and skills. Each program report shall be in the form and shall contain the information prescribed by the commissioner. The program report shall include confirmation that the candidates in the program will be required to complete the following successfully:

(A) Coursework that constitutes a major in the subject at the institution or that is equivalent to a major;

(B) at least 12 weeks of student teaching; and

(C) a validated preservice candidate work sample.

(b) Review team. Upon receipt of a program report, a review team shall be appointed by the commissioner to analyze the program report. The chairperson of the review team shall be designated by the commissioner. The number of review team members shall be determined by the commissioner, based upon the scope of the program to be reviewed. Any institution may challenge the appointment of a review team member. The institution’s challenge shall be submitted in writing and received by the commissioner no later than 30 days after the notification of review team appointments is sent to the institution. Each challenge to the appointment of a review team member shall be only on the basis of a conflict of interest.

(c) Program review process.

(1) In accordance with procedures adopted by the state board, a review team shall examine and analyze the proposed program report and shall prepare a report expressing the findings and conclusions of the review team. The review team’s report shall be submitted to the commissioner. The report shall be forwarded by the commissioner to an appropriate representative designated by the teacher education institution.

(2) Any institution may prepare a response to the review team’s report. This response shall be prepared and submitted to the commissioner no later than 45 days of receipt of the review team’s report. Receipt of the review team’s report shall be presumed to occur three days after mailing. The review team’s report, any response by the institution, and any other supporting documentation shall be forwarded to the evaluation review committee by the commissioner.

(d) Initial recommendation. The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative designated by the teacher education institution and to the commissioner.

(e) Request for hearing.
(1) Within 30 days of receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request by certified mail to the evaluation review committee for a hearing before the committee to appeal the initial recommendation. Receipt of the initial recommendation of the evaluation review committee shall be presumed to occur three days after mailing. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

(2) If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the proposed program, which shall include a statement of the findings and conclusions of the evaluation review committee. The final recommendation shall be submitted to an appropriate representative designated by the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(3) If a request for a hearing is not submitted by certified mail within the time allowed under paragraph (e)(1), the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee’s final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(f) Approval status. Each new program shall be approved with stipulation or not approved.

(g) Annual report.

(1) If a new program is approved with stipulation, the institution shall submit a progress report to the commissioner within 60 days after completion of the second semester of operation of the program and thereafter in each of the institution’s annual reports that are due on or before July 30.

(2) Each progress report shall be submitted by the commissioner to the evaluation review committee for its examination and analysis. Following review of the progress report, the evaluation review committee may remove any areas for improvement and change the status to approved until the institution’s next program review.

(h) Change of approval status.

(1) At any time, the approval status of a teacher education program may be changed by the state board if, after providing an opportunity for a hearing, the state board finds that the institution either has failed to meet substantially the program standards or has materially changed the program. For just cause, the duration of the approval status of a program may be extended by the state board. The duration of the current approval status of a program shall be extended automatically if the program is in the process of being reevaluated by the state board. This extension shall be counted as part of any subsequent approval period of a program.

(2) At the time of an institution’s next on-site visit, the new program shall be reviewed pursuant to K.A.R. 91-1-236.

(3) For licensure purposes, each teacher education program that is approved with stipulation shall be considered to be approved. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011; amended July 7, 2017.)

91-1-236. Procedures for renewing approval of teacher education program.

(a) Application for program renewal.
Each teacher education institution that desires to have the state board renew the approval status of one or more of its teacher education programs shall submit to the commissioner an application for program renewal. The application shall be submitted at least 12 months before the expiration of the current approval period of the program or programs.

Each institution shall also submit a program report, which shall be in the form and shall contain the information prescribed by the commissioner. The program report shall be submitted at least six months before the expiration of the current approval period of the program or programs. The program report shall include confirmation that the candidates in the program will be required to complete the following:

(A) Coursework that constitutes a major in the subject at the institution or that is equivalent to a major; and

(B) at least 12 weeks of student teaching.

Review team. Upon receipt of a complete program report, a review team shall be appointed by the commissioner to analyze the program report. The chairperson of the review team shall be designated by the commissioner. The number of review team members shall be determined by the commissioner, based upon the scope of the program or programs to be reviewed. An institution may challenge the appointment of a review team member only on the basis of a conflict of interest.

Program review process.

In accordance with procedures adopted by the state board, each review team shall examine and analyze the program report and prepare a review report expressing the findings and conclusions of the review team. The review team's report shall be submitted to the commissioner. The report shall be forwarded by the commissioner to an appropriate representative of the teacher education institution.

Any institution may prepare a written response to the review team's report. Each response shall be prepared and submitted to the commissioner within 45 days of receipt of the review team's report. The review team's report, any response filed by the institution, and any other supporting documentation shall be forwarded by the commissioner to the evaluation review committee.

Initial recommendation. The evaluation review committee, in accordance with procedures adopted by the state board, shall prepare a written initial recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner.

Request for hearing.

Within 30 days of the receipt of an initial recommendation of the evaluation review committee, the teacher education institution may submit a written request to the commissioner for a hearing before the evaluation review committee to appeal the initial recommendation of the committee. This request shall specify, in detail, the basis for the appeal, including an identification of each item disputed by the institution.

If a request for a hearing is submitted, the evaluation review committee shall conduct a hearing. The committee shall then prepare a written final recommendation regarding the appropriate status to be assigned to the program or programs, which shall include a statement of the findings and conclusions of the evaluation review committee. The final recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. The final recommendation shall be submitted by the commissioner to the state board for its consideration and determination of program approval status according to paragraph (f)(1).
(3) If a request for a hearing is not submitted within the time allowed under paragraph (1) of this subsection, the initial recommendation of the evaluation review committee shall become the final recommendation of the review committee. The committee's final recommendation shall be submitted by the commissioner to the state board for its consideration and determination.

(f) Approval status.

(1) The status assigned to any teacher education program specified in this regulation shall be approved, approved with stipulation, or not approved.

(2) Subject to subsequent action by the state board, the assignment of approved status to a teacher education program shall be effective for seven academic years. However, the state board, at any time, may change the approval status of a program if, after providing an opportunity for a hearing, the state board finds that the institution either has failed to meet substantially the program standards adopted by the state board or has made a material change in a program. For just cause, the duration of the approval status of a program may be extended by the state board. The duration of the approval status of a program shall be extended automatically if the program is in the process of being reevaluated by the state board.

(3) (A) If a program is approved with stipulation, that status shall be effective for the period of time specified by the state board, which shall not exceed seven years.

(B) If any program of a teacher education institution is approved with stipulation, the institution shall include in an upgrade report to the commissioner the steps that the institution has taken and the progress that the institution has made during the previous academic year to address the deficiencies that were identified in the initial program review.

(C) The upgrade report shall be submitted by the commissioner to the evaluation review committee for its examination and analysis. After this examination and analysis, the evaluation review committee shall prepare a written recommendation regarding the status to be assigned to the teacher education program for the succeeding academic years. The recommendation shall include a statement of the findings and conclusions of the evaluation review committee. The recommendation shall be submitted to an appropriate representative of the teacher education institution and to the commissioner. If the institution does not agree with this recommendation, the institution may request a hearing according to the provisions in subsection (e).

(D) For licensure purposes, each teacher education program that is approved with stipulation shall be considered to be approved.

(4) Students shall be allowed two full, consecutive, regular semesters following the notification of final action by the state board to complete a program that is not approved. Summers and interterms shall not be counted as part of the two regular semesters. Students who finish within these two regular semesters may be recommended for licensure by the college or university. (Authorized by and implementing Article 6, Section 2(a) of the Kansas Constitution; effective Aug. 6, 2004; amended Aug. 12, 2011.)
Item Title:

Act on Evidence-Based Best Practices for At-risk Services

Recommended Motion:

It is moved that the Kansas State Board of Education approve the identified evidence-based practices for at-risk programs and instruction of students receiving at-risk program services as presented at the September State Board of Education meeting.

Explanation of Situation Requiring Action:

Due to legislative action passed in 2017, KSDE has developed and posted information on the agency website regarding evidence based practices for at-risk students. The Every Student Succeeds Act (ESSA) and K.S.A 72-5153 requires districts to use their federal funds to support evidence based practices.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Dale Dennis
Deputy Commissioner: Dale Dennis
Commissioner: Randy Watson

Agenda Number: 17 h.
Meeting Date: 10/9/2018

Item Title:
Act on request from USD 389, Eureka, Greenwood County, to hold a bond election

Recommended Motion:
It is moved that the Kansas State Board of Education issue an Order authorizing USD 389, Eureka, Greenwood County, to hold an election on the question of issuing bonds in excess of the district's general bond debt limitation.

Explanation of Situation Requiring Action:
Under KSA 75-2315 et seq., a school district may request that the State Board of Education authorize the district to hold an election on the question of issuing bonds in an amount which would cause the district's bonded indebtedness to exceed the district's general bond debt limitation. USD 389, Eureka, Greenwood County, has made such a request. If approved, the district could hold an election on the question of whether additional bonds be issued. If the voters approve such action, the district could issue the bonds.

USD 389 plans to use the bond proceeds to construct, furnish and equip improvements and renovations to the district’s facilities, including but not limited to an addition for gymnasium, administration areas, offices, activity room, restrooms, related storage areas and locker rooms.

This application does not contain any non-instructional-related items.

Based upon the following criteria, staff recommends that this bond application be approved.

1. The vote to submit the bond application by the local board of education was unanimous.
2. All required forms were properly filed with us, along with an appropriate notice for the election.
3. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.
4. An outside consultant was utilized in determining the school district needs.
5. The application indicates that the building(s) are in need of major repairs in order to provide the necessary student programs.
6. Bond issue is necessary to replace and repair facilities damaged by a tornado.

Act on request from USD 389, Eureka, Greenwood County, to receive Capital Improvement (Bond and Interest) State Aid

Recommended Motion:

It is moved that the Kansas State Board of Education issue an Order authorizing USD 389, Eureka, Greenwood County, to receive capital improvement (bond and interest) state aid as authorized by law.

Explanation of Situation Requiring Action:

Under KSA 75-72-5461 et seq., as amended by 2018 Substitute for Senate Bill 423, a school district may request that the State Board of Education authorize the district to receive capital improvement (bond and interest) state aid. USD 389, Eureka, Greenwood County, has made such a request. If approved, the district would receive capital improvement (bond and interest) state aid as provided by law. If the request is not approved, the district will not receive any capital improvement state aid.

USD 389 plans to use the bond proceeds to construct, furnish and equip improvements and renovations to the district’s facilities, including but not limited to an addition for gymnasium, administration areas, offices, activity room, restrooms, related storage areas and locker rooms.

This application does not contain any non-instructional-related items.
