CALL TO ORDER
Chairman Kathy Busch called the monthly meeting of the Kansas State Board of Education to order at 10 a.m. Tuesday, July 9, 2019, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas. She welcomed all in attendance and those viewing online.

ROLL CALL
All Board members were present:
Kathy Busch
Ann Mah
Jean Clifford
Jim McNiece
Michelle Dombrosky
Jim Porter
Deena Horst
Steve Roberts
Ben Jones
Janet Waugh

KSDE General Counsel Scott Gordon was present in the absence of Board Attorney Mark Ferguson.

STATE BOARD MISSION STATEMENT, MOMENT OF SILENCE AND PLEDGE OF ALLEGIANCE
Chairman Busch read both the Board’s Mission Statement and Kansans Can Vision Statement. She then asked for a moment of silence after which the Pledge of Allegiance was recited.

APPROVAL OF AMENDED AGENDA
For the day’s agenda, Chairman Busch announced the postponement of Consent Agenda Item 16 k. (Mental Health Intervention Team program grant applications) for a later meeting. Mr. Porter moved to pull Consent Item 16 h. (evidence– and research-based reading programs) for discussion. Mr. Roberts seconded. Mr. McNiece moved to pull 16 f. (cut scores for licensure tests) and 16 j. (safe and secure schools state aid grants) for discussion. Dr. Horst seconded. Mr. McNiece then moved to approve the July 9 agenda with the noted amendments. Mr. Jones seconded. Motion carried 10-0.

APPROVAL OF THE JUNE MEETING MINUTES
Mr. Roberts commented on the identification of a future agenda item request in the June 12, 2019 minutes. Dr. Horst moved to approve the minutes of the June Board meeting. Mr. Jones seconded. Motion carried 10-0.

COMMISSIONER’S REPORT
In his monthly report to the Board, Commissioner Randy Watson cited the USA Women’s World Cup soccer championship and the 1969 moon landing as examples of extreme time commitment leading to positive results. Schools engaged in the redesign process are also committed for the length of time necessary to engage in major change. He talked about specific committee or task force work of the State Board, both at the policy level and through initiatives. He referenced data collected on the post-secondary effective rate and graduation rate to show graduate increases. Dr. Watson then answered questions following his presentation.

CITIZENS’ OPEN FORUM
Chairman Busch declared the Citizens’ Forum open at 10:34 a.m. There were no speakers for public comment this month.
PRESENTATION OF GEMINI I AND II SCHOOLS FOR ACCEPTANCE AND LAUNCH IN 2019-20 SCHOOL YEAR

The first Kansans Can redesign schools were announced in August 2017 as the Mercury 7. Since that time, other schools have applied and been accepted to transform their school systems around the State Board of Education’s vision, outcomes and definition of a successful high school graduate. Subsequent cohorts are referred to as Gemini I, Gemini II and Apollo. This month, Gemini I and II schools ready to launch in the 2019-20 school year were presented for acceptance. These schools spent one or two years planning prior for the launch. School Redesign Specialists Jay Scott and Tammy Mitchell described elements of the planning process and evaluation rubric. Schools’ redesign plans were reviewed by a third party Launch Readiness Committee consisting of representatives from KSDE and Educational Service Centers. They acknowledged partners involved in the process, then answered questions from Board members or received comments about the connection to KESA, regional model to build infrastructure, vetting and efforts to maintain momentum. Mr. Porter moved to accept the Gemini I and Gemini II schools identified as a “Go” for launch in the 2019-2020 school year that have been approved by their local board of education. Mr. Jones seconded. Motion carried 10-0.

The districts and schools accepted are: Andover USD 385 (Cottonwood Elementary, Meadowlark Elementary, Robert Martin Elementary, Andover Central Middle); Basehor Linwood USD 458 (Basehor Elementary K-2, Basehor Intermediate, Basehor-Linwood HS); Caldwell 360 (Caldwell Elementary, Caldwell Secondary); Canton-Galva USD 419 (Canton-Galva Elementary); Cedar Vale USD 285 (Cedar Vale Elementary, Cedar Vale Memorial High); Chaparral USD 361 (Chaparral Jr-Sr High); Clay County USD 379 (Garfield Elementary, Clay Center Community HS, Wakefield Elementary, Wakefield HS); Durham-Hillsboro-Lehigh USD 410 (Hillsboro Elementary, Hillsboro Middle-High); Emporia USD 253 (William Allen White Elementary); Fredonia USD 484 (Lincoln Elementary, Fredonia Jr-Sr High); Halstead (Halstead High, Halstead Middle); Haven USD 312 (Haven High, Haven Grade, Yoder Charter); Haviland USD 474 (Haviland Grade K-8); Kingman-Norwich USD 331 (Kingman Elementary, Kingman Middle); Lakin USD 215 (Lakin Grade, Lakin Middle, Lakin High); Leavenworth USD 453 (David Brewer Elementary, Leavenworth High); Liberal USD 480 (Seymour Rogers Middle, Eisenhower Middle); Little River USD 444 (Windom Elementary, Little River Jr-Sr High); Lyons USD 405 (Central Elementary, Park Elementary, Lyons Middle); Neodesha USD 461 (North Lawn Elementary, Heller Elementary, Neodesha Middle-High); Newton USD 373 (Slate Creek Elementary, Chisholm Middle); No. Lyon County USD 251 (No. Lyon County Elementary, Northern Heights High); Osawatomie USD 367 (Swenson Early Childhood Education Center, Trojan Elementary, Osawatomie Middle); Ottawa USD 290 (Garfield Elementary, Lincoln Elementary, Sunflower Elementary, Ottawa Middle, Ottawa High); Peabody-Burns USD 398 (Peabody-Burns Elementary, Peabody-Burns Middle); Renwick USD 267 (Colwich Elementary, Garden Plain High); Spring Hill USD 230 (Prairie Creek Elementary, Spring Hill High); Whitewater-Remington USD 206 (Remington Elementary, Remington Middle, Remington High); Wichita USD 259 (Cessna Elementary, Chester Lewis Academic Learning Center); Winfield USD 465 (Irvig Elementary, Country View Elementary, Winfield Middle). Those districts/schools awaiting local BOE approval will be presented to the State Board in the near future.

BREAK

Members took a 10-minute break until 11:30 a.m.

RECEIVE RECOMMENDATIONS FOR KANSAS EDUCATION SYSTEMS ACCREDITATION

Assistant Director Jeannette Nobo provided Board members with information on eight public and 14 private schools seeking an accreditation decision in 2019. Members were provided findings and accreditation level recommendations in the format of an Executive Summary for each system based on the evaluations of the Outside Visitation Team and Accreditation Review Council. Ms. Nobo also provided an overview of the review process, including information about systems utilizing AdvancEd. There was discussion about refining the Executive Summary, identification of goals, systems’ response.
to recommendations, importance of accountability and transparency. Board members are scheduled
to take action on recommendations for accreditation in August.

Chairman Busch recessed the meeting for lunch at 12:15 p.m.

**RECOGNITION OF KANSAS INDUCTEE INTO NATIONAL TEACHERS HALL OF FAME**

At 1:30 p.m., Chairman Busch reconvened the meeting. The National Teachers Hall of Fame in Emporia seeks to recognize and honor exceptional career teachers, encourage excellence in teaching and preserve the rich heritage of the teaching profession. Dyane Smokorowski, Andover USD 385, was one of five Hall of Fame inductees this year — the only one from Kansas. She is the 12th Kansas teacher to be inducted into the NTHOF since its establishment in 1989. Ms. Smokorowski is a prekindergarten through 12th grade technology and innovation lead teacher at Andover USD 385 and the 2013 Kansas Teacher of the Year. She joined the meeting remotely from Orlando, Florida where she was attending the Network of National State Teachers of the Year Conference. Chairman Busch congratulated her on this honor, then Board members had an opportunity to ask questions or offer remarks.

**UPDATE FROM E-CIGARETTE/VAPING TASK FORCE**

In June, the State Board of Education accepted the general recommendations of the E-Cigarette/Vaping Work Group presented to them. The Board also requested monthly updates and the opportunity to take action as needed. Education Program Consultant Mark Thompson, who oversees the establishment of a E-Cigarette/Vaping Task Force, reported on the anticipated membership makeup of the Task Force, early formation of subgroups and initial work to distribute education and awareness information by the start of the 2019-20 school year. Additional speakers were Jordan Roberts with KDHE and Linda Sheppard with Kansas Health Institute. Chairman Busch suggested alerting schools in advance to watch for the upcoming information. Discussion included parent education, comprehensive tobacco-free policies on school grounds, cessation resources and topic inclusion for the Board’s legislative agenda.

**RECEIVE KANSAS EDUCATOR PREPARATION PROGRAM STANDARDS FOR DRIVER ED.**

Proposed model standards for use within Kansas Educator Preparation Programs were presented to Board members for first review. Providing updated standards is necessary because Driver Education is being reestablished as an endorsement for current teaching licenses. Director of Teacher Licensure and Accreditation Mischel Miller briefly explained about each category within the standards: content knowledge, safety and instructional practice. The proposed standards are aligned with the Novice Teen Driver Education and Training Administration Standards and will serve as a guide for higher education programs preparing driver ed instructors. The Board plans to act on the Standards in August.

**INFORMATION ON TEACHER LICENSURE AND ACCREDITATION COMMITTEE MEMBERSHIP PROCEDURES**

Director Mischel Miller described the role and makeup of groups affiliated with Teacher Licensure and Accreditation that make recommendations to the State Board either by state statute or regulation. These include Professional Standards Board, Professional Practices Commission, Licensure Review Committee, Accreditation Advisory Council and Accreditation Review Council. Another such group is the Teacher Vacancy and Supply Committee, which was a product of the Blue Ribbon Task Force on Teacher Vacancies and Supply, rather than statute or regulation. She explained representation and nominating/vetting processes.

**ACTION ON NEW APPOINTMENTS TO THE PROFESSIONAL STANDARDS BOARD**

The Professional Standards Board is responsible for recommending rules and regulations of the professional standards governing teacher and school administrator preparation programs, including the
requirements for continuing education. Recommendations of individuals to fill four category open-
ings were presented. This included tabled action last month on the vacancy representing Unit Head,
Institutions of Higher Education Public. Mr. Porter moved to accept the recommended new appoint-
ments to the Professional Standards Board, effective July 1, 2019 through June 30, 2022 for Jim True-
love (unit head, institutions of higher education public), Krista Hedrick (public elementary administra-
tor), Annie Diederich (public middle administrator) and Daniel Minde (public middle teacher). Mrs. Dombrosky seconded. Motion carried 9-0-1 with Mr. Roberts abstaining.

ACTIONS ON CONSENT AGENDA
Dr. Horst moved to approve the Consent Agenda excluding 16 f. (cut scores for licensure tests), 16 h. (evidence– and research-based reading programs for state aid reimbursement), 16 j. (safe and secure schools state aid grants) all separated for individual discussion and votes; and 16 k. (Mental Health Intervention Team program grant applications) previously announced as postponed. Mr. Jones se-
conded. Motion carried 10-0. In this Consent Agenda action, the Board:

- authorize the Superintendent of the Kansas State School for the Blind to renew a contract with Providence Medical Center for physical and occupational therapy services in an amount not to exceed $95,000.

INDIVIDUAL ACTION ON CONSENT ITEMS

Mr. McNiece requested discussion on the consent item pertaining to cut scores for licensure tests. KSDE staff explained operation of the standard setting panel and work of the Educational Testing Service. Mr. McNiece moved to adopt and set cut scores for licensure assessments: School Superintendent Assessment, Elementary Education: Content Knowledge for Teaching, including Social Studies, Reading/Language Arts, Mathematics and Science. Dr. Horst seconded. Motion carried 9-1 with Mr. Roberts in opposition.

Mr. Porter requested discussion on the consent item pertaining to evidence– and research-based reading programs eligible for state aid reimbursement. His concerns centered on more efficient use of allocated money to provide structured literacy. Mr. Porter moved to approve the list of evidence– and research-based reading programs that will be sued for state aid reimbursement to schools. Mr. McNiece seconded. Motion carried 10-0.

Board members took a break from 3 to 3:10 p.m.
ACTION ON RECOMMENDATIONS OF THE PROFESSIONAL PRACTICES COMMISSION

Licensure cases brought forth by the Professional Practices Commission were divided into four categories. PPC member Nathan Reed connected remotely to describe the cases and recommendations for State Board action. Each category was voted on separately. Mr. Porter moved to adopt the findings of the PPC and its recommendation for the issuance of licenses for cases 19-PPC-15 and 19-PPC-17. Mr. McNiece seconded. Motion carried 10-0.

Case 19-PPC-16 was contingent upon fulfillment of obligations by the Licensee. Mr. Jones moved to deny renewal of Licensee in 19-PPC-16 for failure to comply with requirements set forth by the PPC. Dr. Horst seconded. Motion carried 10-0. Next, Dr. Horst moved to adopt the findings of the PPC and its recommendations for the denial of licenses for cases 19-PPC-18 and 19-PPC-19. Mrs. Dombrosky seconded. Motion carried 10-0. Lastly, Mr. Porter moved to adopt the findings of the PPC and its recommendations for the suspension of the Licensee in case 18-PPC-22 until June 1, 2021. Mrs. Dombrosky seconded. Motion carried 9-1 with Mr. Roberts in opposition.

INDIVIDUAL ACTION ON CONSENT ITEM

Mr. McNiece requested discussion on the consent item pertaining to Safe and Secure Schools State Aid grants and allocations. KSDE staff explained the restrictions for use outlined in legislation, matching funds requirement, calculations and number of grant applications received. Mr. McNiece moved to approve the Safe and Secure Schools State Aid grants and the recommendations for allocations to school districts not to exceed $5 million. Mr. Porter seconded. Motion carried 10-0.

LEGISLATIVE MATTERS AND BUDGET CONSIDERATIONS

Deputy Commissioner Dale Dennis reviewed the Kansas Supreme Court’s opinion on school finance, Gannon VII, released June 14, 2019. He then reviewed Fiscal Year 2021 budget options, noting that some policy decisions had already been determined, but money was not appropriated yet. Chairman Busch asked for general comments before considering budgetary line items. Mrs. Mah moved to recommend Special Education Budget Option 2 for 2020-21 for an additional $19,435,564 out of the general fund. Dr. Horst seconded. Motion failed to receive the six votes necessary for passage. Additional discussion followed on the topics of mentoring, professional development and career/technical education transportation. Mrs. Mah moved to recommend the CTE transportation option for an additional $1,550,000 in 2020-21. Mr. Jones seconded. Motion carried 6-4 with Mr. McNiece, Dr. Horst, Mrs. Busch and Mrs. Waugh in opposition.

BREAK

There was a break until 4:50 p.m.

Discussion on budget considerations continued. Mr. Porter moved that a written comment accompany the budget recommendation stating if additional money is available, the State Board requests the following considerations be prioritized: 1) fund the law for Special Education (92 percent of excess cost) 2. decrease transportation mileage rate from 2.5 miles to a lower number. Mr. Porter prefaced his motion by acknowledging the funding needs of other agencies. Mrs. Waugh seconded. Motion carried 10-0.

RECESS

Chairman Busch recessed the meeting at 5:10 p.m. until 9 a.m. on Wednesday in the Board Room.
CALL TO ORDER
Chairman Kathy Busch called the Wednesday meeting of the State Board of Education to order at 9 a.m. on July 10, 2019, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas.

ROLL CALL
All Board members were present:
Kathy Busch  Ann Mah
Jean Clifford  Jim McNiece
Michelle Dombrosky  Jim Porter
Deena Horst  Steve Roberts
Ben Jones (arrived 9:05 a.m.)  Janet Waugh

APPROVAL OF AGENDA
Dr. Horst moved to approve the Wednesday agenda as presented. Mr. Porter seconded. Motion carried 9-0, with Mr. Jones absent for the vote.

PRESENTATION OF NATIONAL HISTORY DAY PROJECT ON APOLLO MOON LANDING
Max Kuhlman, 2018-19 6th grader from Wanamaker Elementary School in Auburn Washburn USD 437, won the “Discovery and Exploration” Award this year for his National History Day project competition. In commemoration of the 50th anniversary of Apollo 11 Moon Landing, he was invited to present his project “How the Tragedy of the Apollo 1 Fire Lead to the Great Triumph of the Apollo 11 Moon Landing.” The individual performance combined research, oration and acting. Board members asked questions at the conclusion.

UPDATE ON CAREER AND TECHNICAL EDUCATION PATHWAY REVIEWS; DISCUSSION ON WORKFORCE READINESS
During this annual update of CTE reviews, Assistant Director Stacy Smith shared statistics about state-approved pathway offerings and commented on recent modifications to selected ones — architecture and construction, business finance, education and training, health science. The Kansas Advisory Committee for Career and Technical Education examines pathway modifications. Next, Education Program Consultant Natalie Clark joined Mr. Smith in providing information about the federal “Strengthening CTE for the 21st Century Act” referred to as Perkins V. Development of the Perkins V state plan is ongoing, with proposed presentation to the Board in January. They talked about career exploration, collaboration with such groups as Department of Commerce and Kansas Board of Regents, registered apprenticeship programs and a mobile learning lab for students. A time for discussion and questions followed. This included inquiries about marketing of CTE information/opportunities to schools and businesses, plus increasing access to pathways.

There was a break from 10:35 to 10:45 a.m.

ACTION ON CALENDAR YEAR 2020 AND 2021 STATE BOARD MEETING DATES
Proposed State Board meeting dates for 2020 and 2021 were presented last month for consideration. The proposal followed the traditional schedule of meeting the second Tuesday and Wednesday of the month, with the exception of November 2020 when a one-day meeting is planned to avoid
conflict with Veteran’s Day, a state holiday. Mr. Porter moved to establish the regular meeting dates for 2020 and 2021 as presented. Mr. Jones seconded. Motion carried 10-0.

The schedule for 2020 is:

CHAIRMAN'S REPORT AND FUTURE AGENDA ITEMS
During committee reports, Mr. Porter offered to accept suggestions for this fall’s discussion of a State Board legislative agenda. He also announced an Aug. 14 reception for disability rights advocates to meet Bert Moore, KSDE’s new Special Education and Title Services Director. Dr. Horst stated the Policy Committee would meet in August. For communications, Mr. McNiece commented on plans for the State Board’s visit to western Kansas. Those wishing to provide individual Board reports did so in writing. Chairman Busch previewed the August State Board meeting.

Requests for Future Agenda Items —
- Information on various licensure tests, to include cost for examination, changes over the years, location of testing centers/testing times (Mrs. Busch and Mrs. Clifford)
- Baseline school safety requirements, what every school should have (Mr. McNiece for legislative agenda discussions)
- Update on Perkins V state plan development (Mrs. Busch)
- Education of foster youth, addressing mobility issues, virtual school options and State Board support (Mrs. Busch and Mrs. Dombrosky)

The following Board members were present:
Kathy Busch  Ben Jones  Jim Porter
Jean Clifford  Ann Mah  Steve Roberts
Deena Horst  Jim McNiece  Janet Waugh

Member Michelle Dombrosky was absent, but participated by phone for portions of the meeting, beginning at 2 p.m.

STATE BOARD MISSION STATEMENT, MOMENT OF SILENCE AND PLEDGE OF ALLEGIANCE
Chairman Busch read both the Board’s Mission Statement and Kansans Can Vision Statement. She then asked for a moment of silence after which the Pledge of Allegiance was recited.

APPROVAL OF AMENDED AGENDA
Amendments to the consent agenda were announced as: Item 15 i. a change to the award amount for AmeriCorps grantee Kansas Department of Wildlife, Parks and Tourism; Item 15 m. and n. strike “tentative” from Barber County North USD 254 bond and capital improvement requests; add 15 u. and v. as Final Order authorizations for Conway Springs USD 356 to hold a bond election and to receive capital improvement state aid. Mr. Roberts moved to pull Item 15 h. (USD 500 and USD 364 requests to fill vacancies) for discussion and separate vote. Mrs. Mah seconded the request. Motion carried 7-2 with Mrs. Waugh and Mr. McNiece in opposition. Mr. Porter moved to approve Tuesday’s agenda as amended with the exclusion of 15 h. Dr. Horst seconded. Motion carried 9-0.

APPROVAL OF THE MAY MEETING MINUTES
Mr. McNiece moved to approve the minutes of the May Board meeting. Mr. Jones seconded. Motion carried 9-0.

COMMISSIONER’S REPORT
Commissioner Randy Watson utilized data sets connecting education, affluence and earning power to begin his monthly report. He cited information from the Georgetown University Center on Education and the Workforce analyzing wage differences between men and women, and varying education levels. Dr. Watson commented on the influence of social-economic status on classroom achievement. He then summarized third party survey responses from business and industry in the greater KC area, acknowledging concerns expressed about the workforce shortage and graduates lacking real-world experience. Lastly, Dr. Watson commented on the additional funding school districts would receive in the new school year. He answered questions and received Board member comments.

CITIZENS’ OPEN FORUM
Chairman Busch declared the Citizens’ Forum open at 10:49 a.m. There was one speaker: Katie
Koupal of the Secretary of State’s Office who spoke about the *Students Serve* program to train high school students as poll workers. Chairman Busch declared the Citizens’ Forum closed at 10:55 a.m.

**UPDATES FROM KANSAS STATE SCHOOL FOR THE BLIND, KANSAS SCHOOL FOR THE DEAF**

Kansas State School for the Blind Superintendent Jon Harding included these topics in his regular update to the Board: an increase in Extended School Year participation, professional development, direct instruction services and special projects. Next, Kansas School for the Deaf Superintendent Luanne Barron reported on KSD’s Extended School Year, American Sign Language Immersion Camp for families, youth leadership camp and phase two of the Language Assessment Program.

**BREAK**

Members took a 10-minute break at 11:33 a.m.

**INFORMATION ON SUCCESS ACADEMY FOR FOSTER STUDENTS THROUGH JAG-KANSAS**

Jobs for America’s Graduates-Kansas, in partnership with the Kansas State Department of Education and Department for Children and Families, has implemented a multi-phase pilot project to help increase successful outcomes for Kansas students in foster care. Beverly Mortimer, Vice President of Programming for JAG-K, provided a broad overview of the JAG program, then more specifically described the Success Academy model tailored to student mobility. There is a student focus on action plans, career exploration, employment skills and community service. Phase one of the academy pilot began in Wichita to help students with credit recovery and to offer career specialist services. Phase two has expanded to schools in Kansas City and Topeka.

**LUNCH**

Chairman Busch recessed the meeting for lunch at 12:18 p.m.

**RECOGNITION OF KANSAS PRINCIPALS OF THE YEAR**

At 1:30 p.m., Chairman Busch reconvened the meeting and welcomed those being recognized for Principal of the Year honors as selected by their peers. Deputy Commissioner Dale Dennis introduced the honorees. Each administrator shared ways in which his/her school is meeting State Board outcomes. Board members recognized:

- Eric Sacco, principal at Clifton-Clyde Elementary and Middle Schools (Clifton-Clyde USD 224), the 2019 National Distinguished Principal of the Year as named by the Kansas Association of Elementary School Principals.
- Lura Jo Atherly, principal at Jardine STEM and Career Exploration Academy (Wichita USD 259), the 2018-2019 Kansas Middle School Principal of the Year as named by the Kansas Association of Middle School Administrators.
- Greg Rosenhagen, principal at Cheney High School (Cheney USD 268), the 2018-2019 Kansas High School Principal of the Year as named by the Kansas Association of Secondary School Principals.

A short break followed for photos and certificate presentations. Board member Michelle Dombrosky joined the meeting by phone.

**DISCUSSION AND ACTION ON RECOMMENDATIONS REGARDING VAPING/E-CIGARETTES IN SCHOOL**

At the May State Board meeting, members directed Commissioner Watson to assemble a workgroup to consider options for addressing the increased prevalence of vaping and e-cigarettes in schools. Education Program Consultant Mark Thompson coordinated the team of educators and health professionals. Four recommendations were presented for consideration from the workgroup: education to school staff, students, parents and general public; formation of a task force; topic inclusion within health education standards; and development of a central information hub. During discussion, Board members offered suggestions for increasing awareness, task force representation, and policy review.
Mr. McNiece moved to accept the recommendations of the e-cigarette/vaping workgroup to improve the health of youth in Kansas schools. Dr. Horst seconded. Motion carried 10-0 with Mrs. Dombrosky participating via conference phone for the vote. The topic will continue as a regular agenda item for updates on recommendation implementations and education outreach.

Board members took a break from 2:55 to 3:05 p.m.

**ACTION ON APPOINTMENTS TO THE SPECIAL EDUCATION ADVISORY COUNCIL**

The Special Education Advisory Council works collaboratively to provide leadership for continuous improvement of education systems to ensure equity and enhance learning for all students in Kansas. KSDE Assistant Director Laura Jurgensen spoke on behalf of the SEAC to present considerations for Council appointments and reappointments and to explain requirements for filling member positions.

Mr. Jones moved to appoint Dr. Troy Pitch, Amy Wagoner and Kari Wallace as new representatives to the Special Education Advisory Council, effective July 1, 2019 through June 30, 2022. Mr. McNiece seconded. Motion carried 9-0. Dr. Pitch is Superintendent and Elementary Principal for USD 294 Oberlin (represents homeless children); Ms. Wagoner is Principal of Holy Cross Catholic School in Hutchinson (represents private schools); Ms. Wallace is a Transitions Program Teacher for USD 253 Emporia (represents vocational, community or business organization concerned with the provision of transition services).

Next, Mr. McNiece moved to re-appoint Mike Martin and Becci Werner for their second, three-year terms on the SEAC, effective July 1, 2019 through June 30, 2022. Mr. Porter seconded. Motion carried 9-0. These individuals represent parent of a child with an exceptionality and Local Education Agency official, respectively.

**TABLED ACTION ON NEW APPOINTMENT TO THE PROFESSIONAL STANDARDS BOARD; ACTION ON PSB RE-APPOINTMENTS**

The Professional Standards Board is responsible for recommending policies and regulations for professional standards governing educator preparation and certification, including the requirements for continuing education. There are 21 members. Jim Porter, State Board PSB liaison, presented the single nomination for a new appointment to represent Institutions of Higher Education unit heads. Chairman Busch moved to table this new appointment in anticipation that other new appointments for vacated positions would be presented to the Board next month. Mr. McNiece seconded. Motion carried 9-0.

Mr. Porter then presented recommendations for subsequent terms and moved to re-appoint Elizabeth Clum, James Johnson and Lisa Lower to the Professional Standards Board, completing either a first full term or second term effective July 1, 2019 through June 30, 2022. Dr. Horst seconded. Motion carried 8-0-1 with Mr. Roberts abstaining. Ms. Clum, Hayden High School, represents teachers of accredited K-12 non-public schools; Mr. Johnson, El Dorado High School, represents career and technical education teachers; Ms. Lower, Schuler Education Center, represents special education teachers.

**PREVIEW OF KSDE IMPACT INSTITUTES**

KSDE’s annual Impact Institutes bring together education professionals at all levels to engage in professional learning. Education Program Consultant Don Gifford provided a preview of this year’s events June 27-28 in Topeka and July 17-18 at Pratt. He addressed the purpose of the institutes and some of the topics to be covered during breakout sessions. This year’s theme is “Kansans Can Discover.”
ACTION ON CONSENT AGENDA

Mr. Porter moved to approve the Consent Agenda, including amendments and additions noted earlier and excluding 15 h. (requests from USD 500 and USD 364) for a separate vote. Mrs. Waugh seconded. Motion carried 9-0. In the Consent Agenda, the Board:

SEPARATE ACTION ON CONSENT AGENDA ITEM
Mr. Roberts had asked that Consent Item 15 h. (requests from USD 500 Kansas City Kansas and USD 364 Marysville to fill vacancies) be pulled for questions. Following an explanation, Mrs. Waugh moved to approve Kansas City Kansas and Marysville districts to continue to fill vacancies with individuals qualified under the Coalition of Innovative School District guidelines for a Specialized Certificate for the 2019-20 school year. Dr. Horst seconded. Motion carried 9-0.

POSITION ANNOUNCEMENT
Deputy Commissioner Brad Neuenswander informed Board members that Director of Special Education and Title Services Colleen Riley had resigned her position. Bert Moore, Superintendent of USD 282 West Elk, will serve as the new Director of SETS at the State Department of Education. He begins July 1.

MEMBER OVERVIEW OF ACCREDITATION INFORMATION ACCESS AND NAVIGATION
Last month, State Board members inquired about accessing progress reports documented as part of the Kansas Education Systems Accreditation process. KSDE staff conducted a tutorial for members on
how to access and navigate through the authenticated application program where the information is housed. Staff provided instruction on the structure of the reports and answered questions.

RECESS
Chairman Busch recessed the meeting at 4:35 p.m. until 9 a.m. on Wednesday in the Board Room.

CALL TO ORDER
Chairman Kathy Busch called the Wednesday meeting of the State Board of Education to order at 9 a.m. on June 12, 2019, in the Board Room at the Landon State Office Building, 900 S.W. Jackson St., Topeka, Kansas. She welcomed those in attendance.

ROLL CALL
The following Board members were present:
Kathy Busch          Ben Jones          Jim Porter
Jean Clifford       Ann Mah           Steve Roberts
Deena Horst         Jim McNiece       Janet Waugh

Member Michelle Dombrosky was absent.

APPROVAL OF AGENDA
Mrs. Waugh moved to approve the Wednesday agenda as presented. Mr. Jones seconded. Motion carried 9-0.

PREVIEW OF KSHSAA STUDENT COUNCIL LEADERSHIP WORKSHOP
The Student Council Leadership Workshop, sponsored by the Kansas State High School Activities Association, is an experiential leadership training program designed specifically for high school students. Rod Garman, KSHSAA Assistant Executive Director, provided an overview of the week-long event and explained how State Board members could participate to hear from student leaders. He discussed the structure of the workshop, which focuses on leadership activities, character development, problem solving and more. Mr. Garman invited members to attend a Q & A with former counselors and the event banquet. He also talked about other KSHSAA-sponsored leadership and service opportunities for students. Chairman Busch asked the Board’s KSHSAA representatives to report back with additional ways members could partner with the organization to acquire student input.

LEGISLATIVE MATTERS—FY 2021 EDUCATION BUDGET DISCUSSION
Deputy Commissioner Dale Dennis led the budget discussion. He provided a historical account of past education funding and budget options for education state aid programs in multiple categories. He also reviewed the Legislature’s override of vetoes to three programs administered by KSDE. Program option funding levels for FY 2021 were discussed and will be acted upon in July as recommendations to send to the Legislature. Commissioner Watson assisted in the discussion with explanations of school finance considerations. At the time of the meeting, the Kansas Supreme Court had not yet issued its latest opinion on the Gannon school finance case. Board members had comments and questions throughout the presentation.

There was a break until 10:55 a.m.

DISCUSSION ON CALENDAR YEAR 2020 AND 2021 STATE BOARD MEETING DATES
Chairman Kathy Busch led a discussion of State Board meeting dates for 2020 and 2021. Board members considered draft schedules and potential conflicts for the regular monthly meetings, particularly November 2020 when the normal meeting day falls on a state holiday. Board members plan to vote on establishing meeting dates for the next two years at the July meeting.
UPDATE ON TEACHER VACANCY AND SUPPLY COMMITTEE AND DISCUSSION OF ISSUES RELATED TO TEACHER LICENSURE

The Teacher Vacancy and Supply Committee (TVSC) was created following a final report from the Commissioner of Education’s Blue Ribbon Task Force on Teacher Vacancies and Supply. Kathy Busch and Jean Clifford are the State Board representatives on the TVSC. Mrs. Busch reported that science continues to be a vacancy area of concern. She also mentioned the importance of teacher mentoring, plus other Blue Ribbon recommendations the task force is concentrating on such as marketing and promotion of the teaching profession. There was discussion of initial and professional license categories, Educators Rising program for students, and considerations that impact the profession such as teacher salary and respect. Commissioner Watson and Director of Teacher Licensure and Accreditation Mischel Miller answered questions. It was noted that there is also a school leadership shortage.

CHAIRMAN’S REPORT AND FUTURE AGENDA ITEMS

During committee reports, Mr. Porter advocated for preparing a list of legislative priorities prior to the 2020 legislative session. He also commented on issues before the NASBE Government Affairs Committee and a committee meeting examining school bus stop arm violations. Mr. McNiece reported on plans for the Board to tour western Kansas this fall and meet with schools and businesses there. He also mentioned plans for a 50th celebration in October of the State Board’s Constitutional design. There was discussion about the Confidence in Public Education Task Force Challenge Awards (selection/measurement criteria) and Blue Ribbon Task Force on Bullying. Chairman Busch previewed the July Board meeting.

Requests for Future Agenda Items —

- Monthly progress report on vaping/e-cigarette workgroup recommendations; schedule action as needed (Mrs. Busch)
- Submit action on new appointments at the same time (Mrs. Busch)
- Workshop to discuss developing the Board’s legislative agenda for the 2020 session (Mr. Porter)
- Review of self-composed Talking Points (Mr. Roberts)
- Report on work of School Mental Health Advisory Council (Mrs. Busch)

MOTION

Board members had the opportunity to make additions to the travel requests for approval. Mr. McNiece moved to approve the travel requests and updates. Mrs. Waugh seconded. Motion carried 9-0.

ADJOURNMENT

Chairman Busch adjourned the meeting at 11:58 a.m. The next meeting will be July 9 and 10, 2019 in Topeka.

Each speaker shall be allowed to speak for three minutes. Any person wishing to speak shall complete a presenter’s card, giving his or her name and address, and the name of any group he or she is representing. (Ref. Board Policy 1012) The speaker’s card should be completed prior to 10:30 a.m.

If written material is submitted, 13 copies should be provided.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:
Presentation of Gemini I and II schools' redesign plans for acceptance and launch in 2019-2020 school year

Recommended Motion:
It is moved that the Kansas State Board of Education accept the Gemini I and Gemini II schools identified as a “Go” for launch for the 2019-2020 school year.

Explanation of Situation Requiring Action:
The school districts/schools listed below have participated in regional Redesign workshops during the 2018-2019 school year and have been “cleared for launch” by a third-party Launch Readiness Committee made up of representatives from KSDE and Educational Service Centers. These schools have also been approved by their local board of education to launch in 2019-2020, joining another 71 schools in 30 districts approved by the State Board in July for the launch of their Kansans Can School Redesign Project plans this next school year.

These schools applied to be part of the Redesign initiative during the Gemini phase and, upon acceptance, were given the option of planning for one or two years prior to launch. They adhered to the same application criteria as outlined for the original Mercury cohort.

All of the schools engaged deeply at regional workshops facilitated by KSDE and Educational Service Center staff working together. Each school sent a school Redesign team to the bi-monthly workshops throughout the planning year, leading up to a final Launch Readiness workshop in early May. At the last workshop, schools presented their Launch Plans to the Launch Readiness Committee, which then prepared a recommendation of “Go” or “No Go” (or Not Yet) for launch in the 2019-2020 school year.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Jeannette Nobo
Director: Mischel Miller
Commissioner: Randy Watson
Meeting Date: 8/13/2019

Item Title:
Act on recommendations for Kansas Education Systems Accreditation

Recommended Motion:

It is moved that the Kansas State Board of Education accept the recommendations of the Accreditation Review Council and award the status of accredited to USD 115 Nemaha Central, USD 258 Humboldt, USD 362 Prairie View, USD 385 Andover, USD 396 Douglass, USD 428 Great Bend, USD 435 Abilene, USD 484 Fredonia, Ascension Catholic School, Christ the King - Topeka, Holy Trinity - Paola, Holy Trinity - Lenexa, Nativity Parish, Prince of Peace, Sacred Heart - Ottawa, Saint Benedict, Saint Joseph - Shawnee, Saint Gregory, Saint Matthew, Xavier and Holy Cross Lutheran, and to move Zion Lutheran School to a 2022 evaluation year in the accreditation cycle.

Explanation of Situation Requiring Action:

The State Board of Education approved the Kansas Education Systems Accreditation (KESA) in 2016 as the new model to accredit schools in Kansas. The KESA shifts accreditation from schools to the district/system level as well as moves accreditation from a yearly event to a five-year improvement model approach. When a district/system moves through the KESA process and obtains an accreditation status, that accreditation status encompasses all buildings within that system.

This 2018-2019 school year, the Accreditation Review Council (ARC) reviewed the documentation of 22 systems, both public and private, for the purpose of determining an accreditation recommendation. Upon review of the documentation, data and process reports, the ARC forwards 21 systems' Executive Summaries to the State Board with the recommendation of approving them for an accreditation status of Accredited. These executive summaries were presented to the State Board for review at their July State Board meeting.

Of the 22 systems reviewed, one private system was identified as needing additional time in the KESA process. The ARC recommended this system, Zion Lutheran School, be part of the Year One cadre, which would be brought to the State Board for an accreditation decision in 2021 - 2022. The staggered approach of bringing all systems into the KESA process, allows systems to move their accreditation year in this cycle to either an earlier or later year for accreditation. However, all systems are required to have their first accreditation decision by the year 2021-2022.

Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

According to the information provided by the system and KSDE, all compliance areas were assuredly addressed. Specific artifacts are shared in the Outside Visitation Team (OVT) report that support compliance.

2. Foundational areas are assuredly addressed.

According to the OVT chair report all of the Foundational structures area assuredly addressed with evidence. The report provides examples of the System’s evidence of Foundation Structures including strategic plan, post-secondary partnerships with Highland Community College, and health.

GOAL 1: Relationships

3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

The OVT report and system report provides evidence of a number of activities relative to Goal 1. Activities are implemented at all levels within the system indicating the system has generally addressed activities and strategies. The system has elected to continue working on the relationship goal. This goal could be strengthened through the use of data.
GOAL 2: Relevance

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

The OVT chair and system report provide examples of activities which support Goal 2. These include the addition of a new greenhouse for application based learning, utilizing individual plans of study to consider course scheduling, and expanded professional development. The goal can be strengthened through the use of data.

5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The OVT chair report indicates the system has a well-developed strategic plan and cites staff understand the “why” behind decisions.

6. The evidence submitted to the Accreditation Review Council indicates the system assuredly demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

A review of the systems data directly impacting the Kansas Vision for Education and state board outcomes provided the ARC evidence of significant gains. It was noted that gains were made in all criteria areas. Data were provided, when applicable, based on the year of entry in the accreditation cycle. The OVT report provides documentation that the system understands the why behind gains.

7. System stakeholders relevant to each part of the KESA process were generally involved during the accreditation cycle.

Multiple examples are provided of active participation by stakeholders including CTE advisory councils, booster clubs, and PTOs, and are communicated through ThunderTalk.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

The OVT indicated the system leadership was focused on the accreditation processes.

9. This system has generally followed the KESA process with an expected level of fidelity.

The expected level of fidelity for a system entering KESA in year four of the processes was generally followed according to the reports submitted.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

The ARC’s review of the documentation found that the system and the OVT chair reports provided sufficient documentation to recommend accreditation.
Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

The ARC and OVT did not find any issues with compliance. According to the information provided by the system, OVT Chair, and KSDE, all compliance areas were assuredly addressed.

2. Foundational areas are assuredly addressed.

The system documented how each of the eight foundational areas had been addressed and the OVT verified in their reports that they were addressed.

GOAL 1: Relationships

3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

The system focused on both relationships across the district as well as those within each school, and took specific steps to improve both, with a focus on communication. One strategy the schools used to improve relationships was to open more communication between all levels. They have increased communication within the community specifically with the area preschool teachers and the school. The OVT states that there was an increase in community involvement in activities and student participation. The ARC would suggest that the system has a more clear and concise goal that would include baseline data.
GOAL 2: Relevance

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

The system provided strategies and plans for relevance, but lacked a concise goal. The ARC would suggest that the system has a more clear and concise goal that would include baseline data during its next accreditation cycle.

5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The system has created new procedures with the plan for moving forward. The system has also implemented new programs with the hope of helping each student individually toward success. Examples were provided of the new procedures and plan.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

The system reports an increase in communication with outside preschool programs to help address kindergarten readiness. The system has also begun tracking students post high school to look at data for post-secondary success. The OVT reported that the system has increased their communication with the community. Evidence was provided indicating the creation of professional learning communities within their buildings. The system is also intentionally promoting career and college readiness with IPS implementation efforts K-12. Evidence indicated the system is also addressing the social-emotional needs of students by implementing a partnership with Southeast Mental Health.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

The system reported and the OVT verified that there was an increase in community involvement. The reports provided examples of preschool initiatives.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

The OVT verified system leadership was involved in the visits, and the OVT did not report any issues with responses from the system.

9. This system has generally followed the KESA process with an expected level of fidelity.

The system began in year 4 of the process and completed all the steps required of the cycle.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

The ARC feels that the reports have provided adequate responses to questions and all required documentation. The ARC has reviewed all information provided, and feels comfortable with a recommendation of accredited for USD 258 and moving into the next cycle. The ARC would suggest that the system have a more clear and concise goal that would include baseline data during its next accreditation cycle.
Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

According to the information provided by the system and KSDE, all compliance areas were assuredly addressed.

2. Foundational areas are generally addressed.

According to the evidence presented to the ARC, the system addressed all eight foundational areas.

GOAL 1: Relationships

3. Evidence is assuredly documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

According to the evidence in the OVT chair report, the system goal priority was to increase communication to staff and the community as a whole as well as to increase the number of staff that has meaningful positive relationships with each student. Examples included an updated regular monthly newsletter to the community and staff, a new mobile app, and providing staff with information from board meetings.

GOAL 2: Relevance

4. Evidence is assuredly documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

The system goal priority was to increase real world applications that integrates project based learning and integration of technology. Examples included hiring a P-12 integration technology specialist and an increase in teachers integrating project based learning.
5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

Upon review of the documentation, it was evident that the system has established policies, procedures, and regulations needed for long-term sustainability.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

Based on the data provided by KSDE, the OVT chair report, and system reports, the system made gains in some State Board Outcome areas. The system is aware that work still needs to be done for some of these goals.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

The system provided evidence of stakeholder involvement. Regular meetings with parents, staff members, leadership, building site councils, district site councils, building leadership teams, and district leadership teams throughout the process.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

The system leadership had regular and substantive interaction documented as evidenced in the OVT reports.

9. This system has generally followed the KESA process with an expected level of fidelity.

The system entered in year four (4) and followed all KESA processes with fidelity.

Justification of Recommendation:

The ARC finds, after reviewing all information provided by the OVT and system, there were adequate responses to questions and required documentation to indicate the system should be accredited.
Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

   According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are assuredly addressed.

   According to the Outside Visitation Team (OVT) Chair report, the system has addressed each of the foundational areas. The report gives a breakdown and data, when available, for each of the eight areas.

GOAL 1: Relevance

3. Evidence is assuredly documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

   The system is working on student engagement through the goal of relevance. The district’s goal is to engage students in a variety of ways. The chair report stated that each school had goals written to address student engagement and were planning to reevaluate these goals each year to ascertain what needed to improve for the following year.

GOAL 2: Rigor

4. Evidence is assuredly documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

   Andover has had many exciting initiatives taking place for this district goal of rigor. The goal for the system was to focus specifically upon career exploration and Career and Technical Education (CTE) pathways. Each school has a school improvement plan that addresses how they can help students explore their passions and be exposed to a variety of careers. This was their first year of full implementation of Individual Plans of Study (IPS) and Career Cruising.
5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long-term sustainability have been created and or updated.

The system reviewed policies, procedures and regulations guiding the system for the purpose of long-term sustainability and has a goal for the “eCademy” graduation addressed as part of their KIAS Action Plan. eCademy is the virtual school that USD 385 hosts, while the number of students graduating has increased each year, they do face a rotating student population that drives their overall numbers down. The system is addressing the eCademy with goals specific to this issue according to their report.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

The system provided evidence of gains for the board outcomes per the data provided in the chair report.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

Documentation reviewed provided evidence that system stakeholders were a part of the KESA process during the accreditation cycle.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

A review of the documentation provided evidence that the leadership was responsive to the OVT. They not only participated in the onsite visits, but also took the recommendations of the OVT from year 4 and made adjustments according to those recommendations.

9. This system has generally followed the KESA process with an expected level of fidelity.

The system followed the KESA process with fidelity. This system began in year 4 of the process and completed all the steps required within those two years of the cycle.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

The ARC finds that OVT has given adequate responses to questions and provided all required documentation. The ARC has reviewed all information provided and recommends of accreditation, it would like to suggest that USD 385 define student engagement and provide examples of this work during its next cycle as well as provide an action plan for P-5 students.

Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are assuredly addressed.

All foundational areas are addressed and meet standards to be accredited.

GOAL 1: Relevance

3. Evidence is assuredly documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

Their goal: “USD 396 will strive to become a premier institute of learning that balances students’ 21st century learning needs with available resources.” This goal is connected to the State Board of Education Outcome of Graduation Rate and Post-Secondary Success. This goal is connected to the KESA rubric in the areas of Relevance-Strategies and Personalized Instruction; Responsive Culture-Culture of Teaching and Learning; and RigorCollecting and Monitoring Data. According to the OVT Chair report the system has documented implementation of strategies and activities in place to meet the goal.

GOAL 2: Relationships

4. Evidence is assuredly documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

According to The OVT Chair report the system’s Goal 2 and action plan directly aligns with the State Board of Education Social and Emotional Learning Measured Locally. It also connects with the KESA Rubric for Relationships- Planning for Safe Learning Environment; and Responsive Culture-Social Engagement and Safe and Supportive School Environment. According to the OVT Chair report the system has documented implementation of strategies and activities in place to meet the goal.
5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The system worked with stakeholders to review and modify policies, procedures and regulations. They added an additional staff to support MTSS and determined this increased outcomes for student achievement.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

Based on the data provided by KSDE and information related in the OVT chair report and system reports, the system meets expectations for KESA and is demonstrating gains on some state board outcomes.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

System stakeholders were relevant to each part of the KESA process. The district has improved its stakeholder engagement through committees and community conversations. The bond issue work created some of those opportunities, which are now continued through the KESA process with District Site Councils and focus groups.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

According to the OVT Chair report the system leadership was responsive to recommendations from the OVT.

9. This system has generally followed the KESA process with an expected level of fidelity.

The system began in year 4 of the process and completed the steps required of the cycle to receive an accreditation recommendation.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

The ARC finds that reports have provided adequate responses to questions and all required documentation. The ARC has reviewed all information provided and feels comfortable with a recommendation of accredited for USD 396 and moving into the next cycle.

Justification of Recommendation:

The ARC finds that the reports reviewed have given adequate responses to questions and provided all required documentation. The ARC has reviewed all information provided and feels comfortable with the recommendation of accreditation for USD 428 and the system moving into the next cycle.
Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.
   According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are assuredly addressed.
   The OVT reported that all eight foundational areas had been addressed.

GOAL 1: Relevance

3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

   Abilene school district has maintained an intense focus on improving instruction and increasing relevance for students. According to the OVT Chair report the system maintained this focus and increased relevance through establishing coordination efforts with Building Leadership Teams (BLT), District Leadership Team (DLT), Building Site Councils (BSC), and District Site Council (DSC).

GOAL 2: Rigor

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

   According to the OVT Chair report Abilene was strategic and purposeful in targeting the increase in rigor as it relates to professional learning to support goal 2 activities and strategies.
5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The OVT reported that there is vision in place for long term sustainability.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

Based on the data provided by KSDE and information contained in the OVT chair report and system reports, the system is making gains in State Board Outcome areas. Two years into the KESA process does not provide sufficient time to assess the impact of the goals to the results. However, the process is in place to create change.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

The OVT reported meeting with different stakeholders and also that the system had engaged in an outside agency to get feedback from community stakeholders.

8. System leadership was assuredly responsive to the Outside Visitation Team throughout the accreditation cycle.

The OVT did not report any deficiencies in responses from the system.

9. This system has generally followed the KESA process with an expected level of fidelity.

The system began in year 4 of the process and completed the steps required of the cycle to receive an accreditation recommendation.

According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are generally addressed.

According to the AdvancED report the system has addressed most foundational areas. The report lists each area and the work being done on each, some are still being developed more fully.

GOAL 1: Rigor

3. Evidence is assuredly documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: All teachers will utilize Multi-tiered Systems of Support forming instructional groups and planning lessons based on data to improve student understanding in the core subject areas. Evidence presented indicated that they had two professional development days to learn how to interpret and use data. The school has also shown improvements in their state assessments scores in ELA and Mathematics.

GOAL 2: Relationships

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: The school will develop and implement an individualized professional development plan for each teacher to meet the needs of their students. This goal focuses on achieving their school wide goals. Teachers have become more vested in their own professional learning, which will lead to growth for students.
5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The system has been given improvement priorities and the AdvancED team will follow up in 2 years to check for growth on those areas. According to AdvancED, the system’s governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness; leaders implement operational processes and procedures to ensure organization effectiveness in support of teaching and learning.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

The school has individualized instruction plans for students, but has not moved to building a four-year plan with career option discussions. The school also shows good data for assessments. This is a K-8 school so postsecondary success and graduation rates would not apply.

7. System stakeholders relevant to each part of the KESA process were generally involved during the accreditation cycle.

The AdvancED team met with stakeholders and confirmed that they were involved with the process since the cycle began.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

The AdvancED team reported that the system was responsive to whatever was needed during their visit and the months leading up to the visit.

9. This system has generally followed the KESA process with an expected level of fidelity.

This system has chosen to go with AdvancED and has followed their process with fidelity. It has also complied with following the KESA related documentation with fidelity.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

Based on the report form Advanced Ed, the ARC feels comfortable with recommending 4570 Saint Gregory to be accredited for the next cycle. The system will continue to work with Advanced Ed on their improvement priorities, with emphasis on the selection of a second goal area that addresses a second KESA goal area.

Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.

   According to the information provided by the system, AdvancED, and KSDE, the system met all compliance areas.

2. Foundational areas are generally addressed.

   The AdvancED reports indicate evidence was provided that the system addressed all eight foundational areas. The system is developing in two areas and implementing in six areas.

GOAL 1: Rigor

3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

   Goal 1 Statement: All students will improve their number and computation skills across the curriculum. Basic Strategies: K-2 students utilize Saxon Math. 3-8 students utilize Christian Light Math and IXL for interventions. According to the AdvancED reports the system has exceeded expectations through developing a learning culture of positive learner attitudes, beliefs and skills needed for success.

GOAL 2: Responsive Culture

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

   Goal 2 Responsive Culture: All students will improve their behavioral and social skills for school success. Basic Strategies: The use of a Virtuous Behavior Formation system across grade levels. Strategies from PBIS world.com were used as interventions as needed. According to the AdvancED reports the system has a formal structure to ensure learners develop positive relationships with and have adults/peers who support their educational experiences.
5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

According to AdvancED, the system’s governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness and leaders implement operational process and procedures to ensure organizational effectiveness in support of teaching and learning at a meets expectations level.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

Based on the data provided by KSDE and AdvancED, the system made some gains in some State Board Outcome areas. We recommend that they further develop a formal plan for Individual Plans of Study (IPS) for seventh and eighth grade students, a process or curriculum for addressing the social emotional component, and address the school’s MTSS program. This system does not have postsecondary or graduation rate since it is a K-8 building.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

According to the AdvancED documentation and processes, the system’s stakeholders collectively demonstrate actions to ensure the achievement of the institution’s purpose and desired outcomes for learning.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

According to the AdvancED documentation and processes the system was responsive throughout the accreditation process.

9. This system has generally followed the KESA process with an expected level of fidelity.

According to the AdvancED documentation and processes the system followed KESA processes with fidelity.

GOAL 2: Relevance

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: Teachers and principal will participate in Professional Learning Communities (PLC) to improve instruction and learning. According to Advanced Ed’s reports the system meets expectations in collectively demonstrating actions to ensure the achievement of the institution's purpose and desired outcomes for learning. The system also engages in a continuous improvement
process that produces evidence, including measurable results of improving student learning and professional practice at a meets expectation level.

5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

According to AdvancED the system’s governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness and leaders implement operational process and procedures to ensure organizational effectiveness in support of teaching and learning at a meets expectations level.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

Based on the data provided by KSDE and AdvancED the system made gains in some State Board Outcome areas. The system has a well-established MTSS structure supported by data collection. We recommend they further develop a formal plan for Individual Plans of Study (IPS) for seventh and eighth grade and collecting additional social emotional data. There is no postsecondary data because it is a K-8 system.

7. System stakeholders relevant to each part of the KESA process were assuredly involved during the accreditation cycle.

According to the Advanced Ed documentation and processes the system’s stakeholders collectively demonstrate actions to ensure the achievement of the institution’s purpose and desired outcomes for learning.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are assuredly addressed.

According to the Advanced Ed report the system has addressed all foundational areas. The report lists each area and the work being done in each area.

GOAL 1: Relevance

3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: Integrating digital resources into teaching, learning, and operations to improve professional practice, student performance, and organizational effectiveness. The school used a variety of assessments both formative and summative to monitor student growth.

GOAL 2: Responsive Culture

4. Evidence is assuredly documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: Restructuring of preschool program into a licensed day school with full time options for 2 ½ year olds to 5 year olds. As part of meeting the academic goals of K-8 students, the school is transitioning to a full time day school for Pre-kindergarten students. This will also improve community relationships as well as student success.
5. Evidence is generally documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

According to AdvancED, the system’s governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness at an emerging level; however, the governing authority adheres to a code of ethics and functions within defined roles and responsibilities is at an exceeds expectation level.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

Based on the report form AdvancED, the ARC feels comfortable with recommending 9013 Holy Cross to be accredited for the next cycle. The system will continue to work with AdvancED on their improvement priorities, and AdvancED will follow up in 2 years to check for growth on those areas.
Executive Summary
The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are assuredly addressed.
   According to the information provided by the system and KSDE, all compliance areas were addressed and met.

2. Foundational areas are generally addressed.
   According to the Advanced Ed report the system has addressed most foundational areas. The career planning (IPS) is still developing.

GOAL 1: Rigor
3. Evidence is generally documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.
   Goal Statement: Improvement of reading comprehension and math problem solving skills. Using various data points, teachers will continue to monitor academic growth of students and adjust instruction accordingly.

GOAL 2: Relevance
4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.
   Continue the implementation of 1:1 devices for all students. The continued professional development and work completed by students with the 1:1 devices.
5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

According to AdvancED the system's governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness and leaders implement operational process and procedures to ensure organizational effectiveness in support of teaching and learning at a meets expectations level.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

This school gave examples of what data there are beginning to collect, but admit that they are in the developing stages on the board outcomes. They do have a plan in place to make these a priority in the future. This is a K-8 school so postsecondary success and graduation rates would not apply.

7. System stakeholders relevant to each part of the KESA process were generally involved during the accreditation cycle.

The AdvancED team met with stakeholders and confirmed that they were involved with the process since the cycle began.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

Goal Statement: All students will improve mathematical higher level thinking skills across the curriculum. The evidence shown to the AdvancED team demonstrated improved growth in mathematical skills.

GOAL 2: Rigor

4. Evidence is generally documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

Goal Statement: All students will improve mechanical convention of written language skills across the curriculum. Since the school was engaged in a school improvement process with AdvancED, prior to the beginning of KESA the school did not select another goal area, but maintained their two goals in the area of Rigor. The ARC suggest that they identify two KESA goals in their next round of accreditation.
5. Evidence is assuredly documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

According to AdvancED the system’s governing authority establishes and ensures adherence to policies that are designed to support institutional effectiveness and leaders implement operational process and procedures to ensure organizational effectiveness in support of teaching and learning at the exceeding expectations level.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

The school shows evidence of starting the work in social emotional and implementing postsecondary success (IPS). The school also shows good data for assessments. This is a K-8 school so postsecondary success and graduation rates would not apply.

7. System stakeholders relevant to each part of the KESA process were generally involved during the accreditation cycle.

The AdvancED team met with stakeholders and confirmed that they were involved with the process since the cycle began.

8. System leadership was generally responsive to the Outside Visitation Team throughout the accreditation cycle.

The AdvancED team reported that the system was responsive to whatever was needed during their visit and the months leading up to the visit.

9. This system has generally followed the KESA process with an expected level of fidelity.

This system has chosen to go with AdvancED and has followed their process with fidelity.

Accreditation Review Council Recommendations

ACCREDITED

Justification of Recommendation:

Based on the report form AdvancED, the ARC feels comfortable with recommending 9025 Prince of Peace to be accredited for the next cycle. The system will continue to work with AdvancED on their improvement priorities, with emphasis on the selection of a second goal area that addresses a second KESA goal area. The system has been given the improvement priorities and the Advanced Ed team will follow up in 2 years to check for growth on those areas.
Zion Lutheran School is not part of the above Systems being brought fourth for an accreditation recommendation. The Accreditation Review Council (ARC) has recommended that it move to a year one system, rather than being a year four as Zion Lutheran School intended.

Upon reviewing the KESA Chair reports as well as the system reports, the ARC felt that this system had not purposefully worked to put in place the KESA components. This system has been following the National Lutheran School Accreditation (NSLA) process and the desire was that this process could align successfully with KESA. However, the alignment was not intentionally completed; therefore, the suggestion by the ARC to be moved back to a later accreditation date in KESA. So, instead of it being a year four (4), it will be considered a year one thus giving it sufficient time to put KESA processes in place successfully.

Zion Lutheran School will come again for an accreditation recommendation in 2022.

**System Name (Name USD)**

**Area(s) for improvement:**

1. Foundational structures - System does not address all seven of the KESA Foundational Structures.
2. Goals – the system did not identify goal 2.
3. Procedures and policies for long-term sustainability - the system does not address procedures and policies needed to support its improvement efforts.
4. Stakeholder involvement – the system does not have stakeholder engagement in the KESA process.
5. The system did not follow the KESA process has not been followed with fidelity.

**Rationale:**

1. The system provided limited evidence in addressing the following Foundation Structures: Tiered framework of support; Diversity and equity; and Career preparation.
2. No evidence was provided to indicate the system selected a second goal.
3. There is a lack of evidence to indicate efforts have been established to sustain the system action plan.
4. There is no evidence that stakeholders have been involved with the accreditation process.
5. The first visit included only an OVT Chair, not a team.

**Accreditation recommendation:**

Not accredited and pushed back to a year three system.

**System tasks:**

Resubmit as year three showing progress in the indicated areas.

Executive Summary

The information contained in this executive summary is supported by evidence and observation documented by the Outside Visitation Team and is presented to the Accreditation Review Council for the purpose of making an accreditation level recommendation to the state board.

1. Compliance areas are generally addressed.

The Outside Visitation Team (OVT) report indicates the system generally meets compliance standards of the KESA accreditation process. KSDE considers the system in good standing because it is working toward remedy of areas of concern around teacher licensure.

2. Foundational areas are not addressed.

The OVT report indicates three of the seven foundational areas need further development and focus. Those are tiered framework of support, diversity, and postsecondary/career preparation. Although each of these are identified in the OVT report, there is a lack of evidence provided to indicate the system has addressed these sufficiently.

GOAL 1: Relevance

3. Evidence is not documented that Goal 1 activities and strategies were identified, implemented and produced reasonable results.

The system has utilized a needs assessment to develop a technology plan and included the plan in the district budget. There is a lack of data provided as evidence that results have been produced.

GOAL 2:

4. Evidence is not documented that Goal 2 activities and strategies were identified, implemented and produced reasonable results.

There is no goal 2 provided. The OVT report indicates discussion was held regarding the potential of a relationship goal but there is no indication that goal was formalized. This system had already started a National Lutheran School Accreditation (NLSA) and entered KESA in year 4 with one goal.
5. Evidence is not documented that policies, procedures, and regulations guiding the system for the purpose of long term sustainability have been created and or updated.

The system has developed an action plan based on the National Lutheran School Accreditation needs assessment. There is a lack of evidence to indicate efforts have been established to sustain the academic portion of the plan. Zion Lutheran School’s administration and governing board inconsistently uses its school mission statement as the foundation and reference for all planning. Although the school’s purpose was developed in accordance with governance policy and its mission statement supports and aligns with the mission of its congregation, it has not completed a strategic plan since 2010.

6. The evidence submitted to the Accreditation Review Council indicates the system generally demonstrates significant gains in meeting the expectations of the Kansas Vision for Education and state board outcomes.

The OVT provides information indicating gains in math and reading. Efforts are identified regarding social and emotional health as well as kindergarten readiness. Postsecondary and graduation rate data does not apply as this is a K-8 system.

7. System stakeholders relevant to each part of the KESA process were not involved during the accreditation cycle.

Although stakeholders are involved with the system in many aspects (volunteerism, fund-raising, etc.) there is no evidence that the stakeholders have been involved in the actual accreditation process.

8. System leadership was not responsive to the Outside Visitation Team throughout the accreditation cycle.

The principal and board were responsive to the OVT. However, the report identified the need to clarify the principal’s role and responsibility for effective leadership necessary for accreditation.

9. This system has not followed the KESA process with an expected level of fidelity.

There is limited evidence to indicate the process has been implemented beyond meeting with an OVT.

Accreditation Review Council Recommendations

Choose an item.

Justification of Recommendation:

Lack of evidence to support accreditation. The ARC recommends the system moving to a 2022 evaluation year in the accreditation cycle, address the recommendations in the AFIs, and remain accredited in the interim.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Staff Initiating: Robyn Meinholdt  
Director: Mischel Miller  
Commissioner: Randy Watson  
Meeting Date: 8/13/2019

Item Title:

Act on Kansas Educator Preparation Program Standards for Driver Education

Recommended Motion:

It is moved that the Kansas State Board of Education adopt the Kansas Educator Preparation Program Standards for Driver Education.

Explanation of Situation Requiring Action:

In March 2018, KSDE brought together a committee of interested parties, including teachers from all grade levels and board districts as well as representatives of business and industry and postsecondary education agencies, to draft Model 9-12 Kansas Educator Preparation Program Standards for Driver Education. The result of that committee’s efforts, comprising a draft of Model 9-12 Kansas Educator Preparation Program Standards for Driver Education, is attached for presentation to the Kansas State Board of Education for approval.
Kansas Educator Preparation Program Standards for Driver Education (9-12)

**Learner(s) is defined as children including those with disabilities or exceptionalities, who are gifted, and students who represent diversity based on ethnicity, race, socioeconomic status, gender, language, religion, and geographic origin.

Standard 1: Content Knowledge. The teacher of driver education will possess knowledge and apply concepts of the driver education curriculum content, including safe operation of a motor vehicle, state-specific traffic laws and general rules of the road.

Function 1: The teacher demonstrates the knowledge, skills and dispositions to safely operate a motor vehicle.

From: Susan McMahan  
Subject: Update on School Safety and Security

Susan McMahan, Director of the Safe and Secure Schools Unit, will brief the State Board of Education on the progress of the unit and go over concerns and/or questions raised at the July 9 State Board meeting. Susan and Special Agent in Charge (KBI) Kelly Ralston will explain the Suspicious Activity Reporting (SAR) System created for Kansas school districts and their communities. The SAR System is located on both the Safe and Secure Schools and KBI websites. A QR code has been created that students will be more apt to use in reporting school safety, violence and other issues. The SAR tool is completely anonymous and has been utilized since it went active at the end of the 2018-19 school year.

In addition, a poster has been created to combine the bullying hotline, the Kansas School Safety Hotline, and the SAR. (See attached) KBI has been working with the Kansas Highway Patrol who responds to the Kansas School Safety Hotline to copy the information they receive and upload it to the SAR. This will make one repository for information to be analyzed by criminal analysts and actioned in a swifter and more efficient manner. There are resources on the Safe and Secure Schools website for schools to print and use. New posters will also be provided to school districts.

STANDARDS

Nine standards:

- Infrastructure protection.
- Security technology systems.
- Radio/communication contact with law enforcement.
- Communications to community.
- Crisis plans.
- Testing, exercises and training.
- Fire, tornado and crisis drills.
- Collaboration at the local level.
- Firearms safety.

2019-2020 GRANT FUNDING

2019-2020 will only allow projects associated with Standards 1 and 2.

- Building projects that can be implemented in phases.
- Include local collaborative partners.
- Projects submitted and approved will have to be completed by June 30, 2020.
SAFE ROOM GRANT FUNDS

- Hazard Mitigation Grant Program (HMGP)
- Pre-Disaster Mitigation (PDM)

Grant funding is awarded through Kansas Division of Emergency Management - schools have to be active partners in the county or regional Hazard Mitigation Plan and have had adopted the plan.

22 HAZARDS IDENTIFIED WITHIN KANSAS

- Agriculture infestation
- Civil disorder
- Dam/levee failure
- Drought
- Earthquakes

SENATE BILL 128: CRISIS DRILLS

Under the direction of the fire marshal:
• Four fire drills.
• Two tornado drills (September and March)

Under the direction of the Safe and Secure Unit:
• At least three crisis drills.

Manner in which such crisis drills are conducted may be subject to approval by the Safe and Secure Schools Unit.

SUSPICIOUS ACTIVITY REPORTING

WHAT IS SUSPICIOUS ACTIVITY?
• Unusual activity doesn’t always indicate that a crime is occurring. However, you know what is normal for your neighborhood and community. If behavior appears to be outside the norm, or frightens you, let law enforcement know.

Suspicious Activity May Include:
• An expressed threat to commit a crime.
• Threats of violence, or a communicated or displayed intent to cause harm to another person or persons.
• Threats against schools, facilities or events.
• Surveillance of facilities or people.
• The discovery of a gathering of weapons, chemicals, explosives or electronic devices.
• Attempts to enter restricted areas, test security systems or tamper with a secure site.
• Signs of human trafficking indicating a person isn’t free to leave.
• Signs of drug activity such as recurring, brief visits to and from a property.

Learn more about how to help identify and report suspicious activity that you might observe.

Item Title:
Act on the recommendations of the Professional Practices Commission (censure)

Recommended Motion:
It is moved that the Kansas State Board of Education follow the recommendations of the Professional Practices Commission and censure the Licensee in case 18-PPC-28.

Explanation of Situation Requiring Action:

18-PPC-28

The Kansas State Department of Education filed a Complaint seeking the revocation of Licensee’s license due to Licensee’s criminal diversion after having been charged with the crime of misdemeanor Unlawful Possession of Drugs. At the time of the Licensee’s arrest for drug possession she was licensed by the Kansas State Board of Education and teaching in a Kansas public school. Following an evidentiary hearing, the Professional Practices Commission recommends Licensee’s license be suspended until she completed her diversion and for the Licensee to subsequently be censured. The Licensee has since completed diversion.

INITIAL ORDER

Decision

Having heard the testimony of the witnesses, considered the evidence presented, reviewed the applicable statutes, regulations and policies, and otherwise being duly and fully informed in the premises of this matter, the Professional Practices Commission (Commission) of the Kansas State Department of Education (KSDE) on a vote of 6 to 0 recommends to the Kansas State Board of Education that the Complaint filed by KSDE seeking to revoke the teaching license of [Redacted] be denied and that in the alternative [Redacted]'s license be subject to public censure. In addition, the Commission recommended that [Redacted]'s license be suspended until she provides documentation of successful completion of her diversion and closure of the criminal matter.¹ Such documentation must be submitted to legal counsel for KSDE as soon as it is received, at which time the suspension will be lifted.

Statement of Case

This matter comes on for hearing before the Commission upon the Complaint filed by the KSDE seeking revocation of [Redacted]'s teaching license.

The hearing was held on June 14, 2019. Appearing for the Commission were vice-chairperson, Nathan Reed, and members William Anderson, Eric Filippi, Jennifer Holt, Stan Ruff and Aaron Edwards.

[Redacted] appeared in person and with counsel John M. Duma.

KSDE appeared by and through its attorney, General Counsel, R. Scott Gordon.

Evidentiary Rulings

Counsel for KSDE requested that KSDE Exhibits A through C be admitted as evidence. [Redacted] had no objection. KSDE Exhibits A through C were admitted.

[Redacted] offered Exhibits A through F. KSDE previously objected to Exhibit E and the objection was sustained in a Prehearing Order issued on June 11, 2019. All remaining exhibits offered by [Redacted] were admitted.

¹ On July 1, 2019 counsel for [Redacted] provided documentation that [Redacted]'s diversion agreement was completed, and the criminal matter had been dismissed. The suspension should not be imposed.
Discussion

Findings of Fact

1. As of the date of the Complaint filed in this matter, [redacted] held a professional teaching license, having been licensed since 2004.

2. [Redacted] testified, and the evidence supported, that she was charged with one count of Possession of Illegal Drug and one count of Possession of Drug Paraphernalia on November 18, 2017 in violation of Lenexa City Ordinance #3-9-H-1-A-1 and #3-9-H-2-A-2. The citation issued was #E2014355.

3. [Redacted] entered into a diversion agreement with the City of Lenexa, Kansas on April 12, 2018.

4. In accepting the diversion agreement, [redacted] agreed to: a diversion term of twelve (12) months; pay fees and costs totaling $445.00; report to a monitor on a monthly basis; completed cognitive therapy and treatment; submitted to random urine tests; and, complete community service.

5. [Redacted]'s diversion was set to conclude on April 12, 2019. The testimony offered was that [redacted] had completed the diversion and was merely awaiting on documentation from the City of Lenexa confirming that the matter was dismissed and closed.

6. [Redacted] was licensed as a teacher in the State of Kansas at the time of the offense.

7. On November 30, 2018, the KSDE filed a Complaint against [redacted] seeking revocation of her teaching license based on her alleged misconduct.

8. On December 10, 2018, [redacted] filed a request for a hearing on the complaint filed by KSDE.

Conclusions of Law

2. K.A.R. 91-22-1a(a) provides, in pertinent part, that “[a]ny license issued by the state board may be suspended or revoked, or the license holder may be publicly censured by the state board for misconduct or other just cause” including: “(11) entry into a criminal diversion agreement after being charged with any offense or act described in this subsection.”.

3. [Redacted] acknowledged that she was charged with offenses on November 18, 2017 and that what she did was wrong. [Redacted] explained the circumstances that led to her citation and the diversion and took responsibility for her actions.
4. K.A.R. 91-22-1a(g) sets forth what must be satisfied for a teacher that has had their license denied or revoked based on a violation of the provisions in subsection (a) of the same regulation to apply for a new license.

5. Although not required in this matter, the Commission felt it was appropriate to consider the factors set forth in K.A.R. 91-22-1a(g)(1) in determining if [redacted] should be revoked or if there was sufficient evidence that she had been rehabilitated.

6. The Commission, in determining whether to recommend to the Board that an individual’s application should be granted, is required to determine the extent of the applicant’s efforts at rehabilitation as well as the fitness of the applicant to be a member of the teaching profession. Wright v. State Bd. of Educ., 268 P.3d 1231 (Kan.App. 2012). The Commission has utilized these same principles in determining if a teacher’s license should be revoked.

7. In considering the factors in relation to the facts in this matter, the Commission felt that [redacted] demonstrated fitness to retain her license to teach. Among other factors the Commission identified that [redacted] expressed remorse and recognition of the wrongfulness of her actions. [redacted] testified that she had identified alternate means of coping with the stressors that had served as the basis for her drug use in the past, allowing her to avoid being in a similar position in the future. The Commission felt that [redacted] remained suitable to be placed in a position of trust and would be a suitable role model for students. The Commission also felt that she was forthcoming and truthful in her testimony.

8. While the Commission disagreed with the KSDE recommendation that [redacted]’s license be revoked, the Commission did conclude that some discipline was warranted and should be imposed.

9. On a vote of 6 to 0 the Commission recommends to the Kansas State Board of Education that the Complaint filed by KSDE seeking to revoke the teaching license of [redacted] be denied and that in the alternative [redacted]’s license be subject to public censure. In addition, the Commission recommended that [redacted]’s license be suspended until she provides documentation of successful completion of her diversion and closure of the criminal matter. Such documentation must be submitted to legal counsel for KSDE as soon as it is received, at which time the suspension will be lifted.

Item Title:
Act on the recommendations of the Professional Practices Commission (no discipline)

Recommended Motion:
It is moved that the Kansas State Board of Education adopt the findings of fact and conclusions of law regarding 19-PPC-03 and grant the Licensee's application to upgrade to a Professional License with no discipline.

Explanation of Situation Requiring Action:

19-PPC-03

The Kansas State Department of Education filed a Complaint seeking the revocation of Licensee’s license due to Licensee’s criminal diversion after having been charged with the crime of misdemeanor Theft. At the time of the Licensee’s misconduct, she was licensed by the Kansas State Board of Education and teaching in a Kansas public school. Following an evidentiary hearing, during which the Kansas State Department of Education suggested at least a recommendation to censure the Licensee for her misconduct, the Professional Practices Commission recommends Licensee’s application to upgrade to a Professional License be granted with no form of discipline imposed.
BEFORE THE KANSAS STATE DEPARTMENT OF EDUCATION
PROFESSIONAL PRACTICES COMMISSION

Case No. 19-PPC-03
OAH No. 19ED0014 ED

INITIAL ORDER

Decision

Having heard the testimony of the witnesses, considered the evidence presented, reviewed the applicable statutes, regulations and policies, and otherwise being duly and fully informed in the premises of this matter, the Professional Practices Commission (Commission) of the Kansas State Department of Education (KSDE) on a vote of 7 to 0 recommends to the Kansas State Board of Education that the Complaint filed by KSDE seeking to revoke the teaching license of be denied and that in the alternative recommends that the Kansas State Board of Education issue a renewal license to , upgraded to a professional license, and any other licensure as long as she meets the requirements.

Statement of Case

This matter comes on for hearing before the Commission upon the Complaint filed by the KSDE seeking revocation of teaching license.

The hearing was held on June 14, 2019. Appearing for the Commission were vice-chairperson, Nathan Reed, and members William Anderson, Eric Filippi, Jennifer Holt, Stan Ruff, Sylvia Ramirez and Aaron Edwards.

appeared in person and with counsel Kimberly Streit Vogelsberg.

KSDE appeared by and through its attorney, General Counsel, R. Scott Gordon.

Evidentiary Rulings

Counsel for KSDE requested that KSDE Exhibits A through F be admitted as evidence. had no objection. KSDE Exhibits A through F were admitted.

offered Exhibits 1 through 7. KSDE previously objected to Exhibit 3 and the objection was sustained. All remaining exhibits, 1, 2, and 4 through 7, offered by were admitted.
Procedural Issue

made an oral motion to dismiss the complaint filed by KSDE. asserted that K.S.A. 74-120(b)(1) prohibited the State Board of Education from disqualifying based upon “any arrests that do not result in a conviction.”

Pursuant to K.A.R. 91-22-25, the Commission has the authority to render a decision on a matter and make a recommendation to the State Board of Education as to the action to be taken. It was determined that this same authority applies to dispositive motions such as the motion to dismiss. It was understood that due to the Commission’s limited authority to make recommendations, that the evidentiary hearing would occur regardless of the Commission’s decision on the motion to dismiss.

The parties were allowed to present oral arguments for the sake of preserving the matter for appeal. The Commission, having heard the arguments of counsel, made no recommendation of dismissal.

Discussion

Findings of Fact

1. As of the date of the Complaint filed in this matter, held a professional teaching license, having been licensed since 2016.

2. testified, and the evidence supported, that she was issued a Uniform Notice to Appear and Complaint regarding one count of misdemeanor Theft, which occurred on December 10, 2017 in violation of Arkansas City Ordinance #6.1.

3. entered into a diversion agreement with the City of Arkansas City, Kansas on January 23, 2018, wherein she stipulated to the allegations in the complaint.

4. In accepting the diversion agreement agreed to: a diversion term of six (6) months; pay fees and costs totaling $521.00; and, report to a probation officer as directed.

5. diversion concluded on July 24, 2018 and the complaint was dismissed.

6. was licensed as a teacher in the State of Kansas at the time of the offense. has since applied to renew her teaching license and upgrade to a professional license.

7. On February 12, 2019, the KSDE filed a Complaint against seeking revocation of her teaching license based on her alleged misconduct.

8. On February 27, 2019, filed a timely request for a hearing on the complaint filed by KSDE.
9. [Redacted] testified that on December 10, 2017 she placed an article of clothing in her purse having a value of $33.76. She was approached by a secret shopper and asked if she had taken something. [Redacted] handed the article of clothing to the individual.

10. [Redacted] testified that when she placed the item in her purse she was not thinking about the consequences but was caught up in the thrill of what she was doing. She spoke to law enforcement and was given a ticket, or Uniform Notice to Appear and Complaint.

11. [Redacted] testified that she spoke to her parents and her team lead at the school, and eventually, upon receiving the complaint form KSDE, spoke to her principal about the matter.

12. [Redacted] testified that since the events of December 10, 2017 she has cut ties with the people she had surrounded herself with and has built a community of friends that she can turn to. She has also developed a plan to help her handle stress in the future.

Conclusions of Law

Act on the Petition for Reconsideration regarding the license of 19-PPC-16

Recommended Motion:

It is moved that the Kansas State Board of Education [grant / deny] the Petition for Reconsideration submitted by 19-PPC-16 and make new findings of fact and conclusions of law regarding 19-PPC-16's application to renew his license.

Explanation of Situation Requiring Action:

On June 14, the Professional Practices Commission recommended 19-PPC-16's professional license be renewed on the condition that his employing school district provides written verification to KSDE's Office of General Counsel that he'd informed it of his misconduct and pending licensure case.

As of July 9, the Office of General Counsel had received no such verification. As a result, the Kansas State Board of Education voted unanimously to deny 19-PPC-16's request to renew his license. On July 10, General Counsel to KSDE received an email indicating that 19-PPC-16 had spoken with his building administrator prior to July 9 but no letter had been sent.

On July 23, 19-PPC-16 submitted a Petition for Reconsideration. Within the Petition, 19-PPC-16 states that a letter was mailed by his building administrator. Shortly after, KSDE verified with the employing school district that a letter had in fact been written and submitted on behalf of 19-PPC-16. The letter was not addressed to the State Board or to the Kansas State Department of Education and has yet to actually arrive via U.S. Post. A copy of 19-PPC-16's Petition and the supporting letter are attached.
July 23, 2019

To whom it may concern,

This is a request for reconsideration of your denial of issuing a teaching license in the state of Kansas. This denial was issued on July 19, 2019 and notification was sent in a letter on July 22, 2019.

In November of 2018, I submitted my application to renew my teaching license. In the application, I disclosed that I was placed on Diversion for possession of marijuana and was scheduled for a hearing on June 14, 2019. Prior to the hearing, I submitted two letters of recommendation from my colleagues and a copy of the dismissal form, proving I had completed the diversion successfully and was dismissed of any charges. I appeared at the hearing on June 14, 2019 with a colleague to speak on my behalf.

During this hearing it was ruled unanimously 7-0 to recommend that I be issued my teaching license (with censure) under the caveat that I notify my district administrator. The school board stated that a letter of verification from the administrator was mandatory to issue the license. This letter was needed before July 9, 2019.

Subsequently, I notified my district administrator on June 17, the following Monday after the hearing. He agreed to write the letter of verification, and he sent it on June 20, 2019. Unfortunately, that letter did not make it to the correct people. Therefore, when the July 9, 2019 date came, the General Board of Counsel, nor the legal department did not receive that letter of verification needed to issue the license. They denied the license solely based on the absence of that letter.

I, respectfully request reconsideration of the denial of my teaching license based on the following:

- was unanimously recommended by the board to be issued the license
- has been dismissed of charges and has no other record of misconduct in his 8 years of being a licensed educator
- was only denied because the letter was misplaced after it had been sent before the July 9, 2019 deadline.

Sincerely,
To the Kansas State Board of Education,

Attached is my official petition for reconsideration based on the ruling of denying the issuance of a teachers license in the state of Kansas.

Sincerely,

[19-PPC-16]

To Whom It May Concern:

This letter serves as confirmation that [19-PPC-16] informed his administration of his Teacher license renewal hearing and the past issues that were brought up during the renewal process.

On June 18th, 2019, I received a phone call from [19-PPC-16]. During this phone call [19-PPC-16] and I discussed the following:

1. Past possession charges stemming from a traffic stop.
2. His ticketing and diversion program from passion charges.
3. Discussed the renewal process and hearing.
4. Charges and possible issues of parents/students/community perceptions.
5. How to discuss the charges if students and parents bring them up.
6. Notifying administration of legal issues when they happen so I can help.

[19-PPC-16] is a great classroom teacher and continues to grow in the profession. I appreciate his openness in discussing the charges and how it could affect his leadership and teaching in the classroom. I will continue to meet with [19-PPC-16] for mentorship.

I would like to thank the KSDE legal team in bringing this to my attention and having [19-PPC-16] discuss these issues with his administration. If you have questions or wish to speak further about [19-PPC-16], please feel contact me at 785-813-5500

Request and Recommendation for Board Action

Item Title:

Act on recommendations for Visiting Scholar licenses

Recommended Motion:

It is moved that the Kansas State Board of Education accept the recommendations of Randy Watson, Commissioner of Education, regarding Visiting Scholar licenses.

Explanation of Situation Requiring Action:

Blue Valley USD 229 - Center for Advanced Professional Studies (CAPS) and Alisa Morse

The Blue Valley School District – CAPS requests that Alisa Morse be granted renewal of a Visiting Scholar license valid for the 2019-20 school year. Ms. Morse will be assigned to teach the CAPS Filmmaking course. The course guides students through every aspect of the filmmaking process from story development to the production, editing and showing of their own short film. Students also learn photography, lighting and general career development skills in areas such as communication, finance, presentation and marketing.

Ms. Morse will be teaching the CAPS schedule of morning and afternoon sessions every day for a full semester, replicated again second semester. The sessions are each 2.5 hours and she will be teaching the morning and afternoon sessions, 6 periods a day. Credit for the course is 1 Fine Arts and .5 Technology credit, and the course is eligible for college credit. She completed appropriate professional learning during her first two years of teaching.

Alisa Morse’s education and experiences provide a unique educational experience to the high school students in the CAPS Filmmaking course. Her educational background, her expertise and experiences as a filmmaker, in combination with her experiences working in this field specifically with high school students through her NSLC roles, all contribute to a strong background relative to her teaching assignment. She meets the criteria of extensive related experience and an advanced degree in the subject. I recommend that the request for renewal of a Visiting Scholar license valid for the 2019-20 school year for Alisa Morse be approved, based on continuing to meet two of the established criteria, and completion of appropriate professional learning.

Wichita County, USD 467 and Carson Norton

The Wichita County school district requests that Carson Norton be granted a Visiting Scholar license valid for the 2019-20 school year. The district will assign Mr. Norton to teach a full schedule of Art (grades 7-12) at the Junior Senior High School. Courses will include Ceramics, Drawing, 3D Art, Photo Imaging and Illustration.

(continued)
Carson Norton earned a bachelor of arts degree (2007) and a master of arts degree (2008) in history from Fort Hays State University.

Mr. Norton has been a self-employed artist since 2013. His studio, Norton Art Studios is located in Great Bend. Carson specializes in monumental bronze sculptures, commissioned for public works. He also creates small pieces as requested by businesses and individuals. A variety of non-commissioned sculptures are also offered for sale in studio. He paints primarily in oil, but also creates watercolor and charcoal pieces. His paintings range from Plein Aire landscapes to aviation art, fly fishing, hunting and other subject matter. Much of his art and sculpture reflects his passion for history, especially military history. He also produces historical and outdoor writing.

He comes from a family of artists and since 1998 to present has contributed as an artist, sculptor, mold maker and marketing director to Norton Enterprises, an art gallery in Leoti featuring Bronze sculptures and paintings by his father, Charlie Norton. He has also collaborated with his father in producing commissioned bronze statutes. Most recently installed (2018) is a bronze statue of Dr. Samuel Crumbine that sits in a pocket park on the Kansas Health Institute grounds, directly across the street from the State Capitol in Topeka.

Mr. Norton’s sculptures have been displayed at: Wamego Area Veterans Memorial, Vernon Filly Art Museum (Pratt), Deines Cultural Center (Russell), Smokey Hill Art Exhibition, and the Shaffer Art Gallery (Barton Community College) among other places.

In addition to community art exhibits, Mr. Norton participates in many other art related community activities. He participated in the district career art fair by demonstrating the process he uses as he prepares and completes a commissioned painting. He is involved in the Shafer Art Gallery and Museum at Barton Community College, assisting in development of educational programming, the Art Cart Outreach program, and serving as a resource on various art techniques for the museum’s educational tours. He has also taught students during high school art day workshops at the Gallery. Barton Community College employed Mr. Norton as an adjunct for spring of 2018 to teach painting I, II and Drawing I, II based on his professional experiences.

The Wichita County school district believes that as a former graduate of the district, he will serve as an inspiration to the students to pursue their talents and dreams.

Carson Norton’s artistic abilities and professional work experiences since 1998 as both a self-employed artist and contributing artist to the family artistic enterprise will allow him to provide a unique learning experience to the middle and high school art students in Wichita County schools.

His talents and distinctions in the field of art are demonstrated by his exhibitions and displays, especially the commissioned bronze pieces on permanent display around the state. He has demonstrated his success in teaching both traditional and non-traditional students as an adjunct art instructor and in other teaching opportunities. He meets the criteria of significant experiences as an artist and outstanding talent and distinction in the field of art. I recommend that the request of a Visiting Scholar license valid for the 2019-20 school year for Carson Norton be approved, based on meeting two of the three established criteria.

(continued)
Dighton, USD 482 and Anna Birney

The Dighton school district requests that Anna Birney be granted a Visiting Scholar license valid for the 2019-20 school year. The district will assign Anna to teach chemistry at Dighton High School.

Anna Birney earned a bachelor of science in chemical engineering in 2007 from the University of South Carolina. A master of science in chemical engineering was earned from the University of Colorado, Boulder in 2009, and a master of science in chemical engineering from the Colorado School of Mines in 2011.

Ms. Birney accomplished the following during her degree studies:

- **Undergraduate**
  - Lab intern at Maker’s Mark for 2 months (summer 2004)
  - Lab intern at Courvoisier in Jarnoc, France for 3 months (summer 2005)
  - Undergraduate researcher, University of Kansas for 2 months (summer 2006)
  - Undergraduate researcher, University of South Carolina from December 2004 until graduation

- **Graduate**
  - Teaching assistant for General Chemistry for a semester and a research assistant from December 2007 until her graduation in 2009 while at UC-Boulder.
  - Research assistant for while at Colorado School of Mines 2009-2010

Ms. Birney’s experiences described above resulted in co-authoring two publications – one in the Journal of Catalysis and one in ACS Applied Materials and Interfaces. In addition, she presented a paper at the American Institute of Chemical Engineers Southeast Regional Student Conference on a technique for the preparation of bimetallic catalysts in April of 2007. She placed first in 2010 with a poster presentation on the carburization of Molybdenum (VI) Oxide at a Regional Symposium.

Anna Birney’s extensive educational background and expertise in chemical engineering, along with her varied experiences as a researcher, lab intern and teaching assistant during her studies all contribute to a strong background relative to a high school chemistry teaching assignment. She meets the criteria of advanced degrees in the subject and related experience. I recommend that the request of a Visiting Scholar license valid for the 2019-20 school year for Anna Birney be approved, based on meeting two of the established criteria for Visiting Scholar.

Criteria for a Visiting Scholar license:

1. Advanced course of study or extensive training in the area of licensure requested
2. Outstanding distinction or exceptional talent in the field
3. Significant recent occupational experience which is related to the field

Act on recommendations for funding new Kansas After School Enhancement Grants for 2019-2020

Recommended Motion:
It is moved that the Kansas State Board of Education approve recommendations for funding the Kansas After School Enhancement Grants for the 2019-2020 school year in an amount not to exceed $187,500.

Explanation of Situation Requiring Action:
The Kansas After School Enhancement Grant funds are available to enhance existing after-school programs or develop new after-school programs that target low income, at-risk children. An eligible entity must provide a dollar for dollar cash match for this award. Currently, $187,500 is allocated annually to fund these grants. In the spring of 2019, KSDE conducted a grant competition. The applicants included in the attached document are recommended for funding for the 2019-2020 school year.

Item Title:

Act on recommendations for funding new Kansas Middle School After School Grants for 2019-2020

Recommended Motion:

It is moved that the Kansas State Board of Education approve recommendations for funding the Kansas Middle School After School Advancement Grants for the 2019-2020 school year in an amount not to exceed $125,000.

Explanation of Situation Requiring Action:

The Kansas Legislature appropriated $125,000 from the state general fund for grant programs that will provide middle school youth (6th - 8th grades) a safe, productive place to be after school and/or during the summer. The programs must focus on the following components:

1) Age-appropriate physical activity
2) Career and higher learning opportunities
3) Academic enhancement

An eligible entity must provide a dollar for dollar cash match for this award. KSDE conducted a grant competition in the spring of 2019. The applicants included in the attached document are recommended for funding for the 2019-2020 school year.

Item Title:

Act on recommendations for funding the McKinney-Vento Homeless grants

Recommended Motion:

It is moved that the Kansas State Board of Education approve recommendations for funding the 2019-2020 McKinney-Vento Children and Youth Homeless grants.

Explanation of Situation Requiring Action:

The Kansas State Department of Education received $494,560 for the 2019-2020 federal education for McKinney Vento Homeless Children and Youth Program. The grants are continuation grants from federal formula funds from the United States Department of Education.

The purpose of the Education of Homeless Children and Youth Program is to ensure that all homeless children and youth have equal access to the same free and appropriate education, including public preschool education, provided to other children. The grant program provides direct services to homeless children and youth enabling homeless students to enroll and achieve success in school. Services are provided through programs on school grounds or at other facilities and shall, to the extent practical, be provided through existing programs and mechanisms that integrate homeless children and youth with non-homeless children and youth. Services provided shall not replace the regular academic program and shall be designed to expand upon or improve services provided as part of the schools’ regular academic programs. Professional development opportunities for the training of local homeless liaisons will be provided.

The following districts and amounts are recommended for approval:

USD 202 Turner $ 2,500
USD 229 Blue Valley $ 2,500
USD 233 Olathe $ 41,950
USD 259 Wichita $146,500
USD 261 Haysville $ 29,000
USD 289 Wellsville $ 12,700
USD 290 Ottawa $ 24,500
USD 305 Salina $ 2,500
USD 383 Manhattan-Ogden $ 28,000
USD 453 Leavenworth $ 2,500
USD 457 Garden City $ 25,054

Item Title:
Act on the Mental Health Intervention Team Program State Aid grants and applications for the 2019-20 school year

Recommended Motion:
It is moved that the Kansas State Board of Education approve the recommended grant allocations to school districts of $3,790,932 and grants for local community mental health centers of $2,001,710 for the Mental Health Intervention Team Program for the 2019-20 school year.

Explanation of Situation Requiring Action:
The Mental Health Intervention Team Pilot Program (MHIT) was originally approved in 2018 Substitute for Senate Bill 423, later amended in House Substitute for Senate Bill 61 and in Senate Bill 109. During the 2019 legislative session, the program was expanded by the Legislature for the 2019-20 school year in House Substitute for Senate Bill 25 and approved by the Governor.

Applications were open to all unified school districts. Thirty-one (31) districts submitted grant requests. These requests totaled $3,790,932 for districts to hire school liaisons. The districts are required to match $1 for each $3 of state aid. The estimated number of school liaisons for 2019-20 will be 77, while the number for 2018-19 was 43.5.

In addition to the state aid for districts, local community mental health centers are eligible for state aid to help fund their cost of providing services for students. The amount is calculated at the amount received in the 2018-19 school year plus one-third of the new amounts granted to districts in 2019-20. The total amount of state aid for the CMHCs would be $2,001,710.

The grant requests were reviewed by a team from the Kansas State Department of Education and the Association of Community Mental Health Centers of Kansas, Inc. The amount of the appropriation and carryover funds will cover all the requests submitted by the districts.

Attached is a table listing the districts that applied for grants, the amount requested, the amount recommended for approval and the amount for the local community mental health centers. Approval of these grants will allow school districts to begin the process of hiring staff for the upcoming school year.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Agenda Number: 17 h. (1)

Meeting Date: 8/13/2019

Item Title:

Act on request from USD 378, Riley County, Riley County, to hold a bond election

Recommended Motion:

It is moved that the Kansas State Board of Education issue an Order authorizing USD 378, Riley County, Riley County, to hold an election on the question of issuing bonds in excess of the district's general bond debt limitation.

Explanation of Situation Requiring Action:

Under KSA 75-2315 et seq., a school district may request that the State Board of Education authorize the district to hold an election on the question of issuing bonds in an amount which would cause the district's bonded indebtedness to exceed the district's general bond debt limitation. USD 378, Riley County, Riley County, has made such a request. If approved, the district could hold an election on the question of whether additional bonds be issued. If the voters approve such action, the district could issue the bonds.

USD 378 plans to use the bond proceeds to pay the costs to: (1) construct, furnish and equip improvements, repairs and additions to the existing Riley County Grade School and (2) construct, furnish and equip improvements and repairs to the existing Riley County High School, including: roof repairs; ADA accessibility improvements; secure entries and other safety and security improvements; bus lane and parking area improvements; lighting improvements and other energy efficiency improvements; HVAC system improvements; asbestos removal and abatement; domestic water system improvements; fire protection system improvements; new classrooms and elevator; and improvements to existing classrooms, restrooms, and support areas.

This application does not contain any non-instructional-related items.

Based upon the following criteria, staff recommends that this bond application be approved.

1. The vote to submit the bond application by the local board of education was unanimous.
2. The community was involved in the process of the building proposal.
3. All required forms were properly filed with us, along with an appropriate notice for the election.
4. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.
5. An outside consultant was utilized in determining the school district needs.
6. The age of the existing building(s) appears to justify a bond election.
7. The application indicates that the building(s) are in need of major repairs in order to provide the necessary student programs.

Act on request from USD 471, Dexter, Cowley County, to hold a bond election

Recommended Motion:

It is moved that the Kansas State Board of Education issue an Order authorizing USD 471, Dexter, Cowley County, to hold an election on the question of issuing bonds in excess of the district's general bond debt limitation.

Explanation of Situation Requiring Action:

Under KSA 75-2315 et seq., a school district may request that the State Board of Education authorize the district to hold an election on the question of issuing bonds in an amount which would cause the district's bonded indebtedness to exceed the district's general bond debt limitation. USD 471, Dexter, Cowley County, has made such a request. If approved, the district could hold an election on the question of whether additional bonds be issued. If the voters approve such action, the district could issue the bonds.

USD 471 plans to use the bond proceeds to pay the costs to construct, furnish and equip: (1) renovations and improvements to the existing elementary school, a connection between the elementary school and the middle/high school facility and a new addition to the elementary school for kindergarten and pre-school classrooms and to serve as a district-wide storm shelter; (2) renovations and improvements to existing district facilities, including but not limited to safety and security, technology, roof, parking, and drainage improvements; (3) conversion of the existing gymnasium/fieldhouse into a performance venue for fine arts classes and multipurpose area for physical education classes; and (4) a new storage building for the district.

This application does not contain any non-instructional-related items.

Based upon the following criteria, staff recommends that this bond application be approved.

1. The vote to submit the bond application by the local board of education was unanimous.
2. The district is experiencing a growth in enrollment.
3. All required forms were properly filed with us, along with an appropriate notice for the election.
4. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.
5. An outside consultant was utilized in determining the school district needs.

Act on request from USD 492, Flinthills, Butler County, to hold a bond election

Recommended Motion:

It is moved that the Kansas State Board of Education issue an Order authorizing USD 492, Flinthills, Butler County, to hold an election on the question of issuing bonds in excess of the district's general bond debt limitation.

USD 492, Flinthills, Butler County, has made such a request. If approved, the district could hold an election on the question of whether additional bonds be issued. If the voters approve such action, the district could issue the bonds.

USD 492 plans to use the bond proceeds to pay the costs to acquire a site and to construct, furnish and equip: (1) roof, flooring and security system improvements at all district school sites; (2) renovations and improvements at the Flinthills Middle and High School facility, including windows, secured entrances, handicap accessibility site, transportation and infrastructure improvements, agriculture building and livestock pens and an Ag metal shop; (3) renovations and improvements at the Flinthills Intermediate School facility, including windows, secured entrances, handicap accessibility and auditorium seating improvement; (4) renovations and improvements at the Flinthills Primary School facility, including restrooms, stage and lighting, site, transportation and infrastructure improvements; and (5) baseball and softball complex improvements, track and football complex improvements, and auditorium improvements.

This application contains the following non-instructional-related items: baseball and softball complex improvements and track and football complex improvements.

Based upon the following criteria, staff recommends that this bond application be approved.

1. The vote to submit the application for state aid by the local board of education was unanimous.
2. The community was involved in the process of the building proposal.
3. All required forms were properly filed with us, along with an appropriate notice for the election.
4. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:

Act on request from USD 378, Riley County, Riley County, to receive Capital Improvement (Bond and Interest) State Aid

Recommended Motion:

It is moved that the Kansas State Board of Education issue an Order authorizing USD 378, Riley County, Riley County, to receive capital improvement (bond and interest) state aid as authorized by law.

Explanation of Situation Requiring Action:

Under KSA 75-72-5461 et seq., as amended by 2018 Substitute for Senate Bill 423, a school district may request that the State Board of Education authorize the district to receive capital improvement (bond and interest) state aid. USD 378, Riley County, Riley County, has made such a request. If approved, the district would receive capital improvement (bond and interest) state aid as provided by law. If the request is not approved, the district will not receive any capital improvement state aid.

USD 378 plans to use the bond proceeds to pay the costs to: (1) construct, furnish and equip improvements, repairs and additions to the existing Riley County Grade School and (2) construct, furnish and equip improvements and repairs to the existing Riley County High School, including: roof repairs; ADA accessibility improvements; secure entries and other safety and security improvements; bus lane and parking area improvements; lighting improvements and other energy efficiency improvements; HVAC system improvements; asbestos removal and abatement; domestic water system improvements; fire protection system improvements; new classrooms and elevator; and improvements to existing classrooms, restrooms, and support areas.

This application does not contain any non-instructional-related items.

Based upon the following criteria, staff recommends that this application for capital improvement (bond and interest) state aid be approved.

1. The vote to submit the application for state aid by the local board of education was unanimous.
2. The community was involved in the process of the building proposal.
3. All required forms were properly filed with us, along with an appropriate notice for the election.
4. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.
5. An outside consultant was utilized in determining the school district needs.
6. The age of the existing building(s) appears to justify a bond election.
7. The application indicates that the building(s) are in need of major repairs in order to provide the necessary student programs.

Act on request from USD 471, Dexter, Cowley County, to receive Capital Improvement (Bond and Interest) State Aid

Recommended Motion:
It is moved that the Kansas State Board of Education issue an Order authorizing USD 471, Dexter, Cowley County, to receive capital improvement (bond and interest) state aid as authorized by law.

Explanation of Situation Requiring Action:
Under KSA 75-72-5461 et seq., as amended by 2018 Substitute for Senate Bill 423, a school district may request that the State Board of Education authorize the district to receive capital improvement (bond and interest) state aid. USD 471, Dexter, Cowley County, has made such a request. If approved, the district would receive capital improvement (bond and interest) state aid as provided by law. If the request is not approved, the district will not receive any capital improvement state aid.

USD 471 plans to use the bond proceeds to pay the costs to construct, furnish and equip: (1) renovations and improvements to the existing elementary school, a connection between the elementary school and the middle/high school facility and a new addition to the elementary school for kindergarten and pre-school classrooms and to serve as a district-wide storm shelter; (2) renovations and improvements to existing district facilities, including but not limited to safety and security, technology, roof, parking, and drainage improvements; (3) conversion of the existing gymnasium/fieldhouse into a performance venue for fine arts classes and multipurpose area for physical education classes; and (4) a new storage building for the district.

This application does not contain any non-instructional-related items.

Based upon the following criteria, staff recommends that this application for capital improvement (bond and interest) state aid be approved.

1. The vote to submit the application for state aid by the local board of education was unanimous.
2. The district is experiencing a growth in enrollment.
3. All required forms were properly filed with us, along with an appropriate notice for the election.
4. The district outlined the needs for the building project by responding to all questions required by the State Board of Education.
5. An outside consultant was utilized in determining the school district needs.

Item Title:
Act on request from USD 492, Flinthills, Butler County, to receive Capital Improvement (Bond and Interest) State Aid

Recommended Motion:
It is moved that the Kansas State Board of Education issue an Order authorizing USD 492, Flinthills, Butler County, to receive capital improvement (bond and interest) state aid as authorized by law.

Explanation of Situation Requiring Action:
Under KSA 75-72-5461 et seq., as amended by 2018 Substitute for Senate Bill 423, a school district may request that the State Board of Education authorize the district to receive capital improvement (bond and interest) state aid. USD 492, Flinthills, Butler County, has made such a request. If approved, the district would receive capital improvement (bond and interest) state aid as provided by law. If the request is not approved, the district will not receive any capital improvement state aid.

USD 492 plans to use the bond proceeds to pay the costs to acquire a site and to construct, furnish and equip: (1) roof, flooring and security system improvements at all district school sites; (2) renovations and improvements at the Flinthills Middle and High School facility, including windows, secured entrances, handicapped accessibility site, transportation and infrastructure improvements, agriculture building and livestock pens and an Ag metal shop; (3) renovations and improvements at the Flinthills Intermediate School facility, including windows, secured entrances, handicapped accessibility and auditorium seating improvement; (4) renovations and improvements at the Flinthills Primary School facility, including restrooms, stage and lighting, site, transportation and infrastructure improvements; and (5) baseball and softball complex improvements, track and football complex improvements, and auditorium improvements.

This application contains the following non-instructional-related items: baseball and softball complex improvements and track and football complex improvements. If approved to receive capital improvement state aid (bond and interest), $3,900,000 would be funded at 56.2 percent of state aid entitlement under the law.

Based upon the following criteria, staff recommends that this application for capital improvement (bond and interest) state aid be approved.
1. The vote to submit the application for state aid by the local board of education was unanimous.
2. The community was involved in the process of the building proposal.

REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:
Act on request to contract with Instructional Coaching Group LLC to conduct training for Literacy Network of Kansas instructional coaches

Recommended Motion:
It is moved that the Kansas State Board of Education authorize the Commissioner of Education to enter into a contract with Instructional Coaching Group LLC to provide implementation training during November 2019 for instructional coaches with the Literacy Network of Kansas project in an amount not to exceed $12,300.

Explanation of Situation Requiring Action:
The Impact Cycle of Instructional Coaching: Implementation Going Deeper (for veteran instructional coaches with the Literacy Network of Kansas (LiNK) federal Striving Readers project)

Michelle Harris, a consultant with the Instructional Coaching Group, will lead this workshop for instructional coaches who have at least one year of experience with the LiNK project. After one year of implementation, coaches will review the impact cycle and how this process can provide a positive impact on student learning and well-being. Coaches will have opportunities to share experiences and best practices that are central to professional learning within their schools.

LiNK instructional coaches will provide guidance to teachers on the utilization of evidence-based instructional strategies in the areas of literacy learning. The expected result is that the use of instructional coaches will inform instructional staff of evidence-based literacy strategies, develop relationships with literacy experts, mentor teachers in their schools, and build the capacity for schools to understand and better utilize instructional coaching models to sustain job-embedded professional learning beyond the grant cycle.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:
Act on request to contract with Achieve to provide professional learning, technical assistance and project management of assessment inventories and content alignment for Literacy Network of Kansas (LiNK) schools.

Recommended Motion:
It is moved that the Kansas State Board of Education authorize the Commissioner of Education to enter into a contract with Achieve to provide professional learning, technical assistance and project management of assessment inventories and content alignment for schools with the Literacy Network of Kansas (LiNK) grant in an amount not to exceed $88,378 from Sept. 1, 2019 to June 30, 2021.

Explanation of Situation Requiring Action:
Beginning with a two-day network kick-off meeting in Fall 2019, participating LiNK districts will be introduced to the value of conducting an assessment inventory, receive a walk-through of the assessment inventory process, and receive training on the assessment inventory tool itself.

Throughout the school year, Achieve will conduct online webinars to provide additional training on aspects of the tool for district leaders and/or school leaders. In June 2020, Achieve will convene the district network for a second in-person meeting to review findings from local assessment inventories and work with districts to develop a plan to implement the recommendations resulting from the inventory process.

Year two will focus on school-level leaders and educators. Key aspects of year two include (1) working with school leaders and teachers to understand the purpose and value of reviewing the quality and alignment of local assessments; (2) training teachers on assessment literacy and a tool to determine the alignment of their local assessments; and (3) supporting school leaders and teachers in the implementation of the tool.

In June 2021, Achieve will convene district, school and teacher leaders for a final in-person meeting to review findings from local assessment inventories and develop a plan to implement recommendations from the assessment inventory, assessment literacy, and Content Quality Review process.

LiNK schools that complete this process with Achieve can provide models of implementation for schools beyond the federal Striving Readers project.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:
Act on request to contract for Social-Emotional Character Development Standards trainings

Recommended Motion:
It is moved that the Kansas State Board of Education authorize the Commissioner of Education to enter into a contract with Smoky Hill Education Service Center for Social-Emotional Character Development Standards trainings effective Sept. 1, 2019 through Jan. 1, 2020, in an amount not to exceed $15,750.

Explanation of Situation Requiring Action:
This request is designed to be the professional development associated with the State Board approved Social-Emotional Character Development Standards (SECD). Feedback from continuing surveys and the public comments phase of the standards revision process indicates that the field requests KSDE provide statewide technical assistance relative to the implementation of the SECD standards, the aligned instruction/curriculum and the evaluation of social-emotional growth.

Smoky Hill Education Service Center will coordinate seven site trainings utilizing three SECD service center trainers (Noalee McDonald-Augustine, Jodi Grover and Susan Johnson) at a rate of $750 per site for each trainer (7 x $750 x 3 = $15,750).

The three identified trainers served on the original standards writing committee and the revisions writing committee. Noalee has twice served as the co-chair of the writing committee. The trainers also have extensive certification in the domain including MTSS trainer, Kansans Can! Competency Framework and associated curricular models (i.e. bullying prevention, employability skills, youth suicide, crisis intervention, Conscious Discipline, etc.). Susan and Jodi are licensed school counselors, and all three provide technical assistance to scores of Kansas schools via the educational service centers. Smoky Hill Education Service Center will represent the Kansas Educational Service Centers Association (KESCA) in the facilitation of this contract. KSDE and KESCA partner in order to provide professional development state wide in the most efficient and effective manner.

SECD is unique to Kansas, which was the first state to adopt standards that integrated social-emotional learning and character development. All three trainers have been involved with this standards process since adoption in 2012 and revision in 2018. The Kansas education service centers represents the most effective and efficient training platform for K-12 education in Kansas.

Item Title:

Act on request to contract with the Kansas Association of Broadcasters for public service announcements to inform the public about Child Nutrition Programs and encourage healthy eating and physical activity

Recommended Motion:

It is moved that the Kansas State Board of Education authorize the Commissioner of Education to enter into a contract with the Kansas Association of Broadcasters in an amount not to exceed $50,000 for the purpose of disseminating public service announcements to inform the public about Child Nutrition Programs, increase access and encourage healthy eating and physical activity.

Explanation of Situation Requiring Action:

Objective: Increase communication with students, parents, school personnel and community members about nutrition and physical activity by disseminating public service announcements (PSAs) to inform the public about how to access Child Nutrition Programs and to encourage healthy eating and physical activity.

Approach: The Public Education Partnership (PEP) program of the Kansas Association of Broadcasters (KAB) is only made available to non-profits and government agencies. It is based upon "Total Fair Market Value" and provides a market value ratio of 3 to 1. There are over 120 radio stations and 15 television stations that pledge a bank of airtime for use by the KAB for the PEP. Since 2011, Child Nutrition & Wellness has aired PSAs through this program and has been pleased with the results. During the time periods the PSAs aired, KAB data shows that they aired throughout the state of Kansas and were aired in time slots that families and community members would be watching and listening.

Content: The Public Service Announcements (PSAs) are of high quality and were developed by GIZMO Pictures, Inc. The content focuses on nutrition, nutrition education and physical activity.

Funding: Child Nutrition & Wellness receives State Administrative Expense (SAE) funds from the United States Department of Agriculture (USDA) to be used exclusively for state-level administration of the federal Child Nutrition Programs. KSDE has $50,000 in federal fiscal year 2019 SAE funds available for this project. Due to the market value ratio of 3 to 1, the $50,000 will result in at least $150,000 of airtime during 2019 and 2020. The KAB has exceeded the 3 to 1 market value ratio in all years they aired announcements for KSDE’s CNW. In 2017, the market value ratio exceeded 4 to 1. Any federal fiscal year 2019 SAE funds that are not obligated by Sept. 30, 2019 must be returned to USDA.

Item Title:
Act on request to contract with Kansas Educational Leadership Institute (KELI) for mentoring services to support accreditation process

Recommended Motion:
It is moved that the Kansas State Board of Education authorize the Commissioner of Education to enter into a contract with the KELI organization to provide mentor services for superintendents to support the KESA (Kansas Education Systems Accreditation) process effective Sept. 1, 2019 to June 30, 2020 in an amount not to exceed $60,000.

Explanation of Situation Requiring Action:
The Kansas State Department of Education seeks to enter into a contract with the Kansas Educational Leadership Institute (KELI) to provide traditional mentoring for new superintendents and current school system superintendents who need additional support to implement the Kansas Education Systems Accreditation (KESA) process.

The KELI organization, based in Manhattan, has been providing professional development and mentor/mentee training to educational leaders for nearly a decade. KSDE is among KELI's collaborative partners. Through this initiative, services will include coaching and facilitation skills, examination of system data and KESA process, regional support meetings, onsite visits, continued contact via phone, email etc. Each system and participant will be designated a mentor for the school year. As a result of participation in the KELI mentor support services, systems will be up to date with the processes of accreditation and more fully prepared to continue with their own visitation team chairs to further develop the process.
Item Title:
Executive session for the purpose of consultation with attorney

Recommended Motion:
It is moved that the Kansas State Board of Education recess into Executive Session to discuss the subject of legal matters with legal counsel, which is justified pursuant to the exception for matters which would be deemed privileged in the Attorney-Client relationship under KOMA, in order to protect the privilege and the Board’s communications with an attorney on legal matters.
To: Randy Watson
From: Scott Gordon
Subject: Information on the Professional Practices Commission

The Kansas State Department of Education's Office of General Counsel (OGC) will present an update on the amount and types of cases reviewed by the Professional Practices Commission. OGC will also discuss whether any trends/patterns can be seen in the discipline issued by the Kansas State Board of Education over the last several years. This discussion may lead to proposed changes in the current regulatory scheme.

To: Randy Watson
From: Cynthia Hadicke
Subject: Overview of the Science of Reading

Reading instruction is grounded in the knowledge of how reading develops, why many students have difficulties and how reading failure can be prevented. KSDE Education Program Consultant Cynthia Hadicke conducted science of reading trainings this summer for Kansas educators and is active with the Dyslexia Task Force. She will provide portions of the science of reading information to Board members at their August meeting and explain the connection to instructional programs, strategies and approaches.

The presentation will include information on the following:

- How the brain is constructed and the portions of the brain needed for reading wiring to occur.
- Ways in which the brain performs better with movement (which includes proper blood/oxygen flow) and hydration.
- *Simple View of Reading* by Gough and Turner, and explain that reading comprehension cannot take place unless language comprehension and decoding happen together.
- How the brain has a literacy/phoneme analysis center and the importance of the connections between all lobes for proper reading wiring to occur.
- Phonological awareness and phonemic awareness, and show research from Scarborough on the importance of phonemic awareness.
- Phonics and the importance of systematic, explicit instruction.
- Important instructional practices for the brain to be wired to learn to read.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:

Act to appoint delegate and alternate to the NASBE Annual Conference for 2019

Recommended Motion:

It is moved that the Kansas State Board of Education appoint a member as the state’s representative voting delegate and a member as the alternate delegate for the annual conference of the National Association of State Boards of Education.

Explanation of Situation Requiring Action:

The annual conference of the National Association of State Boards of Education (NASBE) will be Oct. 16-19, 2019 in Omaha, Nebraska. Session topics directly address issues important to State Boards of Education, plus policymaking and board development. The annual conference also features the release of important reports, presentation of awards, and the annual business meeting and delegate assembly.
REQUEST AND RECOMMENDATION FOR BOARD ACTION

Item Title:
Act on payment of NASBE Membership Dues for 2020

Recommended Motion:

It is moved that the Kansas State Board of Education approve payment of calendar year 2020 dues and retain membership in the National Association of State Boards of Education and the National Council of State Education Attorneys.

Explanation of Situation Requiring Action:
The National Association of State Boards of Education (NASBE), founded in 1958, is the only national membership organization whose members are solely from the state boards of education. NASBE works to:

- Strengthen state leadership in educational policymaking,
- Promote excellence in the education of all students,
- Advocate equality of access to educational opportunity, and
- Ensure continued citizen support for public education.

Among the member benefits are education research and analysis, state board development, discounted registration and governance opportunities. NASBE's affiliate organization is the National Council of State Education Attorneys (NCOSEA). The membership rate has remained the same since 2011. The 2020 invoice is provided.
