Career Cruising Instructions

If you would like to update your Career Cruising results or utilize it for the first time, follow the instructions below. These instructions should work for all established USD 266 students. For new students, get in contact with the counseling department for access.

Go to: public.careercruising.com/us/en

Your Username: 20XXFirstLast@usd266.k12.ks.us (20XX is your graduation year, First & Last are your first and last name)

Your Password: 9 digit student number

Once you have entered your page, select "Explore My Interests" and "Start Matchmaker." Career Cruising will ask you to name your session. Use the date so that you can easily identify when the assessment was taken. From this point forward, follow the instructions on the screen. Take your time and when complete, explore the careers under "Career Interest Rank." Your future is important and your time is valuable. Use this assessment to plan for your time in high school and college.
