WASH YOUR HANDS, WASH YOUR HANDLES As the coronavirus crisis continues, we are amazed at the resilience and dedication of Driver Education community. During this ever-changing landscape, we want to make sure everyone remembers that vehicles should also be thoroughly sanitized to help prevent the spread of the coronavirus.

FROM KDOR: Due to Covid-19, the following change is in effect until June 30th, 2021:

All driver education forms expired after March 11th, 2020 will still be accepted at Kansas exam offices. This includes Certificate of Completion documents as well as the already extended DE-99 Parent/Guardian Permits students may have that did not finish class.

- This means that a student with a Certificate of Completion that expired on 3/11/20 or after will not have to retake driver education thru 6/30/2021.
- DE-99 Parent/Guardian Permits for students that did not finish class, whose Permit expired after 3/11/20 will be accepted until 6/30/2021.
- When students pass the drive test you still take the DE-99 Parent/Guardian Permit and give them the Certificate of Completion. That has not changed.
- Class time length has NOT changed and is still 7 months.

Kansas Handbook Test & Permit With advisement from the Kansas Driver Education Advisory Board, and requirement(s) from the DMV/KDOR, please see statements below:

Previous practice stands to have students take the Kansas Handbook Test in person; Kansas Handbook tests **CANNOT** be taken or presented online. It is **recommended** students take the Kansas Handbook test prior to the DE class. This is **recommended** not required, however this would allow drive instructors to begin driving on the first day of class with those students who already hold their permit. The student would still be required to attend DE class and learn (or review) the content covered. The ones who already held a permit could be exempt from having to take the actual exam.

- Since you are to give the written handbook test to every student, whether they have a current Permit or not, you will enter the Portal application with the expired Permit K number and then give the student the written test along with the rest of the class. As long as the student passes you will give them the Parent/Guardian DE-99 Permit and tell them to take it to the DMV to get a new Permit issued.

Reimbursement

Deadline as set in Regulations (For School Districts)

By statute (K.S.A. 8-272), in August of each year, the superintendent of each school district and the governing authority of each nonpublic school shall report to the state board of education the number of students who have been in attendance for a complete driver training course during the past school year. Therefore, if a student does not complete the driver training course prior to August 31st, the school will not be able to claim that student for reimbursement purposes *for that year*. Students who complete the course after August 31 would be eligible to be claimed for reimbursement *in the following year*.

- The estimated per pupil amount for students taking driver education in 2018-2019 school year the rate was \$138 for Driver Ed and \$73 for Motorcycle Ed.
- The estimated per pupil amount for students taking driver education in 2019-2020 school year the rate was \$102 for Driver Ed and \$130 for Motorcycle Ed.
