Booster to Belts

Program designed to encourage "big kids" to use a booster seat until they fit a seat belt.

$150 speaker reimbursement to programs/organizations to do in their community

Time commitment: 30 minutes + planning

ktsro.org/booster-to-belts

Safety Break!

Safety Break! is a complete educational curriculum and kit with 5 lessons covering various aspects of traffic safety and alcohol abuse prevention.

$250 speaker reimbursement to programs/organizations to do in their community

Time commitment: 2.5 hours + planning

ktsro.org/safety-break

Countdown2Drive

Program designed to bring parents and young teens together to talk about the key safety issues teens will face when riding as a passenger or as they prepare to drive

$250 per event available for local coalitions through Safe Kids Kansas

Time commitment: 2.5 hours + planning

countdown2drive.org

Driver Education Tool Kit

The kit is used primarily for driver's education parent meetings, presentations at service organization and local community groups to help explain the Graduated Driver's License to parents and how to best teach their children to drive safely.

Time commitment: 2 hours + planning

ktsro.org/drivers-education-toolkit

RIDE

A PowerPoint presentation for High School students highlighting the dangers and possible consequences of intoxicated driving, alcohol abuse and driving distractions.

Time commitment: 1.5 hours + planning

ktsro.org/ride

SAFE

SAFE is a teen-run, peer-to-peer program focusing on increasing teen restraint compliance through education, positive rewards and enforcement.

Prize Money allotted based on school population

Time commitment: 2 surveys, monthly educational activities for 6-8 months
