

KSDE Required Dyslexia Training Online Modules

This training is **required** for any new hire to a district that has not received this training in a previous district and hold the license or endorsements below. This training is also **recommended** for paraeducators. Documentation for when this training occurred and who attended should be kept by district and referred to when completing the S066 report. For additional resources and support see: [KSDE Dyslexia Webpage](#)

- elementary education,
- early childhood unified,
- high incidence special education and teaching in grades K-12,
- ELA grades 5-12,
- reading specialists
- school psychologists

The videos below utilize recordings of live sessions that took place July 2020. They have been edited to remove live interaction, so participants will be asked to pause the video periodically to reflect, discuss, and/or complete activities. Plan on approximately 1-hour to complete each part.

- [Part One - Simulation, Pre-Assessment, Definition of Dyslexia, and Characteristics of Dyslexia, and What dyslexia is NOT.](#)
- [Part Two - Evidence and research-based and Building a reading brain](#)
- [Part Three - Science of reading and structured literacy phonology, phonics](#)
- [Part Four -Structured literacy syllabication, morphology, syntax, and semantics](#)
- [Part Five & Six- KESA, Screening Components, Flow chart, and post-assessment](#)

Follow along with the videos using the slide deck below. This one slide deck contains information for all 6 parts.

- [SLIDEDECK LINK](#)
 - Part 1 - Slides 1-22
 - Part two - Slides 23-34
 - Part three - Slides 35-63
 - Part four - Slides 64-85
 - Part five & six - Slides 86-114

Resources you'll need to complete each module:

- [Handout and Activity details](#)
- [Interactive Notetaking guide](#)
- OPTIONAL [Pre/Post Test](#) (Answers/score available immediately after)
- [KSDE Dyslexia website](#)
- [Verification of Completion Form](#) (Provides certificate of completion)
