

## **2015 HOSA Future Health Professionals**

### **1000 Member Drive Promotion**

For the second straight year, Kansas HOSA has been one of the top 10 states in membership growth. This year, we are having a membership drive and our goal? **1000 members!**

To help achieve our goal, we are offering a reduced first year membership fee of \$14 for members of all new chapters. In addition, new chapters will get “Welcome to HOSA” packs for all their charter members.

See HOSA Event Calendar on next page. Please contact Wendy Coates, Kansas HOSA State Advisor, for information on starting a new chapter and the affiliation process.
