The Kansas Career Pipeline is your online location for career, job, education, planning, and training resources designed for Kansas.

What is the Kansas Career Pipeline?
The Kansas Career Pipeline (www.kansascareerpipeline.org) is a comprehensive, Internet-based educational and career assessment tool that allows students and adults across the state to have access to the educational, postsecondary, and career planning resources needed to prepare them for a lifetime of success.

Participants will discover their interests, learn about careers, plan for education, and ultimately connect with employers. Everything they need is combined into one easy-to-use, FREE system for all residents of Kansas.

Who can take part in the Kansas Career Pipeline?
Thanks to the support of collaborating agencies and organizations, the Kansas Career Pipeline is available to all residents within the state of Kansas.

- Students
- Parents
- Military Personnel
- Persons with Disabilities
- Counselors
- Adult Job Candidates
- Employers
- Teachers
- Adults in Career Transitions
- Retirees
- Persons with Disabilities
- Policy- & Decision-makers

Kansas Career Pipeline aims to:
- Connect a variety of career exploration, planning, and management resources to all Kansans
- Support partnerships among secondary schools, postsecondary institutions, business and community organizations, and state agencies
- Relate the results of inventories that measure interests, skills, and work values to educational and training options and occupations
- Facilitate development of four- or six-year educational plans and professional résumés

- Organize available exploratory experiences such as job shadowing, field trips, internships, and volunteer activities
- Create an awareness of high-demand Kansas occupations
