

RE:

National Foundation for Governors' Fitness Councils
DON'T QUIT! Campaign
School Fitness Center Award

Deadline:

February 26, 2018

Dear Educator:

It is my pleasure to announce that the National Foundation for Governors' Fitness Councils (NFGFC) is partnering with the State of Kansas for this year's DON'T QUIT!™ Campaign. The campaign encourages educators to submit a nomination form explaining why their school is a leader in student fitness. The NFGFC will award three schools a brand new DON'T QUIT! Fitness Center. Each fitness center is worth \$100,000 and includes strength training equipment, cardio fitness equipment, and a multi-exercise, circuit training system.

We are asking for your assistance in identifying eligible public or public charter, elementary or middle schools to receive this award. School nominations begin today and will be accepted through **Friday, April 6, 2018**. Attached to this email are 1) the nomination form, and 2) the campaign's public announcement with Governor Jeff Colyer. Please make sure your submission has the full support of your school district and meets the qualifications listed at the beginning of the nomination form.

Please email the nomination form as an attached Word (.doc) document to nominate@natgovfit.org. To receive full consideration, be sure to attach the photos requested in JPEG (.jpg) format. If you have any questions, please email us at info@natgovfit.org. More information can be found on our website: www.natgovfit.org.

This is an incredible opportunity to positively impact the lives and future wellness of your students! We look forward to receiving your nomination. Thank you for joining the campaign to help make Kansan students fitter, healthier, and happier!

Kelly McKeag
Program Director
