

Resources for Implementation and Differentiation

The Kansas State Department of Education (KSDE) has an online resource to help administrators, educators and parents learn about required and recommended training for the 2020-2021 school year.

With a click of a button, you can access a list of trainings clustered around three themes – Leadership Training, Prevention and Responsive Culture, and Student Safety and Wellness. Each section identifies who the training is geared toward and if it is required or recommended.

The website, www.ksde.org/Agency/Division-of-Learning-Services/Student-Staff-Training, touches on training for a variety of people, from superintendents and transportation supervisors to coaches, students and parents. Topics include juvenile justice, negotiations, bullying awareness, sexual harassment, accident prevention, concussion protocol and first aid. The website even provides how often each training is needed.

We hope this tool is informative and helpful as you navigate through professional development and other key trainings.
