| **4.** Activities to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population. | • Locate disengaged students and make sure they have access to education.  
• Connect families with community resources.  
• Translate materials for families.  
• Establish a safe in-person environment for a limited number of students most in need of in-person support, even while most of the district may be remote. Hold classes at different hours of the day to accommodate unusual family schedules.  
• Provide meals (sack lunches) for students who cannot safely come to school. |
| **5.** Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies. | • Pay staff for time outside of their contract to develop and implement necessary procedures in response to a health emergency, i.e. health protocols, mitigation of virus, cohorting procedures. |
| **6.** Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases. | • Bring in health departments and other community health professionals to provide professional development on mitigation efforts, training on how to use tools/technology, etc.  
• Train all school staff on appropriate sanitation.  
• Share school staff training with staff from other agencies such as hospitals, nursing homes, businesses, retail stores, etc.  
• Share school sanitation protocol training with parents. |
| **7.** Purchasing supplies to sanitize and clean the facilities of a local educational agency, including buildings operated by such agency. | • Purchase additional supplies or specialty equipment necessary to mitigate the virus within school buildings.  
• Purchase personal protective equipment; face masks, shields, gowns, gloves, etc. |
| **8.** Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the IDEA and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements. | • Provide for the excess costs associated with nutritional services – delivery, additional distribution locations, additional sanitation protocols/equipment.  
• Provide remote learning sites, internet hotspots, etc.  
• Provide meals (sack lunches) for students who cannot safely come to school.  
• Provide training for parents, staff, and students on use of technology.  
• Provide training for parents, staff, and students on remote learning practices and strategies. |

| **9. Purchasing educational technology** (including hardware, software, and connectivity) for students who are served by the local educational agency that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and children with disabilities, which may include assistive technology or adaptive equipment. | • Purchase additional technology such as tablets, laptops, screen readers etc. for remote teaching and remote learning.  
• Increase broadband for schools.  
• Purchase offsite internet security software to protect students and equipment.  
• Hire IT staff to implement and support additional technology.  
• Provide mental health services and supports. |
| **10. Providing mental health services and supports.** | • Contract with mental health agencies to provide counseling, social services, and access to mental health professionals for staff and students in response to COVID-19.  
• Provide professional development for counselors and social workers.  
• Develop and implement early warning systems/screeners to identify staff and student mental health needs.  
• Work with local mental health professionals to train school staff on mental health issues to watch for in students, staff, and parents; as well as how to respond appropriately. |
| **11. Planning and implementing activities related to summer learning and supplemental after school programs**, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, children with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care. | • Cover additional salaries/expenses for staff, utility bills, etc. associated with summer extended learning.  
• Cover expenses associated with providing student transportation to summer learning programs.  
• Cover expenses associated with additional learning materials to address specific needs created by or as a result of the pandemic.  
• Implement effective and impactful summer learning programs and after-school programs: Team teach, small classes, varied timeframes, curriculum tied to field trips and hands-on activities, multi-age student groupings, cross curricular instruction, etc. |
12. **Addressing learning loss among students**, including low-income students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and children and youth in foster care, of the local educational agency, including by —

a. Administering and using high-quality assessments that are valid and reliable, to accurately assess students’ academic progress and assist educators in meeting students’ academic needs, including through differentiating instruction.

b. Implementing evidence-based activities to meet the comprehensive needs of students.

c. Providing information and assistance to parents and families on how they can effectively support students, including in a distance learning environment.

d. Tracking student attendance and improving student engagement in distance education.

- Purchase screeners or assessments to help identify student learning loss.
- Provide tutoring services to students.
- Host parent camps – provide technology training, curriculum explanation/training, etc.
- Extend the length of the school year. Add more breaks if necessary.
- Purchase curriculum targeted toward areas in which students have fallen behind.

13. **School facility repairs and improvements** to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.

- Install plexiglass dividers and shields for classrooms, libraries, cafeterias, etc.
- Replace non-opening windows with windows that open.
- Contract an audit of district, pandemic safety protocols.
- Create signage related to pandemic safety protocols, i.e. one-way traffic flow in cafeteria, library, etc.
- Remodel space to create more classrooms to allow smaller, socially distanced class sizes.
- Lease space in community buildings to allow smaller, socially distanced class sizes.
